FRANS VAN DER MEER APPOINTED OPERATIONS MANAGER OF ARCADIS WORLDWIDE PROJECT CONSULTING

ARNHEM, THE NETHERLANDS November 29, 2007 ARCADIS (EURONEXT: ARCAD), the international consulting, design and engineering company, today announced that Mr. Frans van der Meer has been appointed as of November 1, 2007 to the position of Operations Manager of ARCADIS Worldwide Project Consulting (AWwPC). With Nigel Maidment, Director of AWwPC, he will drive and support the growth of AWwPC.

ARCADIS Worldwide Project Consulting is a provider of project and cost management services for property and construction related projects. Working with the ARCADIS operating companies and alliance partners of AWwPC, Mr. Van der Meer will focus on further strengthening the company's global project management delivery capability.

Mr. Van der Meer started working for ARCADIS in 2006, as partner in PRC in The Netherlands. Prior to PRC he had senior project management positions at Delft University and Dutch Railways.

ARCADIS is an international company providing consultancy, design and engineering and management services in infrastructure, environment and facilities, to enhance mobility, sustainability and quality of life. ARCADIS develops, designs, implements, maintains and operates projects for companies and governments. With more than 12,000 employees and \$2 billion in gross revenue, the company has an extensive international network that is supported by strong local market positions.

Except for historical information contained herein, the statements in this release are forward-looking statements that are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve known and unknown risks and uncertainties that may cause the company's actual results in future periods to differ materially from forecasted results. Those risks include, among others, risks associated with possible changes in environmental legislation and risks with regard to the Company's ability to acquire and execute projects. These and other risks are described in ARCADIS' filings with the Securities and Exchange Commission over the last 12 months, copies of which will be available from the SEC or may be obtained upon request from the Company.
