ITEM 2. SECURITIES ACT EXEMPTION APPLICABLE.

Upon the terms set forth in the Amended Company Repurchase Notice and Notice of Offer for Alternative Election (the “Amended Notice”) and the related letter of transmittal filed by the Company on Amendment No. 1 to Schedule TO on June 1, 2012, the Company is offering (the “Offer”) to restructure (the “Proposed Restructuring”) up to \$102,347,000 aggregate principal amount of its outstanding 5.50% Senior Subordinated Convertible Notes due 2022 (the “Notes”) for the following consideration:

Under the terms of the Subordinated Notes Restructuring Agreement dated May 25, 2012, the Company and holders of approximately 87.8% of the outstanding Notes (the “Large Noteholders”) agreed to modify the Notes held by the Large Noteholders that are not put to the Company pursuant to the Right of Repurchase described in the Amended Notice upon the following terms for each \$1,000 in principal amount, plus any accrued and unpaid interest on the Notes through the date on which the Proposed Restructuring is consummated, subject to approval of the Company’s shareholders:

- \$300 principal of Notes that are not put to the Company shall remain outstanding and represent the same continuing indebtedness, subject to the amended terms set forth in a Supplemental Indenture (or other Amended Note Documentation, as defined in the Restructuring Agreement) that will include the terms described in Item 8 (as modified, such Notes are the “Modified Notes”).

Each Large Noteholder will be entitled to a Contingent Value Right that will entitle the Large Noteholders to receive, net of certain deductions, a pro rata portion of and aggregate amount of 5% of the proceeds actually received by the Company with respect to (i) the Arbitration Award and (ii) the Mining Data Sale, net of certain deductions.

The cash, Common Shares, Modified Notes and Contingent Value Rights to be delivered by the Company if the Proposed Restructuring is approved by the Shareholders is collectively referred to as the “Offer Consideration.”

Article II of the Indenture is hereby amended by inserting the following as new Section 2.06:

Section 2.06. Form of Reverse of Security (Modified Security).

This Security is one of a duly authorized issue of Securities of the Company, designated as its 5.50% Senior Subordinated Convertible Notes due 2022 (herein called the "**Securities**"), all issued or to be issued under and pursuant to an Indenture dated as of May 18, 2007, as amended (herein called the "**Indenture**"), between the Company and The Bank of New York (herein called the "**Trustee**"), as supplemented by the Supplemental Indenture dated s of June [], 2013 between the Company and the Trustee to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Securities. Terms used herein which are defined in the Indenture have the meanings assigned to them in the Indenture.

The indebtedness evidenced by the Securities is unsecured indebtedness of the Company and is or will be (1) subordinate in right of payment to future unsubordinated indebtedness for the construction and development of the Brisas gold and copper project, and will be effectively subordinate to the extent of the collateral securing such indebtedness, (2) subordinate to senior secured bank indebtedness in right of payment, and will be effectively subordinate to the extent of the collateral securing such indebtedness, (3) subordinate in right of payment to any guarantee of the indebtedness described in (1) or (2) by us or any of our subsidiaries for the period that the guarantee is in effect, (4) equal in right of payment to any of our other existing and future unsecured and unsubordinated indebtedness, and (5) senior in right of payment to all of our future subordinated debt. However, the indebtedness

evidenced by the Securities will be effectively subordinated to all future secured debt to the extent of the security on such other indebtedness and to all existing and future obligations of our subsidiaries.

Interest. The Company, promises to pay interest on the principal amount of this Security at the rate of 5.50% per annum. The Company will pay interest semiannually on June 15 and December 15 of each year.

Interest will be paid to the person in whose name a Security is registered at the close of business on or, as the case may be, immediately preceding the relevant interest payment date. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

The Holder of this Security after 5:00 p.m., New York City time, on a Regular Record Date shall be entitled to receive interest, on this Security on the corresponding interest payment date. The Holder of this Security after 5:00 p.m., New York City time, on a Regular Record Date will receive payment of interest payable on the corresponding interest payment date notwithstanding the conversion of this Security at any time after the close of business on such Regular Record Date. If this Security is surrendered for conversion during the period after 5:00 p.m., New York City time, on any Regular Record Date to 9:00 a.m., New York City time, on the corresponding interest payment date, it must be accompanied by payment of an amount equal to the interest that the Holder is to receive on the Securities. Notwithstanding the foregoing, no such payment of interest need be made by any converting Holder (i) if the Company has specified a Redemption Date that is after a Regular Record Date and on or prior to the corresponding interest payment date, (ii) if the Company has specified a Fundamental Change Purchase Date during such period, or (iii) to the extent of any overdue interest existing at the time of conversion of such Security. Except where this Security is surrendered for conversion and must be accompanied by payment as described above, no interest will be payable by the Company on any interest payment date subsequent to the date of conversion, and delivery of the cash and Common Shares, if applicable, pursuant to Article XVI of the Indenture, together with any cash payment for any fractional share, upon conversion will be deemed to satisfy the Company's obligation to pay the principal amount of the Securities and accrued and unpaid interest, if any, to, but not including, the related Conversion Date.

Method of Payment. By no later than 10:00 a.m. (New York City time) on the date on which any principal of or interest, on any Security is due and payable, the Company shall deposit with the Paying Agent money sufficient to pay such amount. The Company will pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. Payments in respect of Securities represented by a Global Security (including principal and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company. The Company will pay principal of Definitive Securities at the office or agency designated by the Company in the Borough of Manhattan, The City of New York. Interest, on Definitive Securities will be payable (i) to Holders having an aggregate principal amount of \$5,000,000 or less, by check mailed to the Holders of these Securities and (ii) to Holders having an aggregate principal amount of more than \$5,000,000, either by check mailed to each Holder or, upon application by a Holder to the Registrar not later than the relevant Record Date, by wire transfer in immediately available funds to that Holder's account within the United States, which application shall remain in effect until the Holder notifies, in writing, the Registrar to the contrary.

Additional Amounts. The Company shall pay to the Holders such Additional Amounts as may become payable under Section 12.09 of the Indenture.

Redemption.

The Company may, at its option, redeem the Securities, in whole but not in part, for an amount equal to 100% of the Principal Amount of the Securities, plus accrued and unpaid interest (including Additional Amounts, if any), to, but excluding, the Redemption Date (the "**Redemption Price**"), if the Company has become or would become obligated to pay to the Holders Additional Amounts (which are more than a *de minimis* amount) as a result of any amendment or change occurring after May 18, 2007 in the laws or any regulations of Canada or any Canadian political subdivision or taxing authority, or any change occurring after May 18, 2007 in the interpretation or application of any such laws or regulations by any legislative body, court, governmental agency, taxing authority or regulatory authority (including the enactment of any legislation and the publication of any judicial decision or regulatory or administrative determination); provided the Company cannot avoid these obligations by taking reasonable measures available to it and that it delivers to the Trustee an opinion of Canadian legal counsel specializing in taxation and an Officers' Certificate attesting to such change and obligation to pay Additional Amounts. The Company will not and will not cause any Paying Agent or the Trustee to deduct from such Redemption Price any amounts on account of, or in respect of, any Canadian Taxes other than Excluded Taxes (except in respect of certain Excluded Holders).

The Company shall redeem the Modified Securities then outstanding, in whole or in part, for an amount of cash equal to 120% of the Outstanding Principal Amount thereof plus accrued and unpaid interest upon (a) the Company's receipt of payment of an Arbitration Award or (b) the Company's receipt of Proceeds from a Mining Data Sale, in each case, notwithstanding any other notice provision herein, upon twenty (20) days' notice to the Holders; provided, however, that the Company's redemption obligations shall be limited to the amount of the Proceeds received by the Company (provided, further, that any subsequent receipt of additional Proceeds shall be applied in a similar manner until such time as the redemption obligations have been satisfied in full).

The Company may, at its option, redeem the Modified Securities, in whole or in part, upon twenty (20) days' notice to the Holders, for Common Shares at the Conversion Price plus cash for any accrued and unpaid interest if the closing

sale price of the Company's Common Shares is equal to or greater than 200% of the Conversion Price for at least 20 trading days in the period of thirty (30) consecutive trading days.

The Company will give the Trustee and the Holders of the Securities not less than 30 days' nor more than 60 days' notice of redemption, except that (i) the Company will not give notice of redemption earlier than 60 days prior to the earliest date on or from which it would be obligated to pay any such Additional Amounts, and (ii) at the time the Company gives the notice, the circumstances creating its obligation to pay such Additional Amounts remain in effect and (iii) the Company will give the Trustee and the Holders of the Securities notice of redemption upon not less than 20 days' nor more than 60 days' notice of redemption if redemption is to be made pursuant to the Company's mandatory obligation to redeem in connection with an Arbitration Award or Mining Data Sale or the Company's option to redeem if the closing sale price of its Common Shares is equal to or greater than 200% of the Conversion Price for at least 20 trading days during any period of 30 consecutive trading days.

Upon receiving such notice of redemption, each Holder who does not wish to have the Company redeem its Securities pursuant to Article XIII of the Indenture can elect to (i) convert its Securities pursuant to Article XVI of the Indenture or (ii) not have its Securities redeemed, provided that no Additional Amounts will be payable on any payment of interest or principal with respect to the Securities after such Redemption Date. All future payments will be subject to the deduction or withholding of any Canadian Taxes required to be deducted or withheld.

Where no such election is made, the Holder will have its Securities redeemed without any further action. If a Holder does not elect to convert its Securities pursuant to Article XVI of the Indenture but wishes to elect to not have its Securities redeemed, such Holder must deliver to the Company (if the Company is acting as its own Paying Agent), or to a Paying Agent designated by the Company for such purpose in the notice of redemption, a written Notice of Election (the "**Notice of Election**") on the back of this Security, or any other form of written notice substantially similar to the Notice of Election, in each case, duly completed and signed, so as to be received by the Paying Agent no later than the close of business on a Business Day at least five Business Days prior to the Redemption Date.

A Holder may withdraw any Notice of Election by delivering to the Company (if the Company is acting as its own Paying Agent), or to a Paying Agent designated by the Company in the notice of redemption, a written notice of withdrawal prior to the close of business on the Business Day prior to the Redemption Date.

If cash sufficient to pay the Redemption Price of all Securities (or portions thereof) to be redeemed on the Redemption Date is deposited with the Paying Agent prior to 10:00 a.m., New York City time, on the Redemption Date, then on such Redemption Date, interest, including Additional Amounts, if any, cease to accrue on such Securities or portions thereof.

Offer to Purchase By the Company upon a Fundamental Change. In the event of a Fundamental Change with respect to the Company at any time prior to [], 2014, the Company will be required to make an offer to purchase (the "**Fundamental Change Purchase Offer**") all outstanding Securities at a purchase price equal to the Principal Amount plus accrued but unpaid interest, including Additional Amounts, if any (the "**Fundamental Change Purchase Price**"), up to, but excluding, the purchase date (the "**Fundamental Change Purchase Date**"). Subject to the satisfaction of certain conditions set forth in this Security and in Article XV of the Indenture, the Company will have the right to pay the Fundamental Change Purchase Price by delivering Common Shares, cash or a combination of Common Shares and cash, as set forth in the Indenture.

Within 30 Business Days after the occurrence of a Fundamental Change with respect to the Company, the Company shall mail to the Trustee and all Holders of the Securities at their addresses shown in the Security Register, and to beneficial owners of the Securities as may be required by applicable law, a notice (the "**Fundamental Change Notice**") of the occurrence of such Fundamental Change and the Fundamental Change Purchase Offer arising as a result thereof. The Company shall be required to purchase Securities in respect of which such offer is accepted by a Holder no later than 30 Business Days after a Fundamental Change Notice has been mailed.

To accept the Fundamental Change Purchase Offer, a Holder of Securities must deliver to the Company (if it is acting as its own Paying Agent), or to a Paying Agent designated by the Company for such purpose in the Fundamental Change Purchase Notice and the Trustee, on or before the close of business on the third Business Day immediately preceding the Fundamental Change Purchase Date, (i) written notice of acceptance of the Fundamental Change Purchase Offer in the form set forth in the Fundamental Change Purchase Offer Acceptance Notice on the back of this Security ("**Fundamental Change Purchase Notice**"), or any other form of written notice substantially similar to the Fundamental Change Purchase Notice, in each case, duly completed and signed, with appropriate signature guarantee, and (ii) such Securities that the Holder wishes to tender for purchase by the Company pursuant to the Fundamental Change Offer, duly endorsed for transfer to the Company.

Holders have the right to withdraw any Fundamental Change Purchase Notice by delivering to the Paying Agent a written notice of withdrawal in accordance with the provisions of the Indenture.

Conversion. Subject to and in compliance with the provisions of the Indenture (including without limitation the conditions of conversion of this Security set forth in Section 16.01 thereof), the Holder hereof has the right, at its

option upon not less than 3 days' notice to the Company, to convert the Principal Amount hereof or any portion of such principal which is \$1,000 or an integral multiple thereof, into, subject to Section 16.02 of the Indenture, Common Shares at the initial conversion rate of 250 Common Shares per \$1,000 Principal Amount of Securities (the "**Conversion Rate**") (equivalent to a Conversion Price of \$4.00), subject to adjustment in certain events described in the Indenture. Upon conversion of a Security, the Company will have the option to deliver Common Shares, cash or a combination of Common Shares and cash for the Securities surrendered, as set forth in the Indenture. No fractional shares will be issued upon any conversion, but an adjustment and payment in cash will be made, as provided in the Indenture, in respect of any fraction of a share which would otherwise be issuable upon the surrender of any Securities for conversion. The Trustee will initially act as Conversion Agent. A Holder may convert fewer than all of such Holder's Securities so long as the Securities converted are an integral multiple of US\$1,000 principal amount.

[INCLUDE IF SECURITY IS A GLOBAL SECURITY – In the event of a deposit or withdrawal of an interest in this Security, including an exchange, transfer, repurchase or conversion of this Security in part only, the Trustee, as custodian of the Depositary, shall make an adjustment on its records to reflect such deposit or withdrawal in accordance with the rules and procedures of the Depositary.]

If an Event of Default shall occur and be continuing, the Principal Amount plus accrued but unpaid interest, including Additional Amounts, if any, may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in aggregate Principal Amount of the Outstanding Securities. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate Principal Amount of the Outstanding Securities, on behalf of the Holders of all the Securities, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities, the Holders of not less than 25% in aggregate Principal Amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee reasonable indemnity satisfactory to it, and the Trustee shall not have received from the Holders of a majority in Principal Amount of Outstanding Securities a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of said principal hereof on or after the respective due dates expressed herein or for the enforcement of any conversion right.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the Principal Amount, Redemption Price or Fundamental Change Purchase Price of, and interest, including Additional Amounts, if any, on, this Security at the times, place and rate, and in the coin, currency or shares, herein prescribed. Notwithstanding the foregoing, prior to the occurrence of a Fundamental Change, the Company may, with the consent of the holders of not less than a majority of the Securities, amend the obligation of the Company to repurchase Securities upon a Fundamental Change.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities, of authorized denominations and for the same aggregate Principal Amount, will be issued to the designated transferee or transferees.

The Securities are issuable only in registered form in denominations of \$1,000 and any integral multiple of \$1,000 above that amount, as provided in the Indenture and subject to certain limitations therein set forth. Securities are exchangeable for a like aggregate Principal Amount of Securities of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

This Security shall be governed by and construed in accordance with the laws of the State of New York.

All terms used in this Security that are defined in the Indenture shall have the meanings assigned to them in the Indenture.
