**Item 3. Source and Amount of Funds or Other Consideration**

Pursuant to, and subject to the terms and conditions contained in, the Support Agreements described in Item 4, HP may be deemed to have acquired beneficial ownership of the Subject Shares (as defined below) by virtue of entering into the Support Agreements with certain stockholders of Opsware. HP has not paid any consideration to such stockholders in connection with the execution and delivery of the Support Agreements described under Item 4 of this statement.

**Item 4. Purpose of Transaction**

On July 20, 2007, HP, Orca Acquisition Corporation, a newly formed Delaware corporation and wholly owned subsidiary of HP ( Purchaser ), and Opsware entered into an Agreement and Plan of Merger (the Merger Agreement ). Upon the terms and subject to the conditions set forth in the Merger Agreement, Purchaser, as promptly as practicable after the date of the Merger Agreement (and in any event within ten (10) business days), will commence a cash tender offer (the Offer ) to purchase all outstanding Shares at a price of \$14.25 per share (the Offer Price ), net to the seller in cash. Following the completion of the Offer and the satisfaction or waiver of the conditions to the Merger set forth in the Merger Agreement, (i) Purchaser will be merged under Delaware law into Opsware (the Merger ), with Opsware being the surviving corporation, (ii) each Share that is not tendered and accepted pursuant to the Offer (other than Shares owned by HP or Opsware or any of their respective wholly owned subsidiaries) will be converted into the right to receive in cash an amount per share equal to the Offer Price and (iii)

each share of common stock, par value \$0.001 per share, of Purchaser that is issued and outstanding immediately prior to the Merger will be converted into one share of common stock, par value \$0.001 per share, of the surviving corporation. The Offer, the Merger and the other transactions contemplated by the Merger Agreement are subject to the satisfaction or waiver of certain conditions, including receipt of regulatory approvals, as set forth in the Merger Agreement. The Merger Agreement is attached as Exhibit 1 hereto and is incorporated herein by reference.

The purpose of the Offer and the Merger is to enable HP to acquire control of Opware by acquiring all of the outstanding Shares. Concurrently with the execution and delivery of the Merger Agreement, and as a condition and inducement to the willingness of HP and Purchaser to enter into the Merger Agreement, certain directors and executive officers of Opware (and certain trust and limited partnership entities affiliated with certain of such persons) (the Stockholders ), in their capacity as stockholders of Opware, entered into Tender and Stockholder Support Agreements (collectively, the Support Agreements ) with HP and Purchaser, a copy of the form of which is attached hereto as Exhibit 2 and is incorporated herein by reference. Pursuant to the Support Agreements and as more fully described therein, each Stockholder, among other things, (i) agreed to tender into the Offer, and not withdraw, all Shares of which he or she is the beneficial owner (including Shares subsequently received due to the exercise of options or otherwise) or has the sole right to vote and dispose, and any Shares over which such Stockholder subsequently acquires beneficial ownership (the Subject Shares ), (ii) agreed to vote any of his or her Subject Shares (A) in favor of the Merger (including the adoption of the Merger Agreement); and (B) against any action or agreement which would materially impede or interfere with, or prevent, the Merger, including, but not limited to, any other extraordinary corporate transaction, including, a merger, acquisition, sale, consolidation, reorganization or liquidation involving Opware and a third party, or any other Acquisition Transaction proposed by a third party, (iii) subject the Subject Shares to certain transfer restrictions and (iv) agreed that his or her representatives would not solicit, initiate, knowingly encourage, or knowingly facilitate (including by way of furnishing non-public information) any inquiries or the making or submission of, any offer, proposal or indication of interest that constitutes or would reasonably be expected to lead to an Acquisition Proposal. Acquisition Proposal means any inquiry, offer, proposal or indication of interest, whether or not in writing, as the case may be, by any Person that relates to an Acquisition Transaction. Acquisition Transaction means any transaction or series of related transactions (other than the transactions contemplated by the Merger Agreement) involving (i) any merger, consolidation, recapitalization, liquidation or other direct or indirect business combination involving Opware pursuant to which the stockholders of Opware immediately preceding such transaction would hold less than eighty-five percent (85%) of the equity or voting securities of the surviving or resulting entity of such transaction, (ii) the issuance or acquisition, directly or indirectly, of shares of any class of capital stock or other equity securities of (A) Opware representing more than fifteen percent (15%) (by ownership or voting power) of the outstanding shares of any class of capital stock of Opware by any person or group (as defined under Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (the Act )) or (B) any Opware subsidiary or subsidiaries whose assets constitute fifteen percent (15%) or more of the assets of Opware and its subsidiaries, taken as a whole, (iii) any tender or exchange offer that if consummated would result in any person or group (as defined under Section 13(d) of the Act) beneficially owning shares of any class of capital stock or other equity securities of Opware representing more than fifteen percent (15%) (by ownership or voting power) of the outstanding shares of any class of capital stock of Opware, (iv) the acquisition, license, lease, purchase or other disposition of assets that constitute fifteen percent (15%) or more of the total assets (including equity securities of subsidiaries) of Opware and its subsidiaries, taken as a whole, other than transactions in the ordinary course of business or consistent with past practice, or (v) any combination of the foregoing. The Support Agreements terminate when and if the Merger Agreement is terminated without the consummation of the Merger.

HP did not pay any additional consideration to the Stockholders in connection with the execution and delivery of the Support Agreements. The purpose of the Support Agreements is to increase the likelihood that the Offer and the Merger will be consummated.

Pursuant to the terms of the Merger Agreement, following the acceptance for payment by Purchaser pursuant to the Offer of more than fifty percent (50%) of the outstanding Shares, and at all times thereafter, Purchaser shall be entitled to elect or designate such number of directors, rounded up to the next whole number, of

the Board of Directors of Opsware as is equal to the product of the total number of directors on the Opsware Board of Directors (giving effect to the directors elected or designated by Purchaser pursuant to this sentence) multiplied by the percentage that the aggregate number of Shares beneficially owned by HP, Purchaser and any of its affiliates bears to the total number of Shares then outstanding. However, notwithstanding the foregoing, in no event shall Purchaser be entitled to elect or designate a majority of the Opsware Board of Directors unless it is the beneficial owner of Shares entitling it to exercise at least a majority of the voting power of the outstanding Shares.

Upon consummation of the Merger, the directors and officers of Purchaser shall be appointed as the directors and officers, respectively, of Opsware until their respective successors shall have been duly elected, designated or qualified, or until their earlier death, resignation or removal in accordance with Opsware's certificate of incorporation and bylaws. Thereafter, HP intends to integrate Opsware's business and operations with those of HP under the direction of HP's management. In addition, the Certificate of Incorporation and Bylaws of Opsware will be amended and restated to become the Certificate of Incorporation and Bylaws of Purchaser.

Upon the consummation of the Offer, the Shares may become eligible for termination of registration pursuant to Section 12(g)(4) of the Act, and HP may cause them to be deregistered. Upon the consummation of the Merger, the Shares will become eligible for such deregistration and HP will cause them to be deregistered.

Other than as described in this Item 4, HP currently has no plans or proposals which relate to, or may result in, any of the matters listed in Items 4(a)-(j) of Schedule 13D. HP intends to continue to review Opsware and its assets, corporate structure, dividend policy, capitalization, operations, properties, policies, management and personnel, and to further consider, following consummation of the Offer and the appointment of directors to the Opsware Board of Directors, whether any changes would be desirable in light of the circumstances then existing, and reserves the right to take such actions or effect such changes as it deems desirable.

**Item 5. Interest in Securities of the Issuer**

(a) Not including Shares that the Stockholders may subsequently receive due to the exercise of options, as a result of entering into the Support Agreements, as of July 20, 2007, HP may be deemed to have acquired beneficial ownership of an aggregate of 16,756,791 Shares that were either owned by the Stockholders or over which the Stockholders had the power to vote and dispose. Such Shares represented approximately 15.8% of the outstanding Shares that were deemed to be outstanding for purposes of calculating the beneficial ownership of HP under Section 13(d) of the Act.

Including Shares that the Stockholders may subsequently receive due to the exercise of options, as a result of entering into the Support Agreements, as of July 20, 2007, HP may be deemed to have acquired beneficial ownership of an aggregate of 28,928,645 Shares that were either owned by the Stockholders or over which the Stockholders had the power to vote and dispose. Such Shares represented approximately 24.5% of the outstanding Shares that were deemed to be outstanding for purposes of calculating the beneficial ownership of HP under Section 13(d) of the Act.

All percentages of Shares beneficially owned described in this statement are based upon 105,811,082 Shares outstanding as of July 16, 2007.

HP directly owns no Shares.

See the description set forth under Item 4 of this statement, which is incorporated herein by reference.

(b) HP may be deemed to share with the signatories of the Support Agreements the power to vote the Subject Shares solely with respect to those matters described in Item 4 of this statement and in the Support Agreements, which are incorporated herein by reference.

HP also may be deemed to share with the signatories of the Support Agreements the power to dispose of the Subject Shares subject thereto solely to the extent that the Support Agreements restrict the ability of the Stockholders to transfer the Subject Shares, as more fully described in Item 4 of this statement and in the Support Agreements, which are incorporated herein by reference.

Except as described herein, HP is not entitled to any rights as a stockholder of Opware in respect of the Subject Shares, and, therefore, HP disclaims beneficial ownership of the Subject Shares.

To the knowledge of HP, none of the persons set forth on Schedule I hereto beneficially owns any Shares.

(c) To the knowledge of HP, no transactions in Shares have been effected during the past 60 days by either HP or any person set forth on Schedule I hereto.

(d) To the knowledge of HP, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, Shares.

(e) Not applicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

Except as set forth in Item 4, neither HP nor, to the best knowledge of HP, any person set forth on Schedule I hereto, has any contracts, arrangements, understandings or relationships (legal or otherwise) with any other person with respect to any securities of Opware or its subsidiaries.

**Item 7. Material to Be Filed as Exhibits**
