These units are awarded pursuant to the Restoration Supplemental Retirement Plan ("Restoration Plan"). Generally, units under this plan shall be paid out following termination of employment or later as per the terms of the plan document. Each unit represents a hypothetical AES investment equal to one share of AES Common stock and units under the Restoration Plan are 100% vested upon award.

The Company did not meet the threshold performance conditions for this 2007 RSU award resulting in the forfeiture of the award. In column 9, the Company has voluntarily included amounts for grants awarded in 2008 and 2009 where performance criteria have not yet been met. The Company intends to discontinue voluntary disclosure of awards where performance criteria have not been met. The amount also includes 4,977 RSUs that were granted in 2006 which include only time-based vesting.
