**ANNUAL MEETING OF STOCKHOLDERS**

**To be held May 3, 2006**

**SOLICITATION AND REVOCATION OF PROXIES**

This proxy statement is provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of PYR Energy Corporation, a Maryland corporation (referred to as the Company or PYR Energy or we or us ), to be voted at the Annual Meeting of Stockholders to be held at 10:00 a.m. (Denver, Colorado time) on May 3, 2006 at The World Trade Center, 1625 Broadway, Ste 800 or at any adjournment or postponement of the Annual Meeting. We anticipate that this proxy statement and the accompanying form of proxy will be first mailed or given to stockholders on or about March \_\_, 2006.

The shares represented by all proxies that are properly executed and submitted will be voted at the Annual Meeting in accordance with the instructions indicated on the proxies. Unless otherwise directed, the shares represented by proxies will be voted (1) for each of the four nominees for director whose names are set forth on the proxy card, (2) in favor of ratification of Hein & Associates LLP as our certified independent accountants and (3) in favor of the ratification of the sale of 70,000 shares of our common stock to a trust and entity controlled by Kenneth R. Berry, Jr., our Vice President of Land and currently Corporate Secretary.

A stockholder giving a proxy may revoke it at any time before it is exercised by delivering written notice of revocation to our Secretary, by substituting a new proxy executed at a later date, or by requesting, in person at the Annual Meeting, that the proxy be returned.

The solicitation of proxies is to be made principally by mail; however, following the initial solicitation, further solicitations may be made by telephone or oral communication with stockholders. Our officers, directors and employees may solicit proxies, but these persons will not receive compensation for that solicitation other than their regular compensation as employees. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the shares held of record by those persons. We may reimburse those persons for reasonable out-of-pocket expenses incurred by them in so doing. We will pay all expenses involved in preparing, assembling and mailing this proxy statement and the enclosed material. A majority of the issued and outstanding shares of common stock entitled to vote, represented either in person or by proxy, constitutes a quorum at any meeting of the stockholders. If sufficient votes for approval of the matters to be considered at the Annual Meeting have not been received prior to the meeting date, we intend to postpone or adjourn the Annual Meeting in order to solicit additional votes. The form of proxy we are soliciting requests authority for the proxies, in their discretion, to vote the stockholders' shares with respect to a postponement or adjournment of the Annual Meeting. At any

**Table of Contents**

postponed or adjourned meeting, we will vote any proxies received in the same manner described in this proxy statement with respect to the original meeting.

**AVAILABLE INFORMATION**

Copies of the Annual Report are being sent to each stockholder with this proxy statement. Upon written request, we will provide, without charge, a copy of our quarterly reports on Forms 10-QSB for the quarters ended November 30, 2005 and February 28, 2006 to any stockholders of record, or to any stockholder who owns common stock listed in the name of a bank or broker as nominee, at the close of business on March 13, 2006. Any request for a copy of these reports should be mailed to the Secretary, PYR Energy Corporation, 1675 Broadway, Suite 2450, Denver, Colorado 80202, (303) 825-3748. **1. ELECTION OF DIRECTORS**

At the Annual Meeting, the stockholders will elect four directors to serve as our Board of Directors. Each director will be elected to hold office until the next annual meeting of stockholders and thereafter until his successor is elected and qualified. The affirmative vote of a majority of the shares represented at the Annual Meeting in person or by proxy is required to elect each director. Cumulative voting is not permitted in the election of directors. Consequently, each stockholder is entitled to one vote for each share of common stock held in his or her name. In the absence of instructions to the contrary, the person named in the accompanying proxy shall vote the shares represented by that proxy for the persons named below as management's nominees for directors. Each of the nominees currently is a director of the Company.

It is not anticipated that any of the nominees will become unable or unwilling to accept nomination or election, but, if that should occur, the persons named in the proxy intend to vote for the election of such other person as the Board of Directors may recommend.

**Required Vote; Board Recommendation**

An affirmative vote of the majority of shares represented at the Annual Meeting in person or by proxy is necessary to elect each director.

**The Board of Directors unanimously recommends a vote for each of the nominees for election as directors.**

The following table sets forth, with respect to each nominee for director, the nominee's age, his positions and offices with the Company, the expiration of his term as a director and the year in which he first became a director. Individual background information concerning each of the nominees follows the table. For additional information concerning the nominees, including stock ownership and compensation, see Executive Compensation, Stock Ownership Of Directors And Principal Stockholders, and Certain Transactions With Management And Principal Stockholders.

**Table of Contents**

The Audit Committee met five times during the fiscal year ended August 31, 2005. The Audit Committee oversees for the effectiveness of the Company's accounting policies and practices, financial reporting and internal controls. The Audit Committee charter was adopted by the Board of Directors in June 2000 and was amended by the Board in April 2001 and April 2004. A copy of the Audit Committee charter was attached as Exhibit A to our definitive Proxy Statement regarding the Annual Meeting of our stockholders held on June 18, 2001 and can be found on the SEC's website at [www.sec.gov](http://www.sec.gov) and on the company's website at [www.pyrenergy.com](http://www.pyrenergy.com). The functions of the Audit Committee and its activities during the fiscal year ended August 31, 2005 are described below under the heading Audit Committee Report. The Audit Committee currently consists of Messrs. Swenson (Chairman), Kilpatrick, and Rhodes, each an independent director within the meaning of the AMEX rules. The Board of Directors has determined that Mr. Swenson is the Company's audit committee financial expert.

The Compensation Committee met two times during the fiscal year ended August 31, 2005. The Compensation Committee has the authority to establish policies and make determinations concerning compensation and employee benefits. The Compensation Committee reviews and makes recommendations concerning the compensation policies and the implementation of those policies and determines compensation and benefits for executive officers. The Compensation Committee currently consists of Messrs. Kilpatrick, Swenson and Rhodes (Chairman). None of the members of the Compensation Committee is an employee of the Company.

The Company does not have a nominating committee because it believes that currently, the nominating functions should be relegated to the full Board. Nominees for director will be selected or recommended by a majority of the Company's directors who meet the AMEX independence standards, Messrs. Swenson, Kilpatrick and Rhodes. In selecting nominees for the Board, the Company is seeking a board with a variety of experiences and expertise, and in selecting nominees will consider business experience in the industry in which the Company operates, financial expertise, independence from transactions with the Company, experience with publicly traded companies, experience with relevant regulatory matters in which the Company is involved and reputation for integrity and professionalism. The independent directors will consider in good faith director candidates who meet the minimum qualifications and who are recommended by stockholders.

Stockholders may nominate persons to serve on the Board of Directors. To be considered for nomination by the Board at the next annual meeting of stockholders, the nominations must be made by stockholders of record entitled to vote. Stockholder nominations must be made by notice in writing, delivered or mailed by first class U.S. mail, postage prepaid, to the Secretary of the Company at the Company's principal business address, not less than 53 days nor more than 90 days prior to any meeting of the stockholders at which directors are to be elected. All such communications shall be shared with the members of the Board, or if applicable, a specified committee or director.

The Code of Conduct requires that our employees avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in our best interest.

We also adopted a Code of Ethics for our Chief Executive Officer, our Chief Financial Officer, our Controller and all other financial officers and executives. This Code of Ethics supplements our Code of Conduct and is intended to promote honest and ethical conduct, full and accurate reporting, and compliance with laws as well as other matters. The Code of Conduct and Code of Ethics were filed with the SEC as exhibits to our Annual Report on Form 10-KSB for the year ended August 31, 2003 and can be found on our website at [www.pyrenergy.com](http://www.pyrenergy.com).

Further, we have established whistle-blower procedures which provides a process for the confidential and anonymous submission, receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters. **Audit Committee Financial Expert**

Our Board of Directors has determined that Mr. Dennis Swenson, an independent Director, is the Company s audit committee financial expert.

**Audit Committee Report**

The report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act or the Exchange Act, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such Acts.

The Audit Committee oversees the Company s financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed and discussed with management the audited financial statements in the Company s Annual Report on Form 10-KSB for the year ended August 31, 2005 and the unaudited financial statements included in the Quarterly Reports on Form 10-QSB for the first three quarters of the fiscal year ended August 31, 2005.

The Committee discussed with the independent auditors, who are responsible for expressing an opinion on the conformity of audited financial statements with generally accepted accounting principles, the auditors judgments as to the quality, not just the acceptability, of the Company s accounting principles and such other matters as are required to be discussed by the auditors with the Committee under Statement on Auditing Standard No. 61, as amended. In addition, the Committee discussed with the independent auditors the auditors independence from management and the Company, including the matters in the written disclosures and the letter required by the Independence Standards Board Standard No. 1. The Committee considered whether the auditors providing services

**Table of Contents**

on behalf of the Company other than audit services is compatible with maintaining the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The Committee meets with the independent auditors, with and without management present, to discuss the results of the auditors' examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee met five times during the fiscal year ended August 31, 2005, and during the fiscal year ending August 31, 2006, has met four times to date.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in the Annual Report on Form 10-KSB for the year ended August 31, 2005 for filing with the SEC. The Committee also has recommended to the Board the selection of the Company's independent auditors.

**Compensation Committee Interlocks and Insider Participation**

Messrs. Kilpatrick, Swenson and Rhodes serve on the Company's Compensation Committee. None of these individuals served as a member of the compensation committee of another entity that has an executive officer serving on the Compensation Committee of the Company. No executive officer of the Company served as a director of another entity that had an executive officer serving on the Compensation Committee of the Company. Finally, no executive officer of the Company served as a member of the compensation committee of another entity, which had an executive officer serving as a director of the Company.

**Compensation Committee Report on Executive Compensation**

None of the members of the Compensation Committee of the Board of Directors is an employee of the Company. The Compensation Committee sets and administers the policies that govern the annual and long-term compensation of executive officers of the Company. The Compensation Committee makes determinations concerning compensation of executive officers and awards of stock options under the Company's stock option plans.

Compensation Policies Toward Executive Officers. The Compensation Committee's executive compensation policies are designed to provide competitive levels of compensation that relate compensation to the Company's annual and long-term performance, reward above-average corporate performance compared to other companies in the oil and gas industry, recognize individual initiative and achievements, and assist the Company in retaining and attracting qualified executive officers. The Compensation Committee attempts to achieve these objectives through a combination of base salary, stock options, and cash bonus awards. In determining compensation, the Compensation Committee considers the matters discussed in this report as well as the recommendations of the Chief Executive Officer concerning other executive officers and employees. The Compensation Committee met during

**Table of Contents**

the year ended August 31, 2005 to consider stock option grants for performance during the years ended August 31, 2004 and August 31, 2005.

**Executive Salaries.** Executive salaries are reviewed by the Compensation Committee and are set for individual executive officers based on subjective evaluations of each individual officer's performance and contributions to the Company, the Company's past performance, the Company's future prospects and long-term growth potential and a comparison of the salary ranges for executives of other companies in the oil and gas industry. Through consideration of these criteria, the Compensation Committee believes that salaries may be set in a manner that is both competitive and reasonable within the Company's industry.

**Stock Options.** Stock options are granted to executive officers and other employees of the Company by the Compensation Committee as a means of providing long-term incentive to the Company's employees. The Compensation Committee believes that stock options encourage increased performance by the Company's employees and align the interests of the Company's employees with the interests of the Company's stockholders. Decisions concerning recommendations for the granting of stock options to a particular executive officer are made after reviewing the number of options previously granted to that officer, the number of options granted to other executive officers (with higher ranking officers generally receiving more options in the aggregate), and a subjective evaluation of that officer's performance and contributions to the Company as described above under **Executive Salaries** and anticipated involvement in the Company's future prospects. While stock options are viewed by the Committee on a more forward-looking basis than cash bonus awards based on prior performance, an executive officer's prior performance will impact the number of options that may be granted. After considering the foregoing factors, during the fiscal year ended August 31, 2005, the Committee recommended that the Company grant options to three officers as follows:

<b>Name/Title</b>	<b>Number of Options</b>	<b>Exercise Price Per Share</b>
D. Scott Singdahlsen, President and Chief Executive Officer	200,000	\$ 0.96
Tucker L. Franciscus Vice President Strategic Development	150,000	\$ 0.94
Kenneth R. Berry, Jr. Vice President Land	-0-	-0-

**Cash Bonus Awards.** The Compensation Committee considers on an annual basis whether to pay cash bonuses to some or all of the Company's employees, including the Company's executive officers. The Compensation Committee considers the granting of bonuses with the objective that the Company will remain competitive in its compensation practices and be able to retain highly qualified executive officers. In determining the amounts of bonuses, the Compensation Committee considers the performance both of the Company and of each executive officer in the past year as described above under **Executive Salaries**. The Committee's review of the Company's performance concentrates on exploration success, prospect generation, investment community recognition of the Company and

**Table of Contents**

financial stability. The Committee did not pay cash bonuses to any of its employees during the fiscal year ended August 31, 2005.

Chief Executive Officer Compensation. Generally, the compensation of the Company's Chief Executive Officer is determined in the same manner as the compensation for other executive officers of the Company as described above. The Committee did not adjust Mr. Singdahlsen's compensation during the fiscal year ended August 31, 2005.

**Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's directors, executive officers and holders of more than 10% of the Company's common stock to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. The Company believes that during the year ended August 31, 2005, its officers, directors and holders of more than 10% of the Company's common stock complied with all Section 16(a) filing requirements, except that Tucker Franciscus, a Vice President, was late filing a Form 3 with respect to his receipt of stock options on September 1, 2004 and David Kilpatrick, a director, was late filing a Form 4 with respect to his receipt of stock options on October 13, 2004. In making these statements, the Company has relied upon representations and its review of copies of the Section 16(a) reports filed for the fiscal year ended August 31, 2005 on behalf of the Company's directors, officers and holders of more than 10% of the Company's common stock.

**Certain Transactions With Management And Principal Stockholders**

On May 24, 2002, certain investment entities managed by Eastbourne Capital Management, LLC purchased \$6 million of convertible notes from the Company. The notes provide for semi-annual interest payments at an annual rate of 4.99% and are convertible into common stock at the rate of \$1.30 per share. At the time of the transaction, these entities had aggregate ownership in PYR Energy Corporation of approximately 15%. Concurrent with the sale, we agreed to add Messrs. Eric Sippel and Borden Putnam, of Eastbourne, to our Board of Directors. Messrs. Sippel and Putnam resigned from the board in August 2003, although Eastbourne still has the right to designate two individuals to serve on the Board. At the option of the Company, accrued interest can be paid in cash or added to the principal amount of the notes. The Company elected to add accrued interest of approximately \$335,000 during fiscal year 2005 to the balance of the notes.

As more fully described in the Form 8-K filed with the SEC on October 26, 2005, in mid-October 2005, the Company completed a Private Equity Placement consisting of the sale of 6.328 million shares of common stock, priced at \$1.30 per share, to a group of institutional and accredited individual investors. Pursuant to the terms of the Private Placement, the Company has filed a registration statement covering the resale of these shares. On October 3, 2005, Estancia Corporation, an entity solely owned by Kenneth Berry Jr., purchased 50,000 shares of common stock pursuant to the Private Placement, and a trust of which Mr. Berry is Trustee and a beneficiary purchased an additional 20,000 shares of common stock pursuant to the Private Placement. This transaction was approved by the Board of Directors of the Company.

During the fiscal year ended August 31, 2005, there were no other transactions between the Company and its directors, executive officers or known holders of greater than five percent of the Company's common stock in which the amount involved exceeded \$60,000 and in which any of the foregoing persons had or will have a material interest.

**3. PROPOSAL TO RATIFY THE SALE AS PART OF THE OCTOBER 2005 PRIVATE PLACEMENT OF 20,000 SHARES OF COMMON STOCK TO A TRUST CONTROLLED BY KENNETH R. BERRY, JR. OUR VICE PRESIDENT OF LAND AND 50,000 SHARES OF COMMON STOCK TO AN ENTITY CONTROLLED BY MR. BERRY;**

The Board of Directors recommends that the stockholders vote in favor of ratifying the issuance of 20,000 shares of shares of common stock to a trust controlled by Kenneth R. Berry, Jr. our Vice President of Land and 50,000 shares of common stock to an entity controlled by Mr. Berry;

**Background**

In October 2005, we sold 6,275,000 shares of our common stock (and issued 52,500 warrants) at \$1.30 per share in a private placement for an aggregate offering amount of \$8,157,000 (the Private Placement). We negotiated the terms of the Private Placement with Wellington Management Company as the lead investor including the \$1.30 offering price per share on September 30, 2005, on which date the closing price of our stock was \$1.38 per share. On September 27, 2005, the Board approved the Private Placement on which day our stock closed at \$1.27 per share. On September 28, 2005, the Private Placement Memorandum was finalized and the closing price of our stock on that day was \$1.47 per share. The Private Placement closed in three separate closings, occurring on October 3, October 6 and October 20, respectively. The closing price of our stock on the date of these closings was, respectively, \$2.07, \$1.46 and \$1.36 per share.

Kenneth R. Berry, Jr., our Vice President of Land, purchased beneficial ownership of shares of our common stock in connection with the first closing of the Private Placement, which occurred on October 3, 2005, as follows. The Kenneth R. Berry, Jr. and Leslie A. Berry Trust (the Trust) purchased 20,000 shares of

**Table of Contents**

common stock in the Private Placement. Mr. Berry is a trustee and beneficiary of the trust. Estancia Petroleum Corporation ( Estancia ) purchased 50,000 shares of common stock in the Private Placement. Mr. Berry owns all the outstanding equity interests in Estancia Corporation. The foregoing purchases were made at the same purchase price as all the other purchasers in the Private Placement and account for 1.1% (\$91,000) of the total \$8,157,000 Private Placement offering. The shares were subscribed for pursuant to two separate Subscription Agreements each executed on October 3, 2005 by the Trust and Estancia respectively. Based on the closing price of our stock on October 3, 2005, the aggregate dollar discount from that market price that was received by the Trust and Estancia in connection with the purchase of their shares was \$53,900, or \$0.77 per share. Mr. Berry was not involved in the structure or negotiation of the terms of the Private Placement, nor did he commit to purchase any shares pursuant to the Private Placement until after: (i) the price per share had been negotiated with the Company and an unrelated third party, and (ii) the Private Placement had commenced. As of March 13, 2006, Mr. Berry beneficially owns, 1.3% of our issued and outstanding stock. The closing price of our common stock on March 24, 2006 was \$1.29 per share.

Our Audit Committee approved Mr. Berry's participation in the Private Placement in a meeting held on November 2, 2005. The Audit Committee does not currently have pre-determined standards for making decisions regarding related party transactions. In making its decision to approve of Mr. Berry's participation in the Private Placement, the Audit Committee considered the following matters, among others: (1) the price per share for the shares sold in the Private Placement was negotiated with the Company by an unrelated third party; (2) on the date that the price for the entire Private Placement was negotiated between the Company and the unrelated third party lead investor to be \$1.30 per share, the closing price of our common stock was \$1.38 per share; (3) in his capacity as Vice President of Land, Mr. Berry was not involved in influencing the offering price for the shares sold in the Private Placement, nor was it his function to be involved in such matters; (4) both the Trust and Estancia would be investing on the same terms as the other investors participating in the Private Placement, all of whom were unrelated parties; (5) at the time of his subscription to purchase shares, the maximum number of shares available to be sold pursuant to the Private Placement had not been sold, and the Company wanted to obtain the maximum number of subscriptions in the Private Placement in order to raise the maximum amount of funds; and (6) the shares for which the Trust and Estancia subscribed amounted to approximately 1.1% of the total number of shares offered in the Private Placement.

Following the submission of our Additional Listing Application filed with the American Stock Exchange ( AMEX ), AMEX advised us that, because Mr. Berry purchased common stock in the Private Placement at a price that was less than the market value of our common stock on the date of purchases, stockholder approval would be required in order for any of the Trust's or Estancia's shares to be listed on AMEX. We have made a number of requests for AMEX to change its position based on the facts and circumstances of the above but AMEX stated that it had taken this same position in other instances and it would not be willing to change its position in this case.

We are requesting that our stockholders ratify the above issuances, in connection with the Private Placement, of 70,000 shares at \$1.30 per share.

**Effect on Existing Stockholders**

All the existing holders of our common stock have been diluted proportionately in connection with the issuance of the shares of our common stock as part of the Private Placement.

We filed a registration statement on Form S-3 to register the resale and transfer of the shares sold in the Private Placement. This Form S-3 registration statement became effective on January 6, 2006.

Our common stock has no preemptive or similar rights.

**Principal Effects of Nonapproval**

If stockholder ratification is not obtained, we would then cancel the sales and return the purchase price to the Trust and Estancia.

In the event stockholder ratification is not obtained and for some reason we are unable to cancel the sales, we would not be in compliance with AMEX listing requirements. If we fail to comply with AMEX listing or other agreements with AMEX in any material respect, our securities are subject to suspension from dealings and, unless prompt corrective action is taken, removal from AMEX listing. While we could reapply for AMEX listing if our securities were delisted, removal from AMEX could negatively affect the price of our stock, our reputation, and our ability to raise capital and could otherwise negatively affect our business.

**VOTING PROCEDURES**

Votes at the Annual Meeting are counted by an inspector of election appointed by the Chairman of the meeting. If a quorum is present, an affirmative vote of a majority of the votes entitled to be cast by those present in person or by proxy is required for the approval of items submitted to stockholders for their consideration, unless a different number of votes is required by Maryland law or our certificate of incorporation. Abstentions by those present at the Annual Meeting are tabulated separately from affirmative and negative votes and do not constitute affirmative votes. If a stockholder returns his proxy card and withholds authority to vote for any or all of the nominees, the votes represented by the proxy card will be deemed to be present at the meeting for purposes of determining the presence of a quorum but will not be counted as affirmative votes. Shares in the names of brokers that are not voted are treated as not present.
