Confirmation of Plan of Reorganization

On September 13, 2016, the Bankruptcy Court entered an order, Docket No. 1324 (the *Confirmation Order*), attached hereto as Exhibit 2.1, confirming the Debtors' Fourth Amended Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code, dated September 11, 2016 (the *Plan*). The Plan incorporates by reference certain documents filed with the Bankruptcy Court as part of the *Plan Supplement*. A copy of the Plan is attached hereto as Exhibit 2.2.

The Plan will not become effective until certain conditions are satisfied or waived, including, (a) the documents governing the Reorganized Debtors' new \$326.5 million first lien debt facility (the *New First Lien Debt Facility*) shall have been duly executed and delivered by the Reorganized Debtors parties thereto, and all conditions precedent to the consummation of the New First Lien Debt Facility shall have been waived or satisfied in accordance with the terms thereof, and the closing of the New First Lien Debt Facility shall have occurred; (b) the Debtors' existing securitization facility shall be reinstated on terms substantially as set forth in the Plan Supplement; (c) all documents and agreements necessary to implement the Plan, including the Plan Supplement and the Confirmation Order, shall have been executed; and (d) the Debtors shall have received all authorizations, consents, regulatory approvals, rulings, letters, no-action letters, opinions or documents that are necessary to implement the Plan and that are required by law, regulation or order. The date on which all conditions to the effectiveness of the Plan have been satisfied or waived will be the *Effective Date* of the Plan. It is possible that amendments could be made to the Plan prior to effectiveness.

The following is a summary of certain provisions of the Plan, as confirmed by the Bankruptcy Court pursuant to the Confirmation Order, and is not intended to be a complete description of the Plan. The following summary is qualified in its entirety by reference to the full text of the Plan (including the Plan Supplement), which is attached hereto as Exhibit 2.2 and is incorporated by reference herein.

The Plan contemplates that:

- Holders of allowed administrative expense claims, priority claims (other than administrative expense claims and priority tax claims) and secured claims (other than claims arising under priority claims, the prepetition first lien credit facility and prepetition second lien notes) will be paid in full.

Forward-Looking Statements

This Report contains forward-looking statements that is, statements related to future, not past, events, including Arch Coal's outlook. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as expects, anticipates, intends, plans, believes, seeks, or will. Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, particular uncertainties arise from changes in the demand for our coal by the domestic electric generation industry; from legislation and regulations relating to the Clean Air Act and other environmental initiatives; from operational, geological, permit, labor and weather-related factors; from fluctuations in the amount of cash we generate from operations; from potential demands for additional collateral for self-bonding; from any potential restructuring we do; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different than those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by law. For a description of some of the risks and uncertainties that may affect our future results, you should see the risk factors described from time to time in the reports we file with the Securities and Exchange Commission.
