PROXY STATEMENT

ANNUAL MEETING AND PROXY SOLICITATION INFORMATION

The accompanying proxy is solicited by the board of directors of Price Communications Corporation, a New York corporation, for use at the 2004 Annual Meeting of Shareholders to be held at the offices of Proskauer Rose LLP, 1585 Broadway, New York, New York 10036-8299, on April 20, 2004, at 10:00 a.m. local time, and at any adjournments. If not otherwise specified, proxies will be voted FOR the election of the nominees to the board of directors.

Shareholders who execute proxies may revoke them at any time before they are exercised by delivering a written notice to the Secretary of our company stating that the proxy is revoked, by executing a subsequent proxy and presenting it to our Secretary at our principal executive offices, or by attending the annual meeting and voting in person. The board of directors does not know of any matters other than those specified in the notice of annual meeting of shareholders that will be presented for consideration at the annual meeting. However, if other matters properly come before the annual meeting, it is the intention of the persons named in the enclosed proxy to vote on such matters in accordance with their judgment. In the event that the nominee for director is unable to serve as a director at the date of the annual meeting, the enclosed form of proxy will be voted for the nominee who is designated by the board of directors to fill such vacancy.

As of March 15, 2004, there were 53,855,999 shares of our common stock outstanding, with each such share being entitled to one vote. Only shareholders of record at the close of business on March 15, 2004 will be entitled to vote at the annual meeting, and this proxy statement and the accompanying proxy are being sent to such shareholders on or about March 29, 2004.

Under New York law and our certificate of incorporation and by-laws, the holders of a majority of our outstanding shares, present in person or represented by proxy, constitutes a quorum. If a quorum is established, the affirmative vote of a plurality of votes cast by our shareholders at the annual meeting is required for the election of directors.

Edgar Filing: PRICE COMMUNICATIONS CORP - Form DEF 14A

Under New York Stock Exchange rules, if your broker holds shares in its name, the broker can vote on some routine proposals (including the proposal to elect two directors to the board of directors) when it has not received your instructions.

Our company will bear the cost of soliciting proxies. Solicitations will be made primarily by mail, but our regular employees and representatives may solicit proxies personally or by mail, courier, telephone or facsimile. Arrangements also may be made with brokers, custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held of record by

such persons. Our company may reimburse such brokers, custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in forwarding solicitation material.

ELECTION OF DIRECTORS

(PROPOSAL 1)

General

Our certificate of incorporation provides that our board of directors will have not fewer than three nor more than ten directors, with the actual number being set from time to time by resolution of our board. Our board of directors has fixed the authorized number of directors at five.

Our certificate of incorporation provides that our board of directors will be divided into three separate classes, with the classes to be as nearly equal in number as possible. One class is elected each year to serve a staggered three-year term. The terms of office of the respective classes expire in successive years. At the annual meeting, two members are to be reelected to our board of directors to serve for a term of three years until the annual meeting of shareholders in 2007. The nominees, Robert Price and Kim I. Pressman, have consented to be named and to serve if elected. Our board of directors has no reason to believe that the nominees will be unable to serve if elected to office and, to the knowledge of our board of directors, the nominees intend to serve the entire term. Should a nominee become unable or unwilling to accept nomination or election, the persons named in the proxy will vote for such other person as our board of directors may recommend.

Our board of directors has determined that the following directors have no material relationship with our company (either directly or indirectly as a partner, shareholder or officer of an organization that has a relationship with our company): John Deardourff, Robert F. Ellsworth and Stuart B. Rosenstein. Based on this determination and the review by our board of directors of the additional general independence requirements under the New York Stock Exchange's listing standards (the Listing Standards), our board of directors has determined that each of these directors is an independent director under the Listing Standards.

Vote Required

The affirmative vote of a plurality of the votes cast by our shareholders at the annual meeting is required for the election of directors. Abstentions with respect to the election of directors will have no effect on the vote on this matter.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF THE NOMINEES.

Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. Our company will forward all proposed nominations to the Nominating and Governance Committee for consideration. The Committee may, but will not be required to, consider proposed nominations not properly submitted in accordance with this policy. Report of the Audit and Finance Committee

The following is the report of our Audit and Finance Committee with respect to our audited financial statements for fiscal year ended December 31, 2003. Stock Option and Compensation Committee Report on Executive Compensation

Under the rules of the SEC, this report is not deemed soliciting material and is not incorporated by reference in any filing with the SEC under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The Stock Option and Compensation Committee of our board of directors is composed of three non-employee directors, Messrs. John Dearthourff, Robert F. Ellsworth and Stuart B. Rosenstein, each of whom is independent as defined under the Listing Standards. It is responsible for developing and making recommendations to our board of directors with respect to our executive compensation policies and the annual compensation paid to our executive officers and administering our 2003 Long Term Incentive Plan. The Committee believes that our compensation arrangements should enable us to attract and retain highly qualified executive employees, reward individual performance and foster an identity of interest between management and us.

The main objectives of the executive compensation program are:

to align compensation opportunities with shareholder interests;

to provide compensation that is competitive when compared with various markets in which the Company competes for executive talent; and

to divide total compensation between base and incentive compensation components with significant incentive related component.

The Committee has historically viewed stock options as key elements to focus executives on increasing shareholder value.

The Company currently has no operating assets and three employees, including Mr. Price and Ms. Pressman. This report consequently describes the historical elements of our executive compensation program and the current basis on which the compensation of our chief executive officer has been determined.

Annual Compensation

Base Salary. In general, we have historically aligned base pay for executives to be competitive with market rates. The

pay review considered level of experience, individual performance against annually established financial and non-financial unit and individual objectives, and competitive market salary rates for similar positions.

Annual Bonuses. All executives have historically been eligible for annual bonuses for achieving challenging financial, leadership and operational objectives that are established at the beginning of each year. To determine annual bonus awards, the Committee performed a detailed review of our and the individual executive's performance.

Long-term Incentives

The Company has historically used stock options to link executive compensation to our longer term internal performance and to external market performance of our stock price.

Stock options have historically been granted to executives and other key personnel with an exercise price equal to the market price of the stock on the date of grant. The potential future value of stock options has been dependent solely upon the future increase in the price of our stock. Stock option award levels have been based on each recipient's position level and performance as well as the competitive level of option grants for comparably situated executives. The exercise price of option grants has historically typically been equal to 100 percent of the market price of the Company's common stock on the grant date. Options have a ten-year exercise period, and typically become exercisable in installments during the first two years following their grant.

Annual grants of restricted stock are not presently part of our executive compensation program. However, grants of restricted stock may occur in the future as warranted by changing competitive conditions.

All of the Company's outstanding stock options (which are held by Mr. Price and Ms. Pressman) were granted with an exercise price significantly in excess of the market price of the stock on the date of grant.

Compensation of the Chief Executive Officer

The Company currently has no operating assets. Consequently, the Committee believes that the best measure of Mr. Price's contribution to shareholder value is the long-term performance of the Company's stock in comparison to other wireless telephone companies and that, in setting compensation, the Committee should also take into account compensation received by chief executive officers of other wireless telephone companies. Mr. Price's compensation currently includes base salary and annual bonuses and has in the past included (and may in the future include) stock option grants.

Mr. Price's annual base salary for 2003 was \$850,000 and his annual bonus for 2003 was \$1,025,000. The salary and bonus figures were based on the Committee's evaluation of the long-term performance of the Company's stock in comparison to the stock of other wireless telephone companies and the compensation paid to the chief executive officers of other wireless telephone companies.

Pursuant to Section 162(m) of the Internal Revenue Code compensation exceeding \$1 million paid to our executive officers may not be deducted by us unless such compensation is performance based and paid pursuant to criteria approved by our shareholders. The Committee considered the provisions of Section 162(m) in setting 2003 compensation paid to Mr. Price.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires directors, executive officers and beneficial owners of 10% or more of any class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of our securities. MATTERS RELATING TO OUR ACCOUNTANTS

Changes in Principal Accountants

On July 31, 2002, as a result of the cessation of business of Arthur Andersen LLP, we dismissed Arthur Andersen as our principal accountant to audit our financial statements, and effective the same date engaged Deloitte & Touche LLP in place of Arthur Andersen. On May 5, 2003, we dismissed Deloitte & Touche LLP as our principal accountant to audit our financial statements, and effective the same date engaged BDO Seidman, LLP in place of Deloitte & Touche. Both the dismissal of Arthur Andersen and the engagement of Deloitte & Touche, and the subsequent dismissal of Deloitte & Touche and the engagement of BDO Seidman, were approved by our board of directors and Audit and Finance Committee.

Neither Arthur Andersen's report on our financial statements for the year ended December 31, 2001, nor Deloitte & Touche's report on our financial statements for the year ended December 31, 2002, contained an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the year ended December 31, 2001 and through July 31, 2002, there were no disagreements with Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Arthur Andersen's satisfaction, would have caused Arthur Andersen to make reference to the subject matter of the disagreements in connection with Arthur Andersen's reports on our financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K. We were advised that Arthur Andersen is no longer in a position to provide letters relating to its termination as a former audit client's principal accountant in accordance with Item 304(a)(3) of Regulation S-K, and that Arthur Andersen's inability to provide such letters has been discussed with the staff at the Securities and Exchange Commission.

Except for the disagreement with Deloitte & Touche over the accounting for certain redeemable preferred stock issued in prior years, which disagreement was previously disclosed as an exhibit to our company's Form 8-K filed May 15, 2003 and was resolved to the satisfaction of Deloitte & Touche, during the year ended December 31, 2002 and through May 5, 2003, there were no disagreements with Deloitte & Touche on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Deloitte & Touche's satisfaction, would have caused Deloitte & Touche to make reference to the subject matter of the disagreements in connection with Deloitte & Touche's reports on our financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K. Our board of directors and Audit and Finance Committee discussed the subject matter of the disagreement with Deloitte & Touche referred to above and has authorized Deloitte & Touche to respond fully to any inquiries of BDO Seidman concerning the subject matter of the disagreement.

During the year ended December 31, 2001 and through July 31, 2002, we did not consult Deloitte & Touche, and during the years ended December 31, 2001 and 2002 and through May 5, 2003, we did not consult BDO Seidman, regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, or any of the matters or reportable events set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Fees Paid to Principal Accountants

For the fiscal years ended December 31, 2002 and 2003, Arthur Andersen LLP, Deloitte & Touche LLP and BDO Seidman, LLP, our principal independent accountants during these periods, billed the approximate fees set forth below.

Audit Fees. Aggregate fees paid to Deloitte & Touche in connection with its audit of our consolidated financial statements as of and for the year ended December 31, 2002 and its limited review of our unaudited condensed consolidated interim financial statements were \$217,500; we did not make payments to Arthur Andersen or BDO Seidman for such services for such period.

Aggregate fees paid to BDO Seidman in connection with its audit of our consolidated financial statements as of and for the year ended December 31, 2003 and its limited review of our unaudited condensed consolidated interim financial statements were estimated to be \$125,000. We did not make any such payments to Deloitte & Touche for such period.

Audit-Related Fees. During the last two fiscal years, neither Arthur Andersen, Deloitte & Touche nor BDO Seidman has provided our company with assurance and related services that are not principally related to the audit or review of our consolidated financial statements.

Tax Fees. During the last two fiscal years, neither Arthur Andersen, Deloitte & Touche nor BDO Seidman has provided our company with services in connection with tax compliance, tax advice or tax planning.

All Other Fees. Aggregate fees paid to Deloitte & Touche for services for fiscal year 2002 relating to benefit plans and the contribution transaction with Verizon were \$27,000; and for fiscal year 2003 relating to the issuance of consents were estimated to be \$30,000.

Pre-Approval Policies and Procedures. The Audit and Finance Committee has adopted a policy for pre-approval of the above fees. The Audit and Finance Committee shall, to the extent required by any applicable legal or regulatory requirement, pre-approve all auditing services and permitted non-audit services provided to our company by our outside auditor. To the extent permitted by applicable laws, regulations and NYSE rules, the Committee may delegate pre-approval of audit and non-audit services to one or more members of the Committee. Such member(s) must then report to the full Committee at its next scheduled meeting if such member(s) pre-approved any audit or permitted non-audit services.

All services that are described in each of *Audit-Related Fees* , *Tax Fees* and *All Other Fees* were approved by the Audit and Finance Committee.

Attendance of Auditors at Annual Meeting

BDO Seidman LLP has been engaged as our company's independent auditors for 2004. A representative of BDO Seidman is expected to be present at the annual meeting and available to respond to appropriate questions, and will also have the opportunity to make a statement if such representative so desires.

OTHER MATTERS

It is not anticipated that any other matters will be brought before the annual meeting. If other matters are properly brought before the annual meeting, proxies for shares of common stock will be voted in accordance with the best judgment of the proxy holders.

SHAREHOLDERS PROPOSALS FOR 2005 ANNUAL MEETING

Proposals of shareholders intended to be included in the proxy statement for our 2005 Annual Meeting of Shareholders must be received by us no later than December 29, 2004. Proposals of shareholders intended to be considered at the 2005 Annual Meeting of Shareholders but not included in the proxy statement for that meeting must be received by us no later than February 12, 2005. Our company may exercise its discretionary voting authority to direct the voting of proxies on any matter submitted for a vote at the 2005 Annual Meeting of Shareholders if notice concerning proposal of such matter is not received prior to February 12, 2005.

CHARTER

OF

THE AUDIT AND FINANCE COMMITTEE

OF

THE BOARD OF DIRECTORS

OF

PRICE COMMUNICATIONS CORPORATION

I. Statement of Policy

The function of the Audit and Finance Committee (the Committee) is to assist the Board of Directors (the Board) in its oversight of (i) the integrity of the Corporation's financial statements; (ii) the Corporation's compliance with legal and regulatory requirements; (iii) the qualifications and independence of the Corporation's outside auditor; and (iv) the performance of the Corporation's internal audit function and outside auditor. In particular, the Committee shall:

serve as an independent party to monitor the Corporation's financial reporting processes and internal control system;

discuss the audit conducted by the Corporation's outside auditor; and

provide an open avenue of communication among the outside auditor, management and the Board.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct the audits or to determine that the Corporation's financial statements are complete, accurate and in accordance with GAAP. This is the responsibility of management and the Corporation's outside auditor.

II. Composition

The Committee shall be comprised of three or more directors, each of whom, in the determination of the Board, must (a) satisfy the independence and other requirements established by the New York Stock Exchange (NYSE), and (b) meet the independence requirements of Section 10A of the Securities Exchange Act of 1934, as amended (the Exchange Act), and Securities and Exchange Commission (SEC) Rule 10A-3(b)(i) under the Exchange Act. In addition, the Committee shall at all time include at least one member who has accounting or related financial management expertise, as the Board's interprets such qualification in its business judgment. If a Committee member simultaneously serves on the audit committees of more than three public companies, the Board must determine that such simultaneous service would not impair such member's ability to effectively serve on the Committee and the Corporation must disclose such determination in its annual proxy statement.

The members of the Committee shall be appointed and replaced by the Board. Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

III. Meetings

The Committee shall meet at such times and with such frequency as the Committee shall determine as appropriate to meet its responsibilities. The Committee shall meet separately, periodically, with management, the Corporation's internal auditors (or other personnel responsible for the internal audit function) and the Corporation's outside auditor. The Committee may ask members of management or others to attend meetings and provide pertinent information as necessary or desirable. The Committee may adopt such procedures as it deems appropriate and necessary to carry out the duties and responsibilities of the Committee. The Committee shall report regularly to the Board. In addition, the Committee shall report to the Board from time to time, as requested by the Board or as the Committee deems appropriate.

IV. Responsibilities and Duties

The Committee shall have the following responsibilities and duties:

1. The Committee shall be directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between management and the Corporation's outside auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation. Each such registered public accounting firm shall report directly to the Committee. The Corporation shall provide for appropriate funding, as determined by the Committee, for payment of:

(a) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Corporation;

(b) compensation to any advisers employed by the Committee; and

(c) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

2. The Committee shall, to the extent required by any applicable legal or regulatory requirement, pre-approve all auditing services and permitted non-audit services provided to Company by its outside auditor. To the

extent permitted by applicable laws, regulations and NYSE rules, the Committee may delegate pre-approval of audit and non-audit services to one or more members of the Committee. Such member(s) must then report to the full Committee at its next scheduled meeting if such member(s) pre-approved any audit or permitted non-audit services.

3. At least annually, to assess the independence of the Corporation's outside auditor, the Committee shall obtain and review a formal written statement from the auditor delineating all relationships between the auditor and the Corporation, consistent with Independence Standards Board Standard No. 1, and actively engage in a dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor and for taking, or recommending that the full Board take, appropriate action to oversee the independence of the outside auditor.
4. The Committee shall oversee the Corporation's accounting and financial reporting processes and the audits of the Corporation's financial statements.
5. The Committee shall review the Corporation's annual audited financial statements, including any certification, report or opinion rendered by the Corporation's outside auditor, and discuss the same (including the Corporation's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operation (MD&A Disclosures)) with management and the auditor. The Committee shall recommend to the Board whether the annual financial statements should be included in the Corporation's Annual Report on Form 10-K.
6. The Committee shall review the Corporation's quarterly financial statements and discuss such financial statements (including MD&A Disclosures) with management and the Corporation's outside auditor.
7. The Committee shall review and discuss: (i) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Corporation's selection or application of accounting principles, and major issues as to the adequacy of the Corporation's internal controls and any special audit steps adopted in light of material control deficiencies; (ii) analyses prepared by management and/or the Corporation's outside auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements; (iii) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the Corporation's financial statements; and (iv) the type and presentation of information to be included in earnings press releases (paying particular attention to any use of pro forma or adjusted non-GAAP information), as well as any financial information and earnings guidance provided to analysts and ratings agencies.
8. The Committee shall review with the outside auditor any audit problems or difficulties and management's response. The Committee shall discuss with the outside auditor the matters described in Statement of Auditing Standards No. 61, including any difficulties the auditor encountered in the course of the audit work, any restrictions on the scope of the auditor's activities or on access to requested information, and any significant disagreements with management.

9. The Committee shall, at least annually, obtain and review a report from the Corporation's outside auditor describing (i) the firm's internal quality-control procedures, and (ii) any material issues raised by the most recent quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.
10. The Committee shall review any disclosures made by Corporation's CEO and CFO, as part of the process of preparing their certifications to be included in the Corporation's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q.
11. The Committee shall discuss the Corporation's guidelines and policies that govern the process by which risk assessment and risk management are undertaken.
12. The Committee shall oversee the performance of the Corporation's internal auditors (or other personnel responsible for the internal audit function).
13. The Committee shall set clear policies for employees or former employees of the Corporation's outside auditors.
14. The Committee shall establish procedures for (i) the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls or auditing matters, and (ii) the confidential, anonymous submission by employees of the Corporation of concerns regarding questionable accounting or auditing matters.
15. The Committee may consider such other matters in relation to the financial affairs of the Corporation and its accounts, and in relation to the internal and external audits of the Corporation, as the Committee may, in its discretion, determine to be advisable.
16. The Committee shall have the authority to engage independent counsel and other advisors, as the Committee determines necessary to carry out its duties and responsibilities.
17. The Committee shall annually report to the Corporation's shareholders on certain auditing matters, as

required by the rules and regulations of the SEC, as they may be amended from time to time. Such report will be included in the Corporation's annual proxy statement.

18. The Committee shall periodically review its own performance.

19. The Committee shall review and reassess the adequacy of this Charter annually, and recommend any proposed changes to the Board for its approval.

The Committee may diverge from the specific activities outlined throughout this Charter as appropriate if circumstances or regulatory requirements change. In addition to these activities, the Committee may perform such other functions as necessary or appropriate under applicable laws, regulations, NYSE rules, the Corporation's certificate of incorporation and by-laws, and the resolutions and other directives of the Board.

This Charter is in all respects subject and subordinate to the Corporation's certificate of incorporation and by-laws, the resolutions of the Board and the applicable provisions of the New York Business Corporation Law.
