Dear Shareholder,

You may have received materials from Corvex Management LP and Related Fund Management, LLC (collectively Corvex/Related) purportedly seeking your written consent to remove without cause all of the duly elected members of your Board of Trustees.

DO NOT BE DECEIVED BY CORVEX/RELATED;

NO RECORD DATE HAS BEEN SET AND THERE IS NO VALID CONSENT SOLICITATION AT THIS TIME. THE BOARD OF TRUSTEES OF COMMONWEALTH URGES YOU NOT TO TAKE ANY ACTION AT THIS TIME.

Corvex/Related have not complied with the requirements in Commonwealth's bylaws to initiate a consent solicitation to remove Commonwealth's Trustees and are ineligible to initiate such a process at this time. **No action is necessary for Commonwealth shareholders to take at this time. Please simply discard any materials you may receive from Corvex/Related.**

THE UNSCRUPULOUS TACTICS BEING EMPLOYED BY CORVEX/RELATED

ARE CONSISTENT WITH THEIR PRIOR EFFORTS TO MISLEAD COMMONWEALTH SHAREHOLDERS

On March 28, 2013, Corvex/Related made a highly conditional, unfinanced offer of \$24.50 per share, despite the fact that they had previously estimated your Company's net asset value at between \$40.00 and \$55.00 per share, and more recently, Corvex/Related have estimated your Company's net asset value at between \$35.00 and \$44.00 per share. Your Board, after consultation with its legal and financial advisors and after meeting with Corvex/Related, carefully considered this latest conditional, unfinanced offer and determined that the interests of Commonwealth and its shareholders would best be served by the Company continuing to implement its business plan.

In light of their recent actions, the Commonwealth Board believes the unsolicited, conditional and unfinanced offer to acquire the Company was illusory and that it has been the intent of Corvex/Related all along to seize control of your Company without paying shareholders a premium for it. If they are successful in removing the entire Board, without cause, we believe that Corvex/Related may operate Commonwealth for their own benefit or attempt to realize a quick profit before the full benefits of the Company's current business plan are realized, to the detriment of Commonwealth shareholders. **Do not be fooled by Corvex/Related's efforts to pretend they are acting on behalf of all shareholders they are attempting a hostile takeover of Commonwealth and are offering you nothing in exchange for the control they seek.**

WHEN THE PRINCIPALS OF RELATED AND CORVEX HAVE GOTTEN CONTROL OF PUBLIC REAL ESTATE COMPANIES IN THE PAST, THE RESULTS HAVE NOT BEEN GOOD FOR SHAREHOLDERS.

Jeff Blau, the principal of Related and CEO of the Related Companies, previously served as Chairman, CEO and a Trustee of American Mortgage Acceptance Company (AMAC); during which time, AMAC funded loans to affiliates of the Related Companies which subsequently defaulted and became worthless. Shortly thereafter, **AMAC ceased operations and filed for bankruptcy.** Additionally, Mr. Blau and Stephen Ross, the Chairman of the Related Companies, served as Managing Trustees on the board of Centerline Holding Company (f/k/a Charter Municipal Mortgage Acceptance Company, or CharterMac); during which time, Centerline/CharterMac provided financing directly and indirectly to affiliates of the Related Companies. During Jeff Blau's and Stephen Ross's combined tenure on the Centerline/CharterMac board between 2003 and 2009, **the total returns realized by public shareholders were a LOSS of 97.7%.**

Corvex has limited real estate industry experience, but its principal's history of controlling a publicly owned real estate company also raises concerns. Corvex's Managing Partner, Keith Meister, and his former employer first made a tender offer for WCI Communities, Inc., which they later withdrew. Then, Mr. Meister was elected to the board of WCI in 2007 following a proxy contest; and within about one year of his joining the WCI board, **WCI was forced into bankruptcy and essentially all WCI shareholder value was lost.**

**COMMONWEALTH REMAINS COMMITTED TO EXECUTING ON ITS STRATEGIC PLAN
TO DERIVE VALUE FOR ALL COMMONWEALTH SHAREHOLDERS**

CommonWealth is making progress in executing its business plan to focus on the ownership and operation of high quality central business district office properties, to divest its suburban office and industrial properties and other assets, and to repay debt. Since January 1, 2008, CommonWealth has increased its portfolio concentration of CBD office properties by acquiring \$3.7 billion of primarily Class A CBD office properties, principally from distressed sellers, and selling \$1.5 billion of primarily suburban office properties for significant gains.
