PRESS RELEASE

Date 21 June 2004

Number 010

This news release is neither an offer to sell nor a solicitation of an offer to buy, nor shall there be any sale of, these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful. Because the Senior Subordinated Notes referred to in this press release are being offered through a private placement, they have not been registered under the Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.

BUHRMANN ANNOUNCES PROPOSED ISSUANCE OF USD 150 MILLION SENIOR SUBORDINATED NOTES DUE 2014

In view of the refinancing and further optimisation of its capital structure Buhrmann NV announced today that, through its subsidiary Buhrmann US Inc., it proposes to launch USD 150 million of 10-year Senior Subordinated Notes (the "New Notes") through a private placement pursuant to Regulation S and Rule 144A of the US Securities Act as set forth in an Offering Memorandum.

The introduction of the New Notes follows a favourable response from investors to the tender offer commenced on 3 June 2004 by Buhrmann US Inc. for all of its USD 350 million of outstanding 12¹/₄% Senior Subordinated Notes due 2009 (the "2009 Notes"). Bondholders representing more than 87% of these 2009 Notes have tendered their Notes in the offer and have given their consents to the proposed amendments. As a result, the indenture amendments have become effective, which fulfils one of the major preconditions for repurchasing these previously issued securities.

Floris Waller, Chief Financial Officer and member of the Executive Board of Buhrmann, commented: "We are pleased that a majority of the current holders of our 2009 Notes have accepted our conditional tender offer. This paves the way for the next steps towards lowering our financing costs going forward and to further optimising our capital structure. The proposed issuance of the New Notes due in 2014 aims to be instrumental in achieving lower financing costs and in extending the maturity of our debt profile."

Background information

The tender offer for the 2009 Notes as announced on 3 June 2004 is subject to a number of preconditions, including the company's ability to obtain financing on terms and conditions acceptable to Buhrmann to enable it to purchase these Notes in the offer. Tenders of these 2009 Notes may be withdrawn, and related consents may still be revoked if the tender offer is terminated.

Buhrmann expects to obtain the funds necessary to consummate the tender offer through the offer and sale of New Notes (or other debt securities), borrowings under its credit facility and cash on hand. It is anticipated that the sale of New Notes or other debt securities, if any, will be consummated on or prior to the Expiration Date of the tender offer (set at 12:00 midnight, New York time, on Wednesday 30 June 2004).
