Indicate by check mark whether the registrant by furnishing the information contained in this Form is also thereby furnishing the information to the Commission pursuant to Rule 12g3-2(b) under the Securities Exchange Act of 1934.

Yes o No x

Ad-Hoc Notice
May 27, 2015
Moscow, Russian Federation Mobile TeleSystems OJSC (MTS or the Company NYSE: MBT), the leading telecommunications provider in Russia and the CIS, announces that MGTS-Nedvizhimost CJSC, the wholly owned subsidiary of Moscow City Telephone Network OJSC (MGTS), a subsidiary of MTS, has completed the sale of its remaining 49% stake in Rent-Nedvizhimost CJSC to Business-Nedvizhimost CJSC for a price of RUB 4.17 billion.
Business-Nedvizhimost CJSC is a subsidiary of Sistema JSFC (LSE: SSA), the parent company of MTS. Previously, in February 2015, MGTS-Nedvizhimost CJSC sold its 51% stake in Rent-Nedvizhimost CJSC to Business-Nedvizhimost CJSC for a price of RUB 4.34 billion.
The transaction is in line with MGTS's stated goals to restructure non-core assets. Key Rent-Nedvizhimost CJSC's assets include buildings housing automatic telephone exchanges, which have largely become redundant due to the modernization of MGTS stelecommunication infrastructure.
An independent appraisal was conducted by Cushman & Wakefield, the leading global real estate firm. The transaction was approved by the Federal Antimonopoly Service (FAS) and has received all necessary internal corporate approvals.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not undertake or intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company s most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, the severity and duration of current economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices and the value of financial assets; the impact of

Russian, U.S. and other foreign government programs to restore liquidity and stimulate national and global economies, our ability to maintain our current credit rating and the impact on our funding costs and competitive position if we do not do so, strategic actions, including acquisitions and dispositions and our success in integrating acquired businesses, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, governmental regulation of the telecommunications industries and other risks associated with operating in Russia and the CIS, volatility of stock price, financial risk management and future growth subject to risks.
