(2) Represents additional shares of the Registrant's Common Stock reserved for future issuance under the Registrant's Tremor Video, Inc. 2013 Equity Incentive Plan, as amended (the **2013 Plan**) by reason of the automatic increase provision of the 2013 Plan. The 2013 Plan share reserve will automatically increase on January 1st of each year, for a period of ten years continuing through and including January 1st, 2023, by the lesser of 4% of the total number of shares of Common Stock outstanding on the immediately preceding December 31st, or a lesser number of shares determined by the Registrant's Board of Directors.

The maximum offering price per share and the maximum aggregate offering price are calculated on the basis of \$1.94 per share, the exercise price of the stock option granted by the Registrant to its Chief Financial Officer as a material inducement to his acceptance of employment with the Registrant in accordance with Section 303A.08 of the New York Stock Exchange Listed Company Manual.

(7) Estimated solely for the purpose of calculating the amount of the registration fee pursuant to Rule 457(h) promulgated under the Securities Act. EXPLANATORY NOTE

Tremor Video, Inc. (the **Registrant**) is filing this Registration Statement on Form S-8 for the purpose of registering an additional (a) 2,088,575 shares of its common stock, par value \$0.0001 per share (the **Common Stock**), issuable to eligible persons under the 2013 Equity Incentive Plan (the **2013 Plan**), which Common Stock is in addition to the shares of Common Stock registered on the Registrant's Forms S-8 filed on June 28, 2013 (File No. 333-189682), July 23, 2014 (File No. 333-197585), February 9, 2015 (File No. 333-201985) and August 10, 2015 (File No. 333-206282) (collectively, **Prior Registration Statements**) and (b) 570,000 and 350,000 shares of Common Stock underlying employment inducement awards in the form stock option awards granted to the Registrant's Chief Financial Officer on September 8, 2015 with an exercise price of \$1.94 per share and Chief Technology Officer on October 20, 2015 with an exercise price of \$1.90 per share, respectively.

The additional 2,088,575 shares of Common Stock have become reserved for issuance as a result of the operation of the evergreen provision in the 2013 Plan, which provides that the total number of shares reserved under such plan will be increased on the first day of each fiscal year pursuant to a specified formula. Pursuant to General Instruction E to Form S-8, and only with respect to the Common Stock being registered under the 2013 Plan, this Registration Statement hereby incorporates by reference the contents of the Prior Registration Statements referenced above, in each case, except to the extent superseded hereby. The Registrant notes that it restated its financial information with respect to the quarters ended March 31, June 30 and September 30, 2015 in its Annual Report on Form 10-K for the year ended December 31, 2015. The financial information for the quarters ended March 31, June 30 and September 30, 2015 in such Annual Report on Form 10-K, which is incorporated herein by reference, supersedes any previously issued financial information with respect to such quarters.

Each employment inducement award was approved by the Compensation Committee of the Registrant's Board of Directors in reliance on the employment inducement exception to shareholder approval under Section 303A.08 of the New York Stock Exchange Listed Company Manual, and therefore was not granted under the Registrant's shareholder-approved equity plan.

ITEM 4. DESCRIPTION OF SECURITIES

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Not applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 145 of the Delaware General Corporation Law authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers under certain circumstances and subject to certain limitations. The terms of Section 145 of the Delaware General Corporation Law are sufficiently broad to permit indemnification under certain circumstances for liabilities, including reimbursement of expenses incurred, arising under the Securities Act.

The Registrant's amended and restated certificate of incorporation contains provisions that eliminate the liability of its directors for monetary damages to the fullest extent under applicable law.

The Registrant's amended and restated bylaws provide that:

- the Registrant is required to indemnify its directors and executive officers to the extent not prohibited by law, subject to certain limited exceptions;
- the Registrant may indemnify its other officers, employees and agents to the extent not prohibited by law;

Edgar Filing: TREMOR VIDEO INC. - Form S-8

- the Registrant is required to advance expenses, as incurred, to its directors and executive officers in connection with a legal proceeding to the fullest extent permitted by law, subject to certain limited exceptions; and
- the rights conferred in the amended and restated bylaws are not exclusive.

In addition, the Registrant has entered, and intends to continue to enter, into indemnification agreements with each of its current directors and officers. These agreements provide for the indemnification of directors and officers for all expenses and liabilities incurred in connection with any action or proceeding brought against them by reason of the fact that they are or were agents of the Registrant.

The Registrant currently carries liability insurance for its directors and officers for securities matters.

The indemnification provisions in the Registrant's amended and restated certificate of incorporation and amended and restated bylaws and the indemnification agreements entered into or to be entered into between the Registrant and each of its directors and officers is sufficiently broad to permit indemnification of the Registrant's directors and executive officers for liabilities arising under the Securities Act.

See also the undertakings set out in response to Item 9 hereof.

ITEM 9.

UNDERTAKINGS

1. The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
