**Item 8.01. Other Events.**

On June 3, 2008, State Street Corporation entered into an underwriting agreement with Goldman, Sachs & Co. and Morgan Stanley & Co. Incorporated, as representatives of the underwriters named therein, to issue and sell 35,715,000 shares of State Street's common stock, \$1.00 par value per share, in a public offering pursuant to a registration statement on Form S-3 (File No. 333-132606) and a related prospectus supplement filed with the Securities and Exchange Commission. In addition, State Street granted the underwriters an option exercisable for 30 days from the date of the prospectus supplement to purchase, at the public offering price less underwriting discounts and commissions, up to an additional 5,357,250 shares of State Street's common stock.

The offering was priced at \$70 per share. State Street estimates that the net proceeds from the offering will be approximately \$2.4 billion, after deducting estimated expenses and underwriting discounts and commissions (or approximately \$2.8 billion if the underwriters exercise in full their option to purchase additional shares). State Street intends to use the net proceeds from the offering for general corporate purposes.

The above description of the underwriting agreement is qualified in its entirety by reference to the underwriting agreement, which is filed as Exhibit 1.1 hereto and is incorporated herein by reference.

Wilmer Cutler Pickering Hale and Dorr LLP, counsel to State Street, has issued an opinion to State Street, dated June 3, 2008, regarding the legality of the shares of common stock to be issued and sold in the offering upon issuance and sale thereof. A copy of the opinion as to legality is filed as Exhibit 5.1 to this current report on Form 8-K.
