**Item 1.01      Entry Into A Material Definitive Agreement.**

On October 22, 2009, Dynamic Materials Corporation (the Company) and its lenders executed an amendment to the credit agreement dated November 16, 2007. The syndicated credit agreement was amended, which amendment is effective as of October 21, 2009, to revise the leverage ratios and fixed charge coverage ratios that the Company is required to satisfy on a quarterly basis throughout the term of the credit facility, which expires on November 16, 2012. These revised ratios will ease the Company's ability to comply with certain covenants of the credit agreement. The pricing grid applicable to drawn and undrawn amounts under the credit facility was also amended and will increase our going forward effective interest rate on outstanding borrowings by 1.5% per annum. The foregoing description of the amendment is qualified in its entirety by reference to the amendment, a copy of which is included as Exhibit 10.1 hereto.
