RELEVANT NOTICE

Telesp Celular Participações S.A. (TCP) and Tele Centro Oeste Participações S.A. (TCO), in reference to the tender offer to acquire the control of TCO and Relevant Notices dated January 16, April 11, and April 25 of the current year, we hereby inform our shareholders and the public at large that, as a consequence of the decision by Comissão de Valores Mobiliários (CVM), the Brazilian Securities and Exchange Commission, dated September 23, 2003, TCP has decided to carry out the tender offer for cash to acquire the common shares of TCO, under the terms of article 254-A of Law n°6.404/76. The offering price of R\$16,58 per thousand shares represents 80% of the price paid to the former controlling shareholder on September 23, 2003. This value will be adjusted as from and after this date, in a manner consistent with the tender offer announcement being analyzed by the CVM.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
