8. Indemnity and Contribution. (a) The Company agrees to indemnify and hold harmless each U.S. Underwriter, each person, if any, who controls any U.S. Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, and each affiliate of any U.S. Underwriter within the meaning of Rule 405 under the Securities Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereof, any Preliminary Prospectus or the Prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages or liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission based upon information relating to any U.S. Underwriter furnished to the Company in writing by such U.S. Underwriter through you expressly for use therein.

(b) Each Selling Shareholder agrees, severally and not jointly, to indemnify and hold harmless each U.S. Underwriter, each person, if any, who controls any U.S. Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, and each affiliate of any U.S. Underwriter within the meaning of Rule 405 under the Securities Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereof, any Preliminary Prospectus or the Prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, but only with reference to information relating to such Selling Shareholder.

(c) Each U.S. Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, the Selling Shareholders, the directors of the Company, the officers of the Company who sign the Registration Statement and each person, if any, who controls the Company or any Selling Shareholder within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereof, any Preliminary Prospectus or the Prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, but only with reference to information relating to such U.S. Underwriter furnished to the Company in writing by such U.S. Underwriter through you expressly for use in the Registration Statement, any Preliminary Prospectus, the Prospectus or any amendments or supplements thereto.

27

(d) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be

Edgar Filing: MITSUBISHI TOKYO FINANCIAL GROUP INC - Form 6-K

sought pursuant to Section 8(a), 8(b) or 8(c), such person (the "indemnified party") shall promptly notify the person against whom such indemnity may be sought (the "indemnifying party") in writing and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for (i) the fees and expenses of more than one separate firm (in addition to any local counsel) for all U.S. Underwriters and all persons, if any, who control any U.S. Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act or who are affiliates of any U.S. Underwriter within the meaning of Rule 405 under the Securities Act, and (ii) the fees and expenses of more than one separate firm (in addition to any local counsel) for the Company, the Selling Shareholders, the directors of the Company, the officers of the Company who sign the Registration Statement and each person, if any, who controls the Company or any Selling Shareholder within the meaning of either such Section, and that all such fees and expenses shall be reimbursed as they are incurred. In the case of any such separate firm for the U.S. Underwriters and such control persons and affiliates of any U.S. Underwriters, such firm shall be designated in writing by you. In the case of any such separate firm for the Company and the Selling Shareholders, such directors and officers of the Company and such control persons of the Company and the Selling Shareholders, such firm shall be designated in writing by the Company. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment.

28

Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by the second and third sentences of this Section 8(d), the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

(e) To the extent the indemnification provided for in Section 8(a), 8(b) or 8(c) is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each

indemnifying party under such subsection, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party or parties on the other hand from the offering of the U.S. Shares and the U.S. ADSs or (ii) if the allocation provided by clause 8(e)(i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause 8(e)(i) above but also the relative fault of the indemnifying party or parties on the one hand and of the indemnified party or parties on the other hand in connection with statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Selling Shareholders on the one hand and the U.S. Underwriters on the other hand in connection with the offering of the U.S. Shares and the U.S. ADSs shall be deemed to be in the same respective proportions as the net proceeds from the offering of the U.S. Shares and the U.S. ADSs (before deducting expenses) received by each of the Company and the Selling Shareholders and the total underwriting discounts and commissions received by the U.S. Underwriters, in each case as set forth in the table on the cover of the Prospectus, bear to the aggregate public offer price of the U.S. Shares and the U.S. ADSs. The relative fault of the Company and the Selling Shareholders on the one hand and the U.S. Underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and the Selling Shareholders or by the U.S. Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The U.S. Underwriters' respective obligations to contribute pursuant to this Section 8 are several in proportion to the respective numbers of the U.S. Shares and the U.S. ADSs they have purchased hereunder, and not joint.

29

(f) The Company and the Selling Shareholders and the U.S. Underwriters agree that it would not be just or equitable if contribution pursuant to this Section 8 were determined by pro rata allocation (even if the U.S. Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in Section 8(e). The amount paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in Section 8(e) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, no U.S. Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the U.S. Shares and the U.S. ADSs underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such U.S. Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement of omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 8 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

(g) The indemnity and contribution provisions contained in this Section 8 and the representations, warranties and other statements of the

Edgar Filing: MITSUBISHI TOKYO FINANCIAL GROUP INC - Form 6-K

Company and the Selling Shareholders contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any U.S. Underwriter, any person controlling any U.S. Underwriter or any affiliate of any U.S. Underwriter, any Selling Shareholder or any person controlling any Selling Shareholder, or the Company, its officers or directors or any person controlling the Company and (iii) acceptance of and payment for any of the U.S. Shares and U.S. ADSs.

(h) All payments by the Company and the Selling Shareholders under this Agreement shall be made without set-off or counterclaim, and free and clear of and without deduction or withholding for, or on account of, any present or future taxes, levies, impost duties, fees, assessments or other charges of whatever nature, imposed by Japan or by any department, agency or other political subdivision or taxing authority thereof, and all interest, penalties or similar liabilities with respect thereto ("Taxes"). Each of the Company and the Selling Shareholders warrants that it has been advised by its legal advisors that no Taxes are required by the law of Japan to be deducted or withheld in connection with any such payment. If any Taxes are now or subsequently become required by law to be deducted or withheld in connection with any such payment, each of the Company and the Selling Shareholders will take whatever steps are necessary to ensure that the full amount of such payment is received by the relevant party under this Agreement on that due date as if no such withholding or deduction had been required.

30

9. Termination. The U.S. Underwriters may terminate this Agreement, by notice given by you to the Company and the Selling Shareholders, if after the execution and delivery of this Agreement and prior to the Relevant Time (i) trading generally shall have been suspended or materially limited on, or by, as the case may be, any of the New York Stock Exchange, the Nasdaq National Market, the London Stock Exchange, the Tokyo Stock Exchange or the Osaka Securities Exchange, (ii) trading of any securities of the Company shall have been suspended on any exchange or in any over-the-counter market, (iii) a material disruption in securities settlement, payment or clearance services in the United States, the United Kingdom or Japan shall have occurred, (iv) any moratorium on commercial banking activities shall have been declared by U.S. Federal, New York State, United Kingdom or Japan authorities or (v) there shall have occurred any outbreak or escalation of hostilities, or any change in financial markets, currency exchange rates or controls or any calamity or crisis that, in your judgment, is material and adverse and which, singly or together with any other event specified in this clause (v), makes it, in your judgment, impracticable or inadvisable to proceed with the offer, sale or delivery of the U.S. Shares or U.S. ADSs on the terms and in the manner contemplated in the Prospectus.

10. Effectiveness; Defaulting U.S. Underwriters; Reimbursement of Expenses on Termination. (a) This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

(b) If, at a Time of Payment, any one or more of the U.S. Underwriters shall fail or refuse to purchase U.S. Shares that it has or they have agreed to purchase hereunder at such Time of Payment, and the aggregate number of U.S. Shares which such defaulting U.S. Underwriter or U.S. Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate number of the U.S. Shares to be purchased at such Time of Payment, the other U.S. Underwriters shall be obligated severally in the proportions that the number of U.S. Firm Shares set forth opposite their respective names in Schedule I bears to the aggregate number of U.S. Firm Shares set forth opposite the names of all such non-defaulting U.S. Underwriters, or in such other proportions as you may

Edgar Filing: MITSUBISHI TOKYO FINANCIAL GROUP INC - Form 6-K

specify, to purchase the U.S. Shares which such defaulting U.S. Underwriter or U.S. Underwriters agreed but failed or refused to purchase at such Time of Payment; provided that in no event shall the number of U.S. Shares that any U.S. Underwriter has agreed to purchase pursuant to this Agreement be increased pursuant to this Section 10 by an amount in excess of one-ninth of such number of U.S. Shares without the written consent of such U.S. Underwriter.

31

If, at any Time of Payment, any U.S. Underwriter or U.S. Underwriters shall fail or refuse to purchase U.S. Shares and the aggregate number of U.S. Shares with respect to which such default occurs is more than one-tenth of the aggregate number of U.S. Shares to be purchased, and arrangements satisfactory to you and the Company for the purchase of such U.S. Shares are not made within 36 hours after such default, this Agreement shall terminate without liability on the part of any non-defaulting U.S. Underwriter or the Company and the Selling Shareholders. In any such case either you or the Company shall have the right to postpone such Time of Payment, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement and in the Prospectus or in any other documents or arrangements may be effected. Any action taken under this paragraph shall not relieve any defaulting U.S. Underwriter from liability in respect of any default of such U.S. Underwriter under this Agreement.

(c) If this Agreement shall be terminated by the U.S. Underwriters, or any of them, because of any failure or refusal on the part of any of the Company and the Selling Shareholders to comply with the terms or to fulfill any of the conditions of this Agreement, or if for any reason (other than termination of this Agreement pursuant to Section 10(b)) any of the Company and the Selling Shareholders shall be unable to perform its obligations under this Agreement, the Company and the Selling Shareholders will reimburse the U.S. Underwriters or such U.S. Underwriters as have so terminated this Agreement with respect to themselves, severally, for all out-of-pocket expenses (including the fees and disbursements of their counsel) reasonably incurred by such U.S. Underwriters in connection with this Agreement or the offering contemplated hereunder.

12. Submission to Jurisdiction. (a) The Company and the Selling Shareholders irrevocably submit to the non-exclusive jurisdiction of any New York State or United States Federal court sitting in The City of New York over any suit, action or proceeding arising out of or relating to this Agreement, the Prospectus, the Registration Statement, the ADS Registration Statement or the offering of the U.S. Shares or the U.S. ADSs. Each of the Company and the Selling Shareholders irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum.

33

To the extent that any of the Company and the Selling Shareholders has or hereafter may acquire any immunity (on the grounds of sovereignty or otherwise) from the jurisdiction of any court or from any legal process with respect to itself or its property, the Company and the Selling Shareholders irrevocably waive, to the fullest extent permitted by law, such immunity in respect of any such suit, action or proceeding.

(b) Each of the Company and BTM hereby irrevocably appoints The Bank of Tokyo-Mitsubishi, Ltd., Headquarters for the Americas, with offices at 1251 Avenue of the Americas, New York, New York, 10020 (Attention: General Counsel) as its agent and MTB hereby irrevocably appoints The Mitsubishi Trust and Banking Corporation, New York Branch, with offices at 520 Madison Avenue, 26th Floor, New York, New York 10022 (Attention: Legal Group) as its agent (each an "Authorized Agent") for service of process in any suit, action or proceeding described in the preceding paragraph and agrees that service of process in any such suit, action or proceeding may be made upon it at the office of such agent. Each of the Company and the Selling Shareholders waives, to the fullest extent permitted by law, any other requirements of or objections to personal jurisdiction with respect thereto. Each of the Company and the Selling Shareholders represents and warrants that its Authorized Agent has agreed to act as its agent for service of process, and each of the Company and the Selling

Edgar Filing: MITSUBISHI TOKYO FINANCIAL GROUP INC - Form 6-K

Shareholders agrees to take any and all action, including the filing of any and all documents and instruments, that may be necessary to continue such appointment in full force and effect.

13. Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder into any currency other than United States dollars, the parties hereto agree, to the fullest extent permitted by law, that the rate of exchange used shall be the rate at which in accordance with normal banking procedures the U.S. Underwriters could purchase United States dollars with such other currency in The City of New York on the business day preceding that on which final judgment is given. The obligation of each of the Company and the Selling Shareholders with respect to any sum due from it to any U.S. Underwriter or any person controlling any U.S. Underwriter or any affiliate of any U.S. Underwriter shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first business day following receipt by such U.S. Underwriter or controlling person or affiliate of any sum in such other currency, and only to the extent that such U.S. Underwriter or controlling person or affiliate may in accordance with normal banking procedures purchase United States dollars with such other currency.

34

If the United States dollars so purchased are less than the sum originally due to such U.S. Underwriter or controlling person or affiliate hereunder, each of the Company and the Selling Shareholders agrees, jointly and severally, as a separate obligation and notwithstanding any such judgment, to indemnify such U.S. Underwriter or controlling person or affiliate against such loss. If the United States dollars so purchased are greater than the sum originally due to such U.S. Underwriter or controlling person or affiliate hereunder, such U.S. Underwriter or controlling person or affiliate agrees to pay to the relevant of the Company and the Selling Shareholders an amount equal to the excess of the dollars so purchased over the sum originally due to such U.S. Underwriter or controlling person or affiliate hereunder.

14. Counterparts. This Agreement may be signed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

15. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

16. Headings. The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.
