BUHRMANN ISSUES 2005 ANNUAL REPORT

Edgar Filing: BUHRMANN NV - Form 6-K

Amsterdam, the Netherlands, 8 March 2006 Buhrmann today published its combined 2005 Annual Report and Form 20-F as well as an Annual Overview. Both documents are available on the Company's corporate website.

This year Buhrmann has combined its Annual Report and Form 20-F, which Buhrmann has to file with the US Securities and Exchange Commission every year as a result of its listing on the New York Stock Exchange. Integration into a single document has led to a faster and more efficient disclosure of information.

In addition, Buhrmann published an Annual Overview which provides a comprehensive picture of the Company and the developments during 2005. The overview features an interview with Frans Koffrie, Buhrmann President and CEO, and describes the Company, its strategy and the industry context. Furthermore, attention is paid to the divisions and corporate responsibilities while key information is presented on Buhrmann's performance.

The combined 2005 Annual Report and Form 20-F is available in English whereas the Annual Overview is available both in English and Dutch.

Printed versions of both documents will be made available as per 20 March 2006.

Safe Harbour Statement

Statements included in this press release, which are not historical facts are forward-looking statements made pursuant to the safe harbour provisions of the Private Securities Litigation Reform Act of 1995 and the Securities Exchange Act of 1934. Such forward-looking statements are made based upon management's expectations and beliefs concerning future events impacting Buhrmann and therefore involve a number of uncertainties and risks, including, but not limited to industry conditions, changes in product supply, pricing and customer demand, competition, risks in integrating new businesses, currency fluctuations, the transition from Dutch GAAP to IFRS reporting and the other risks described from time to time in the Company's filings with the US Securities and Exchange Commission, including the Company's Annual Report on Form 20-F filed with the Securities and Exchange Commission on March 7, 2006. As a result, the actual results of operations or financial conditions of the Company could differ materially from those expressed or implied in such forward-looking statements. All IFRS information is unaudited containing details of the transitional adjustments required to present certain historical financial results of the Company under IFRS. Future presentation of this historical financial information may represent different results than those in this report. IFRS statements are subject to change and should be carefully considered, and it should be understood that still factors could cause forecasted and actual results to differ from these statements. These factors include, but are not limited to, changes in regulations or interpretations related to the implementation and reporting under IFRS, decisions to apply a different option of presentation permitted by IFRS, and various other factors related to the implementation of IFRS. Shareholders and other readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. The Company undertakes no obligation to update publicly or revise any forward-looking statements.
