SCHEDULE 13D

Item 1. Security and Issuer

This statement relates to the common stock, par value \$0.01 per share (the Common Stock) of IDM Pharma, Inc., a Delaware corporation (the Company). The address of the principal executive offices of the Company is 5820 Nancy Ridge Drive, San Diego, California 92121.

Item 2. Identity and Background

The Reporting Person is Medarex, Inc., a New Jersey corporation (the Reporting Person) with principal executive offices at 707 State Road, Princeton, New Jersey, 08540. The principal business of the Reporting Person is biopharmaceutical product discovery, development and potential commercialization.

The name, business address, principal business or occupation of each executive officer and director of the Reporting Person is as set forth on Schedule A attached hereto.

During the last five years, neither the Reporting Person nor, to the best knowledge of the Reporting Person, any person identified on Schedule A attached hereto, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors). During the last five years, neither the Reporting Person nor, to the best knowledge of the Reporting Person, any person identified on Schedule A attached hereto, was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

The shares of Common Stock owned by the Reporting Person were acquired as the result of a business combination and related transactions (the Transaction) between the Company (then known as Epimmune Inc.) and Immuno-Designed Molecules, S.A. (IDM) which were completed on August 16, 2005 (the Closing). The Reporting Person was previously a shareholder of IDM and, as a result of the Transaction, received shares of the Company in exchange for its IDM shares pursuant to a Share Exchange Agreement dated March 15, 2005 (the Initial Share Exchange Agreement), among the Company and the shareholders of IDM listed on Exhibit A thereto (including the Reporting Person), as amended by amendment nos. 1 through 5 thereto (as amended, the Share Exchange Agreement). At the Closing, each share of IDM was exchanged for 3.771865 shares of Common Stock, and adjusted for a 1 for 7 reverse stock split of the Common Stock.

Item 4.

Purpose of Transaction

The shares of Common Stock owned by the Reporting Person were acquired as the result of the Transaction described above. The Reporting Person holds such shares of Common Stock for investment purposes.

Pursuant to the terms of the Share Exchange Agreement, at the Closing, the Company and the representative (the Shareholder Representative) of the principal company shareholders (including the Reporting Person) entered into (i) an indemnity escrow agreement, pursuant to which an aggregate of 10% of the shares of Common Stock issued in the exchange Transaction was deposited into escrow to secure the Company's right to indemnification under the Share Exchange Agreement and (ii) an expense escrow agreement, pursuant to which an aggregate of 1.2% of the shares of Common Stock issued in the exchange Transaction was deposited into escrow to secure the indemnification and reimbursement obligations of the principal company shareholders (including the Reporting Person) to the Shareholder Representative. See Item 6 below for more detailed information with respect to the terms of these escrow agreements.

Dr. Donald Drakeman, President, Chief Executive Officer and a director of the Reporting Person, who also serves as a director of IDM, was one of six persons appointed to the Board of Directors of the Company (the Company Board) to fill the vacancies created as a result of director resignations and the increase in the size of the Company Board, effective as of the closing of the Transaction. Dr. Drakeman is not a Company Board designee of the Reporting Person. The Reporting Person does not have any contractual or other right to representation on the Company Board.

On August 11, 2005, contingent upon the Closing, the Company Board granted stock options to purchase 2,857 shares of Common Stock pursuant to the Company's 2000 Stock Plan to each independent Board member as of the Closing, including Dr. Drakeman. See Items 5 and 6 below for more detailed information with respect to the terms of these stock options.

Although there is no present intention to do so, the Reporting Person and/or any person named on Schedule A attached hereto may decide to make additional purchases of Common Stock in the future either in the open market or in private transactions, subject to its or their evaluation of the Company's business, prospects and financial condition, the market for the Common Stock, other opportunities available to the Reporting Person or any person named on Schedule A attached hereto, prospects for the respective business of the Reporting Person or any person named on Schedule A attached hereto, general economic conditions, money and stock market conditions and other future developments.

Depending upon the results of the reviews and the other factors mentioned above, the Reporting Person or any person named on Schedule A attached hereto, at any time, may decide to change its or his intention with respect to the acquisition and/or retention of shares of Common Stock, including, without limitation, a determination to increase, decrease or entirely dispose of its or his holdings of Common Stock, although neither the Reporting Person nor, to the knowledge of the Reporting Person, any of the persons named on Schedule A attached hereto has any current intention to do so.

Except as otherwise set forth above, neither the Reporting Person, nor, to the knowledge of the Reporting Person, any person named on Schedule A attached hereto, has any plans or proposals which relate to or would result in any action enumerated in Item 4 of Schedule 13D.

The descriptions of the Share Exchange Agreement (inclusive of any other agreements which are exhibits thereto), the Indemnity Escrow Agreement and the Expense Escrow Agreement (as both are hereinafter defined) contained in this Item 4 are summaries and are subject to and qualified in their entirety by reference to the detailed provisions of the Share Exchange Agreement, the Indemnity Escrow Agreement and the Expense Escrow Agreement, copies of which are attached hereto as Exhibit I, Exhibit III and Exhibit IV, respectively, and incorporated herein by reference.

Item 5.

Interest in Securities of the Issuer

(a) The aggregate number and percentage of shares of Common Stock beneficially owned by the Reporting Person and any persons named in Item 2 above are as follows:

The aggregate number and percentage of the Common Stock which are owned beneficially and of record by the Reporting Person on the date hereof are 2,624,279 shares of Common Stock, or approximately 19.8% of the approximately 13.2 million shares of Common Stock issued and outstanding as set forth in the joint press release issued by Epimmune Inc. and IDM dated August 16, 2005 attached as Exhibit 99.2 to the Current Report of the Company, on Form 8-K, filed with the Securities and Exchange Commission on August 17, 2005.

Each of the directors of the Reporting Person may be deemed to share beneficial ownership of the 2,624,279 shares of Common Stock (or approximately 19.8% of the approximately 13.2 million shares of Common Stock issued and outstanding as set forth in the joint press release issued by Epimmune Inc. and IDM dated August 16, 2005 attached as Exhibit 99.2 to the Current Report of the Company, on Form 8-K, filed with the Securities and Exchange Commission on August 17, 2005) owned beneficially and of record by the Reporting Person. Each of the directors of the Reporting Person disclaims beneficial ownership of the 2,624,279 shares of Common Stock owned by the Reporting Person. In addition, Dr. Drakeman may be deemed to own beneficially approximately 119 shares of Common Stock issuable upon the exercise of stock options that become exercisable within the next 60 days.

(b) With respect to each person named in response to paragraph (a) of this Item 5 of Schedule 13D, set forth below are the number of shares of Common Stock, as to which there is sole power to vote or to direct the

vote, shared power to vote or direct the vote, and sole or shared power to dispose or direct the disposition:

The Reporting Person may be deemed to have the sole power to vote (and direct the vote of) the 2,624,279 shares of Common Stock owned of record by it. Subject to the terms of the lock-up provision contained in the Share Exchange Agreement, and, with respect to 11.2% of the shares acquired by the Reporting Person pursuant to the Share Exchange Agreement, to the terms and conditions of the Escrow Agreements (as defined in Item 6 below), the Reporting Person may be deemed to have the sole power to dispose of (and direct the disposition of) the 2,624,279 shares of Common Stock owned of record by it.

Notwithstanding the foregoing, each of the directors of the Reporting Person: (i) may be deemed to share with the Reporting Person the power to vote (and direct the vote of) the 2,624,279 shares of Common Stock owned of record by the Reporting Person; and (ii) subject to the terms of the lock-up provision contained in the Share Exchange Agreement, and, with respect to 11.2% of the shares acquired by the Reporting Person pursuant to the Share Exchange Agreement, to the terms and conditions of the Escrow Agreements, share with the Reporting Person the power to dispose of (and direct the disposition of) the 2,624,279 shares of Common Stock owned of record by the Reporting Person. Each of the directors of the Reporting Person disclaims beneficial ownership of the 2,624,279 shares of Common Stock owned by the Reporting Person.

In addition, Dr. Drakeman may be deemed to have the sole power to vote (and direct the vote of) and the sole power to dispose of (and direct the disposition of) approximately 119 shares of Common Stock issuable upon the exercise of stock options that become exercisable within the next 60 days.

(c) Except for the acquisition by the Reporting Person of the 2,624,279 shares of Common Stock pursuant to the terms of the Share Exchange Agreement, all as more fully disclosed in response to Items 3 and 4 above, during the past 60 days, the Reporting Person has not effected any transaction in the Common Stock. See Items 3 and 4 above for further details in connection with the acquisition of the shares of Common Stock pursuant to the Share Exchange Agreement. Except for the acquisition of the Options (as hereinafter defined) by Dr. Drakeman, to the knowledge of the Reporting Person, during the past 60 days, none of the persons identified on Schedule A attached hereto has effected any transaction in the Common Stock.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

As previously disclosed, the Reporting Person is a party to the Share Exchange Agreement with the Company. Section 6.12(b) of the Share Exchange Agreement contains certain restrictions on the rights of the principal company shareholders (including the Reporting Persons) to sell Common Stock of the Company after the Closing. Pursuant to this provision, the Reporting Person agreed that, (i) for a period of six months following the Closing, neither it nor any permitted assigns will transfer any of the shares of Common Stock received by the Reporting Person pursuant to the Share Exchange Agreement and (ii) during the period from the six-month anniversary of the Closing through the first year anniversary of the Closing, (A) neither it nor any permitted assign will transfer, in the aggregate, more than fifty percent (50%) of the shares of Common Stock received by the Reporting Person pursuant to the Share Exchange Agreement and (B) the Reporting Person will not sell during any single trading day more than the number of shares of Common Stock equal to fifteen percent (15%) of the average daily trading volume of shares of Common Stock, as reported by Nasdaq, during the five trading days prior to such date. Excluded from the Section 6.12(b) restrictions are transfers of shares of Common Stock to family members or affiliates of any principal company shareholder (or to entities or trusts formed by or for the benefit of any of the foregoing or to other third parties with the approval of the Company) that are not made in open market transactions, if the transferee agrees in writing to be bound by the restrictions of such Section 6.12(b) or if the Company consents to such transfer.

A certificate representing approximately 10% of the shares issued in the name of the Reporting Person at the Closing was deposited into escrow to secure the indemnification rights of the Company under the Share Exchange Agreement. The Indemnity Escrow Agreement dated August 16, 2005 among the Company, the Shareholder Representative and U.S. Bank National Association (the Indemnity Escrow Agreement), provides that the indemnity escrow shares will secure the indemnification obligations of the principal company shareholders (including the Reporting Person) relating to any damages suffered by any Company indemnified party as a result of the breach of any statement regarding IDM contained in the Share Exchange Agreement, or the breach of any representation or warranty in the Share Exchange Agreement made by the principal company shareholders.

In addition, pursuant to the Share Exchange Agreement, the Company, the Shareholder Representative and U.S. Bank National Association entered into an Expense Escrow Agreement dated August 16, 2005 (the Expense Escrow Agreement); and, together with the Indemnity Escrow Agreement, the Escrow Agreements). Pursuant to the Expense Escrow Agreement, a certificate representing approximately 1.2% of the shares issued in the name of the Reporting Person at the Closing was deposited into escrow to secure the indemnification and reimbursement obligations of the Reporting Person to the Shareholder Representative under the Share Exchange Agreement or the Indemnity Escrow Agreement.

During the period when any indemnity escrow shares and/or any expense escrow shares are held in escrow (collectively, the Escrow Shares), the Reporting Person will have all rights of ownership of the Escrow Shares attributable to the Reporting Person (including voting rights and the right to any cash dividends or cash distributions in respect of such shares), except for the right to possession or the right to sell or assign such Escrow Shares. The Indemnity Escrow Agreement will terminate on the earlier of (i) the date on which there are no funds, shares of Common Stock or other property (collectively, the Escrow Property) remaining in the escrow fund, or (ii) 10 business days following the date on which all claims delivered to the escrow agent prior to the six-month anniversary of the Closing have been resolved. The Expense Escrow Agreement will terminate on the earlier of (i) the date on which there is no Escrow Property remaining in the escrow fund, or (ii) 20 business days following the termination of the Indemnity Escrow Agreement.

As previously disclosed in Items 4 and 5 above, on August 11, 2005, contingent upon the Closing, the Company Board granted non-qualified stock options to purchase 2,857 shares of Common Stock pursuant to the Company's 2000 Stock Plan (the Company Stock Plan) to each independent Board member as of the Closing, including Dr. Drakeman. These options granted to Dr. Drakeman (the Options) vest in forty-eight (48) equal installments over four years from the August 16, 2005 appointment of Dr. Drakeman to the Company Board, with the first installment of Options vesting and first becoming exercisable on September 16, 2005 and the Options being vested in full on August 16, 2009. The exercise price for the Options is \$6.99 per share and the expiration date of the Options is August 15, 2015.

The descriptions of the lock-up provision contained in the Share Exchange Agreement, and the Options granted pursuant to the Company Stock Plan, and each of the Indemnity Escrow Agreement and the Expense Escrow Agreement contained in this Item 6 are summaries and are subject to and qualified in their entirety by reference to the detailed provisions of the lock-up provision contained in the Share Exchange Agreement, and the terms of the Company Stock Plan, and each of the Indemnity Escrow Agreement and Expense Escrow Agreement, copies of which are attached hereto as Exhibits I, II, III and IV, respectively, and incorporated herein by reference.

Except as described above, neither the Reporting Person nor, to the knowledge of the Reporting Person, any person identified on Schedule A attached hereto is a party to any contracts, arrangements, understandings or relationships with respect to the securities of the issuer that are required to be disclosed under Item 6 of Schedule 13D.
