**Item 8.01. Other Matters**

As disclosed in the Magellan Health, Inc. (the Company) Form 10-Q, filed on October 24, 2014, the Company has a contract with one of the significant customers in its Specialty Solutions segment with a term ending December 31, 2015, which generated revenue of \$109.1 million for the nine months ended September 30, 2014. This contract currently provides services on a risk basis. On December 31, 2014, the Company and this customer agreed to amend and extend this contract through December 31, 2017. The funding arrangement will be a combination of administrative services only (ASO) and risk. The majority of Medicare and individual lives, representing approximately 40% of September 30, 2014 membership, will remain risk through at least December 31, 2016. The balance of membership may migrate to benefit plans not covered by the Company, convert to ASO, or stay risk commencing in 2015 and throughout the remainder of the extended contract period. Certain Medicaid members will terminate at various dates in 2015 and the Company's 2015 guidance expectations are that membership and revenue will be at least 85% of the current run rate.
