Item 2.01 **Entry into a Material Definitive Agreement.**

On November 16, 2016, Eagle Pharmaceuticals, Inc. (Eagle) completed its previously announced acquisition (the Acquisition) of Arsia Therapeutics, Inc. (Arsia) pursuant to a Stock Purchase Agreement (the Purchase Agreement) with Arsia Therapeutics, LLC (the Seller), Arsia, Amy Schulman, as the Seller Representative, and each other holder of limited liability company interests of the Seller who executed a joinder thereto and became a party to the Purchase Agreement, dated November 10, 2016. Pursuant to the Purchase Agreement, Eagle purchased all of the outstanding capital stock of Arsia from the Seller.

Upon the closing of the Acquisition, Eagle paid (a) an amount equal to \$27,209,270.43 in cash (subject to certain adjustments related to Arsia's debt, transaction expenses and cash adjustments at closing) and (b) 40,200 unregistered shares of Eagle's common stock (the Stock Consideration). Pursuant to the Purchase Agreement, all of the recipients of Eagle's common stock signed a lock-up agreement that, among other things, provides for a lock-up period of 12 months for all of the shares of Eagle common stock issued in connection with the closing or the Milestone Payments (as defined below).

Eagle has also agreed to pay up to an additional \$48 million to the Seller upon achievement of certain clinical, regulatory and development milestones (collectively, the Milestone Payments), subject to acceleration under certain circumstances described in the Purchase Agreement. The Milestone Payments will be in cash, shares of Eagle's common stock, or a combination of both, at the election of the Seller or Seller Representative, as applicable. For purposes of paying the Milestone Payments, the shares of Eagle's common stock will be valued based on the average of the closing sale prices per share of Eagle's common stock as reported on The NASDAQ Stock Market (or other national exchange upon which the Eagle's common stock is then listed) for the thirty (30) trading days prior to the date such milestone is achieved or consummated, as applicable, and the thirty (30) trading days including and following the date such milestone is achieved or consummated, as applicable.

The foregoing summary of the Purchase Agreement is subject to, and qualified in its entirety by, the full text of the Purchase Agreement, a copy of which is attached hereto as Exhibit 2.1 and is incorporated by reference herein.

Item 3.02 **Unregistered Sales of Equity Securities.**

Pursuant to the Purchase Agreement described in Item 2.01 of this Current Report on Form 8-K, which description is incorporated herein by reference thereto, Eagle issued the Stock Consideration at the closing to the Closing Share Recipients (as defined in the Purchase Agreement). The issuance of the Stock Consideration was not registered under the Securities Act of 1933, as amended (the Securities Act), and therefore may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. Eagle is relying on the exemption from federal registration under Section 4(a)(2) of the Securities Act and/or Rule 506 promulgated thereunder.
