## SALEM COMMUNICATIONS ANNOUNCES AN 8.8% INCEASE IN SECOND QUARTER 2006 TOTAL REVENUE

CAMARILLO, CA August 7, 2006 Salem Communications Corporation (Nasdaq: SALM), a leading U.S. radio broadcaster, Internet content provider and magazine publisher targeting audiences interested in Christian and family-themed content and conservative values, today announced results for the three month and six month periods ended June 30, 2006.

Commenting on the company s results, Edward G. Atsinger III, president and CEO said, As a result of significant growth in our non-broadcast media business, we achieved a 8.8% increase in total revenue for the second quarter. While our radio business was negatively impacted by the same weak radio advertising market affecting other radio broadcasters, we achieved net broadcasting revenue growth of 5.4%. Contributing to this growth were our News Talk stations, which grew revenue by 13.5% and our consistent local and national block programming business, which grew revenue by 7.8% over last year on a same station basis.

Atsinger continued, During the quarter we closed on the acquisitions of Townhall.com, Xulon Press and Preaching Magazine to grow our non-broadcast media business. As a result of these and other recent acquisitions, and through organic growth, our non-broadcast media business grew its revenue by 70.9% for the second quarter compared to the same period last year. This growth includes a 40.7% increase in revenue at our Internet business and a 115.3% increase in revenue at our publishing business. The integration of our proven traditional media platform with non-broadcast media offers substantial growth opportunities, providing us the ability to become a leading multi-media creator, aggregator and distributor of faith, family and values content.

#### **Second Quarter 2006 Results**

For the quarter ended June 30, 2006 compared to the quarter ended June 30, 2005:

#### Forward Looking Statements

Statements used in this press release that relate to future plans, events, financial results, prospects or performance are forward-looking statements as defined under the Private Securities Litigation Reform Act of 1995. Actual results may differ materially from those anticipated as a result of certain risks and uncertainties, including but not limited to the ability of Salem to close and integrate announced transactions, market acceptance of Salem s radio station formats, competition from new technologies, adverse economic conditions, and other risks and uncertainties detailed from time to time in Salem's reports on Forms 10-K, 10-Q, 8-K and other filings filed with or furnished to the Securities and Exchange Commission. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. Salem undertakes no obligation to update or revise any forward-looking statements to reflect new information, changed circumstances or unanticipated events.

#### Regulation G

Station operating income, non-broadcast operating income, EBITDA and Adjusted EBITDA are financial measures not prepared in accordance with generally accepted accounting principles (GAAP). Station operating income is defined as net broadcasting revenues minus broadcasting operating expenses. Non-broadcast operating income is defined as non-broadcast revenue minus non-broadcast operating expenses. EBITDA is defined as net income before interest, taxes, depreciation and amortization. Adjusted EBITDA is defined as EBITDA before loss on early redemption of long-term debt, discontinued operations (net of tax), litigation costs, gain or loss on the disposal of assets and non-cash compensation expense. In addition, Salem has provided supplemental information as an attachment to this press release, reconciling these non-GAAP financial measures to the most directly comparable financial measures prepared in accordance with GAAP. The company believes these non-GAAP financial measures, when considered in conjunction with the most directly comparable GAAP financial measures, provide useful measures of the company s operating performance.

Station operating income, non-broadcast operating income, EBITDA and Adjusted EBITDA are generally recognized by the broadcasting industry as important measures of performance and are used by investors as well as analysts who report on the industry to provide meaningful comparisons between broadcasting. Station operating income, non-broadcast operating income, EBITDA and Adjusted EBITDA are not a measure of liquidity or of performance in accordance with GAAP, and should be viewed as a supplement to and not a substitute for, or superior to, the company s results of operations presented on a GAAP basis such as operating income and net income. In addition, Salem s definitions of station operating income, non-broadcast operating income, EBITDA and Adjusted EBITDA are not necessarily comparable to similarly titled measures reported by other companies.
