AEGON N.V.

With roots dating back 150 years, AEGON N.V., through its member companies, which we collectively refer to as "AEGON" or the "AEGON Group", is one of the world's largest listed life insurance and pension companies as ranked by market capitalization and assets with its headquarters in The Hague, the Netherlands. Our common shares are listed on the Official Segment of the stock market of Euronext Amsterdam, the principal market for our common shares, on which they trade under the symbol "AGN". Our common shares are also listed on the New York Stock Exchange under the symbol "AEG", and on the London and Tokyo stock exchanges. AEGON's established markets are the United States, the Netherlands and the United Kingdom. In addition, AEGON is present in over 20 other markets in the Americas, Europe and Asia, including Canada, Mexico, Hungary, Spain, Taiwan, China, Poland, India and a number of other countries with smaller operations. AEGON encourages product innovation and fosters an entrepreneurial spirit within its businesses. New products and services are developed by local business units with a continuous focus on cost control. AEGON uses a multi-brand, multi-channel distribution approach to meet its customers' needs. AEGON faces intense competition from a large number of other insurers, as well as non-insurance financial services companies such as banks, broker-dealers and asset managers, for individual customers, employer and other group customers and agents and other distributors of insurance and investment products.

The AEGON Group's core business is life insurance, pensions, savings and investment products. The AEGON Group is also active in accident, supplemental health, general insurance and limited banking activities. AEGON's headquarters are located at AEGONplein 50, P.O. Box 85, 2501 CB The Hague, the Netherlands (telephone 011-31-70-344-3210; internet: www.AEGON.com).

FINANCIAL INFORMATION

Except as otherwise noted, we present the financial statement amounts in this prospectus and in the documents incorporated by reference in this prospectus in accordance with International Financial Reporting Standards as adopted by the European Union and International Financial Reporting Standards as issued by the International Accounting Standards Board ("**IFRS**").

We have derived the financial data in this prospectus presenting year-end figures from our audited consolidated financial statements. We have derived all financial data in this prospectus presenting interim figures from unaudited financial statements.

As used in this prospectus, "dollar", "USD" and "\$" refer to the U.S. dollar and "euro," "EUR" and "€" refers to the unified currency that was introduced in connection with the European Economic and Monetary Union in the Netherlands and the other participating member states of the European Union on January 1, 1999.

ENFORCEMENT OF CIVIL LIABILITIES

AEGON N.V. is a Dutch company located in the Netherlands. Many of our directors and officers are residents of the Netherlands or countries other than the United States. In addition, although we have substantial assets in the United States, a large portion of our assets and the assets of our directors and officers are located outside of the United States. As a result, U.S. investors may find it difficult in a lawsuit based on the civil liability provisions of the U.S. Federal securities laws:

to effect service of process within the United States upon AEGON N.V. and our directors and officers located outside the United States;

to enforce in U.S. courts or outside the United States judgments obtained against those persons in U.S. courts;

to enforce in U.S. courts judgments obtained against those persons in courts in jurisdictions outside the United States; and

to enforce against those persons in the Netherlands, whether in original actions or in actions for the enforcement of judgments of U.S. courts, civil liabilities based solely upon U.S. Federal securities laws.

The United States and the Netherlands do not currently have a treaty providing for reciprocal recognition and enforcement of judgments in civil and commercial matters, except arbitration awards. Therefore, a final judgment for the payment of money rendered by any federal or state court in the United States based on civil liability, whether or not based solely upon the federal securities laws, would not be directly enforceable in the Netherlands. However, if the party in whose favor a final judgment is rendered brings a new suit in a competent court in the Netherlands, such party may submit to the Dutch court the final judgment that has been rendered in the United States. If the Dutch court finds that the jurisdiction of the federal or state court in the United States has been based on grounds that are internationally acceptable and that proper legal procedures have been observed, the court in the Netherlands would, in principle, give binding effect to the final judgment that has been rendered in the United States unless such judgment contravenes Dutch public policy.

Edgar Filing: AEGON FUNDING CORP - Form F-3ASR

A shareholder of a company incorporated under the laws of the Netherlands cannot sue individual members of the supervisory board or executive board derivatively; that is, in the name of and for the benefit of AEGON N.V. Moreover, under Dutch law, the duties owed by members of the AEGON Supervisory Board and AEGON Executive Board are owed primarily to AEGON N.V., not to our shareholders. This may limit the rights of the shareholders of a Dutch company to sue members of its supervisory or executive boards. Dutch law does not specifically provide for class action suits, such as a suit by one shareholder for his benefit and the benefit of others similarly situated against a company or its supervisory or executive directors.

USE OF PROCEEDS

Unless otherwise set forth in the related prospectus supplement or, if applicable, the pricing supplement, we intend to use the proceeds from the sale of securities offered through this prospectus for general corporate purposes, which include financing our operations, debt repayment and refinancing, capital expenditures and acquisitions. The specific purpose of any individual issuance of securities will be described in the related prospectus supplement.

RATIOS OF EARNINGS TO FIXED CHARGES

The following table sets forth our ratio of earnings to fixed charges for each of the periods indicated using financial information calculated in accordance with IFRS.

Three Months Ended March 31,		Year Ended December 31,			
2008	2007	2007	2006	2005	2004
1.2	1.9	1.7	2.0*	1.7*	1.8*

*

All information for 2006, 2005 and 2004 has been adjusted to reflect a change in accounting principles relating to guarantees at AEGON The Netherlands. Please refer to Note 18.2 to our consolidated financial statements for further information.

For purposes of determining the ratio of earnings to fixed charges, earnings is defined as income before tax *plus* fixed charges and *less* dividends on preferred shares and interest on perpetual capital securities. Fixed charges are calculated by adding (1) interest expensed and capitalized, (2) amortized premiums, discounts and capitalized expenses related to indebtedness, (3) interest on fixed annuities, guaranteed investment contracts and savings accounts, (4) dividends on preferred shares and (5) interest on perpetual capital securities.

DESCRIPTION OF SHARE CAPITAL AND ARTICLES OF INCORPORATION OF AEGON N.V.

The following is a summary of the terms of AEGON N.V.'s share capital, including brief descriptions of provisions contained in AEGON N.V.'s articles of incorporation, as last amended on May 3, 2007. These summaries and descriptions do not purport to be complete statements of these provisions.

Share Capital

The total authorized share capital of AEGON N.V. consists of 3,000,000,000 common shares, par value EUR 0.12 per share, and 1,000,000,000 class A and class B preferred shares, par value EUR 0.25 per share, of which 500,000,000 are class A preferred shares and 500,000,000 are class B preferred shares. As of March 31, 2008, 1,636,544,530 common shares, 211,680,000 class A preferred shares and 35,170,000 class B preferred shares were issued. Of the issued common shares, 142,327,535 common shares were held by AEGON N.V. as treasury shares.

All of our common shares and preferred shares are fully paid and not subject to calls for additional payments of any kind. All of our common shares are registered shares and held by shareholders worldwide either through Euroclear Netherlands as Deposit Shares or directly registered in our Register of Shareholders. Holders of New York Shares hold their common shares in registered form issued by our New York transfer agent on our behalf (the "New York Shares"). New York Shares and Deposit Shares are exchangeable on a one-to-one basis and are entitled to the same rights, except that cash dividends are paid in US dollars on New York Shares.

As of March 31, 2008, 315,847,578 common shares were registered in our Register of Shareholders and 212,024,522 common shares were held in the form of New York Shares.

Dividends

Under Dutch law and AEGON N.V.'s articles of incorporation, the holders of AEGON N.V. common shares are entitled to payment of dividends out of the profits remaining after the creation of a reserve account, if any. The AEGON Executive Board may determine the dividend payment date for the AEGON N.V. common shares and preferred shares, the record date for payment applicable to holders of registered AEGON N.V. common shares and, with the approval of the AEGON Supervisory Board, the currency or currencies in which dividends will be paid. For dividends on New York Shares therefore, AEGON N.V. is empowered to make payment in U.S. dollars.

Preferred dividends are payable on the capital actually paid in on the preferred shares at a percentage, on an annual basis, which will be equal to the European Central Bank's fixed interest percentage for basic refinancing transactions, to be increased by 1.75 percentage points, all applicable to the first day of trading on Euronext Amsterdam in the financial year to which the dividend relates.

Voting Rights and Appointment of AEGON Supervisory and AEGON Executive Boards

General Meeting of Shareholders. All holders of AEGON N.V. common shares and preferred shares are entitled to attend personally or by proxy any general meeting of shareholders upon compliance with the procedures described below. A holder of AEGON N.V. common shares is entitled to one vote for each share held by such holder and represented at the meeting. However, a holder of preferred shares is entitled, instead of casting one vote per preferred share, to cast such number of votes as are equal to the number of preferred shares held multiplied by twenty-five twelfths ($^{25}/_{12}$), provided that any resulting fraction of a vote is disregarded. AEGON N.V. and Vereniging AEGON have entered into a preferred shares voting rights agreement, pursuant to which Vereniging AEGON has voluntarily waived its right to cast $^{25}/_{12}$ votes per class A or class B preferred share. Instead, Vereniging AEGON has agreed to exercise only one vote per preferred share, except in the event of a

Edgar Filing: AEGON FUNDING CORP - Form F-3ASR

"special cause," such as the acquisition of a 15% interest in AEGON N.V., a tender offer for AEGON N.V. shares or a proposed business combination by any person or group of persons whether individually or as a group, other than in a transaction approved by the AEGON Executive Board and the AEGON Supervisory Board. If, in its sole discretion, Vereniging AEGON determines that a "special cause" exists, Vereniging AEGON will notify the general meeting of shareholders and retain its right to exercise the full voting power of ²⁵/₁₂ votes per preferred share for a limited period of six months.

A general meeting of shareholders is required to be held not later than June 30 of each year. General meetings of shareholders are called by the AEGON Supervisory Board or the AEGON Executive Board and are required to be held in Amsterdam, The Hague, Haarlemmermeer (including Schiphol Airport), Leidschendam, Rijswijk (ZH), Rotterdam or Voorburg, at the choice of the corporate body that calls the meeting. The AEGON Executive Board is authorized to decide that with respect to a general meeting of shareholders, a record date will be applied on the basis of which it shall be determined in accordance with Section 2:119 of the Dutch Civil Code which persons are deemed to be shareholders for the purpose of attending and exercising voting rights at a general meeting of shareholders. Such record date and the manner in which shareholders can register and exercise their rights will be set out in the notice of the meeting. Action is taken at general meetings by an absolute majority of the valid votes cast unless a larger majority is explicitly provided by law or by AEGON N.V.'s articles of incorporation.

AEGON N.V. may not vote shares held by it or its subsidiaries.

Major Shareholders of AEGON N.V. As of March 31, 2008, Vereniging AEGON held approximately 10.5% of the common shares and 100% of the preferred shares of AEGON N.V. These holdings give Vereniging AEGON approximately 24.1% of AEGON N.V.'s voting shares. In the event of a "special cause," as describe above, Vereniging AEGON's voting rights will increase to approximately 34.2% for up to six months per "special cause." Vereniging AEGON is a membership association under Dutch law. One of the principal characteristics of a membership association is that it has no share capital. The objective of Vereniging AEGON is the balanced representation of the interests of AEGON N.V. and all of its stockholders, AEGON Group companies, insured parties, employees and other constituencies of the AEGON Group. The table below shows the ownership percentage of Vereniging AEGON as of March 31, 2008.

Title of Class	Number Owned	Percent of Class
Common Shares	171,974,055	10.5%
Preferred A Shares	211,680,000	100.0%
Preferred B Shares	35,170,000	100.0%

Vereniging AEGON has two administrative bodies: the General Meeting of Members and the Executive Committee. At March 31, 2008, the General Meeting of Members consisted of 17 individuals who were elected as members of Vereniging AEGON. The majority of the voting rights is with the 15 members not being employees or former employees of AEGON N.V. or one of the AEGON Group companies, nor current or former members of the AEGON Supervisory Board or the AEGON Executive Board. Those members represent a broad cross-section of Dutch society, and are called elected members.

The other two members are both elected by the General Meeting of Members of Vereniging AEGON from among the members of the AEGON Executive Board.

The Executive Committee of Vereniging AEGON consists of seven members. Five of those members, including the chairman and vice-chairman, are not nor have ever been, related to AEGON N.V. The other two members are also members of the AEGON Executive Board.

Edgar Filing: AEGON FUNDING CORP - Form F-3ASR

of the Executive Committee, other than with regard to amendment of the articles of association of Vereniging AEGON, require an absolute majority of votes. When a vote in the Executive Committee results in a tie, the General Meeting of Members has the deciding vote. Amendments of the articles of association of Vereniging AEGON requires a unanimous proposal from the Executive Committee of Vereniging AEGON (including consent of the two representatives of AEGON N.V.) pursuant to a special procedure. Following an amendment of the articles of association of Vereniging AEGON as effected on September 13, 2005, this special requirement does not apply in the event of a hostile change of control at the general meeting of shareholders of AEGON N.V., in which event Vereniging AEGON may amend its articles of association without the cooperation of AEGON N.V.

Appointment of the AEGON Supervisory Board and the AEGON Executive Board. AEGON N.V. has a two-tier management system consisting of an executive board and a supervisory board. Members of the AEGON Supervisory Board are nominated by the AEGON Supervisory Board and are appointed by the general meeting of shareholders. The number of members of the AEGON Supervisory Board is determined from time to time by the AEGON Supervisory Board but may not consist of less than seven members. Members of the AEGON Executive Board are nominated by the AEGON Supervisory Board and are appointed by the general meeting of shareholders. For more information please see "Item 6. Directors, Senior Management and Employees" of AEGON N.V.'s 2007 Annual Report on Form 20-F.

Shareholder Proposals. Shareholders who, alone or jointly, represent at least one-tenth percent (0.1%) of the issued capital or a block of shares, alone or jointly, worth at least fifty million euro (EUR 50,000,000) according to the Official Price List of Euronext Amsterdam N.V. (or any publication taking its place), shall have the right to request of the AEGON Executive Board or the AEGON Supervisory Board that items be placed on the agenda of the general meeting of shareholders. These requests shall be honoured by the AEGON Executive Board or the AEGON Supervisory Board under the conditions that (a) important AEGON interests do not dictate otherwise; and (b) the request is received by the chairman of the AEGON Executive Board or the chairman of the AEGON Supervisory Board in writing at least sixty (60) days before the date of the general meeting of shareholders.

Amendment of Articles. The articles of incorporation of AEGON N.V. may be amended at any general meeting of shareholders by an absolute majority of the votes cast. Any such amendment must have been proposed by the AEGON Executive Board which proposal must have been approved by the AEGON Supervisory Board.

Annual Accounts. The general meeting of the shareholders adopts annually AEGON N.V.'s annual accounts with respect to the previous calendar year.

Liquidation Rights

In the event of the liquidation of AEGON N.V., the general meeting of shareholders determines the remuneration of the liquidators and of the members of the AEGON Supervisory Board. The AEGON Executive Board is responsible for effecting the liquidation, which is to be overseen by the AEGON Supervisory Board. The assets remaining after payment of all debts, liquidation expenses and taxes are to be distributed first to the holders of preferred shares in the amount of their paid-in capital. The amount left after such payment will be distributed to the holders of AEGON N.V. common shares.

Issuance of Additional Rights

Shares of AEGON N.V.'s authorized but unissued capital stock may be issued at such times and on such conditions as may be determined at a general meeting of shareholders or by the AEGON Executive Board if authorized by the shareholders. At the general meeting of shareholders of AEGON N.V. held on April 23, 2008, the AEGON Executive Board was designated, for a period of

eighteen months effective April 23, 2008, by a resolution approved by the shareholders, as the company body which shall, subject to the approval of the AEGON Supervisory Board, be authorized to decide upon the issue of shares and to grant rights to acquire shares. The authority granted thereby is limited annually to 10% of the capital, plus 10% of the capital if the issuance or the granting of rights occurs on the occasion of the acquisition of an enterprise or a corporation. For purposes of this paragraph, the term "capital" means the total par value of the common shares issued at the time this authorization is used for the first time in any calendar year. The authorization described above may only be withdrawn by a resolution of the general meeting of shareholders following a proposal by the AEGON Executive Board which has been approved by the AEGON Supervisory Board.

Preemptive Rights

Except in certain instances prescribed by law, the holders of AEGON N.V. common shares have preemptive rights on a pro rata basis to purchase the number of AEGON N.V. common shares to be issued. Holders of AEGON N.V. preferred shares, as such, have no preemptive rights in respect of any AEGON N.V. common shares.

Preemptive rights in respect of AEGON N.V. common shares may be restricted or excluded by a resolution passed by the general meeting of shareholders. In the notice of the meeting, the reasons for the proposal to restrict or exclude the preemptive rights in respect of AEGON N.V. common shares and the intended issue price must be explained in writing. Preemptive rights may also be restricted or excluded by the AEGON Executive Board if a resolution is passed by the general meeting of shareholders which confers such power on the AEGON Executive Board for a maximum of five years. This power may from time to time be extended, but never for a period longer than five years. A resolution of the general meeting that restricts or excludes preemptive rights or that confers this power to the AEGON Executive Board can only be adopted at the proposal of the AEGON Executive Board which is approved by the AEGON Supervisory Board. A resolution of the general meeting to restrict or exclude the preemptive rights or to confer this power to the AEGON Executive Board shall require a majority of not less than two thirds of the votes cast if less than one half of AEGON N.V.'s issued capital is represented at the meeting. If AEGON N.V. makes a rights offering to the holders of AEGON N.V. common shares, the rights of holders of AEGON N.V.'s New York Shares to exercise the rights so offered is subject to a restriction which permits AEGON N.V. to sell such rights in a manner to be determined by the AEGON Executive Board and to remit the cash proceeds of such sale to such holders if the additional AEGON N.V. common shares are not registered under the Securities Act of 1933, as amended (the "**Securities Act**").

At the general meeting of shareholders of AEGON N.V. held on April 23, 2008, the AEGON Executive Board was designated, for a period of eighteen months effective April 23, 2008, by a resolution approved by the shareholders, as the company body which shall, subject to the approval of the AEGON Supervisory Board, be authorized to restrict or exclude the preemptive rights of the shareholders with regard to the issuance of common shares or the granting of rights to subscribe for common shares. In respect of the issuance of common shares without preemptive rights, the authority given thereby shall be limited annually to 10% of the capital, plus 10% of the capital if the issuance occurs on the occasion of the acquisition of an enterprise or a corporation. For purposes of this paragraph, the term "capital" means the total par value of the common shares issued at the time this authorization is used for the first time in any calendar year.

The authorization described above may only be withdrawn by a resolution of the general meeting of shareholders following a proposal by the AEGON Executive Board which has been approved by the AEGON Supervisory Board.

Repurchase by AEGON N.V. of its Own Shares

Subject to certain restrictions contained in the laws of the Netherlands and AEGON N.V.'s articles of incorporation, the AEGON Executive Board may cause AEGON N.V. to purchase its own fully-paid shares, provided that the total number of AEGON N.V. shares so repurchased, together with shares already held in treasury by AEGON N.V. or held by its subsidiaries, may not exceed, in the aggregate, 10% of the issued capital. Such purchase may be made only upon authorization by the general meeting of shareholders, which authorization is valid for a maximum of eighteen months and must include the number of shares to be acquired, the way in which they may be acquired and the minimum and maximum purchase price. In addition, the approval of the AEGON Supervisory Board shall be required for any such acquisition. At the general meeting of shareholders held on April 23, 2008, the shareholders authorized the AEGON Executive Board for a period of eighteen months to acquire shares up to the maximum number permitted by law and AEGON N.V.'s articles of incorporation at a price not higher than 10% above the quoted local market price immediately prior to the acquisition. Preferred shares may only be acquired at a price not higher than 10% above the average paid-in amount on the preferred shares being acquired, to be increased with dividends accrued but not yet paid at the time of the acquisition.

Certificates for Common Stock and their Transfer

Certificates evidencing AEGON N.V. common shares are issuable, upon a resolution of the AEGON Executive Board, only in registered form. Certificates issued by the New York registrar are printed in the English language. New York Shares may be held by residents as well as non-residents of the Netherlands. Only New York Shares may be traded on the New York Stock Exchange. New York Shares may be transferred on the books of AEGON N.V. at the office of the New York transfer agent by surrendering the New York Shares with the deed of transfer on the New York Shares or in a separate instrument completed in full and signed by the transferor. Upon surrender, AEGON N.V., acting through its New York transfer agent, will either note the transfer on the surrendered New York Shares or issue replacement New York Shares registered in the name of the new owner. In addition, a shareholder may in accordance with AEGON N.V.'s articles of incorporation, upon the surrender for cancellation of any share certificate previously issued, request the consent of the Executive Board to have his name entered in the register of shareholders maintained by AEGON N.V. with respect to the share or shares owned by him and to receive, in lieu of a certificate, a non-negotiable declaration of registration of such share or shares.

DESCRIPTION OF DEBT SECURITIES

The following is a summary of the general terms of the debt securities. If the debt securities are offered as part of a global offering, this prospectus only covers offers and sales initially made in the U.S. and resales into the U.S. Each time that we issue debt securities pursuant to this prospectus we will file with the SEC a prospectus supplement and, if applicable, a pricing supplement, that you should read carefully. The prospectus supplement or, if applicable, the pricing supplement will contain the specific terms applicable to those debt securities. The terms presented here, together with the terms contained in the prospectus supplement and, if applicable, the pricing supplement will be a description of the material terms of the debt securities, but if there is any inconsistency between the terms presented here and those in the prospectus supplement, those in the prospectus supplement will replace those presented here. You should also read the indenture under which we will issue the debt securities, which we have filed with the SEC as an exhibit to the registration statement of which this prospectus is a part. The terms of the debt securities include those stated in the indenture and those made part of the indenture by reference to the Trust Indenture Act of 1939.

General

The debt securities will be issued by AEGON N.V. or AFC, as the case may be, under an indenture with The Bank of New York Trust Company, N.A.

Any debt securities issued by AFC will be guaranteed by AEGON N.V. See "DESCRIPTION OF GUARANTEES" below. The total principal amount of debt securities that can be issued under the indenture is unlimited. The indenture does not limit the amount of other debt, secured or unsecured, that we may issue. We may issue the debt securities in one or more series.

The prospectus supplement and, if applicable, the pricing supplement relating to any series of debt securities being offered will include specific terms relating to the offering. These terms will include some or all of the following:

the issuer of the debt securities, AEGON N.V. or AFC;

the price of the debt securities offered;

the title of the debt securities;

the total principal amount of the debt securities;

the date or dates, if any, on which the principal of and any premium on the debt securities will be payable;

any interest rate, the date from which interest will accrue, interest payment dates and record dates for interest payments;

whether the debt securities are senior or subordinated debt securities and, if subordinated, the ranking of such debt securities in relation to other senior or subordinated debt securities;

the places at which payments of principal and interest are payable;

the terms of any optional or mandatory redemption, including the price for the redemption;

any sinking fund provisions;

the terms of any payments on the debt securities that will be payable in foreign currency or currency units or another form;

Edgar Filing: AEGON FUNDING CORP - Form F-3ASR

the terms of any payments that will be payable by reference to any index or formula;

any changes or additions to the events of default or covenants described in this prospectus;

Edgar Filing: AEGON FUNDING CORP - Form F-3ASR

whether debt securities will be issued as discount securities and the amount of any discount;

whether the debt securities will be represented by one or more global securities;

whether the debt securities will be issued in registered or bearer form, and any restrictions that may apply;

any terms for the conversion or exchange of the debt securities for other securities of AEGON Group companies or any other entity (including any related cash-out option); and

any other terms of the debt securities.

We have the ability under the indenture to "reopen" a previously issued series of debt securities and issue additional debt securities of that series or establish additional terms of the series. We are also permitted to issue debt securities with the same terms as previously issued debt securities. Unless otherwise indicated in the related prospectus supplement or, if applicable, the pricing supplement, the debt securities will not be listed on any securities exchange.

The senior debt securities will be unsecured, unsubordinated indebtedness and will rank equally with all other unsecured and unsubordinated debt of their issuer. The subordinated debt securities will be unsecured indebtedness and will be subordinated in right of payment to existing and future debt of their issuer as set forth in the related prospectus supplement or, if applicable, the relevant pricing supplement. See "Subordination" below.

Some of the debt securities may be sold at a substantial discount below their stated principal amount. These debt securities will either bear no interest or will bear interest at a rate which at the time of issuance is below market rates. U.S. Federal income tax consequences and other special considerations applicable to discounted debt securities are discussed below under "Taxation in the United States" and may be discussed further in the prospectus supplement or, if applicable, the pricing supplement relating to these debt securities.

If AFC issues the debt securities, AEGON N.V. will fully and unconditionally guarantee the due and punctual payment of the principal of, any premium and any interest on those debt securities, when and as these payments become due and payable, whether at maturity, upon redemption or declaration of acceleration, or otherwise. See "DESCRIPTION OF GUARANTEES".

On March 31, 2008, AEGON N.V. had outstanding EUR 4.895 billion of capital securities, EUR 34 million of subordinated debt securities and EUR 1.313 billion of senior debt securities. AEGON N.V. had no secured debt. AFC had outstanding USD 0.5 billion in aggregate principal amount of senior debt securities and no secured or subordinated debt securities. AFC does not have any subsidiaries.

Paying Agent and Transfer Agent

Unless otherwise specified in the relevant prospectus supplement, or, if applicable, the relevant pricing supplement, Citibank N.A. will be the registrar, paying agent, transfer agent and calculation agent for the debt securities.

Governing Law

Except as may otherwise be provided in the related prospectus supplement or, if applicable, the relevant pricing supplement, the indenture and the guarantees will be governed by and construed in accordance with the laws of the State of New York. The laws of the State of New York would not require the trustee to pursue or exhaust its legal and equitable remedies against AFC, as the case may be, prior to exercising its rights under the guarantee relating to guaranteed debt securities issued by AFC. We cannot assure you that a Netherlands court would give effect to this provision. However,

AEGON N.V. will waive any right to require a proceeding against AFC before its obligations under the guarantees of debt securities of AFC shall become effective. There are no limitations under the laws of the Netherlands or the articles of incorporation of AEGON N.V. on the right of non-residents of the Netherlands to hold the debt securities issued by AEGON N.V.

Form, Exchange and Transfer

Unless otherwise specified in the related prospectus supplement or, if applicable, the related pricing supplement, the debt securities of each series will be issuable in fully registered form, without coupons, in denominations of \$1,000 and integral multiples thereof.

Unless otherwise specified in the related prospectus supplement, or, if applicable, the related pricing supplement, any payments of principal, interest and premium on registered debt securities will be payable and, subject to the terms of the indenture and the limitations applicable to global securities, debt securities may be transferred or exchanged, at any office or agency we maintain for such purpose, without the payment of any service charge except for any applicable tax or governmental charge.

Global Securities

The debt securities of a series may be issued in the form of one or more global certificates that will be deposited with a depository identified in a prospectus supplement or, if applicable, the related pricing supplement. Unless a global certificate is exchanged in whole or in part for debt securities in definitive form, a global certificate may generally be transferred only as a whole and only to the depository or to a nominee of the depository or to a successor depository or its nominee.

Unless your prospectus supplement provides otherwise, the securities will initially be issued to investors only in book-entry form. We will issue and register in the name of one or more financial institutions or clearing systems or their nominees, one or more fully registered global certificates, representing the total aggregate number of securities. A financial institution or clearing system that we select for the purpose is called the "depository" for that security. A security will usually have only one depository, but it may have more.

Each series of securities will have one or more of the following as the depositaries:

DTC;

Euroclear;

a financial institution holding the securities on behalf of Clearstream, Luxembourg; or

any other clearing system or financial institution named in the applicable prospectus supplement.

The depositaries named above may also be participants in one another's systems. Thus, for example, if DTC is the depository for a global security, investors may hold beneficial interests in that security through Euroclear or Clearstream, Luxembourg as DTC participants. The depository or depositaries for your securities will be named in your prospectus supplement; if none is named, the depository will be DTC.

DTC has provided us the following information, and we take no responsibility for its accuracy. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds securities that its participants deposit with DTC. DTC also facilitates the settlement among its participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in its participants' accounts, eliminating the need for

physical movement of securities certificates. Participants in DTC include Clearstream, Luxembourg and Euroclear, securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is owned by a number of its participants and by the New York Stock Exchange, the American Stock Exchange, Inc., and the Financial Industry Regulatory Authority. Access to the DTC system is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a DTC participant, either directly or indirectly. The rules applicable to DTC and its participants are on file with the SEC.

Pursuant to DTC's procedures, upon the sale of debt securities represented by a global certificate to underwriters, DTC will credit the accounts of the participants designated by the underwriters with the principal amount of the debt securities purchased by the underwriters. Ownership of beneficial interests in a global certificate will be shown on DTC's records (with respect to participants), by the participants (with respect to indirect participants and certain beneficial owners) and by the indirect participants (with respect to all other beneficial owners). The laws of some states require that certain persons take physical delivery in definitive form of the securities that they own. Consequently, the ability to transfer beneficial interests in a global certificate may be limited.

We will wire to DTC's nominee principal and interest payments with respect to global certificates. We and the trustees under the indenture will treat DTC's nominee as the owner of the global certificates for all purposes. Accordingly, we, the trustee and the paying agent will have no direct responsibility or liability to pay amounts due on the global certificates to owners of beneficial interests in the global certificates.

It is DTC's current practice, upon receipt of any payment of principal or interest, to credit participants' accounts on the payment date according to their beneficial interests in the global certificates as shown on DTC's records. Payments by participants to owners of beneficial interests in the global certificates will be governed by standing instructions and customary practices between the participants and the owners of beneficial interests in the global certificates, as is the case with securities held for the account of customers registered in "street name". However, payments will be the responsibility of the participants and not of DTC, the trustee or us.

Debt securities of any series represented by a global certificate will be exchangeable for debt securities in definitive form with the same terms in authorized denominations only if:

DTC notifies us that it is unwilling or unable to continue as depository, or DTC is no longer eligible to act as depository, and we do not appoint a successor depository within 90 days; or

we determine not to have the debt securities of a series represented by global certificates and notify the trustee of our decision.

So long as DTC or its nominee is the registered owner and holder of the global notes, DTC or its nominee, as the case may be, will be considered the sole owner or holder of the senior notes represented by the global notes for all purposes under the indenture. Except as provided below, you, as the beneficial owner of interests in the global notes, will not be entitled to have senior notes registered in your name, will not receive or be entitled to receive physical delivery of senior notes in definitive form and will not be considered the owner or holder thereof under the indenture. Accordingly, you, as the beneficial owner, must rely on the procedures of DTC and, if you are not a DTC participant, on the procedures of the DTC participants through which you own your interest, to exercise any rights of a holder under the indenture.

Neither we, the trustee, nor any other agent of ours or agent of the trustee will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in global notes or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests. DTC's practice is to credit the accounts of DTC's direct participants with payment in amounts proportionate to their respective holdings in principal amount of

beneficial interest in a security as shown on the records of DTC, unless DTC has reason to believe that it will not receive payment on the payment date. The underwriters will initially designate the accounts to be credited. Beneficial owners may experience delays in receiving distributions on their senior notes because distributions will initially be made to DTC and they must be transferred through the chain of intermediaries to the beneficial owner's account. Payments by DTC participants to you will be the responsibility of the DTC participant and not of DTC, the Trustee or us. Accordingly, we and any paying agent will have no responsibility or liability for: any aspect of DTC's records relating to, or payments made on account of, beneficial ownership interests in senior notes represented by a global securities certificate; any other aspect of the relationship between DTC and its participants or the relationship between those participants and the owners of beneficial interests in a global securities certificate held through those participants; or the maintenance, supervision or review of any of DTC's records relating to those beneficial ownership interests.

Conveyance of notices and other communications by DTC to direct participants, by direct participants to indirect participants, and by direct participants and indirect participants to beneficial owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

We have been informed that, under DTC's existing practices, if we request any action of holders of senior notes, or an owner of a beneficial interest in a global security such as you desires to take any action which a holder of senior notes is entitled to take under the indenture, DTC would authorize the direct participants holding the relevant beneficial interests to take such action, and those direct participants and any indirect participants would authorize beneficial owners owning through those direct and indirect participants to take such action or would otherwise act upon the instructions of beneficial owners owning through them.

Clearstream, Luxembourg has established an electronic link with Euroclear to facilitate settlement of trades between Clearstream, Luxembourg and Euroclear.

Euroclear has advised us as follows:

Euroclear is incorporated under the laws of Belgium as a bank and is subject to regulation by the Belgian Banking, Finance and Insurance Commission and the National Bank of Belgium. Euroclear holds securities for its participants and facilitates the clearance and settlement of securities transactions among them. It does so through simultaneous electronic book-entry delivery against payment, thereby eliminating the need for physical movement of certificates and any risk from lack of simultaneous transfers of securities and cash. Euroclear provides various other services, including credit, custody, lending and borrowing of securities and tri-party collateral management. It interfaces with domestic

markets in several countries. Euroclear participants include banks, including central banks, securities brokers and dealers and other professional financial intermediaries. Indirect access to Euroclear is also available to other firms that clear through or maintain a custodial relationship with a Euroclear participant, either directly or indirectly. All securities in Euroclear are held on a fungible basis. This means that specific certificates are not matched to specific securities clearance accounts.

Payments of Additional Amounts

The issuer or guarantor will make all payments on the debt securities of that series without withholding or deduction for any taxes, or other governmental charges in effect on the date of issuance of the debt securities of that series or imposed in the future by or on behalf of the Netherlands, in the case of AEGON N.V., or the United States, in the case of AFC, or any authority in the Netherlands or the United States, as applicable. In the event any Netherlands, in the case of payments by AEGON N.V., or United States, in the case of payments by AFC, taxes or other charges are imposed on payments on any debt security of that series held by you, the issuer or guarantor will pay to you such additional amounts as may be necessary so that the net amounts receivable by you after any payment, withholding or deduction of tax or charge will equal the amounts of principal, any interest and any premium which would have been receivable on the debt security if there were no such payment, withholding or deduction; *provided, however*, that (a) in the case of payments by AEGON N.V., the amounts with respect to any Netherlands taxes shall be payable only to holders that are not residents in the Netherlands for purposes of its tax laws; and (b) in the case of payments by AFC, the amounts with respect to any United States taxes shall be payable only to holders that are non-U.S. persons not resident in the United States, foreign corporations or certain trusts or estates not subject to taxes, for United States tax purposes, *and provided further*, that the issuer or guarantor shall not be required to make any payment of any additional amounts on account of:

in the case of payments by AEGON N.V., your being a resident of the Netherlands or having some connection with the Netherlands or United States (in the case of Netherlands taxes) other than the mere holding of the debt security or the receipt of principal, any interest, or any premium on the debt security;

in the case of payments by AFC, your being a resident of the United States or having some connection with the United States (in the case of United States taxes) other than the mere holding of the debt security or the receipt of principal, and interest, or any premium on the debt security;

your presentation of the debt security for payment more than 30 days after the later of (1) the due date for such payment or (2) the date we provide funds to make such payment to the trustee;

any estate, inheritance, gift, sales, transfer, personal property or similar tax, assessment or other governmental charge;

any tax, assessment or other governmental charge payable other than by withholding from payments on the debt security;

in the case of payments by AFC, with respect to United States taxes, any tax imposed by reason of the holder's past or present status as a tax-exempt organization with respect to the United States or as a corporation which accumulates earnings to avoid United States Federal income tax;

any tax, assessment or other governmental charge which would not have been imposed or withheld if the holder had declared his or her non-residence in the Netherlands, in the case of payments by AEGON N.V., or the United States, in the case of payments by AFC, or made a similar claim for exemption so that, upon making the declaration or the claim, the holder would

Edgar Filing: AEGON FUNDING CORP - Form F-3ASR

either have been able to avoid the tax, assessment or charge or to obtain a refund of the tax, assessment or charge;

any tax, assessment or other governmental charge required to be withheld by any paying agent from any payment of principal of, premium, if any, or any interest on, any debt security, if such payment can be made without such withholding by any other paying agent;

any withholding or deduction imposed on a payment under any debt security which is required to be made pursuant to a European Union Directive on the taxation of savings or any law implementing or complying with, or introduced in order to conform to, such directive; or

any combination of items above,

nor shall additional amounts be paid with respect to any payment of the principal of, premium, if any, or any interest on any debt security to any holder who is a fiduciary, a partnership or a beneficial owner and who is other than the sole beneficial owner of the payment to the extent the fiduciary or a member of the partnership or a beneficial owner would not have been entitled to any additional amount had it been the holder of the debt security.

Tax Redemption

If the prospectus supplement or, if applicable, the pricing supplement for a particular series of debt securities so provides, the issuer or guarantor may redeem that series of debt securities before its maturity, in whole but not in part, if, at any time after the date of issuance of that series of securities, as a result of any:

amendment to, or change in, the laws of the Netherlands, in the case of payments by AEGON N.V., or the United States, in the case of payments by AFC, or any political subdivision thereof; or

change in the application or official interpretation of such laws or regulations,

where the amendment or change becomes effective after the date of the issuance of the series of debt securities, the issuer or guarantor become, or will become, obligated to pay any additional amounts as provided above under "Payments of Additional Amounts" and cannot reasonably avoid such obligation.

Before the issuer or guarantor may redeem debt securities of a particular series as provided above, the issuer or guarantor must deliver to the trustee at least 30 days, but not more than 60 days, prior to the date fixed for redemption:

a written notice stating that the debt securities of a particular series are to be redeemed, specifying the redemption date and other pertinent information; and

an opinion of independent legal counsel selected by us to the effect that, as a result of the circumstances described above, we have or will become obligated to pay any additional amounts.

The issuer or guarantor will give you at least 30 days', but not more than 60 days', notice before any tax redemption of a series of securities. On the redemption date, the issuer or guarantor will pay you the principal amount of your debt security, plus any accrued interest (including any additional amounts) to the redemption date.

Conversion or Exchange

The terms, if any, upon which debt securities of any series are convertible into or exchangeable for other securities will be set forth in the related prospectus supplement. These terms may include the conversion price, the conversion period, provisions as to whether conversion or exchange will be at the option of the holders of that series of debt securities or at our option, any events requiring an

adjustment of the conversion price, provisions affecting conversion in the event of the redemption of such series of debt securities and other relevant provisions relating to those securities.

Events of Default

Except as may otherwise be provided for in the related prospectus supplement or, if applicable, the relevant pricing supplement, the following are defined as events of default with respect to securities of any series outstanding under the indenture:

- (a) failure to pay principal or premium, if any, on any debt security of that series when due, and continuance of such a default beyond any applicable grace period;
- (b) failure to pay any interest on any debt security of that series when due, and continuance of such a default for a period of 30 days beyond any applicable grace period;
- (c) failure to deposit any sinking fund payment, when due and continuance of such a default beyond any applicable grace period, on any debt security of that series;
- (d) failure to perform any of our other covenants or the breach of any of the warranties in the indenture after being given written notice and continuance of such a default for a period of 90 days beyond any applicable grace period; and
- (e) certain events in bankruptcy, insolvency or reorganization of AEGON N.V. or AFC.

If an event of default for any series of debt securities occurs and continues, the trustee or the holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series may accelerate the maturity of the debt securities of that series (or, such portion of the principal amount of such debt securities as may be specified in a prospectus supplement). If an acceleration occurs, subject to specified conditions, the holders of a majority of the aggregate principal amount of the outstanding debt securities of that series may rescind and annul such acceleration. Because each series of debt securities will be independent of each other series, a default in respect of one series will not necessarily in itself result in a default or acceleration of the maturity of a different series of debt securities.

Other than its duties in case of an event of default, the trustee is not obligated to exercise any of its rights or powers under the indenture at the request or direction of any of the holders, unless the holders offer the trus
