Item 8.01 Other Events

On June 20, 2008, Prudential Bancorp, Inc. of Pennsylvania, Inc. (the "Company") announced that it redeemed its shares held in the AMF Ultra-Short Mortgage mutual fund as of June 16, 2008. In connection with such redemption, it will recognize an additional impairment charge for the quarter ending June 30, 2008 expected to amount to approximately \$2.3 million (after-tax). The Company previously disclosed that during the quarter ended March 31, 2008 it had determined that the decline in the fair value of this fund was other than temporary, resulting in the recognition of an after-tax impairment charge of \$985,000 for such quarter. Under the terms of the mutual fund, the redemption was required to be redemption in kind. The Company has received \$250,000 in cash and will receive the remainder of the value of its shares in the mutual fund in form of its representative interest in the securities in the fund. The additional impairment charge is expected to be partially offset by operating earnings for the quarter ending June 30, 2008. For additional information regarding the Company's impairment charge and withdrawal from the mutual fund, see the Company's press release attached hereto as Exhibit 99.1, which is incorporated herein by reference thereto.
