PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed Proxy is solicited on behalf of the Board of Directors of Support.com, Inc. (which we will refer to as the "Company" or "Support.com" throughout this Proxy Statement) for use at the Annual Meeting of Stockholders to be held at the Hotel Sofitel located at 223 Twin Dolphin Drive, Redwood City, California, 94065, on Wednesday, June 13, 2001, at 10:00 a.m., local time, and at any adjournment(s) thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Company's principal executive offices are located at the address listed at the top of the page and the telephone number is (650) 556-9440.

The Company's Annual Report, containing financial statements for the fiscal year ended December 31, 2000, is being mailed together with these proxy solicitation materials to all stockholders entitled to vote. This Proxy Statement, the accompanying Proxy Form and the Company's Annual Report will first be mailed on or about May 11, 2001 to all stockholders entitled to vote at the meeting.

THE COMPANY SHALL PROVIDE WITHOUT CHARGE TO EACH STOCKHOLDER SOLICITED BY THESE PROXY SOLICITATION MATERIALS A COPY OF THE COMPANY'S ANNUAL REPORT ON FORM 10-K, TOGETHER WITH THE FINANCIAL STATEMENTS AND FINANCIAL STATEMENT SCHEDULES REQUIRED TO BE FILED WITH THE ANNUAL REPORT, UPON REQUEST OF THE STOCKHOLDER MADE IN WRITING TO SUPPORT.COM, INC., 575 BROADWAY, REDWOOD CITY, CALIFORNIA, 94063, ATTN: DIRECTOR, INVESTOR RELATIONS.

Record Date and Share Ownership

Stockholders of record at the close of business on April 25, 2001 (which we will refer to as the "Record Date" throughout this Proxy Statement) are entitled to notice of and to vote at the meeting and at any adjournment(s) thereof. The Company has one series of Common Stock issued and outstanding, designated as Common Stock, \$0.0001 par value per share. As of the Record Date, approximately 33,365,389 shares of the Company's Common Stock were issued and outstanding and entitled to vote.

How You Can Vote

Stockholders of record may vote their shares at the Annual Meeting either in person or by proxy. To vote by proxy, stockholders should mark, date, sign and mail the enclosed proxy form in the prepaid envelope. Returning a proxy form will not affect a stockholder's right to vote if the stockholder attends the Annual Meeting and wants to vote in person. Registered stockholders can simplify their voting by calling (800) 676-5925 or by voting via the Internet at <http://www.proxyvoting.com/support>. Telephone and Internet voting

Edgar Filing: SUPPORT COM INC - Form DEF 14A

information is provided on the proxy form if these options are available to you. Votes submitted via the Internet or by telephone must be received by 12:00 midnight, Eastern Daylight Time, on June 11, 2001. Voting by telephone or via the Internet will not affect a stockholder's right to vote in person should the stockholder decide to attend the Annual Meeting.

Stockholders holding shares through a bank or broker should follow the voting instructions on the proxy form received. The availability of telephone and Internet voting will depend on bank or broker voting processes.

1

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use at the meeting by (a) delivering to the Company at its principal offices (Attention: Director, Investor Relations) (i) a written notice of revocation or (ii) a duly executed proxy form bearing a later date or (b) attending the meeting and voting in person.

Voting

On all matters, each share has one vote. Directors are elected by a plurality vote. The nominees for the seven director seats who receive the most affirmative votes of shares present in person or represented by proxy and entitled to vote on this proposal at the meeting will be elected to serve as directors. Each of the other proposals submitted for stockholder approval at the Annual Meeting will be decided by the affirmative vote of the majority of the shares present in person or represented by proxy at the meeting entitled to vote on such proposal.

Solicitation of Proxies

The cost of soliciting proxies will be borne by the Company. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or facsimile.

Quorum; Abstentions; Broker Non-Votes

Votes cast by proxy or in person at the Annual Meeting ("Votes Cast") will be tabulated by the Inspector of Elections (the "Inspector"), with the assistance of the Company's transfer agent. The Inspector will also determine whether or not a quorum is present. Except in certain specific circumstances, the affirmative vote of a majority of shares present in person or represented by proxy at a duly held meeting at which a quorum is present is required under Delaware law for approval of proposals presented to stockholders. In general, Delaware law provides that a quorum consists of a majority of shares entitled to vote and present or represented by proxy at the meeting.

The Inspector will treat shares that are voted WITHHELD or ABSTAIN as being present and entitled to vote for purposes of determining the presence of a quorum but will not be treated as votes in favor of approving any matter submitted to the stockholders for a vote. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the shares will be voted (i) for the election of the nominees for directors set forth herein; (ii) for the ratification of Ernst & Young LLP, as independent public accountants of the

Edgar Filing: SUPPORT COM INC - Form DEF 14A

Company for the fiscal year ending December 31, 2001; and (iii) upon such other business as may properly come before the Annual Meeting or any adjournment thereof in accordance with the discretion of the proxyholder but will not be voted in the election of directors. Proxies that are not returned will not be counted in determining the presence of a quorum and will not be counted toward any vote.

If a broker indicates on the enclosed proxy form or its substitute that such broker does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will not be considered as present with respect to that matter. The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

In a 1988 Delaware case, *Berlin v. Emerald Partners*, the Delaware Supreme Court held that while broker non-votes may be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. Broker non-votes with respect to

2

proposals set forth in this Proxy Statement will therefore not be considered "Votes Cast" and, accordingly, will not affect the determination as to whether the requisite majority of Votes Cast has been obtained with respect to a particular matter.

Deadline for Receipt of Stockholder Proposals

Proposals of stockholders of the Company that are intended to be presented by such stockholders at the Company's 2002 Annual Meeting must be received by the Secretary of the Company no later than January 1, 2002 in order that they may be included in the Company's proxy statement and form of proxy relating to that meeting.

A stockholder proposal not included in the Company's proxy statement for the 2002 Annual Meeting will be ineligible for presentation at the meeting unless the stockholder gives timely notice of the proposal in writing to the Secretary of the Company at the principal executive offices of the Company and otherwise complies with the provisions of the Company's Bylaws. To be timely, the Company's Bylaws provide that the Company must have received the stockholder's notice not less than 50 days nor more than 75 days prior to the scheduled date of such meeting. However, if notice or prior public disclosure of the date of the annual meeting is given or made to stockholders less than 65 days prior to the meeting date, the Company must receive the stockholder's notice by the earlier of (i) the close of business on the 15th day after the earlier of the day the Company mailed notice of the annual meeting date or provided such public disclosure of the meeting date and (ii) two days prior to the scheduled date of the annual meeting.

IMPORTANT

PLEASE SUBMIT YOUR INSTRUCTIONS BY PHONE, BY INTERNET, OR BY COMPLETING, MARKING, SIGNING AND DATING THE ENCLOSED PROXY FORM AND RETURNING IT AT YOUR EARLIEST CONVENIENCE IN THE ENCLOSED POSTAGE-PREPAID RETURN ENVELOPE SO THAT, WHETHER YOU INTEND TO BE PRESENT AT THE ANNUAL MEETING OR NOT, YOUR SHARES CAN BE VOTED, THIS WILL NOT LIMIT YOUR RIGHTS TO ATTEND OR VOTE AT THE ANNUAL MEETING.

(1) Ms. Hoger joined the Company in February 2000.

The following tables set forth certain information as of December 31, 2000 and for the fiscal year then ended with respect to stock options granted to and exercised by the named executive officers. The options granted to Ms. Basu, Mr. Beattie and Mr. Rodoni were granted under the Company's 2000 Omnibus Equity Incentive Plan and are exercisable as to 1/48th each month over four years from the date of grant. The options granted to Ms. Hoger were granted under the Company's 1998 Stock Option Plan and vest as to 25% of the shares on the first anniversary of her employment start date and an additional 1/48th of the shares

Edgar Filing: SUPPORT COM INC - Form DEF 14A

each month thereafter. The percent of the total options set forth below is based on an aggregate of 3,588,272 options granted to employees during fiscal year 2000. All options were granted at the then fair market value as determined by the Company's Board of Directors on the date of grant.

Potential realizable value represents hypothetical gains that could be achieved for the options if exercised at the end of the option term assuming that the fair market value of the common stock on the date of grant appreciates at 5% and 10% over the option term (ten years) and that the option is exercised and sold on the last day of its option term for the appreciated stock price. The assumed 5% and 10% rates of stock price appreciation are provided in accordance with rules of the Securities and Exchange Commission and do not represent the Company's estimate or projection of the Company's future common stock price. Solely for purposes of determining the value of the options granted to Ms. Hoger, we have assumed that the fair market

11

value of shares of common stock issuable upon exercise of options was \$14.00 per share, the initial public offering price; since at the time the Company granted these options to Ms. Hoger, the Company's common stock was not traded in an established market. The options granted to Ms. Basu, Mr. Beattie and Mr. Rodoni were granted after our initial public offering, and we have therefore used the grant-date price (the closing price on the Nasdaq National Market on the date of grant) in determining the value of these options. The calculation includes the difference, if any, between the fair market value on the date of grant and the exercise price for such options. The hypothetical gains shown are net of the option exercise price but do not include deductions for taxes and other expenses payable upon exercise of the option or for sale of the underlying shares of common stock. Actual gains, if any, on stock option exercises will depend on the future performance of the Company's common stock, the officer's continued employment through applicable vesting periods and the date on which the options are exercised.

The Compensation Committee consists of two non-employee directors, Bruce Golden and Roger Sippl. REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The compensation committee of the Company's Board of Directors (the "Compensation Committee") consists of two non-employee directors, Bruce Golden and Roger J. Sippl, neither of whom have interlocking relationships as defined by the Securities and Exchange Commission. The Compensation Committee is responsible for setting and administering the policies governing annual

Edgar Filing: SUPPORT COM INC - Form DEF 14A

compensation of executive officers, considers their performance and makes recommendations regarding their cash compensation and stock options to the full Board of Directors. The Compensation Committee was recently established in connection with the Company's initial public offering and therefore the Compensation Committee has a limited history. The Compensation Committee expects, pursuant to its charter, to periodically review the approach to executive compensation and make changes as competitive conditions and other circumstances warrant and will seek to ensure the Company's compensation philosophy is consistent with the Company's best interests and is properly implemented.

Compensation Philosophy and Review

In July 2000, the Company completed the initial public offering of its common stock and became a reporting company at that time. To date, the compensation of the executive officers has reflected a private "start-up" company philosophy with the salary component at lower levels and the stock component at higher levels than would otherwise be applicable in an established company environment. The Compensation Committee strives to ensure that the Company's executive compensation programs will enable the Company to attract and retain key people and motivate them to achieve or exceed certain key objectives of the Company, including certain financial goals, such as profitability and asset management.

The Compensation Committee believes that compensation of the Company's executive officers should (a) encourage creation of stockholder value and achievement of certain corporate objectives, (b) integrate compensation with the Company's annual and long-term corporate objectives and strategy, and focus executive behavior on the fulfillment of those objectives, (c) provide a competitive total compensation package that enables the Company to attract and retain, on a long-term basis, high caliber personnel, and (d) align the interests of executive officers with the long-term interests of stockholders. As the Company continues to grow and develop, the Company and the Compensation Committee will work to shift compensation arrangements to mirror those of other publicly traded companies in similar sectors and to reflect the size and value of the Company.

To meet these objectives, executive compensation is comprised of three elements (i) base salary, (ii) incentive awards payable in cash and (iii) long-term stock-based incentive awards. The overall compensation package is variable. The Company's policy is generally to qualify and structure such variable compensation arrangements so as to qualify for deductibility under Section 162(m) of the Internal Revenue Code. However, the Company reserves the discretion to pay compensation to its executive officers that may not be deductible.

The summary below describes in more detail the factors which the Board considers in establishing each of the three primary components of the variable compensation package provided to the executive officers.

Key Elements of Executive Compensation

The Compensation Committee determined the base salaries and incentive awards of the executive officers for fiscal 2001. The Company provides its executive officers with a variable compensation package consisting of base salary, cash incentive awards and participation in benefit plans generally available to other employees.

Base Salary. The Compensation Committee reviews salaries recommended by the Chief Executive Officer for executive officers other than the Chief Executive Officer. The Compensation Committee set the salary and bonus potential of each executive officer on a case by case basis. Final decisions on base salary

adjustments of executive officers other than the Chief Executive Officer are made with the Chief Executive Officer's involvement. In determining the appropriate salary levels for the executive officers, the Compensation Committee considers, among other factors, each executive officer's relative position, scope of responsibility and historical and expected contributions to the Company.

Cash Incentive Awards. The cash incentive awards vary for each of the executive officers. The incentive award depends on the extent to which business and individual performance objectives are achieved. The Company's objectives consist of operating, strategic and financial goals that are considered to be critical to its fundamental long-term goal of building stockholder value.

Stock-based Incentive Awards. The Compensation Committee believes that stock options provide additional incentive to executive officers to work toward maximizing stockholder value. Grants of stock options to executive officers are based upon each executive officer's relative position, scope of responsibility, historical and expected contributions to the Company, and the executive officer's existing stock ownership and previous option grants. The Committee strives to align the interests of the Company's executive officers with the long-term interests of stockholders through stock option grants such that grants of stock options should relate the performance of the executive to the market perception of the performance of the Company.

Chief Executive Officer Compensation

The Compensation Committee meets without the presence of the Chief Executive Officer to evaluate her performance and uses the same procedures described above in setting her annual compensation package. For fiscal year 2000, the Compensation Committee decided to raise Ms. Basu's salary from \$200,000 to \$250,000. The Compensation Committee considered Ms. Basu's many accomplishments in helping to grow the Company, increase the Company's senior management team as the Company's business expanded in scope and grew in size, as well as Ms. Basu's expected contributions to the Company in the future. On November 27, 2000, Ms. Basu received an option to purchase 350,000 shares of the Company's Common Stock at an exercise price of \$10.438 per share, the closing price per share on the Nasdaq National Market on that day. The option becomes exercisable as to 1/48th of the shares each full month of service. As of March 31, 2001, Ms. Basu had a right to exercise 29,166 shares. Ms. Basu received a bonus of \$100,000 for services rendered in 2000.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS(1)

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors of Support.com. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements for fiscal year 2000 with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards and in compliance with Statement on Auditing Standards No. 61. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters provided to

Edgar Filing: SUPPORT COM INC - Form DEF 14A

the Audit Committee by the independent auditors in the written disclosures and the letter required by the Independence Standards Board No. 1. The Audit Committee discussed with the auditors the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Audit Committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting. The Committee held two meetings during fiscal year 2000.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2000 for filing with the Securities and Exchange Commission. The Audit Committee and the Board have also recommended, subject to stockholder approval, the selection of the Company's independent auditors.

PROPOSAL 2

RATIFICATION OF INDEPENDENT AUDITORS

Upon the recommendation of the Audit Committee, the Board of Directors has appointed the firm of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2001, subject to ratification by the stockholders. Ernst & Young LLP has audited the Company's financial statements since the Company's inception in 1997. Representatives of Ernst & Young LLP are expected to be present at the Company's Annual Meeting. They will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions.

Audit and Non-Audit Fees

Audit Fees. The aggregate fees billed by Ernst & Young LLP for professional services rendered for the audit of the Company's annual financial statements for fiscal year 2000 and the reviews of the financial statements included in the Company's Forms 10-Q and Form 10-K was \$224,000. Less than 50% of the hours expended on the engagement to audit the Company's financial statements for fiscal year 2000 were attributed to work performed by persons other than Ernst & Young LLP's full time, permanent employees.

Financial Information Systems Design and Implementation Fees. No fees were billed for professional services rendered for information technology services

Edgar Filing: SUPPORT COM INC - Form DEF 14A

related to financial information systems design and implementation by Ernst & Young LLP for fiscal year 2000.

All Other Fees. The aggregate fees billed for services rendered by Ernst & Young LLP other than for the services described above, including services rendered in connection with our initial public offering, tax consulting, permitted internal audit outsourcing and other non-audit services, for fiscal year 2000 was \$526,000.

Upon consideration, the Audit Committee determined that the provision of the services other than the audit services is compatible with maintaining Ernst & Young LLP's independence.

Required Vote

Ratification will require the affirmative vote of a majority of the shares present and voting at the meeting in person or by proxy. In the event ratification is not provided, the Board of Directors will review its future selection of the Company's independent auditors.

The Board of Directors recommends a vote "FOR" ratification of Ernst & Young LLP as the Company's independent auditors.

Further, the committee shall meet separately with the internal auditors and the independent auditors, with and without management present, to discuss the results of their examinations.

- . The committee shall review the interim financial statements with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q (or prior to the press release of results, if possible). Also, the committee shall discuss the results of the quarterly review and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards. The chair of the committee may represent the entire committee for purposes of this review.
- . The committee shall review with management and the independent auditors the financial statements to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of the Form 10-K), including their judgment about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the committee shall discuss the results of the annual audit and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.
- . Report the results of the annual audit to the board of directors. If requested by the board, invite the independent auditors to attend the full board of directors meeting to assist in reporting the results of the annual audit or to answer other directors' questions (alternatively, the other directors, particularly the other independent directors, may be invited to attend the audit committee meeting during which the results of the annual audit are reviewed).
- . Review the report of the audit committee in the annual report to stockholders and the Annual Report on Form 10-K disclosing whether or not the committee had reviewed and discussed with management and the independent auditors, as well as discussed within the committee (without management or the independent auditors present), the financial statements and the quality of accounting principles and significant judgments affecting the financial statements. In addition, disclose the committee's conclusion on the fairness of presentation of the financial statements in conformity with generally accepted accounting principles based on those discussions.
- . Submit the minutes of all meetings of the audit committee to, or discuss the matters discussed at each committee meeting with, the board of directors.
