(1) Exercise price reflects conversion from Canadian dollars to U.S. dollars based on the exchange rate on the date of the original grant.

This reported transaction, coupled with the accompanying acquisition or disposition transaction (as the case may be), involved an amendment of outstanding options, resulting in the deemed cancellation of the "old" options and the grant of replacement options. Pursuant to the terms of a Separation and Release Agreement (the "Agreement"), effective May 18, 2007, between the reporting person

(2) and the issuer, any stock options held by the reporting person as of the Separation Date, as defined in the Agreement, shall continue to be exercisable until their expiration date. In addition, the Agreement further provides that any stock options held by the reporting person that are not vested as of the Separation date, as defined in the agreement, shall be immediately accelerated as of the effective date of the Agreement.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
