PROXY STATEMENT  
FOR  
2014 ANNUAL MEETING OF STOCKHOLDERS  
OF  
AEROCENTURY CORP.  
TO BE HELD ON MAY 8, 2014

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the “Board”) of AEROCENTURY CORP. (the “Company”) of proxies to be voted at the 2014 Annual Meeting of Stockholders (the “2014 Annual Meeting” or the “Annual Meeting”), which will be held at 12:00 p.m. on May 8, 2014, at the Hiller Aviation Museum, 601 Skyway Road, San Carlos, California, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of 2014 Annual Meeting of Stockholders. This Proxy Statement and the proxy card were first mailed to stockholders on or about March 24, 2014. The Company's 2013 Annual Report was mailed to stockholders concurrently with this Proxy Statement. The 2013 Annual Report is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made.

VOTING RIGHTS AND SOLICITATION

The close of business on March 10, 2014, was the record date for stockholders entitled to notice of, and to vote at, the 2014 Annual Meeting. As of that date, the Company had 1,543,257 shares of Common Stock, \$0.001 par value (the “Common Stock”), issued and outstanding, excluding shares held by the Company as treasury stock. The presence at the Annual Meeting of a majority of the issued and outstanding Common Stock, or 771,629 shares, either present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. All of the shares of the Company's Common Stock outstanding on the record date are entitled to vote at the 2014 Annual Meeting, and stockholders of record entitled to vote at the Annual Meeting will have one vote for each share of Common Stock so held with regard to each matter to be voted upon. Your proxy may be revoked at any time prior to the time it is voted.

If your shares are registered directly in your name with the Company's transfer agent, Continental Stock Transfer & Trust Co., you are considered the “stockholder of record” with respect to these shares and the Company is sending these proxy materials directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the Annual Meeting. To grant your voting proxy, you should return the enclosed proxy card to the Company.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of shares held “in street name” and your broker or nominee, who is considered the stockholder of record with respect to those shares, is forwarding these proxy materials to you. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote those shares in person at the Annual Meeting. To direct your broker or nominee on how to vote your shares, you must return the enclosed voting instruction card to your broker or nominee.

Shares of the Company's Common Stock represented by proxies in the accompanying form that are properly executed and returned to the Company will be voted at the 2014 Annual Meeting in accordance with the instructions of the stockholder of record contained therein. In the absence of contrary instructions, shares represented by such proxies will be voted FOR the election of the director nominees as described herein under “Proposal 1: Election of Directors”; FOR approval, in an advisory (non-binding) vote, of the Company's executive compensation as disclosed in this Proxy Statement as described herein under “Proposal 2: Advisory Vote on Executive Compensation”; and FOR ratification of

the selection of BDO USA, LLP as independent registered public accounting firm as described herein under “Proposal 3: Ratification of Selection of Independent Registered Public Accounting Firm.” The Company does not know of any matters to be presented at the Annual Meeting other than those set forth in this Proxy Statement and in the Notice accompanying this Proxy Statement. If other matters should properly come before the Annual Meeting, the proxy holders will vote on such matters in accordance with their best judgment. Proxies will confer upon the proxy holders discretionary authority to vote upon matters that may properly be raised at the Annual Meeting, but are unknown to the Company as of the date hereof. In addition, the proxies confer upon the proxy holders the authority to adjourn or postpone the Annual Meeting in order to assure that all stockholders who wish to vote on the matters will be able to cast their votes and to act upon the matters incident to the conduct of the meeting. Any stockholder of record has the right to revoke his or her proxy at any time before it is voted at the Annual Meeting by: (1) delivering to the Company (to the attention of Toni Perazzo, Secretary, 1440 Chapin Avenue, Suite 310, Burlingame, California 94010) a written notice of revocation, (2) delivering a duly executed proxy or voting instructions bearing a later date before the Annual Meeting (to the attention of Toni Perazzo, Secretary, 1440 Chapin Avenue, Suite 310, Burlingame, California 94010) or (3) attending the Annual Meeting and voting in person.

A “broker non-vote” occurs when a broker lacks discretionary voting power to vote on a “non-routine” proposal and a beneficial owner fails to give the broker voting instructions on that matter. The rules of the New York Stock Exchange determine whether matters presented at the Annual Meeting are “routine” or “non-routine” in nature. The election of directors and the advisory vote on executive compensation are considered “non-routine” matters. Beneficial owners who hold their shares through a stock brokerage account will have to give voting instructions to their brokers in order for a broker to vote on these non-routine matters. If you are a beneficial owner, failure to provide instructions to your broker will result in your shares not being voted in connection with these non-routine matters. The ratification of the selection of BDO USA, LLP as the Company’s independent registered public accounting firm for fiscal year 2014 is currently considered a “routine” matter, and a broker has the discretionary voting power to vote on this matter without any instructions from the beneficial owner. Broker non-votes are counted for purposes of determining a quorum, but will have no effect on the election of directors, the advisory vote on executive compensation, and the advisory vote on the frequency of the advisory vote on executive compensation. Broker non-votes will have the same effect as votes against the ratification of the selection of BDO USA, LLP.

Stockholder Vote Required to Approve Proposal 1. The election of a director by stockholders shall be determined by a plurality of the votes cast by the stockholders of record entitled to vote at the election present in person or represented by proxy, and the nominees receiving the greatest number of affirmative votes of the shares present in person, or represented by proxy, and entitled to vote at the Annual Meeting will be elected, provided a quorum is present. Abstentions and broker non-votes will not be counted toward a nominee’s total. Because brokers or other nominees who hold shares “in street name” do not have discretionary voting authority over such shares in an election of directors, shares held “in street name” will not be voted in this election for a director unless the holder specifically instructs the holder’s brokers or other nominees on how to vote.

Stockholder Vote Required to Approve Proposal 2. The proposal on approval of executive compensation will be approved in a non-binding advisory vote if the votes cast in favor exceed the votes cast against approval. Abstentions and broker non-votes will not be counted as either a vote “For” or “Against” Proposal 2. Because brokers or other nominees who hold shares “in street name” do not have discretionary voting authority over such shares in such non-routine matters, shares held “in street name” will not be voted on this advisory vote on executive compensation unless the holders specifically instruct their brokers or other nominees on how to vote.

Stockholder Vote Required to Approve Proposal 3. Ratification of the Company’s selection of independent registered public accounting firm will require the affirmative vote of a majority of the shares present in person, or represented by proxy, and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, abstentions will have the same effect as votes against the proposal. As stated above, a broker or other nominee that holds shares “in street name” has discretionary voting power to vote on this matter in the absence of instruction from the beneficial owner.

The entire cost of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mails, but, if deemed desirable, may be solicited personally or by telephone, facsimile or special letter by officers and Company employees for no additional compensation. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the Company's Common Stock, and such persons may be reimbursed for their expenses.

#### HOUSEHOLDING OF ANNUAL MEETING MATERIALS

Some brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the proxy statement and annual report may have been sent to multiple stockholders sharing the same household. The Company will promptly deliver a separate copy of either document to any stockholder requesting such copies who contacts the Company's Investor Relations Department at (650) 340-1888 or by mail to 1440 Chapin Avenue, Suite 310, Burlingame, California 94010. If a stockholder is receiving multiple copies of the proxy statement and annual report at the stockholder's household and would like to receive only a single copy of the proxy statement and annual report for a stockholder's household in the future, the stockholder should contact the stockholder's broker, other nominee record holder, or the Company's Investor Relations Department to request mailing of a single copy of the proxy statement and annual report.

PROPOSAL 1:  
ELECTION OF DIRECTORS

Two of the Company's five directors will be elected at the 2014 Annual Meeting. The Board of Directors has nominated the nominees set forth below. The proxy holders intend to vote all proxies received by them in the accompanying form FOR the nominees for director listed below, unless instructions to the contrary are marked on the proxy. In the event that a nominee is unable or declines to serve as a director at the time of the 2014 Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. In the event that additional persons are nominated for election as director, the proxy holders intend to vote all proxies received by them for the nominees listed below. As of the date of this Proxy Statement, the Board of Directors is not aware that any nominee is unable or will decline to serve as a director. The term of office of a person elected as a director at the Annual Meeting will continue until the 2017 Annual Meeting of Stockholders or until the director's resignation, or removal or successor has been elected.

Nominees To Board Of Directors

Mr. Roy E. Hahn, age 62. Mr. Hahn is a member of the Audit Committee of the Board of Directors and has served on the Board since 2007. Mr. Hahn is currently Managing Director of Marbridge Group, LLC, an alternative investment management firm he founded in 2004. Prior to his founding of Marbridge Group, LLC, he was Managing Director of Chenery Associates, an investment management firm. Mr. Hahn was a Director at Coopers & Lybrand from 1987 to 1988, and a tax partner with that firm from 1989 to 2003. Prior to Coopers & Lybrand, he was a partner at Arthur Young & Co. His educational background includes a Bachelor's Degree in Accounting from San Francisco State University. Mr. Hahn is a certified public accountant and a member of the American Institute of Certified Public Accountants and the California Society of Certified Public Accountants.

The Board of Directors has concluded that Mr. Hahn should serve as a director of the Company because of his knowledge of the Company's business and history, his status as an "audit committee financial expert," and his overall expertise in accounting and finance principles and international finance transactions.

Ms. Toni M. Perazzo, age 67. Ms. Perazzo is a member of the Executive Committee of the Board of Directors and has served on the Board since the Company's inception in 1997. She is the Company's Chief Financial Officer, Treasurer, Senior Vice President-Finance and Secretary and has held these same positions with JetFleet Management Corp. ("JMC"), the management company for AeroCentury Corp., since 1994, and CMA Consolidated, Inc. ("CMA"), an investment management firm that is no longer active, since 1990. Since 2005, she has also been Senior Vice President-Finance at Structured Funding, Inc., an investment management firm. Prior to joining CMA in 1990, she was Assistant Vice President for a savings and loan, controller of an oil and gas syndicator and a senior auditor with Arthur Young & Co., Certified Public Accountants. Ms. Perazzo is the wife of Neal D. Crispin, a director and officer of JMC and the Company. She received her Bachelor's Degree from the University of California at Berkeley, and her Master's Degree in Business Administration from the University of Southern California. Ms. Perazzo is a certified public accountant and member of the California Society of Certified Public Accountants and the American Institute of Certified Public Accountants.

The Board of Directors has concluded that Ms. Perazzo should serve as a director of the Company because of her knowledge of the Company's business and history, capitalization structure and finances, and her accounting and audit experience, as well as her many years of experience with JMC.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE NOMINEES LISTED ABOVE.

**PROPOSAL 2:  
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

The Company is requesting your advisory approval of the compensation of the Company's named executive officers as disclosed in the compensation table and the narrative discussion set forth in this Proxy Statement. This non-binding advisory vote is commonly referred to as a "say on pay" vote and is required to be conducted pursuant to Section 14A of the Securities Exchange Act of 1934, as amended. Because the Company receives management services from JMC, the Company has no employees and does not pay any compensation to its named executive officers. Instead, the named executive officers of the Company are compensated in their capacities as employees of JMC. You are encouraged to carefully review the information concerning compensation paid by JMC to the Company's named executive officers beneath the caption "Executive Compensation" in the section of this Proxy Statement entitled "Information Regarding the Company's Directors and Officers."

The Company asks you to indicate your support for the compensation of the Company's named executive officers as described in this Proxy Statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers and the practices described in this Proxy Statement. Accordingly, the Company requests that you vote, on an advisory basis, "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, is hereby approved."

While the results of this advisory vote are not binding, the Board of Directors will consider the outcome of the vote in deciding whether to take any action as a result of the vote and when making future compensation decisions for named executive officers.

The Company currently anticipates that it will conduct a "say on pay" advisory vote every year and anticipates that the next "Say-on-Pay" vote will occur at the 2015 annual meeting. The Company also currently intends to ask stockholders every six years whether the "say on pay" vote should occur every one, two or three years. The Company currently anticipates that the next advisory vote as to frequency of "say on pay" advisory votes will occur at the 2019 annual meeting.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.**

**PROPOSAL 3:  
RATIFICATION OF SELECTION OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The firm of BDO USA, LLP served as independent registered public accounting firm for the Company for the fiscal year ended December 31, 2013. The Board of Directors desires the firm to continue in this capacity for the current fiscal year. Accordingly, a proposal will be presented at the Annual Meeting to ratify the selection of BDO USA, LLP by the Board of Directors as independent registered public accounting firm to audit the accounts and records of the Company for the fiscal year ending December 31, 2014, and to perform other appropriate services. In the event that stockholders fail to ratify the selection of BDO USA, LLP, the Board of Directors will reconsider such selection.

A representative of BDO USA, LLP will be present at the Annual Meeting, will have the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE SELECTION OF BDO USA, LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

**INFORMATION REGARDING AUDITORS**

**Audit.** The aggregate fees accrued by the Company as payable to BDO USA, LLP (the “Auditor”) for professional services rendered for the audit of the Company's financial statements for the fiscal year ended December 31, 2013, and for the review of the financial statements included in the Company's Forms 10-Q during the 2013 fiscal year was \$251,000. During the fiscal year ended December 31, 2013, the Company did not accrue any fees payable to the Auditor for audit-related services or Sarbanes-Oxley internal controls compliance review.

The aggregate fees accrued by the Company as payable to the Auditor for professional services rendered for the audit of the Company's financial statements for the fiscal year ended December 31, 2012, and for the reviews of the financial statements included in the Company's Forms 10-Q during the 2012 fiscal year were \$256,000. During the fiscal year ended December 31, 2012, the Company accrued no fees payable to the Auditor for audit-related services or Sarbanes-Oxley internal controls compliance review.

**Tax Fees.** The Company made no payments to the Auditor for tax-related services, including tax planning and preparation of returns, in the fiscal years ended December 31, 2012 and 2013.

**All Other Fees.** No other fees were paid to the Auditor in the fiscal years ended December 31, 2012 and 2013.

**Audit Committee Approval.** The retainer agreements between the Company and the Auditor containing the terms and conditions and estimated fees to be paid to the Auditor for audit and tax return preparation services were pre-approved by the Audit Committee at the beginning of their respective engagements. The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the Auditor. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chair when expedition of services is

necessary. One hundred percent of the audit-related fees and tax fees paid to the Auditor in the fiscal years ended December 31, 2012 and 2013 were pre-approved by the Audit Committee. The Auditor and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the Auditor in accordance with this pre-approval, and the fees for the services performed to date. None of the services rendered by the Auditor were rendered pursuant to the de minimis exception established by the Securities and Exchange Commission.

## AUDIT COMMITTEE REPORT

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Report of the Audit Committee shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any such filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

Orr and Hahn is also an "independent director" within the meaning of Section 803A of the NYSE MKT Company Guide. Mr. Orr is a self-employed accounting consultant and former partner of the accounting firms Bregante + Company LLP and Arthur Young & Co., Certified Public Accountants. Mr. Hahn is a founder of Marbridge Group, LLC, an alternative investment management firm, and prior to that was a tax partner in the accounting firms of Coopers & Lybrand and Arthur Young & Co. In the course of their respective careers, each of Messrs. Orr and Hahn acquired (i) an understanding of generally accepted accounting principles and financial statements, (ii) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves, (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, (iv) an understanding of internal control over financial reporting, and (v) an understanding of audit committee functions.

The Audit Committee held six meetings during the fiscal year ended December 31, 2013.

The Executive Committee has the authority to acquire, dispose of and finance investments for the Company and execute contracts and agreements, including those related to the borrowing of money by the Company, and generally exercises all other powers of the Board of Directors except for those which require action by all of the directors or the independent directors under the Certificate of Incorporation or the Bylaws of the Company, or under applicable law. The Executive Committee currently consists of two directors, Neal D. Crispin, Chair, and Toni M. Perazzo.

The Company does not have a formal Nominating Committee. The independent directors separately consider and make recommendations to the full Board of Directors regarding any candidate being considered to serve on the Board of Directors. The full Board of Directors reviews potential candidates for the Board of Directors. While the Board of Directors does not have a specific policy for considering nominees recommended by stockholders, this does not mean that a recommendation would not be considered if received from a stockholder. The Board has not yet considered a procedure for considering nominees recommended by stockholders in addition to the procedures already set forth in the Bylaws of the Company. It believes that the current informal consideration process has been adequate in light of the historical absence of stockholder proposals. In any event, there would be no difference between the manner in which the Board of Directors would evaluate a nominee for director whether recommended by a stockholder or recommended by a member of the Board of Directors or one of the Company's executive officers. The Company does not pay any third party to identify or assist in identifying or evaluating potential nominees. Additionally, other than attempting to constitute the Board of Directors with directors who have skills and experience that are relevant and helpful to the Company's industry and operations and who have the desire and capacity to actively serve, the Board of

Directors does not have a policy of considering diversity in identifying director nominees.

In reviewing potential candidates for the Board, the Board of Directors considers the individual's experience in the Company's industry, the general business or other experience of the candidate, the needs of the Company for an additional or replacement director, the personality of the candidate, and the candidate's interest in the business of the Company, as well as numerous other subjective criteria. Of greatest importance is the individual's integrity, willingness to actively participate and ability to bring to the Company his or her experience and knowledge in areas that are most beneficial to the Company. The Board intends to continue to evaluate candidates for election to the Board on the basis of the foregoing criteria.

Since the Company receives management services from JMC, the Company has no employees and does not pay any compensation to its officers. As a result, the Company has no compensation committee.

#### Board Leadership Structure

The Board believes that the Company's President is best situated to serve as Chairman of the Board because he is the director most familiar with the Company's business and industry, and most capable of effectively identifying strategic priorities for the Company, leading the Board in discussions regarding the Company's business and industry, and focusing the Board on execution of strategy. Independent directors and management have different perspectives and roles in strategy development. The Company's independent directors bring experience, oversight and expertise from outside the Company and its industry, while the President brings Company-specific and industry-specific experience and expertise. The Board believes that the combined role of Chairman and President promotes strategy development and execution, and facilitates information flow between management and the Board, which are essential to effective governance.

#### Board of Directors' Role in Risk Oversight

The Company is exposed to a number of operational and financial risks. The Board plays an active role in overseeing management of such risks. The Company's President (who is himself a member of the Board) is directly responsible for a number of operational risks, such as the risks inherent in acquiring and owning used aircraft or engines, the risks associated with leasing such aircraft or engines to air carriers, and the risks inherent in disposing of such aircraft or engines. The Board regularly receives reports from the President on these risks and works closely with the Company's management on strategies to manage these risks and to develop contingency plans. The Company's Chief Financial Officer (who is herself a member of the Board) is directly responsible for a number of financial risks, such as the risks associated with the Company's credit and liquidity. The Board regularly receives reports from the Chief Financial Officer on these risks and works closely with the Company's management on strategies to manage these risks and to develop contingency plans. The Board also meets and confers regularly with the Company's management to identify other risks faced by the Company. The Company believes that the inclusion of these members of senior management of the Company on the Board provides the Board with visibility into and access to the details underlying the risks the Company faces, and thereby enhances the quality of the Board's risk oversight. Also, the Audit Committee oversees management of certain specific financial risks, such as variable interest rate risk.

#### Communication between Stockholders and Directors

The Company's Board of Directors currently does not have a formal process for stockholders to send communications to the Board of Directors and does not believe such procedures are necessary at this time because it believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board.

#### Director Attendance at Annual Meeting

It is the policy of the Company and Board of Directors that directors attend the Annual Meeting and be available for questions from the stockholders. All directors, including the directors nominated for election, were in attendance at the 2013 Annual Meeting. It is anticipated that the directors nominated for election at the 2014 Annual Meeting will also be in attendance at that meeting.

## Board Independence

If the nominees to the Board of Directors are elected, a majority of the Board of Directors of the Company, consisting of Messrs. Orr, Hahn, and Wallach, will be “independent directors,” as defined in accordance with Section 803A of the NYSE MKT Company Guide.

## Involvement in Legal Proceedings

No director or associate of a director is involved in a material proceeding as a party adverse to the Company or with a material interest adverse to the Company.

## Director Compensation

Non-employee board members receive an annual fee of \$25,000, paid in quarterly installments and are also reimbursed for all reasonable out-of-pocket costs incurred in connection with their attendance at such meetings of the Board of Directors. Non-employee members also receive \$1,000 annually for each committee membership, and the audit committee chair receives an additional \$3,000. Board members who are officers of the Company do not receive any compensation for Board or committee membership. No member of the Company’s Board of Directors receives equity compensation in relation to his/her service as a member of the Company’s Board of Directors.

The table below provides the compensation of the Company’s directors for the fiscal year ended December 31, 2013:

## FISCAL YEAR 2013 DIRECTOR COMPENSATION

Roy E. Hahn	26,000	26,000
Thomas W. Orr	29,000	29,000
Evan M. Wallach	26,000	26,000

(1) Neal Crispin and Toni Perazzo were officers of the Company and JMC during 2013 and therefore did not receive compensation for their respective service as members of the Company’s Board of Directors or committee thereof, in accordance with the Company’s director compensation policy. Mr. Orr earned \$25,000 as a non-employee member of the Board, an additional \$1,000 for his membership on the Audit Committee and an additional \$3,000 for chairing the Audit Committee. Each of Messrs. Wallach and Hahn earned \$25,000 as a non-employee member of the Board and an additional \$1,000 for each of their respective memberships on the Audit Committee.

### Executive Compensation

Because the Company receives management services from JMC, the Company has no employees and does not pay any compensation to its executive officers. Instead, the executive officers of the Company are compensated in their capacities as employees of JMC. JMC is an at-will employer, and none of the Company's current executive officers has an employment agreement with JMC. The compensation paid by JMC to the Company's executive officers consists solely of base salary plus bonus payments. Mr. Neal Crispin, in his capacity as President of JMC, has sole discretion in determining annual salary and bonus payments for the JMC officers and employees, including his own salary and bonus.

The following table sets forth certain information for the fiscal years ending December 31, 2013 and December 31, 2012, concerning compensation paid by JMC to the Company's executive officers who were serving as such at December 31, 2013:

SUMMARY COMPENSATION TABLE

### JMC Management Fee and Risk Management

Because the Company has no employees, it has no compensation policies or practices that are reasonably likely to have a material adverse effect on the Company. However, the structure of the Company's management fee arrangement with JMC may affect the Company's risk exposure. All decisions regarding acquisitions and disposal of assets from the Company's portfolio are made by JMC. JMC is paid a management fee based on the net asset value of the Company's portfolio. JMC also receives a one-time asset acquisition fee upon purchase of an asset by the Company, and a one-time sale fee upon disposal of an asset and may receive a remarketing fee upon the re-lease of an asset.

Under this management fee structure, a larger volume of acquisitions generates acquisition fees and also increases the periodic management fee by increasing the size of the asset portfolio. This management fee structure may create a situation where a decision by JMC for the Company to forego an asset acquisition transaction deemed to be an unacceptable business risk due to the lessee or the asset type is in conflict with JMC's own pecuniary interest, and conversely a situation where a decision by JMC for the Company to pursue an asset acquisition transaction that presents significant business risk due to the lessee or the asset type furthers JMC's own pecuniary interest. As a result, the management fee structure could act to incent greater risk-taking by JMC in asset acquisition decision-making.

The Company has established objective target guidelines for yields on acquired assets. Further, the Board, including outside independent directors, must approve any acquisition that involves a new asset type. While the Company currently believes the foregoing are effective mitigating factors against undue compensation-incented risk-taking by

JMC, there is no assurance that such mechanisms can entirely and effectively eliminate such risk.

#### Compensation Committee Interlocks And Insider Participation

Neal D. Crispin and Toni M. Perazzo are executive officers and directors of both the Company and JMC. As described above under “Employee Compensation,” the Company receives management services from JMC and has no employees and does not pay any compensation to its executive officers. The Company does not have a compensation committee because it has no employees. None of the Company’s executive officers serves on a compensation committee (or any other committee of the board of directors performing similar functions), and there were no interlocks or insider participation between any member of the Board of Directors and any member of the board of directors or any compensation committee of another entity.

Management Agreement. JMC acts as the management company for the Company under the Management Agreement, dated December 31, 1997, as amended on April 23, 1998, between JMC and the Company (the "Management Agreement"). The officers of the Company are also officers of JMC and two members of JMC's Board of Directors are on the Board of Directors of the Company.

Under the Management Agreement, the Company pays a monthly management fee to JMC equal to 0.25% of the net book value of the Company's assets as of the end of the month for which the fee is due. In addition, JMC may receive an acquisition fee for locating assets for the Company and may also receive a remarketing fee in connection with the sale or re-lease of the Company's assets. The Audit Committee members shall be designated by the Board and shall serve at the discretion of the Board. Each member of the Audit Committee shall meet the audit committee independence requirements of the New York Stock Exchange MKT ("NYSE MKT") and any other applicable laws, rules and regulations. Each member of the Audit Committee shall be able to read and understand fundamental financial statements in accordance with the rules of the NYSE MKT audit committee requirements.
