Registration No. 333-220459

**Amendment No. 1 dated August 3, 2018  
(To prospectus supplement dated December 11, 2017 and  
prospectus dated September 28, 2017)**

**Up to \$100,000,000**

## **Common Stock**

This Amendment No. 1 (this "amendment") amends our prospectus supplement dated December 11, 2017 (the "prospectus supplement") and the prospectus dated September 28, 2017 (the "accompanying prospectus"). This amendment should be read in conjunction with the prospectus supplement and the accompanying prospectus, including the documents incorporated by reference therein, each of which are to be delivered with this amendment. **Except as set forth in this amendment, the prospectus supplement and the accompanying prospectus, as updated by the documents incorporated by reference therein, remain unchanged.**

We have entered into separate equity distribution agreements dated as of December 11, 2017 with UBS Securities LLC, Morgan Stanley & Co. LLC, B. Riley FBR, Inc., Robert W. Baird & Co. Incorporated, D.A. Davidson & Co., Deutsche Bank Securities Inc. and Janney Montgomery Scott LLC, each a sales agent and collectively the sales agents, relating to the shares of common stock offered by the prospectus supplement and the accompanying prospectus. In accordance with the terms of the equity distribution agreements, we may offer and sell, from time to time, shares of our common stock, par value \$0.01 per share, having an aggregate offering price of up to \$100,000,000 through the sales agents. As of the date of this amendment, we have not sold any shares of our common stock pursuant to the equity distribution agreements.

Our common stock is listed on the New York Stock Exchange under the symbol "AHT." On August 2, 2018, the last reported sales price of our common stock on the New York Stock Exchange was \$7.92 per share.

Sales of our common stock, if any, pursuant to the prospectus supplement, as amended by this amendment, and the accompanying prospectus may be made in negotiated transactions, which may include block trades, or transactions that are deemed to be "at-the-market" offerings as defined in Rule 415 under the Securities Act of 1933, as amended (the "Securities Act"), including sales made directly on the New York Stock Exchange or sales made to or through a market maker other than on an exchange.

Subject to the terms and conditions of the equity distribution agreements, the sales agents are not required to sell any specific number or dollar amount of shares, but upon acceptance of a placement notice from us, each sales agent, if acting as agent, will use commercially reasonable efforts, consistent with its normal trading and sales practices, to sell the shares offered by the prospectus supplement, as amended by this amendment, and the accompanying prospectus on the terms set forth in the placement notice. Each sales agent will receive from us a commission that will not exceed, but may be lower than, 2.0% of the gross sales price of all shares sold through it as sales agent under the applicable equity distribution agreement. In connection with any sales of common stock on our behalf, the sales agents may be deemed to be "underwriters" within the meaning of the Securities Act, and the compensation paid to the sales agents may be deemed to be underwriting commissions or discounts. See "Plan of Distribution" in the prospectus supplement.

We also may sell some or all of the shares of common stock to a sales agent as principal for its own account at a price agreed upon at the time of sale. If we sell common stock to a sales agent as principal, then we will enter into a separate terms agreement with the sales agent, and the sale will be made pursuant to the terms thereunder.

**ADDITIONAL MATERIAL FEDERAL INCOME TAX CONSIDERATIONS**

The following is a summary of certain additional material federal income tax considerations with respect to the ownership of our common shares. This summary supplements and should be read together with the section entitled "Material Federal Income Tax Considerations" in the accompanying prospectus and filed as part of our registration statement on Form S-3 (No. 333-220459).

**Recent Legislation**

On December 22, 2017, the President signed into law the Tax Cuts and Jobs Act ("TCJA") which made many significant changes to the U.S. federal income tax laws applicable to businesses and their owners, including REITs and their stockholders, and may lessen the relative competitive advantage of operating as a REIT rather than as a C corporation. Pursuant to the TCJA, as of January 1, 2018, (1) the federal income tax rate applicable to corporations is reduced to 21%, (2) the highest marginal individual income tax rate is reduced to 37%, (3) the backup withholding rate is reduced to 24%, and (4) the corporate alternative minimum tax is repealed. In addition, individuals, estates and trusts may deduct for income tax purposes up to 20% of certain pass-through income, including ordinary REIT dividends that are not "capital gain dividends" or "qualified dividend income," subject to complex limitations. For taxpayers qualifying for the full deduction, the effective maximum income tax rate on ordinary REIT dividends would be 29.6% (through taxable years ending in 2025). The maximum rate of withholding with respect to our distributions to non-U.S. stockholders that are treated as attributable to gains from the sale or exchange of U.S. real property interests is also reduced from 35% to 21%. The deduction of net interest expense is limited for all businesses; provided that certain businesses, including real estate businesses, may elect not to be subject to such limitations and instead to depreciate their real property related assets over longer depreciable lives. This limitation could adversely affect our taxable REIT subsidiaries. Under the TCJA, we generally will be required to include certain amounts in income no later than the time such amounts are reflected on certain financial statements. The application of this rule may require the accrual of income with respect to our debt instruments, such as original issue discount or market discount, earlier than would be the case under the general tax rules, although the precise application of this rule is unclear at this time. This rule generally will be effective for tax years beginning after December 31, 2017 or, for debt instruments issued with original issue discount, for tax years beginning after December 31, 2018. Under the TCJA our deduction for any net operating loss carryforwards arising from losses we sustain in taxable years beginning after December 31, 2017 is limited to 80% of our REIT taxable income (determined without regard to the deduction for dividends paid).

We urge you to consult your tax advisors regarding the impact of the TCJA on the purchase, ownership and sale of our common stock.
