Approval of Fiscal 2018 Corporate Bonus Plan

On December 4, 2017, the Compensation Committee of the Board of Directors (the Committee) of Sanmina Corporation (the Company) approved the Fiscal Year 2018 Corporate Bonus Plan (the 2018 Plan). The 2018 Plan contains targets for the Company's revenue, non-GAAP operating margin, cash flow from operations and other, inventory turns, return on invested capital and earnings before interest, taxes, depreciation and amortization for fiscal 2018. The Company's performance for fiscal 2018 will be measured against these targets. Should the Company not achieve a minimum performance against these targets, no incentive compensation shall be payable under the 2018 Plan. Each 2018 Plan participant's actual incentive compensation for fiscal 2018 will be determined by reference to his or her target incentive compensation, the Company's achievement against its targets and achievement of the participant's individual/divisional performance goals for fiscal 2018. Target individual incentive compensation payable under the 2018 Plan is expressed as a percentage of base salary and, for executive officers of the Company, ranges from 65% to 150%. The Committee retains the right to terminate or amend the 2018 Plan in any respect, including increasing or decreasing Company and individual incentive compensation targets, and can also adjust an individual's incentive compensation up or down on a discretionary basis.

Appointment of Principal Accounting Officer

Also on December 4, 2017, the Board of Directors of the Company appointed Brent Billinger as Principal Accounting Officer of the Company, effective the same day.

Mr. Billinger, 53, has served as the Company's Senior Vice President and Corporate Controller since October 2017. He joined the Company in June 2008 as Vice President of Finance, External Reporting, and was promoted to Assistant Corporate Controller in 2014. Prior to joining the Company, Mr. Billinger held Corporate Controller positions at several public companies including Silicon Image, Foundry Networks and Mercury Interactive.
