Item 1.01. Entry into a Material Definitive Agreement.

On May 4, 2011, Petrohawk Energy Corporation (Petrohawk), Hawk Field Services, LLC (HFS), a wholly owned subsidiary of Petrohawk, and EagleHawk Field Services LLC (EagleHawk), a wholly owned subsidiary of Petrohawk (Petrohawk, HFS and EagleHawk being collectively referred to herein as, the Company), and KM Gathering LLC (KM Gathering) and KM Eagle Gathering LLC (Eagle Gathering), each of which is an affiliate of Kinder Morgan Energy Partners, L.P. (Kinder Morgan), a publicly traded master limited partnership, entered into a Purchase and Sale Agreement (the Agreement) pursuant to which HFS agreed to sell (i) its remaining 50% membership interest in KinderHawk Field Services LLC to KM Gathering and (ii) a 25% interest in EagleHawk to Eagle Gathering, in exchange for aggregate consideration of approximately \$920 million, subject to customary purchase price adjustments.

EagleHawk is a newly formed entity that will engage in the natural gas midstream business in the Eagle Ford Shale in South Texas. At the closing of the transactions contemplated in the Agreement, EagleHawk will hold the Company s gathering and treating assets and business serving the Company s Hawkville and Black Hawk fields in the Eagle Ford Shale. EagleHawk will have agreements with the Company covering gathering and treating and pursuant to which the Company will dedicate its production from its Eagle Ford leases. HFS will manage EagleHawk s operations under a separate agreement.

The Agreement contains representations, warranties, covenants and agreements that are customary in transactions of this type. The representations, warranties and covenants contained in the Agreement were made only for the purposes of such agreement and as of specific dates, were made solely for the benefit of the parties to the Agreement and may be intended not as statements of fact, but rather as a way of allocating risk to one of the parties if those statements prove to be inaccurate. In addition, such representations, warranties and covenants may have been qualified by certain disclosures not reflected in the text of the Agreement and may apply standards of materiality in a way that is different from what may be viewed as material by stockholders of the Company. The Company s stockholders should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or conditions of the Company or its subsidiaries. Consummation of the transactions contemplated in the Agreement is conditioned upon the receipt of certain third party consents, the amendment of certain third party contracts and other customary conditions. The Company anticipates that the transactions will close on or about July 1, 2011.

The foregoing description of the Agreement is a summary only and does not purport to be complete. A copy of the Agreement is filed with this Current Report on Form 8-K as Exhibit 2.1.
