consisting of one share of common stock valued at \$0.75 per share and one common stock purchase warrant exercisable for a period of 5 years to purchase one share of common stock at \$1.00. The units were issued to 42 investors. The Company received gross proceeds of \$1,451,250 from the private placement. Under the terms of the private placement the Company paid a placement agent a commission of 10% of the gross proceeds and a non-accountable expense allowance of 3% of the gross proceeds from the private placement. In addition, the placement agent was issued placement agent warrants to purchase six shares of common stock (three shares at \$0.75 and three shares at \$1.00) for each 20 units sold in the private placement.

The private placement was conducted pursuant to the exemption from registration provided by the Securities Act under Rule 506 of Regulation D. All of the investors were deemed accredited as defined under the Securities Act. Each investor received current information concerning the Company and had an opportunity to ask questions concerning the Company. The securities issued to the investors contain legends restricting their transferability absent registration or applicable exemption.

A copy of the press release issued in connection with the closing of the private placement is filed as an exhibit herewith.
