ITEM 2.01. COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS.

As previously disclosed, on August 9, 2012, upon the approval of a special committee of disinterested directors, STAG Industrial, Inc. (the Company), through its subsidiary, STAG Industrial Holdings, LLC, entered into a purchase and sale agreement with the Company's affiliate, STAG Investments Holdings II, LLC (Fund II) and its subsidiaries, to acquire a portfolio of 33 industrial properties (the Fund II Portfolio) with approximately 4.8 million rentable square feet for a total purchase price of approximately \$138.8 million.

On October 9, 2012, the Company completed the acquisition of 31 industrial properties in the Fund II Portfolio with approximately 4.3 million rentable square feet for a total purchase price including closing costs of approximately \$128.8 million. The Company expects to complete the acquisition of the two remaining Fund II Portfolio properties, located in Mishawaka, Indiana and Sterling Heights, Michigan during the fourth quarter of 2012, subject to satisfactory completion of its due diligence and the satisfaction of various other conditions. If any of the outstanding conditions on the two remaining Fund II Portfolio properties are not satisfied, the Company may terminate the acquisition of such properties and the total purchase price will be adjusted. The Company can make no assurance that it will acquire either of the two remaining Fund II Portfolio properties or, if it does, what the timing of any such acquisitions will be.

The Company funded a portion of the purchase price with the net proceeds from its common stock offering in August 2012 and the balance of the purchase price with available cash and borrowings under its senior unsecured revolving credit facility. No debt was assumed in connection with the Company's acquisition of the Fund II Portfolio.

The following table sets forth additional information regarding the Fund II Portfolio as of October 9, 2012:

- (1) Renovation means a material upgrade, alteration or addition to a building or building systems resulting in increased marketability of the property.
- (2) The Company expects to complete the acquisition of the property during the fourth quarter of 2012, subject to satisfactory completion of its due diligence and the satisfaction of various other conditions. The Company can make no assurance that it will acquire the property or, if it does, what the timing of any such acquisition will be.
- (3) Property held subject to a ground lease.

Edgar Filing: STAG Industrial, Inc. - Form 8-K

- (4) In the Company's Current Report on Form 8-K dated August 9, 2012, the Fund II Portfolio property located in El Paso, Texas was presented as two separate properties. Based on information provided during the Company's due diligence review, the Company revised its presentation to categorize the property as one property with one building.

Prior to the Company's initial public offering and related formation transactions in April 2011, the Company's predecessor business acquired, owned and managed all of the properties in the Fund II Portfolio. Since the completion of the Company's formation transactions, Fund II has continued to operate as a private, fully invested fund and the Company has managed the properties in the Fund II Portfolio pursuant to its services agreement with Fund II.

Certain of the Company's executive officers and their affiliates have direct or indirect interests in Fund II, including residual interests, or contingent profit interests, in Fund II and may receive portions of distributions from the assets of Fund II after return of capital and preferred returns to the equity investors in Fund II. Because of these interests, the Company's board of directors appointed a special committee of disinterested directors to negotiate, evaluate and approve or disapprove of the Company's acquisition of the Fund II Portfolio. In connection with their evaluation of the transaction and negotiation of definitive documentation, the special committee hired its own independent legal counsel, an independent broker and other consultants. In addition, as a result of the interests of certain of the Company's executive officers, the sale of the Fund II Portfolio to the Company is an affiliate sale under Fund II's operating agreement and required that Fund II's third-party institutional investors approve the sale. Fund II received the necessary consent from the Fund II investors.

The foregoing summary of the purchase and sale agreement and the acquisition of the Fund II Portfolio does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the purchase and sale agreement, a copy of which will be filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2012.

Accordingly, there is no assurance that the Company's expectations will be realized. Except as otherwise required by the federal securities laws, the Company disclaims any obligation or undertaking to publicly release any updates or revisions to any forward-looking statement contained herein (or elsewhere) to reflect any change in the Company's expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.
