ITEM 1. SECURITY AND ISSUER

This Schedule 13D relates to the common stock, \$.10 par value (the "Securities"), of Delta & Pine Land Co., a Delaware corporation (the "Issuer"). The principal executive office of the Issuer is located at One Cotton Row, Scott, Mississippi 38772.

ITEM 2. IDENTITY AND BACKGROUND

(a), (b), (c) and (f). This statement is being filed jointly by Sterling Capital Management LLC ("Sterling"), Sterling MGT, Inc. ("MGT"), Eduardo A. Brea ("Brea"), Alexander W. McAlister ("McAlister"), David M. Ralston ("Ralston"), Brian R. Walton ("Walton"), and Mark W. Whalen ("Whalen").

Sterling is an investment adviser registered with the Securities & Exchange Commission under the Investment Advisers Act of 1940. The address of its principal office is 4064 Colony Road, Suite 300, Charlotte, NC 28211. Sterling serves as an investment adviser to individual and institutional clients. The Securities of the Issuer reported in Item 5 were acquired on behalf of the investment advisory clients of Sterling, under discretionary authority granted to Sterling.

MGT is the Managing Member of Sterling and has the same address as Sterling. Brea, McAlister, Ralston, Walton, and Whalen are controlling shareholders of MGT and such activities constitute their primary occupations, each are United States citizens and each has the same business address as Sterling and MGT. MGT, Brea, McAlister, Ralston, Walton, and Whalen are control persons under 17 C.F.R. 240.13d-1(b)(1)(ii)(G).

(d) and (e). None of the entities or persons identified in this Item 2 has during the past five years been convicted in any criminal proceeding, nor been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

The respective investment advisory clients of Sterling used approximately \$96,399,430 in the aggregate to purchase the Securities reported in this filing. All assets used to purchase Securities were assets of these respective clients and none were assets of Sterling. In addition, none of the proceeds used to purchase the Securities were provided through borrowings of any nature.

ITEM 4. PURPOSE OF TRANSACTION

On January 9, 2004 and January 23, 2004, Sterling sent letters to the members of the board of directors of Delta & Pine Land Company encouraging the board to consider recapitalizing the company. In late January 2004, we also discussed a specific proposal for recapitalization and on March 24 we sent another letter encouraging management to address our concerns on the

Edgar Filing: DELTA & PINE LAND CO - Form SC 13D/A

conference call following their 2Q earnings release. Sterling believes that Delta & Pine has retained significantly more capital than is necessary to operate its business. By acting on our recommendation, we believe that Delta & Pine can lower its cost of capital and materially improve the company's valuation in the public securities markets. We have attached copies of our recent correspondence with Delta & Pine.

On August 27, 2004 representatives of Sterling capital met with Delta and Pine's Chairman and Chief Executive Officer to discuss our proposed recapitalization initiative. This proposal was a follow-up to the presentation first provided to Delta and Pine's board of directors in January of 2004. Sterling continues to believe that Delta and Pine has retained significantly more capital than is necessary to operate its business. By acting on our recommendation, we believe that Delta can lower its cost of capital and materially improve the company's valuation in the public securities markets. Attached is an excerpt from the presentation used during the August 27, 2004 meeting.

The Securities reported in this filing have been acquired for investment purposes on behalf of client accounts over which Sterling has discretionary investment authority.

In pursuing such investment purposes, Sterling may further purchase, hold, vote, trade, dispose or otherwise deal in the Securities at times, and in such manner, as they deem advisable to benefit from changes in market prices of such Securities, changes in the Issuer's operations, business strategy or prospects, or from sale or merger of the Issuer. To evaluate such alternatives, Sterling will routinely monitor the Issuer's operations, prospects, business development, management, competitive and strategic matters, capital structure, and prevailing market conditions, as well as alternative investment opportunities and other investment considerations. Consistent with its investment research methods and evaluation criteria, Sterling may discuss such matters with management or directors of the Issuer, other shareholders, industry analysts, existing or potential strategic partners or competitors, investment and financing professionals, sources of credit and other investors. Such factors and discussions may materially affect, and result in, Sterling modifying its clients' ownership of the Securities, exchanging information with the Issuer pursuant to appropriate confidentiality or similar agreements, proposing changes in the Issuer's operations, governance or capitalization, or in proposing one or more of the other actions described in subsections (a) through (j) of Item 4 of Schedule 13D.

Sterling reserves the right to formulate other plans and/or make other proposals, and take such actions with respect to their investment in the Issuer, including any or all of the actions set forth in paragraphs (a) through (j) of Item 4 of Schedule 13D.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) and (b). The aggregate number and percentage of Securities to which this Schedule 13D relates is 4,176,985 shares of the common stock of the Issuer, constituting approximately 10.8% of the 38,550,251 shares outstanding. Securities reported as beneficially owned by Sterling are also reported as beneficially owned by each of MGT, Brea, McAlister, Ralston, Walton, and Whalen as control persons. By reason of such relationships, each of the above entities and individuals are reported as having shared power to vote or to direct the vote, and shared power to dispose or direct the disposition of, such Securities.

The written investment advisory agreements with clients do not contain provisions relating to borrowing of funds to finance the acquisition of the Securities, acquisition of control, transfer of securities, joint ventures, or any of the other transactions listed in the instructions to Item 7 of Schedule 13D other than voting of proxies. In connection with voting, Sterling may be allowed or directed to vote the proxies received by discretionary accounts.
