STOCK OPTION PLAN

The Vulcan International Corporation Stock Option Plan (the "Plan") was adopted by the Board of Directors of the Company in 1991. The purpose of the Plan is to provide additional incentives in order that the Company may retain key personnel. The Plan provides for the granting of options to purchase totaling not more than 300,000 shares of common stock from the Company's treasury shares of which 77,000 have not previously been granted. The Plan is administered by a Stock Option Committee consisting of not less than three (3) Directors of the Corporation who are not eligible to receive options under the Plan. During the year 2002, the Committee consisted of Directors Leonard Aconsky, Stanley I. Rafalo, and Thomas D. Gettler. The Committee determines the key employees to whom the options are granted, the term of the option and the number of shares of each grant subject to the option. The option price is such price as may be determined by the Option Committee.

Each option continues for the period determined by the Committee, which shall be not less than one (1) year or more than three (3) years from the date of its grant. The Plan provides that each key employee to whom an option is granted shall as a condition of his right to exercise such option, agree to remain in the continuous employment of the Company for a period of at least two years from the date of exercise of the option, unless he is prevented

from doing so by death or disability. Under the Plan, the Company has the option to repurchase shares from an optionee who terminates employment prior to the expiration of the two-year period. During 2001, Mr. Benjamin Gettler was granted an option for 50,000 shares at an exercise price of \$37.24 per share.

The maximum length of service which can be taken into account is 30 years. The method of computing benefits under the retirement plan is: the number of years of employment multiplied by the sum of 1.0% of average monthly salary and .65% of such salary in excess of Social Security covered compensation (all based on the highest 60 consecutive monthly salaries). The aggregate contribution made for the 2001-2002 Plan year was \$-0-. For purposes of the Plan, annual compensation means a participant's W-2 earnings for federal income tax purposes, excluding commissions and taxable fringe benefits. Mr. Gettler has reached normal retirement age and has more than 30 years of service. Mr. Gettler currently receives \$148,586 per year from the Plan based upon his selection of a joint and 100% survivor benefit.

The Board of Directors currently has two standing committees, namely, an Audit and Compensation Committee and a Stock Option Committee. The Stock Option Committee is discussed above under the heading "Stock Option Plan." That Committee had no meetings in 2002.

The Audit and Compensation Committee is comprised of independent, non-employee directors, namely, Messrs. Leonard Aconsky, Edward B. Kerin, and Dr. Stanley I. Rafalo. That committee had two meetings during the last fiscal year. The Audit and Compensation Committee is responsible for overseeing the Company's accounting functions and controls. The Committee has adopted a Charter to set forth all of its specific responsibilities. As required by the Charter:

The Committee has reviewed and discussed the audited financial statements with management;

The Committee has discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61 relating to conduct of the audit;

and

Based on the review and discussions with management and the representative of its independent auditors, the committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing with the Commission.

The Committee has reviewed and assessed the adequacy of the Charter.

A copy of the Audit and Compensation Committee Charter was included as an appendix to the 2002 proxy statement.

The Committee also reviews and recommends the salary and bonus of the Company's chief executive officer. The Audit and Compensation Committee had two meetings in 2002.

-9-

The Company pays each of its Directors \$8,000 per year as a director fee. The members of the Audit and Compensation Committee are paid \$300 per meeting attended.

There is in effect a Resolution of the Board of Directors pursuant to which any Director of the Company or any of the subsidiary companies may purchase up to 25,000 treasury shares of company stock at the closing bid on the American Stock Exchange on the date of the exercise of such election to purchase. EXECUTIVE COMPENSATION

Committee's Compensation Policy

It is the policy of the Audit and Compensation Committee that the Company's Executive Officers should be compensated in accordance with the responsibilities of their position and their performance in office. Included among the factors considered by the Compensation Committee in carrying out such compensation policies are the historical compensation paid

Edgar Filing: VULCAN INTERNATIONAL CORP - Form DEF 14A

officers of this Company and the compensation paid to executives in similar positions in other companies as well as performance in the fiscal year in question compared to prior fiscal years.

-10-

In carrying out the foregoing policies, the Committee also used the factors and criteria set forth hereinafter in determining the annual compensation of the Chief Executive Officer, Chairman of the Board and President of the Company for 2003. Those positions are filled by a single individual, Mr. Benjamin Gettler.

The year 2002 has been a difficult year for the Company and its Chief Executive Officer despite which the earnings of the Company have grown and were more than sufficient to continue the regular dividend payments and to lay the basis for future changes which we anticipate will be beneficial to the Company and its shareholders. In the first 11 months of 2002 (the latest financial information available to the Committee as of the date of this report), the Company had an unaudited consolidated net profit before tax on continuing operations (excluding capital gains on securities and fixed assets), of \$1,716,626, compared to \$935,527 in the first 11 months of 2001.

Mr. Gettler has not requested an increase in his salary. Furthermore, he has pointed out that it is necessary for the Company to conserve its cash. Accordingly, the Committee has determined that for the Year 2003 Mr. Gettler's salary remain at \$275,000 (which is unchanged since 1997); and that a bonus of 2,000 shares of Company stock be paid to him in January 2003.

Audit and Compensation Committee, December 19, 2002

Leonard Aconsky Edward B. Kerin Stanley I. Rafalo, Committee Members

At the meeting of the Board of Directors following the May, 2002 meeting, the Board again selected that firm to continue to serve as the Company's principal independent public accountants. The practice of the Board of Directors in making a selection at such meeting has been followed by the Company since 1956. The same practice will be followed after the May, 2003 Annual Meeting of Shareholders. Management is not aware of any intended change of principal independent public accountants. Representatives of J.D. Cloud & Co. L.L.P. are not expected to attend the Annual Meeting.
