It will also review the qualifications and independence of the members of our board of directors and its various committees on a regular basis and make any recommendations the committee members may deem appropriate from time to time concerning any recommended changes in the composition of our board of directors and its committees. The nominating and governance committee will also recommend to our board of directors the corporate governance guidelines and standards regarding the independence of outside directors applicable to our company and review such guidelines and standards and the provisions of the nominating and governance committee charter on a regular basis to confirm that such guidelines, standards and charter remain consistent with sound corporate governance practices and with any legal or regulatory requirements of the Nasdaq National Market. The nominating and governance committee will also monitor our board of directors and our compliance with any commitments made to our regulators or otherwise regarding changes in corporate governance practices and lead our board of directors in its annual review of our board of directors' performance.

The purpose and responsibilities of our nominating and governance committee are set forth in the Nominating and Governance Committee Charter approved by our board of directors on June 30, 2005. Based solely on copies of reports we have received and representations from our executive officers and directors, we believe that all Section 16(a) filing requirements applicable to our executive officers and directors for the period between the date of our initial public offering and April 15, 2006 were satisfied.

Edgar Filing: Crocs, Inc. - Form 10-K/A

The following table sets forth certain information concerning option grants to the named executive officers during 2005.

Option Grants in 2005

Individual Grants

Name	Number of Securities Underlying Options Granted	Percent of Total Options Granted to Employees in Fiscal Year	Exercise Price	Expiration Date	Potential Realizable Value at Assumed Rates of Stock Price Appreciation for Option Term	
					5%	10%
Michael C. Margolis	280,344	22%	\$ 5.69	8/1/15	\$ 7,994,539	\$ 13,674,834
Lyndon V. "Duke" Hanson, III	58,405	5%	\$ 1.70	1/1/15	\$ 1,898,559	\$ 3,081,950

The options granted to Mr. Margolis were granted under our 2005 Equity Incentive Plan. The options have a term of 10 years and 25% of the options will vest on August 1, 2006. The remaining 75% will vest in 36 equal monthly installments thereafter.

The options granted to Mr. Hanson were granted outside of our 2005 Equity Incentive Plan. The options have a term of 10 years and 25% of the options vested on January 1, 2006. The remaining 75% will vest in 36 equal monthly installments thereafter. The options are subject to termination prior to the expiration date in the event of the optionee's death, disability or termination of employment, as set forth in the option agreement.

All of the options were granted at an exercise price equal to the fair market value of our common stock on the date of grant, as determined in good faith by our board of directors. Because there was no public market for our stock prior to our initial public offering, our board of directors determined the fair market value of our common stock by considering a number of factors, including, but not limited to, our financial performance and prospects for our future growth and profitability.

The amounts shown on this table as the "Potential Realizable Value at Assumed Rates of Stock Price Appreciation for Option Term" represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on assumed rates of stock price appreciation of 5% and 10%, compounded annually, which are required to be presented by Securities and Exchange Commission rules, and do not reflect our estimates or projections of the future price of our common stock. The gains are based on the assumed rates of appreciation presented, beginning on the grant date of the options, in the value of our common stock from the initial public offering price of \$21.00 per share. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise. Actual gains, if any, on stock option exercises will depend on the future performance of our common stock, the option holder's continued employment through the option period, and the date on which the options are exercised.

The following table sets forth information concerning the number and value of exercisable and unexercisable options held by the named executive officers who held options as of December 31, 2005. The value of unexercised in-the-money options at December 31, 2005 represents an amount equal to the difference between the initial public offering price of \$21.00 per share and the option exercise price, multiplied by the number of unexercised in-the-money options. An option is in-the-money if the fair market value of the underlying shares exceeds the exercise price of the option.

Aggregated Option Exercises in 2005 and Year-End Option Values

Name	Number of Shares Acquired on Exercise	Value Realized	Number of Securities Underlying Unexercised Options at Fiscal Year-End		Value of Unexercised In-The-Money Options at Fiscal Year-End(1)	
			Exercisable	Unexercisable	Exercisable	Unexercisable
Ronald R. Snyder		\$	146,013	321,227	\$ 2,917,341	\$ 6,418,116
Michael C. Margolis			280,344(2)		4,292,083	
Caryn D. Ellison						
John P. McCarvel						
Lyndon V. "Duke" Hanson, III				58,405		1,127,218

(1) The value of unexercised in-the-money options is based on our initial public offering price of \$21.00 per share, minus the actual exercise price.

(2) The options held by Mr. Margolis are immediately exercisable but are subject to vesting restrictions providing that, in the event any of the options are exercised prior to the time they are vested, the shares received upon such exercise will be subject to repurchase until the applicable vesting period has been satisfied. The vesting provisions are described above under "Option Grants in 2005."

Director Compensation

We grant our non-employee directors options to purchase 116,810 shares of our common stock upon their initial election to our board of directors and options to purchase an additional 29,203 shares of our common stock for each year of service. The Chairman of the board of directors also receives options to purchase an additional 58,405 shares of our common stock upon his initial election as Chairman. The Chairman of the audit committee of the board of directors receives options to purchase an additional 29,203 shares of common stock for each year of service. The options are granted at the fair market value of our common stock on the date of grant and have a term of seven years. Each option grant will vest annually over four years, so long as such person remains a director. Therefore, the option will be fully vested on the fourth anniversary of the date of grant. In addition, all directors are reimbursed for their reasonable out-of-pocket expenses incurred in attending meetings of the board of directors and committees of the board of directors.

Compensation Committee Interlocks and Insider Participation

The board of directors formed our compensation committee on April 16, 2005 and Messrs. Croghan and Marks served as the members of our compensation committee for the remainder of our fiscal year ended December 31, 2005. No executive officer currently serves, or in the past has served, on the compensation committee or the board of directors of any other company of which any of the members of our compensation committee or any of our directors is an executive officer.

Prior to April 16, 2005, we did not have a compensation committee, and Messrs. Snyder and Boedecker were members of our board of directors and were concurrently our officers and employees. As members of the board of directors, Messrs. Snyder and Boedecker participated in deliberations of our board of directors concerning executive officer compensation.

Employment Agreements

Agreement with Peter Case

On February 2, 2005, we entered into an at-will employment arrangement with Mr. Case, our Chief Financial Officer, Senior Vice President Finance, and Treasurer, pursuant to which we will pay Mr. Case a monthly salary of \$22,916.66, as well as a potential maximum performance based bonus of \$41,249.99 per quarter. Under the terms of the arrangement, on February 7, 2006, we granted Mr. Case

options to purchase 120,000 shares of our common stock at \$21.00 per share, which was the initial public offering price of our common stock and the fair market value of our common stock at the time of grant.

Agreement with Caryn Ellison

On October 18, 2004, we entered into an at-will employment arrangement with Caryn Ellison, our Vice President Finance and former Chief Financial Officer. The arrangement calls for Ms. Ellison to be compensated at a rate of \$16,000 per month and provides that we will pay six months severance in the event Ms. Ellison's employment is terminated by us. The arrangement also provides for Ms. Ellison to receive certain equity awards, as described below under "Equity Grants to Executive Officers and Directors."

ITEM 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters

The table below sets forth information concerning beneficial ownership of our common stock as of April 15, 2006 by:

each of our current directors;

each of the named executive officers;

all of our current directors and executive officers as a group; and

each person known to us to be the beneficial owner of more than 5% of the outstanding shares of our common stock.

The number of shares beneficially owned by each stockholder we identify below is determined under rules promulgated by the Securities and Exchange Commission. In computing percentage ownership of each person, shares of common stock subject to options held by that person that are currently exercisable, or exercisable within 60 days of April 15, 2006, are deemed to be outstanding and beneficially owned by that person. In addition, shares that are required to be issued by us to any person pursuant a restricted stock award agreement within 60 days of April 15, 2006 are also deemed to be outstanding and beneficially owned by that person. None of these shares, however, are deemed outstanding for the purpose of computing the percentage ownership of any other person.

The inclusion of those shares in the following table does not, however, constitute an admission that the named stockholder is a direct or indirect beneficial owner of those shares. To our knowledge, except as indicated in this table and pursuant to applicable community property laws, each stockholder named in the table has sole investment and voting power, or shares voting and/or investment power with his or her spouse, with respect to all shares listed below as owned by that stockholder. Percentage ownership is based on 38,281,983 shares of our common stock outstanding on April 15, 2006. Unless

Securities Authorized for Issuance under Equity Compensation Plans

Item 5 of Part II on our Form 10-K for the fiscal year ended December 31, 2005, filed with the Securities and Exchange Commission on March 31, 2006, contains information concerning securities authorized for issuance under equity compensation plans.

ITEM 13. Certain Relationships and Related Transactions

Ronald Snyder's spouse, Kimberly Snyder, was employed during 2005 as our Director of Apparel and Accessories, and received \$81,250 in salary and \$27,000 in bonus compensation in 2005.

On January 1, 2005, we entered into a separation and release agreement with Mr. Boedecker, relating to his resignation as our Chief Executive Officer. In exchange for certain releases granted by Mr. Boedecker, we agreed to pay him a severance amount of \$600,000, less all legally required deductions and withholdings, in 16 equal quarterly installments at the beginning of each calendar quarter for a four year period. The agreement provides that Mr. Boedecker is entitled to participate in our standard medical benefits package until December 31, 2009, and that Mr. Boedecker is entitled to a reimbursement of business expenses he incurred before January 1, 2005. In accordance with the terms of the agreement, Mr. Boedecker remained on our board of directors, but there is no agreement requiring us to nominate him to the board in any future period.

Under the terms of the separation and release agreement, on April 1, 2005, we entered into a distribution agreement with Crocodile Distribution, LLC, an entity controlled by Mr. Boedecker, which granted Crocodile Distribution the exclusive right to distribute our products in Mexico, the Dominican Republic, Costa Rica and, to the extent it complies with United States law in the future, Cuba. The initial term of the agreement is 10 years from July 1, 2005 and it is renewable on a non-exclusive basis for an additional five year term. The exclusivity portion of the agreement may be terminated by us if Crocodile Distribution fails to purchase certain minimum amounts of our products. Crocodile Distribution will receive a discount from our standard wholesale list price for the purchase of our products. In addition, on July 1, 2005, we entered into a kiosk agreement with Crocodile Kiosk, LLC, an entity controlled by Mr. Boedecker, which granted Crocodile Kiosk exclusive rights to license or sell certain crocs-related franchises to third parties. The license or franchise rights will give the licensee or franchisee the right to establish retail kiosks in airport locations. The term of the license agreement is ten years but the termination of the kiosk agreement will not have an effect on a licensee's or franchisee's right to operate the kiosk for a term of up to 15 years. If Crocodile Kiosk fails to license or franchise a minimum number of kiosks during the term, the agreement will become non-exclusive.

In April 2003, we entered into an oral distribution arrangement with St. Vrain Trading, LLC, an entity controlled by Mark Retzloff, a member of our board of directors, which granted St. Vrain the exclusive right to distribute our footwear products in Hawaii. Under the arrangement, St. Vrain purchased our footwear products at a discount to our standard wholesale prices.

On May 19, 2005, we purchased all of the assets of St. Vrain Trading for a net amount in cash equal to \$55,563, and the assumption of a lease agreement and other liabilities. The purchased assets consisted of \$81,707 in cash and accounts receivable, inventory valued at \$39,910 and \$1,750 of other assets.

Director and Officer Indemnification

We have entered into agreements to indemnify our directors and executive officers, in addition to the indemnification provided for in our certificate of incorporation and bylaws. These agreements, among other things, provide for indemnification of our directors and executive officers for certain expenses (including attorneys' fees), judgments, fines and settlement amounts incurred by any such person in any action or proceeding, including any action by or in the right of the Company, arising out of such person's services as a director or executive officer of ours, any subsidiary of ours or any other company or enterprise to which the person provided services at our request. We believe that these provisions and agreements are necessary to attract and retain qualified persons as directors and executive officers.

ITEM 14. Principal Accountant Fees and Services

Deloitte & Touche LLP, which was our independent public accounting firm for the year ended December 31, 2005, has been selected by our Audit Committee to be the independent registered public accounting firm of Crocs, Inc. and its subsidiaries for the year ended December 31, 2006.

The following table sets forth the aggregate fees we paid to Deloitte & Touche LLP, our independent registered public accounting firm, and other member firms of Deloitte Touche Thomatsu and their respective affiliates, which we refer to collectively as Deloitte entities, for professional services provided during 2005. The Company did not employ a registered public accounting firm during 2004, however, in conjunction with the Company's initial public offering, Deloitte & Touche LLP performed audit procedures related to the years ended December 31, 2002, 2003 and 2004, with the fees reflected in 2004 below. All fees paid to the Deloitte entities were pre-approved by the Audit Committee, which concluded that the provision of such services by the Deloitte entities was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

	2005	2004
Audit fees(1)	\$ 977,710	\$ 350,984
Audit-related fees		
Tax fees(2)	65,763	
All other fees		
Total fees	\$ 1,043,473	\$ 350,984

- (1) Audit fees relate to professional services rendered in connection with the audit of our annual financial statements included in our Annual Report on Form 10-K and services attendant to, or required by, statute or regulation, such as: (i) comfort letters, consents and other audit services related to SEC and other regulatory filings; and (ii) accounting consultation related to the audit. Audit fees consisted of audit work performed and billed through the date of this filing.
- (2) Tax fees include professional services rendered in connection with tax compliance, tax advice, tax consulting and tax planning.
