| Recent Developments:                      | In August 2004, we entered into agreements with an entity for the purpose of buying diamonds and other jewelry, primarily to sell on our website. Effective November 30, 2006 we terminated our agreements with this entity, including our ten-year option to purchase 50% of the ownership and voting interest of the entity, a \$7.4 million promissory note to the Company, and our security interest in its diamonds inventory in exchange for a \$6.7 million         |    |         |

promissory note from a third party.

We are developing two tabs which we expect to begin displaying on our website sometime between December 20 and 30, 2006. The first is an automotive tab which will show automobiles for sale by car dealers and allow users to express offers on those automobiles through our website to the dealers. The car dealers will make the actual sales. The second is a social media tab wherein users who share common interests can collaborate with other users to author articles about their interests.
