**Item 8.01 Other Events.**

As previously reported in its current report on Form 8-K filed on March 24, 2008, on March 23, 2008, Digimarc Corporation (Digimarc) entered into an Agreement and Plan of Merger (the Merger Agreement) with L-1 Identity Solutions, Inc. (L-1) and Dolomite Acquisition Co., a wholly-owned subsidiary of L-1 (Merger Sub), pursuant to which Merger Sub will be merged with and into Digimarc (the Merger), with Digimarc continuing after the Merger as the surviving corporation and a subsidiary of L-1. Immediately prior to the Merger, Digimarc will contribute all of the assets and liabilities related to its Digital Watermarking business, together with all of Digimarc's cash, to a wholly-owned subsidiary of Digimarc, the shares of which will be distributed to Digimarc's stockholders in a taxable spin-off transaction.

On June 22, 2008, Digimarc announced receipt of an unsolicited non-binding indication of interest from Safran S.A. (Safran), in which Safran proposed to acquire the outstanding common stock of Digimarc, following the spin-off of Digimarc's digital watermarking business and cash on hand, for \$300 million in cash, subject to completion of due diligence and negotiation of customary definitive documentation similar to the Merger Agreement with L-1. After consulting with its legal and financial advisors, Digimarc's board of directors has determined that the Safran acquisition proposal could reasonably be expected to lead to a superior proposal, as defined in the Merger Agreement. Accordingly, the board of directors has authorized Digimarc to furnish information to Safran and to enter into discussions with Safran regarding the proposal. The Safran acquisition proposal is a non-binding indication of interest and is subject to completion of due diligence of Digimarc by Safran, written confirmation from the Committee on Foreign Investment in the United States of successful completion of the review process under the Exon-Florio Amendment to the Production Act of 1950, as amended, and negotiation of a definitive agreement.

The Merger Agreement remains in full force and effect. On June 12, 2008, the Federal Trade Commission granted early termination of the waiting period under the Hart-Scott-Rodino Act, removing a condition to completion of the transactions contemplated by the Merger Agreement.

The press release issued by Digimarc is attached as Exhibit 99.1 hereto and is incorporated by reference herein.
