External Directors

The Companies Law requires Israeli companies with shares that have been offered to the public in or outside of Israel to appoint no less than two external directors. No person may be appointed as an external director if the person or the person's relative, partner, employer or any entity under the person's control, has or had, on or within the two years preceding the date of the person's appointment to serve as external director, any affiliation with the company or any entity controlling, controlled by or under common control with the company. The term "affiliation" includes:

an employment relationship;

a business or professional relationship maintained on a regular basis;

control; and

service as an office holder.

A person shall be qualified to serve as an external director only if he or she possesses accounting and financial expertise or professional qualifications. The conditions and criteria for possessing accounting and financial expertise or professional qualifications were recently enacted in regulations promulgated under the Companies Law (Companies Law Regulations (Conditions and Tests for Determining whether a Director has Expertise in Finance and Accounting

and whether a Director is Professionally Qualified) - 2005 (the "External Director Qualification Regulations").

No person may serve as an external director if the person's position or other business activities create, or may create a conflict of interest with the person's responsibilities as an external director or may otherwise interfere with the person's ability to serve as an external director. If, at the time external directors are to be appointed, all current members of the board of directors are of the same gender, then at least one external director must be of the other gender.

The initial term of an external director is three years and may be extended for one additional three-year period. External directors may be removed only by the same percentage of shareholders as is required for their election, or by a court, and then only if the external directors cease to meet the statutory qualifications for their appointment or if they violate their duty of loyalty to the company.

The Company's Board of Directors has recommended Prof. Yair Aharonowitz, Dr. Arie Ovadia and Prof. Joshua Shemer for election as external directors to fill the vacancies created by the expiration of the terms of Dr. Orna Berry and Mr. David Schlachet, to each serve for a period of three years and until their respective successors are duly elected and shall qualify.

The Board of Directors has determined that each of Prof. Yair Aharonowitz, Mr. Arie Ovadia and Prof. Joshua Shemer qualify as an independent director under regulations promulgated by Nasdaq.

The Board of Directors will present the following resolution at the Meeting:

"**RESOLVED** that Mr. Martin Gerstel, Mr. Alex Kotzer, Prof. Ruth Arnon and Dr. Gilead Fortuna are hereby elected to serve as members of the Board of Directors of the Company until the next annual meeting of shareholders or until their respective successors are duly elected and qualified and that each of Prof. Yair Aharonowitz, Dr. Arie Ovadia, and Prof. Joshua Shemer are hereby elected to serve as external directors of the Company pursuant to the Companies Law, for a three-year term and until their respective successors are duly elected and shall qualify."

The election of all director nominees requires the affirmative vote of shareholders present in person or by proxy and holding Ordinary Shares amounting in the aggregate to at least a majority of the votes actually cast with respect to such proposal and, in addition, the election of Prof. Yair Aharonowitz, Dr. Arie Ovadia and Prof. Joshua Shemer as external directors requires that either: (i) said majority include at least one-third of the voting power of the non-controlling shareholders who are present in person or by proxy and who vote on such proposal; or (ii) the total votes cast in opposition to the proposal by the non-controlling shareholders does not exceed 1% of all the voting power in the Company.

The Board of Directors recommends that the shareholders vote "FOR" the election of each of Mr. Martin Gerstel, Mr. Alex Kotzer, Prof. Ruth Arnon and Dr. Gilead Fortuna as directors of the Company and each of

Prof. Yair Aharonowitz, Dr. Arie Ovadia and Prof. Joshua Shemer as external directors of the Company.

In addition, a "per meeting day" fee of \$1,000 USD will be provided to each non-management director as compensation for their participation in board and/or committee meetings on a given day, provided that if such participation is both by telephone and less than 4 hours in total, then such "per meeting day" fee shall be \$500 USD.

Grant of Options:

(ii) On each annual anniversary of the initial grant, an additional annual grant of Options to purchase 10,000 Ordinary Shares to each non-management director then serving on the board of directors, with the following terms:

Notwithstanding (i) and (ii) above, all Options granted to non-management directors shall be fully vested immediately upon the completion of one or more of the following events, whether by way of a consolidation, merger or reorganization of the Company or otherwise: (a) a sale of all or substantially all of Company's issued share capital or assets to any other company, entity, person or a group of persons, or (b) the acquisition of more than 50% of Company's equity or voting power by any shareholder or group of shareholders.

Notwithstanding the terms of the "Compugen Share Option Plan (2000)" all Options granted above which shall be vested as of the date of termination of services by a non-management director to the Company, may be exercised within one year after the cessation of his or her term as a director of the Company.

The Board of Directors will present the following resolution at the Meeting:

"RESOLVED to approve the terms of the cash and stock compensation of the Company's non-management directors in accordance with the terms as described in Proposal 2 of the Company's Proxy Statement dated June 13, 2007"

The Board of Directors recommends that the shareholders vote "FOR" the approval of the terms of compensation of the Company`s non-management Directors.

 11

PROPOSAL NO. 3

APPROVAL OF STOCK OPTION ISSUANCE TO OUR CHAIRMAN OF THE BOARD

The Company's success depends to a significant extent on the performance of its Chairman of the Board. The loss of the services of the Chairman of the Board could have an adverse effect on the Company. Mr. Gerstel requested that his compensation be entirely in the form of stock options and none in cash, and furthermore, that each such option, even if vested, shall not be exercisable if at the time of exercise, the Company's share price is less than \$10 per Ordinary Share. Therefore, in recognition of the importance of his services to the Company, the Board and its Audit Committee have approved, subject to the approval of the shareholders of the Company, the grant of options (each, an "Option" and collectively, the "Options") to the Chairman of the Board under the general terms of the "Compugen Share Option Plan (2000)" and the following terms and conditions:

1. Number of options to be granted: 500,000

2. Vesting Schedule: Monthly over a period of 4 years. 83,333 options shall be vested as of August 1, 2007 and the remaining 416,667 options shall vest as follows: 10,416 options shall vest on a monthly basis over a period of 39 months thereafter, and 10,443 options shall vest in month 40 thereafter.

3. Limitation to exercising vested Options: Each vested Option shall not be exercisable if at the time of exercise, the closing price of the Company's Ordinary Shares as reported by The Nasdaq Capital Market is less than \$10 USD per Ordinary Share.

4. Exercise price per Option: Each Option shall be exercisable for one Ordinary Share at an exercise price equal to the closing price known at the date of the Meeting, as reported by The Nasdaq Capital Market

Any and all other terms and conditions pertaining to the grant of the Options shall be in accordance with, and subject to, the "Compugen Share Option Plan (2000)" and the Company's standard option agreement that shall be executed by the Chairman of the Board and by the Company promptly after the date of the Meeting.

The Board of Directors and the Audit Committee will present the following ordinary resolution at the Meeting:

"RESOLVED, that following the approval and recommendation by the Board of Directors of the Company and the Audit Committee of the Board of Directors, in compliance with the requirements of the Companies Law, the Company's Chairman of the Board will be granted stock options to purchase Ordinary Shares of the Company as set

The Audit Committee and the Board of Directors of the Company has approved, subject to the approval of the shareholders of the Company, that Ordinary Shares, in a number equal to (i) \$28,000, divided by (ii) the closing price of the Company's Ordinary Shares known at the date of the Meeting, as reported by The Nasdaq Capital Market, be issued to Mr. Kotzer (the "Cash Replacement Shares") as consideration for the deduction of such amount from his 2006 salary.

In appreciation for his efforts and achievements, and in recognition of the significant progress of the Company during 2006, the Audit Committee and the Board of Directors of the Company recommended, subject to the approval of the Company's shareholders, that Mr. Kotzer be paid a cash bonus, grossed up to cover the taxes payable by Mr. Kotzer as a result of issuing to him the Cash Replacement Shares.

The Board of Directors will present the following resolution at the Meeting:

"RESOLVED that following the approval and recommendation by the Board of Directors of the Company and the Audit Committee of the Board of Directors, in compliance with the requirements of the Companies Law, the Company's Chief Executive Officer and director shall receive the compensation set forth in Proposal 4 of the Proxy Statement of the Company dated June 13, 2007".

(g) The Board of Directors may at any time, before any share so forfeited or surrendered shall have been sold, re-allotted or otherwise disposed of, nullify the forfeiture or surrender on such conditions as it thinks fit, but no such nullification shall stop the Board of Directors from re-exercising its powers of forfeiture pursuant to this Article 16.

(a) Except to the extent the same may be waived or subordinated in writing, the Company shall have a first and paramount lien upon all the shares registered in the name of each shareholder (without regard to any equitable or other claim or interest in such shares on the part of any other person), and upon the proceeds of the sale thereof, for such shareholders debts, liabilities and engagements arising from any cause whatsoever, solely or jointly with another, to or with the Company, whether the period for the payment, fulfillment or discharge thereof shall have actually arrived or not. Such lien shall extend to all dividends from time to time declared in respect of such share. (b) The Board of Directors may cause the Company to sell any shares subject to such lien when any such debt, liability or engagement has matured, in such manner as the Board of Directors may think fit, but no such sale shall be made unless such debt, liability or engagement has not been satisfied within fourteen (14) days after written notice of the intention to sell shall have been served on such shareholder, or such shareholder's executors or administrators.
