NOTES TO UNAUDITED FINANCIAL STATEMENTS

March 31, 2006

NOTE 1 BASIS OF PRESENTATION

The accompanying financial statements have been prepared without audit, pursuant to the rules and regulations of the Securities and Exchange Commission. The interim financial statements reflect all adjustments which, in the opinion of management, are necessary to present a fair statement of the results for the period.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted. It is suggested that these condensed financial statements be read in conjunction with the financial statements and notes thereto included in the Company's Annual Report on Form 10KSB for the year ended December 31, 2005. The results of operation for the period ended March 31, 2006 are not necessarily indicative of the operating results for the full years.

NOTE 2 LIQUIDITY/GOING CONCERN

The Company does not have significant assets, nor has it established operations and has accumulated losses since inception. These factors raise substantial doubt about the Company's ability to continue as a going concern. It is the intent of the Company to seek a merger with an existing, well-capitalized operating company. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

NOTE 3 RELATED PARTY TRANSACTIONS

The Company has recorded a related party liability of \$34,693 as of March 31, 2006. The unsecured loan bears no interest and is due on demand. For the three months ended March 31, 2006, a shareholder paid \$3,897 in expenses on behalf of the Company.

Item 2. Management's Discussion and Analysis or Plan of Operation.

Plan of Operation

Edgar Filing: KENTEX PETROLEUM INC - Form 10QSB

Our Company's plan of operation for the next 12 months is to:(i) consider guidelines of industries in which our Company may have an interest; (ii) adopt a business plan regarding engaging in business in any selected industry; and (iii) to commence such operations through funding and/or the acquisition of a going concern engaged in any industry selected

Our Company's only foreseeable cash requirements during the next 12 months will relate to maintaining our Company in good standing in the State of Nevada, as well as legal and accounting fees. Management does not anticipate that our Company will have to raise additional funds during the next 12 months.

As of the filing of this report we have not identified any operations nor are we in discussions with any potential operations.

Results of Operations

Three Months Ended March 31, 2006 Compared to Three Months Ended March 31, 2005

The Company has had no operations during the quarterly period ended March 31, 2006, nor do we have operations as of the date of this filing. General and administrative expenses were \$4,109 for the March 31, 2006 period compared to \$7,373 for the March 31, 2005 period. General and administrative expenses for the three months ended March 31, 2006 were comprised mainly of accounting and filing fees. We had net loss of \$4,109 for the March 31, 2006 period compared to a net loss of \$7,373 for the March 31, 2005 period.

Liquidity and Capital Resources

Our total assets as of March 31, 2006, were \$0, and we have no assets as of the date of this filing. We do depend on a shareholder being able to loan us money to fund our attempt to get and maintain our Company current in its filings and if this shareholder is not able to loan us the money our ability to continue in our attempt to get and maintain our Company current would be substantially reduced.

Forward-Looking Statements

The foregoing discussion contains forward-looking statements that discuss, among other things, future expectations and projections regarding future developments, operations and financial conditions. All forward-looking statements are based on management's existing beliefs about present and future events outside of management's control and on assumptions that may prove to be incorrect. If any underlying assumptions prove incorrect, Kentex Petroleum, Inc.'s actual results may vary materially from those anticipated, estimated, projected or intended.

Item 3. Controls and Procedures.

As of the end of the period covered by this Quarterly Report, we carried out an evaluation, under the supervision and with the participation of our President and Secretary, of the effectiveness of the design and operation of our disclosure controls and procedures. Based on this evaluation, our President and Chief Financial Officer concluded that our disclosure controls and procedures are effective at ensuring that information required to be disclosed or filed by us is recorded, processed or summarized, within the time periods specified in the rules and regulations of the Securities and Exchange Commission. It should be noted that the design of any system of controls is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions, regardless of how remote. In addition, we reviewed our internal controls over financial reporting, and there have been no changes in our internal controls or in other factors in the last fiscal quarter that has materially affected our internal controls over financial reporting.
