Item 2.01 Acquisition or Disposition of Assets

On June 11, 2004, Speedemissions, Inc. (the Company) completed the acquisition of all of the assets (the Acquired Assets) of BB&S Emissions, LLC (the Seller). The Acquired Assets constitute all of the business assets of one (1) emissions testing center in the Atlanta, Georgia area, which the Company intends to continue to operate under the Speedemissions name. After taking into consideration the Acquired Assets, the Company now operates nineteen (19) emissions testing centers in the Atlanta, Georgia and Houston, Texas metropolitan areas.

In exchange for the Acquired Assets, the Company paid the purchase price of \$125,000 in cash (the Purchase Price) to the Seller, and agreed to assume a real property lease and two equipment leases. The Seller is an unrelated party to the Company and its affiliates, and the Purchase Price was determined by arms-length negotiations. The Purchase Price was paid in cash by the Company using funds raised in a private placement of \$210,000.

Item 9.01 Financial Statements

On June 18, 2004, the Company filed a Current Report on Form 8-K describing the BB&S transaction and indicating that financial statements related to the acquisition would be filed in an amended 8-K on or before August 25, 2004.

Upon review of the transaction, the Company has determined that, under Rule 3-05 of Regulation S-X, financial statements are not required to be filed.
