Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 5, 2010, the Compensation Committee, or the Compensation Committee, of the Board of Directors of NVIDIA Corporation, or the Board of Directors, approved the Fiscal Year 2011 Variable Compensation Plan, or the 2011 Plan, which is designed to provide variable cash compensation to certain officers, directors, managers and qualifying senior contributors, or the Participants, as determined by our Compensation Committee, if certain pre-set corporate and/or individual targets are achieved during fiscal 2011. We operate on a 52 or 53-week year, ending on the last Sunday in January. We designate our fiscal year by the year in which that fiscal year ends; e.g., fiscal 2011 refers to our fiscal year ending January 30, 2011.

Under the 2011 Plan, variable cash compensation will be paid to the Participants resulting from achievement of the corporate targets if we exceed pre-set threshold, target or maximum net income levels, determined according to United States generally accepted accounting principles, as set by our Compensation Committee and/or if individuals achieve their individual targets which are determined by our Compensation Committee for the chief executive officer, by the chief executive officer in the case of the senior officers, by the senior officer to whom a vice president or a director reports in the case of vice presidents and directors, and based on individual rankings for managers and other qualifying senior contributors. Fifty percent (50%) of a Participant's potential variable cash compensation will be allocated to the achievement of corporate targets (up to a maximum of 200% of the Participant's corporate target award) and fifty percent (50%) will be allocated to the achievement of individual targets.

The achievement of individual targets is determined by our Compensation Committee in the case of the chief executive officer and the senior officers, by the senior officer to whom a vice president or a director reports in the case of vice presidents and directors, and by the senior officer or director to whom a manager or senior contributor reports in the case of managers and senior contributors.

Our Board of Directors and Compensation Committee reserve the right to:

- (i) provide variable compensation to officers or employees other than under the 2011 Plan;
- (ii) modify compensation targets and criteria at any time or to grant variable cash compensation to the Participants; or
- (iii) grant additional variable cash compensation to the Participants even if the performance targets are not met.

The 2011 Plan is filed with this report as Exhibit 10.1 and is incorporated herein by reference. The foregoing description is subject to, and qualified in its entirety by, the 2011 Plan.
