Notes to Unaudited Pro Forma Condensed Consolidated Balance Sheet

1. Pro Forma Assumptions and Adjustments

(a) The use of proceeds from the sale, converted at the exchange rate on June 30, 2013, is as follows (in millions):

Proceeds from sale	\$	1,755.0
Repayment of senior secured credit facility	(911.0)	
Accrued interest on senior secured credit facility	(3.1)	
Estimated fees and expenses associated with sale	(28.0)	
	(942.1)	
Net proceeds	\$	812.9

The repayment of the term loans under the senior secured credit facility of \$911.0 million includes a principal payment of \$17.5 million that was made in August 2013. The Company has elected to assume that the remaining cash proceeds will be used for general corporate purposes. In accordance with SEC guidance, we have assumed no interest income on the remaining cash proceeds.

(b) This represents the write-off of deferred financing costs associated with the debt repaid with the proceeds from this sale.

(c) Long-term debt is reduced as follows:

Senior secured credit facilities (1):		
Term Loan A	\$	323.7
Term Loan B		587.3
Advanced Ceramics debt (2)		2.9
Total	\$	913.9

(1) See (a) above.

(2) This represents the remaining balance of Advanced Ceramics debt which will be assumed by the purchaser.

(d) This represents the net gain on sale of \$1,152.1 million (including \$17.7 million of taxes) less the write-off of deferred financing costs of \$7.3 million. The effects of the gain and the write-off of deferred financing costs were not reflected, however, in the pro forma statements of operations as the adjustments are non-recurring in nature. We do not expect the transaction to have any federal tax effect as a result of utilization of net operating losses.
