On January 24 and 25, 2011, Corn Products International, Inc. (the Company) received payments totaling US\$58.4 million from the Government of the United Mexican States (Mexico) pursuant to an award rendered in its favor by a North American Free Trade Agreement (NAFTA) Chapter Eleven Tribunal in 2009 (and corrected in 2010).

The award was the result of a claim the Company submitted to arbitration in 2003 under the investment protection provisions of NAFTA arising out of a tax Mexico had imposed on beverages sweetened with high fructose corn syrup. In 2008 the NAFTA Tribunal found that the tax violated NAFTA s national treatment provisions by discriminating in favor of domestic producers of cane sugar.

Mexico made these payments pursuant to an agreement with the Company that provides for terminating pending post-award litigation and waiving post-award interest.

This transaction will be reflected in the Company s results for the quarter ending March 31, 2011.
