CONCORD CAMERA CORP.

-----  
PROXY STATEMENT  
dated December 11, 2002

-----  
FOR ANNUAL MEETING OF SHAREHOLDERS  
to be held Tuesday, January 21, 2003

This Proxy Statement is furnished by the Board of Directors (the "Board") of CONCORD CAMERA CORP. (the "Company") in connection with the solicitation of proxies to be voted at the Annual Meeting of Shareholders which will be held at the Westin Diplomat Resort & Spa, 3555 South Ocean Drive, Hollywood, Florida 33019 on January 21, 2003, at 10:00 a.m., local time, and all adjournments thereof (the "Annual Meeting").

The Board has fixed the close of business on December 2, 2002 as the record date for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting or any adjournments thereof. As of that date, there were issued and outstanding 27,914,832 shares of common stock, no par value (the "Common Stock"), the Company's only class of voting securities outstanding. Each share of Common Stock entitles the holder thereof to one vote. The presence, in person or by proxy, of holders of a majority of all the outstanding Common Stock constitutes a quorum at the Annual Meeting. Shares of Common Stock represented by proxies that reflect abstentions and "broker non-votes" (i.e., Common Stock represented at the Annual Meeting by proxies held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have the discretionary voting power on a particular matter) will be counted for the purpose of determining the existence of a quorum at the Annual Meeting, but will not be counted as a vote cast for the purpose of determining the number of votes required to approve a proposal.

Any shareholder giving a proxy will have the right to revoke it at any time prior to the time it is voted. A proxy may be revoked by: (i) written notice to the Company, Attention: Secretary; (ii) execution of a subsequent proxy; or (iii) attendance and voting in person at the Annual Meeting. Attendance at the Annual Meeting will not automatically revoke the proxy. All shares of Common Stock represented by effective proxies will be voted at the Annual Meeting or at any adjournment thereof. Unless otherwise specified in the proxy (and except for "broker non-votes" described above), shares of Common Stock represented by proxies will be voted: (i) FOR the election of management's nominees for directors; (ii) FOR the ratification of the appointment of Ernst & Young LLP as independent auditors of the Company for the fiscal year ending June 28, 2003 ("Fiscal 2003"); and (iii) in the discretion of the proxy holders with respect to such other matters as may come before the Annual Meeting.

All information in this Proxy Statement gives effect to a two-for-one stock split effective on April 14, 2000 to shareholders of record on March 27, 2000.

The Company's executive offices are located at 4000 Hollywood Boulevard, Presidential Circle - 6th Floor, North Tower, Hollywood, Florida 33021. Mailing to shareholders of this Proxy Statement, the accompanying form of proxy, and the

### PROPOSAL ONE:

#### ELECTION OF DIRECTORS

##### Nominees for Election of Directors

Pursuant to Article III of the Company's By-laws, as amended, the Board has fixed the number of directors constituting the entire Board at six. All six directors are to be elected at the Annual Meeting, each to hold office until the next annual meeting of shareholders and until his successor is duly elected and qualified. In voting for directors, each shareholder is entitled to cast one vote for each share of Common Stock held of record, either in favor of or against the election of each nominee, or to abstain from voting on any or all nominees. Although management does not anticipate that any nominee will be unable or unwilling to serve as director, in the event of such an occurrence, proxies may be voted in the discretion of the persons named in the proxy for a substitute designated by the Board, unless the Board decides to reduce the number of directors constituting the Board. The election of directors requires the affirmative vote of a plurality of the votes cast by the holders of shares of Common Stock present or represented and entitled to vote at the Annual Meeting. The Board recommends a vote FOR each of the nominees. It is intended that proxies that do not withhold the authority to vote for the nominees will be voted FOR each of the nominees.

The following sets forth information with respect to each nominee for director, all of whom are currently serving as directors of the Company. The information has been furnished to the Company by the individuals named.

Upon appointment to the Board, each non-employee director receives: (i) an option to purchase up to 40,000 shares, vesting as to 8,000 shares on the following January 1 and on each January 1 thereafter (provided that, if a director fails to attend at least 75% of the Board meetings in any calendar year, then the options that would have vested on the next January 1 are forfeited); and (ii) an immediately exercisable option to purchase 13,000 shares. On each anniversary of his appointment, each non-employee director receives another immediately exercisable option to purchase 13,000 shares. All of the foregoing options have an exercise price equal to the closing price of the Common Stock on the date of grant and expire on the earlier of: (i) five years from the grant date; or (ii) one year after the recipient ceases to be a member of the Board.

The Company's directors participated in the exchange offer described below under the caption "Stock Options" and exchanged their outstanding options having an exercise price of more than \$7.00 per share for new options to purchase 75% of the shares subject to the old options, at an exercise price at \$5.97 per share.

Effective July 19, 2001, the Company amended the outstanding, fully vested options held by three former directors to permit such options to be exercised until their stated expiration date, in light of the valuable years of advice and service that had been provided during the eight-to-ten years of their tenure as members of the Board. ### Executive Employment Contracts, Termination of Employment and Change in Control Arrangements

Pursuant to the employment agreement between the Company and Ira B. Lampert dated as of May 1, 1997, as amended (the "Lampert Agreement"), Mr. Lampert serves in the capacities of Chairman, Chief Executive Officer and President of the Company. The Lampert Agreement provided for an annual salary of \$900,000, which was voluntarily reduced effective as of July 1, 2001 to \$800,000 per annum, has a term of four years and provides for the term of employment to be automatically extended for one additional day for each day of the term of employment during which neither party notifies the other that the term should not be extended. The Lampert Agreement prohibits Mr. Lampert from competing with the Company for a one-year period following the termination of his employment with the Company.

Pursuant to the Lampert Agreement, the Company adopted a supplemental executive retirement plan which was later amended and restated as of April 19, 2000 (the "Lampert SERP") for the benefit of Mr. Lampert. A specified amount, currently \$500,000, is credited to the Lampert SERP account each year (the "Yearly Credit"). The Yearly Credits are 100% vested and not subject to forfeiture. Each time the Company credits a Yearly Credit to the Lampert SERP account, the Company simultaneously contributes an amount equal to such credit to a trust established for the purpose of accumulating funds to satisfy the obligations incurred by the Company pursuant to the Lampert SERP.

The Terms of Employment between the Company and Brian F. King, dated as of January 1, 2000 as amended, provided for an annual salary of \$400,000, which increased to \$450,000 effective January 1, 2001 and was voluntarily reduced effective as of July 1, 2001 to \$400,000 per annum. The agreement expires on February 28, 2003, unless renewed by mutual agreement of the parties, and may be terminated on thirty days' notice by the Company at any time or by Mr. King after January 1, 2003. Under this agreement, if the Company terminates Mr. King's employment at any time without cause or if Mr. King terminates his employment after January 1, 2003, he is entitled to severance payments equal to one year's base salary plus his automobile allowance, and the deferred compensation described below. The agreement also prohibits Mr. King from competing with the Company for one year following the termination of his employment with the Company.

The Terms of Employment between the Company and Keith L. Lampert, dated as of November 11, 2002, provide for an annual salary of \$260,000. Until January 1, 2003, Mr. Lampert also receives an overseas allowance of \$25,000 per year. Upon his promotion to Chief Operating Officer effective January 1, 2003, his base salary will increase to \$350,000, and he will no longer receive an overseas allowance. The agreement further provides that Mr. Lampert will be provided with housing at the Company's expense, and tax equalization in accordance with the Company's Executive Management Tax Equalization Policy, for so long as Mr. Lampert is on overseas assignment. The agreement expires on January 1, 2006, unless renewed by mutual agreement of the parties, and may be terminated by the Company on thirty days' notice. Under this agreement, if the Company terminates Mr. Lampert's employment at any time without cause or if Mr. Lampert terminates his employment after January 1, 2006, he is entitled to severance payments equal to one year's base salary plus any applicable overseas and auto allowances. The agreement also prohibits Mr. Lampert from competing with the Company for one year following the termination of his employment with the Company. In connection with his promotion to Chief Operating Officer, the Board also granted Keith Lampert an option to purchase 100,000 shares of the Company's common stock at \$5.18 per share (the closing price on the grant date of November 11, 2002) with

## Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

vesting in equal installments over three years from the grant date, approved a relocation package, and authorized a one-time grant of \$100,000 in fully vested deferred compensation as an inducement for his repatriation to the United States. This grant of deferred compensation will be made effective as of January 1, 2003 (the effective date of Keith Lampert's promotion to Chief Operating Officer).

10

The Terms of Employment between the Company and Urs W. Stampfli, dated as of January 1, 2000 as amended, provided for an annual salary of \$236,800 effective as of January 1, 2001, which was voluntarily reduced effective as of July 1, 2001 to \$210,000 per annum, and increased to \$235,000 effective as of his promotion on February 25, 2002. The agreement expires on February 28, 2003, unless renewed by mutual agreement of the parties, and may be terminated on thirty days' notice by the Company at any time or by Mr. Stampfli after January 1, 2003. Under this agreement, if the Company terminates Mr. Stampfli's employment at any time without cause or if Mr. Stampfli terminates his employment after January 1, 2003, he is entitled to severance payments equal to one year's base salary plus his automobile allowance and the deferred compensation described below. The agreement also prohibits Mr. Stampfli from competing with the Company for one year following the termination of his employment with the Company.

The Terms of Employment between the Company and Gerald J. Angeli, dated as of April 17 2000, as amended (the "Angeli Agreement"), provide for an annual salary of \$190,000. The agreement also provides for an overseas allowance of \$25,000 per year if Mr. Angeli spends at least six months in Hong Kong and the PRC, to be prorated for periods of less than six months overseas. It expires on April 17, 2003, unless renewed by mutual agreement of the parties, and may be terminated by either party on thirty days' notice. Under this agreement, if the Company terminates Mr. Angeli's employment without cause, he is entitled to severance payments equal to one month's base salary for each three months of his employment with the Company, up to a maximum of twelve months' base salary. The agreement also prohibits Mr. Angeli from competing with the Company for one year following the termination of his employment with the Company.

In connection with a one-time grant of deferred compensation to certain executive officers, effective as of April 19, 2000 the Company adopted a Supplemental Executive Retirement Plan and Agreement for the benefit of each of the following executive officers named in the "Summary Compensation Table:" Brian F. King, Keith L. Lampert and Urs W. Stampfli (the "Executive SERPs"). The Company simultaneously contributed the following amounts to trusts established for the purpose of holding funds to satisfy the Company's obligations under each of the Executive SERPs: (i) under the plan for Brian F. King, \$750,000; (ii) under the plan for Keith L. Lampert, \$450,000, and (iii) under the plan for Urs W. Stampfli, \$110,000. The amounts in the Executive SERP accounts vest, so long as the executive continues to be employed by the Company, in three equal annual installments beginning January 1, 2001 or immediately upon: (i) a change of control of the Company; or (ii) a termination of the executive's employment by the Company without cause. The Company simultaneously approved a one-time grant of deferred compensation to Ira B. Lampert in the amount of \$1,549,999 with the same vesting schedule as under the Executive SERPs. The Lampert SERP includes appropriate terms to govern the one-time grant of deferred compensation to Mr. Lampert.

In connection with a one-time grant of deferred compensation to Gerald J. Angeli as of July 31, 2001, the Company adopted a Supplemental Executive Retirement Plan and Agreement (the "Angeli SERP") for the benefit of Mr. Angeli and contributed \$115,000 to a trust established for the purpose of holding funds to

## Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

satisfy its obligations under the Angeli SERP. The amounts in the Angeli SERP account vest, so long as Mr. Angeli continues to be employed by the Company, in five annual installments increasing from \$11,500 on June 11, 2002 and 2003, to \$23,000 on June 11, 2004 and \$34,500 on June 11, 2005 and 2006.

### Compensation Committee Report on Executive Compensation

The Compensation and Stock Option Committee of the Board (hereinafter, the "Committee") is comprised of two independent directors. The Committee seeks to ensure that the Company's compensation policies are designed and implemented to promote the goal of enhancing long-term shareholder value. The Committee believes that the key to achieving this goal is to attract, retain and motivate qualified and experienced executive officers and employees. The Committee therefore favors forms of compensation that encourage and reward long-term service to the Company, and enable those who succeed in building shareholder value to share in the value they have helped to create. As such, the Committee believes that critical components of compensation for executives are: (i) the award of stock options at the time the executive joins the Company and periodically thereafter and (ii) the payment of annual cash incentive compensation based upon the attainment by the Company of a specified return on equity set by the Board each fiscal year. The Committee continues to evaluate the critical components of executive compensation from time to time through the utilization of outside compensation consultants. The Committee believes that providing executives with opportunities to acquire significant stakes in the Company's growth and prosperity through the grant of stock options and other incentive awards will enable the Company to attract and retain qualified and experienced executive officers.

11

Executive Officers. Pursuant to the Company's By-laws as recently amended, compensation of the Chief Executive Officer ("CEO") and any executive officer having a familial relationship to the CEO is determined by a majority of the Company's independent directors (based on the Committee's recommendation) or by the Committee, in either case meeting in executive session. The compensation of all other executive officers is determined by the Committee.

In determining the appropriate level of compensation for the executive officers named in the "Summary Compensation Table," outside compensation consultants were engaged to obtain information and advice about competitive levels of compensation and particular compensation techniques used by public companies of comparable size (i.e., with comparable annual sales volume, market capital and/or assets) and survey data. After completing an internal recommendation and approval process involving the CEO and other executive officers, many factors are taken into consideration in determining an executive's compensation including: individual performance; the Company's financial performance; the compensation of executives at corporations of similar size and operations; years of service to the Company; the executive's responsibilities; the amount of time and travel required by the position; and the desire to encourage the long-term commitment of the executive. With respect to new executives, the results of any arms-length negotiations between the Company and such executive are also taken into consideration.

Executive officers may also participate in an annual incentive compensation pool ("AICP") equal to a percentage of the Company's earnings before interest, taxes, depreciation and amortization ("EBITDA") or after-tax net income, provided that the Company's return on shareholders' equity is not less than a percentage established by the Board for each fiscal year. Although an AICP was established pursuant to the target established for Fiscal 2002, at the suggestion of senior management, the Committee decided that bonuses would not be awarded to any of

## Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

the Company's executive officers with respect to Fiscal 2002 and that the amount established for that year's AICP would be carried forward into next year's potential AICP.

In addition, as part of the compensation package of each executive, the CEO recommends, and the Committee considers, the grant of stock options to each executive based on the above factors. For the reasons discussed above, it is the Committee's policy to make stock options as large a portion of an executive's total compensation package as is reasonable. Options are generally awarded to executive officers at the time that they join the Company and periodically thereafter, with vesting over a number of years.

Report on Repricing of Options. The only stock option grants during Fiscal 2002 to the executive officers named in the "Summary Compensation Table" were made in connection with the Company's October 2001 exchange offer, which is described in more detail under "Stock Options" above, in exchange for surrendering stock options that had been granted to them in Fiscal 2000. The options that had been granted to these executive officers in Fiscal 2000 were surrendered by them and cancelled in exchange for a new, repriced option to purchase 75% of the shares covered by the surrendered option. The Company offered directors and employees, including executive officers, the opportunity to participate in the exchange offer, as approved by the Company's Board of Directors. It determined that, with the exercise price of the stock options being far in excess of market values, the stock options did not provide the necessary incentive for the executive officers and other employees, and to simply grant additional options would not be appropriate.

Chief Executive Officer. In determining the appropriate level of compensation for the CEO, the Committee engaged the services of outside compensation consultants to obtain information and advice about competitive levels of compensation and particular compensation techniques used by public companies of comparable size (i.e., with comparable annual sales volume, market capital and/or assets) and survey data. The annual base salary of the CEO was not increased in Fiscal 2002. As discussed in greater detail elsewhere in this Proxy Statement, the CEO voluntarily agreed to have his base salary reduced, effective as of July 1, 2001, by \$100,000 per annum to its prior level. See "Executive Compensation - Executive Employment Contracts, Termination of Employment and Change in Control Arrangements." The independent directors of the Board and/or the Committee, as the case may be, approve the CEO's compensation based on criteria such as: (i) the complex international structure and operations of the Company, which are equivalent to those of much larger international corporations; (ii) the parity of CEO pay with other executive officers of the Company and executive officers to be hired in the future; and (iii) the extensive worldwide travel and time requirements that the CEO position entails.

### Audit Committee Report

The Audit Committee of the Board (the "Audit Committee") is comprised of three independent directors, as independence is defined under Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards, and operates under a written charter adopted by the Audit Committee and the Board. The members of the Audit Committee are Messrs. Cooper, Gindi and O'Neill.

The Audit Committee has reviewed and reassessed the adequacy of its written charter, a copy of which was included as an appendix to the Company's Proxy

## Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

Statement as filed on December 12, 2000 with the Securities and Exchange Commission ("SEC"). The Audit Committee expects to amend its charter in Fiscal 2003 to comply with applicable provisions of the Sarbanes-Oxley Act of 2002 and proposed Nasdaq Stock Market rules as they become effective.

The Audit Committee is primarily responsible for the effectiveness of the Company's accounting policies and practices, financial reporting and internal controls. Pursuant to its Charter, the Audit Committee is authorized to: (i) establish and review the activities of the independent auditor; (ii) review and approve the format of the financial statements to be included in the annual report to shareholders; (iii) review recommendations of the independent auditor and responses of management; (iv) review and discuss the Company's financial reporting, loss exposures and asset control with the independent auditor and management; (v) review on a continual basis the activities, organizational structure and qualifications of the Company's internal audit function (which is currently outsourced); (vi) monitor the Company's program for compliance with policies on business ethics; (vii) annually obtain from the independent auditor a written delineation of its relationships and professional services, and take or recommend that the Board take, appropriate action to ensure the continuing independence of the independent auditor; (viii) review with the independent auditor and the Company's financial and accounting personnel the adequacy and effectiveness of the Company's financial and accounting controls; (ix) review quarterly and annual financial statements of the Company to determine that the independent auditor does not take exception to the disclosure and content of the quarterly financial statements, and that it is satisfied with the disclosure and content of the annual financial statements; (x) inquire about significant risks and exposures to the Company and assess steps to minimize such risks; (xi) review with financial management of the Company and the independent auditor the results of their analysis of significant financial reporting issues and practices; (xii) review legal and regulatory matters that may have a material effect on the financial statements or Company compliance policies; (xiii) review any transactions among the Company, its subsidiaries and their employees or affiliates; (xiv) receive reports from the Company's compliance officer regarding related party transactions and compliance with corporate policies; and (xv) direct and supervise any special investigations the Audit Committee deems necessary.

In conjunction with its activities during the Company's 2002 fiscal year, the Audit Committee reviewed and discussed the Company's quarterly unaudited and annual audited financial statements with management of the Company and its independent auditor. The members of the Audit Committee discussed the quarterly agreed upon procedures and annual audit procedures performed by the independent auditor in connection with the quarterly unaudited and annual audited financial statements with management of the Company and its independent auditor. The members of the Audit Committee also discussed with the Company's independent auditor the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380), as amended by Statement of Auditing Standards No. 90. In addition, the Audit Committee received from the Company's independent auditor the written disclosures and the letter required by Independence Standards Board No. 1, and discussed with the independent auditor the independent auditor's independence. Based on the foregoing review and discussions, the Audit Committee recommended to the Board that the annual audited financial statements be included in the Company's Annual Report on Form 10-K for Fiscal 2002.

The Audit Committee has considered whether providing the non-audit services performed by its independent auditor is compatible with maintaining that firm's independence.

### Section 16 Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires our directors, executive officers and ten percent (10%) shareholders ("Reporting Persons") to file initial reports of ownership and reports of changes in ownership of the Common Stock and any other equity securities with the SEC. Reporting Persons are required to furnish us with copies of all Section 16(a) reports they file. Based on a review of the copies of the reports furnished to us and written representations from our directors and executive officers that no other reports were required, we believe that the Reporting Persons complied with all Section 16(a) filing requirements applicable to them with respect to Fiscal 2002.

### Certain Relationships and Related Transactions

#### Consulting Arrangements with Directors

A corporation controlled by J. David Hakman provided consulting services to us from 1997 to July 2002 pursuant to an engagement agreement entered into on September 25, 1997, as later amended and supplemented (the "Hakman Agreement"). Pursuant to the Hakman Agreement, the Company granted a warrant to purchase up to 260,000 shares of Common Stock at an exercise price of \$2.25 per share to a corporation controlled by Mr. Hakman. In October 2000, the corporation exercised the warrant as to all 113,000 shares that had vested up until that time. On September 25, 2002, the corporation exercised the warrant as to another 77,000 shares that were vested and exercisable at that time. The warrant never vested as to the remaining 70,000 shares and expired on September 25, 2002.

Since May 1, 2002, William J. Lloyd has been providing us with consulting services related to the technological aspects of the design, development and manufacture of cameras and other products. As compensation for these consulting services, the Company pays Inwit, Inc., a corporation controlled by Mr. Lloyd, a retainer of \$5,000 per month.

#### Transactions under the Management Equity Provisions of the 1993 Incentive Plan

On August 23, 1995, the Compensation Committee of the Board approved stock purchase awards under the Management Equity Provisions ("MEP") of the Company's 1993 Incentive Plan pursuant to which 1,000,000 shares of Common Stock were made available for purchase by senior management of the Company at a price per share equal to \$2.6875 per share (the closing price of the Common Stock on August 23, 1995, adjusted for the two-for-one stock split effective on April 14, 2000) pursuant to binding commitments to be made by such persons by August 31, 1995. The Company received commitments for the purchase of 888,000 shares (the "Purchased Shares"). Each purchaser was also granted the right to receive a contingent restricted stock award covering a number of shares equal to the number of shares he had purchased based upon attainment of increases in shareholder value in accordance with the Incentive Plan. If issued, such contingent restricted shares were to vest over a three-year period and were

## Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

subject to forfeiture prior to vesting under certain conditions.

In November 1995, members of the Company's senior management entered into purchase agreements (the "Purchase Agreements") for the Purchased Shares. Pursuant to the Purchase Agreements, each purchaser executed a full recourse note for the purchase price of such shares (each a "Note"; collectively, the "Notes") and pledged the Purchased Shares as security for the payment of the Note. The Notes bear interest at an annual rate of 6%. Concurrently with the execution of their respective Purchase Agreements and Notes, each purchaser entered into a Voting Agreement pursuant to which each purchaser agreed to vote all of his Purchased Shares and contingent restricted stock in accordance with the determination of the holders of a majority of all of the Purchased Shares and contingent restricted stock held by the purchasers. To effect the foregoing, each of the purchasers delivered an irrevocable proxy to Ira B. Lampert.

Pursuant to Amendments to each of the Purchase Agreements dated February 28, 1997 (the "Amendments"), the Company was relieved of its obligation to issue any contingent restricted stock. Instead, each participating member of the Company's senior management received, as of December 22, 1996, options to purchase that number of shares of Common Stock (the "Option Shares") equal to the number of Purchased Shares purchased by such person, at an exercise price of \$0.9063 per share. The options vested as to 20% of the Option Shares covered thereby as of December 22, 1996, and the balance of the shares covered thereby began vesting December 31, 1996 in equal monthly installments over a four-year period during the term of employment or consultancy. The unvested portion became vested on August 19, 1998 when the average closing price of the Common Stock was at least \$2.50 (after adjustment for the stock split effective on April 14, 2000) for 90 consecutive trading days. Concurrently with the Amendments, the Voting Agreement and the irrevocable proxies were amended and restated to include the Option Shares and delete any mention of the contingent restricted stock.

In April 1999, the Board approved a conditional release program whereby the Company agreed to forgive a portion of the indebtedness represented by each Note and concurrently release a proportionate number of Purchased Shares held by the Company as security for payment of the Notes. The debt forgiveness and share release program (the "Release Program") began on May 1, 1999 and will continue on January 1 each year through January 1, 2003. The total principal sum subject to forgiveness under the Release Program is \$2,386,500, together with interest owed under the Notes. The debt forgiveness is conditioned upon the person's continued employment with the Company. If a person ceases to be an employee or consultant of the Company prior to full forgiveness of the debt, the principal balance of the Note will immediately become due and payable, including any amounts scheduled to be forgiven at a future date.

17

As contemplated by the MEP, subsequent to 1995 certain Purchased Shares and the related options were transferred to other eligible members of the Company's senior management upon their execution of the required agreements and Notes. Notes previously delivered to secure payment for such shares were canceled upon delivery of new Notes by current members. The Purchased Shares and options awarded pursuant to the MEP are presently held by Ira B. Lampert, Brian F. King, Keith L. Lampert, Harlan I. Press and Arthur Zawodny.

In January 2000, the Board further provided that a participant in the MEP would have the right to prepay all or any portion of the indebtedness represented by a Note issued in connection with the purchase of shares, and that the amount so prepaid would be repaid to the participant as deferred compensation at such time as the amount would otherwise have been forgiven in accordance with the Release Program.

## Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

The following are the scheduled release dates, and the total amounts that are (or were, as the case may be) to be forgiven\* on such dates, under the Release Program.

\* After the January 1, 2000 release date, the balance of these amounts were repaid in full. Ira B. Lampert, Brian King, Keith Lampert and Arthur Zawodny have each prepaid in full the balance of the debts represented by their Notes and, assuming their continued employment with the Company, will be entitled to receive deferred compensation in lieu of the amounts scheduled to be forgiven under the Release Program.

### Employment of Christopher Lampert

Another son of Ira B. Lampert, Christopher Lampert, works for the Company in Hong Kong as a project analyst. In Fiscal 2002, we paid a total of \$64,428 for his salary and his housing in Hong Kong. Housing is customarily provided to our employees stationed by the Company in Hong Kong on foreign assignment.

### RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (Proposal Two)

Ernst & Young LLP ("Ernst & Young"), independent certified accountants, was appointed by the Board to audit the Company's financial statements for Fiscal 2003. This firm has acted as independent auditor for the Company since 1996. A representative of Ernst & Young is expected to attend the Annual Meeting, will have an opportunity to make a statement if he desires to do so, and will be available to respond to appropriate questions.

18

### Audit Fees

The aggregate fees billed by Ernst & Young for professional services rendered for the audit of the Company's annual financial statements for Fiscal 2002 and the reviews of the financial statements in the Company's Forms 10-Q for Fiscal 2002 were approximately \$310,000.

### All Other Fees

## Edgar Filing: CONCORD CAMERA CORP - Form DEF 14A

The aggregate fees billed by Ernst & Young for all other services rendered to the Company for Fiscal 2002 were approximately \$197,000 for accounting assistance services, merger and acquisition analysis and other non-audit services. There were no fees billed by Ernst & Young for services rendered in connection with the Company's financial information systems design and implementation during Fiscal 2002.

The Board is seeking shareholder approval of its selection of Ernst & Young since it is customary for a public company to obtain shareholder approval of its auditors. If shareholders do not approve the appointment of Ernst & Young as the auditors of the Company for Fiscal 2003 at the Annual Meeting, the Board, on recommendation of its Audit Committee, may reconsider the selection.

The affirmative vote of a majority of the votes cast by the holders of shares present or represented and entitled to vote at the Annual Meeting is required for shareholder approval. The Board recommends a vote FOR the ratification of the appointment of Ernst & Young as independent auditors for the Company for Fiscal 2003.
