ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 23, 2003

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Sohu.com Inc. of proxies for use at Sohu's Annual Meeting of Stockholders (the "Annual Meeting") to be held at Sohu's offices located at 7 Jianguomen Nei Avenue, Suite 1519, Tower 2, Bright China Chang An Building, Beijing 100005, People's Republic of China, on Friday, May 23, 2003 at 10:00 a.m., Beijing time, and at any adjournments thereof. This Proxy Statement and the accompanying proxy card are first being mailed to stockholders on or about April 23, 2003. Sohu's Annual Report to Stockholders for the fiscal year ended December 31, 2002 is being mailed to the stockholders with this Proxy Statement, but does not constitute a part of the Proxy Statement.

If proxies are properly dated, executed and returned, the shares they represent will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the

Edgar Filing: SOHU COM INC - Form DEF 14A

shares represented by proxies will be voted as follows:

FOR the election of the nominees for directors named herein; and

FOR ratifying the appointment of PricewaterhouseCoopers as Sohu's independent auditors for the fiscal year ending December 31, 2003.

In addition, if other matters come before the Annual Meeting, the persons named in the accompanying proxy card will vote in accordance with their judgment with respect to those matters. You have the power to revoke your proxy at any time prior to its exercise by filing with Sohu's Chief Financial Officer an instrument revoking it, by delivering an executed proxy bearing a later date prior to or at the Annual Meeting, or by attending the Annual Meeting and voting in person.

Sohu will bear the cost of soliciting proxies. Solicitations may be made by mail, personal interview, telephone and/or telegram by Sohu's directors, officers and employees, without additional compensation for such solicitation activities. Sohu has made arrangements with The Bank of New York, 101 Barclay Street, Floor 11E, New York, NY 10286 and Georgeson Shareholder Communications Inc., 111 Commerce Road, Carlstadt, NJ 07072 to forward solicitation material to record holders of shares of common stock and the beneficial owners of shares held of record by brokers, banks, or other nominees. Sohu will reimburse banks, brokerage firms, other custodians, nominees and fiduciaries for reasonable expenses incurred in sending proxy material to beneficial owners of shares of common stock held in their respective names.

-4-

Only stockholders of record on Sohu's books at the close of business on March 26, 2003 will be entitled to vote at the Annual Meeting and any adjournments. Under Sohu's By-laws, the presence in person or by proxy of a majority of the shares of common stock outstanding on the record date is required for a quorum. Abstentions and broker non-votes are each included for purposes of determining the presence or absence of a sufficient number of shares to constitute a quorum for the transaction of business. With respect to the approval of any particular proposal, abstentions and broker non-votes are not counted in determining the number of votes cast. Other than the election of directors, which requires a plurality of the votes cast in person or by proxy, each matter to be submitted to the stockholders requires the affirmative vote of the holders of a majority of the shares of Sohu common stock that are present in person or by proxy at the Annual Meeting.

As of the close of business on March 31, 2003, there were 34,878,143 shares of Sohu common stock outstanding.

PROPOSAL I. ELECTION OF DIRECTORS

Our Board of Directors is divided into two classes, with each class holding office for a term of two years and the term of one class expiring each year. The Board has fixed the number of directors to constitute the full Board for the ensuing year at five, three of whom are to be elected at the Annual Meeting for a term expiring at the 2005 annual meeting of stockholders and two whose terms expire at the 2004 annual meeting of stockholders. Dr. Charles Zhang, George Chang and Charles Huang are in the class of directors whose term expires at the Annual Meeting. The Board has nominated Dr. Zhang, Mr. Chang and Mr. Huang for election to the class of directors whose term will expire in 2005. Unless you indicate otherwise on your proxy, the proxies received will be voted in favor of the election of Dr. Zhang, Mr. Chang and Mr. Huang to serve as directors.

Although we expect that each of the nominees will be available for

Edgar Filing: SOHU COM INC - Form DEF 14A

election, if a nominee is not a candidate at the time the election occurs, proxies will be voted for the election of a substitute nominee selected by the Board of Directors, unless the Board chooses to reduce the number of directors to the number of directors not up for election plus the number of nominees then available for election, in which case the proxies would be voted for the reduced number of nominees. The three nominees receiving a plurality of the votes cast by the stockholders represented at the Annual Meeting, in person or by proxy, will be elected as directors.

GENERAL INFORMATION RELATING TO THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS

The Board of Directors held eight meetings in the fiscal year ended December 31, 2002 and acted by consent in lieu of meetings on three occasions. No member of the Board of Directors attended less than 75% of the total number of meetings of the Board and committees thereof upon which he served during 2002 (during the periods in which they were directors or members of such committees).

COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors has an audit committee and a compensation committee.

The members of the audit committee are George Chang, Thomas Gurnee and Charles Huang. The audit committee reviews the scope of the annual audit by Sohu's independent auditors and internal auditors, monitors Sohu's internal financial and accounting controls and procedures and appoints the independent auditors. The audit committee held five meetings in 2002. The audit committee and the full Board of Directors have adopted a written charter for the audit committee. Mr. Chang and Mr. Huang are each independent directors as defined in Rule 4200(a)(15) of the Nasdaq Stock Market's Marketplace Rules. Because he was employed as Sohu's Chief Financial Officer until December 31, 2000, Mr. Gurnee is not considered an independent director under the Nasdaq Stock Market's Marketplace Rules. The Board of Directors determined that Mr. Gurnee's appointment to the audit committee is in the best interests of Sohu and its stockholders because he is knowledgeable about Sohu's finances and operations and is well respected by the Board and is therefore, in the Board's view, particularly well suited to the task of assisting the Board and other members of the audit committee in overseeing Sohu's audit and financial reporting functions and interacting with Sohu's independent auditors. Sohu understands that, in the light of certain SEC and proposed Nasdaq rules, George Chang will likely no longer be considered independent for audit committee purposes upon the effectiveness of those rules. In view of this expectation, Sohu has begun to consider other candidates for participation on the audit committee.

The compensation committee currently consists of Edward Roberts and Thomas Gurnee. The compensation committee acted by consent in lieu of meetings on three occasions in 2002, and held one formal meeting in 2002. The committee also acted through e-mail communications among its members, and made recommendations to the Board of Directors on six occasions in 2002. The compensation committee makes recommendations concerning salaries and incentive compensation, administers and approves stock option grants under Sohu's 2000 Stock Incentive Plan and otherwise determines compensation levels and

-8-

performs such other functions regarding compensation as the Board may delegate to the compensation committee.

AUDIT COMMITTEE REPORT

The audit committee reviews Sohu's internal accounting procedures and considers, approves and reports to the Board of Directors with respect to other auditing and accounting matters, including the scope of annual audits, fees to be paid to Sohu's independent auditors and the performance of Sohu's independent auditors. The full responsibilities of the audit committee are set forth in its audit committee charter. The audit committee charter, which is reviewed and

Edgar Filing: SOHU COM INC - Form DEF 14A

updated annually, was approved by the Board of Directors.

The audit committee reviews the scope of the annual audit by Sohu's independent auditors and internal auditors, monitors Sohu's internal financial and accounting controls and procedures and appoints the independent auditors. In fulfilling its responsibilities, the audit committee:

- o discussed and considered the independence of PricewaterhouseCoopers, reviewing as necessary all relationships and services which might bear on PricewaterhouseCoopers's objectivity as outside auditor;
- o received written affirmation from PricewaterhouseCoopers that it is in fact independent;
- o discussed the overall audit process, receiving and reviewing all reports of PricewaterhouseCoopers;
- o involved PricewaterhouseCoopers in the audit committee's review of Sohu's financial statements and related reports with management;
- o provided to PricewaterhouseCoopers full access to the audit committee and the full Board of Directors to report on all appropriate matters; and
- o discussed with PricewaterhouseCoopers all matters required to be reviewed under generally accepted auditing standards.

The audit committee met with selected members of management and PricewaterhouseCoopers to review financial statements, including quarterly reports, discussing such matters as the quality of earnings; estimates, reserves and accruals; the suitability of accounting principles; financial reporting decisions; and audit adjustments.

The audit committee selected, subject to stockholder approval, PricewaterhouseCoopers as Sohu's outside auditor. In addition, the audit committee considered the quality and adequacy of Sohu's internal controls and made recommendations to the full Board of Directors for enhancing such controls.

Based upon its work and the information received in the inquiries outlined above, the audit committee recommended to Sohu's Board of Directors that Sohu's audited financial statements be included in Sohu's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

Management is responsible for Sohu's financial reporting process, including its system of internal control, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. Sohu's independent auditors are responsible for auditing those financial statements. The audit committee's responsibility is to monitor and review these processes. It is not the audit

-9-

committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The members of the audit committee are not employees of Sohu and may not be, and may not represent themselves to be or serve as, accountants or auditors by profession.

THE AUDIT COMMITTEE

Thomas Gurnee

The assumed 5% and 10% annual rates of appreciation over the term of the options are set forth in accordance with rules and regulations adopted by the Securities and Exchange Commission and do not represent our estimates of stock price appreciation. The potential realizable value is calculated using \$6.40 per share as the base value on which appreciation has been calculated. Actual gains, if any, on stock option exercises are dependent upon a number of factors, including the future performance of the common stock and the timing of option exercises, as well as the optionee's continued employment through the vesting period. There can be no assurance that the amounts reflected in this table will be achieved.

(2) Options granted vest over a four-year period commencing from January 31, 2002, with 25% of the options vesting at the end of the first year and the remaining options vesting ratably on a quarterly basis over the remaining term of the options.

EMPLOYMENT AGREEMENTS

The summaries of the various employment agreements set forth below are qualified in their entirety by reference to the full text of the agreements, which are exhibits to Sohu's Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

Effective as of January 1, 2003, Sohu entered into three-year employment agreements with each of Charles Zhang and Derek Palaschuk. The employment agreements provide that Messrs. Zhang and Palaschuk respectively receive base salaries of \$165,000 and \$120,000 per year. In addition, each of Messrs. Zhang and Palaschuk has the opportunity to (i) earn incentive bonuses based upon certain performance criteria and other factors determined relevant by Sohu's Board of Directors, and (ii) receive stock options and other incentive awards. The employment agreements also provide for the following additional benefits for the named executives: vacation time and sick leave, health and medical insurance, life and disability insurance, housing allowances, reimbursement of tuition fees for the executives' children and tax equalization. In addition, Dr. Zhang receives a car allowance under his employment agreement.

The employment agreements provide for continued employment until termination by either party. Sohu may terminate any executive's employment with or without cause at any time. However, if the termination is without cause, Sohu must provide the executive with 30 days' prior notice of termination. If Sohu terminates without cause or an executive terminates his employment for good reason (each as defined in the employment agreements), the executive will be entitled to the following:

Edgar Filing: SOHU COM INC - Form DEF 14A

- o The executive will continue to receive payments equal to the executive's monthly base salary in effect on the date of termination for the shorter of (i) six months and (ii) the remainder of the term of the executive's employment agreement;
- o Health insurance benefits will be provided at Sohu's expense for so long as Sohu is obligated to pay severance; and
- o Sohu will be obligated to continue to carry the executive on its directors and officers' insurance policy for six years following the date of termination at Sohu's expense, subject to certain limits on the costs of the premiums.

In addition, if Sohu terminates an executive's employment without cause and the termination is within the one-year period following a change in control of Sohu (as defined in the employment agreements), all of the executive's stock options will become immediately exercisable and any Sohu repurchase rights will immediately terminate.

Also, if Sohu terminates an executive's employment agreement without cause, if an executive terminates his employment agreement for good reason or if an executive dies or becomes disabled, the executive will be entitled to receive the bonus to which he would have been entitled had he continued to be employed through the end of the then current year.

If (i) an executive fails to comply with (a) the terms of his employment agreement, (b) the agreement referred to below related to confidentiality, nonsolicitation, noncompetition and assignment of intellectual property, or (c) the written policies and procedures of Sohu, (ii) an executive acts against the specific instructions of Sohu's Board of Directors, or (iii) if an executive's employment is terminated by Sohu for cause, the executive will forfeit all options and other stock awards, whether vested or not, and all shares of common stock of Sohu, if any, purchased by the executive pursuant to the exercise of stock options or other

-17-

stock awards and still then owned by the executive may be repurchased by Sohu at the price paid by the executive.

In addition, if an executive violates the agreement referred to below related to confidentiality, nonsolicitation, noncompetition and assignment of intellectual property after the termination of his employment:

- o the executive will not be entitled to any further payments from Sohu;
- o any insurance or other benefits that have continued will terminate immediately;
- o the executive will be required to reimburse all severance paid to him; and
- o if the executive would not, in the absence of the violation, have been entitled to severance payments from Sohu equal to at least six months' base salary, the executive will pay to Sohu an amount equal to the difference between six months' base salary and the amount of severance pay required to be reimbursed to Sohu by the executive.

The employment agreements also require the executives to enter into agreements providing for (i) assignment of intellectual property, (ii) confidential treatment of Sohu's proprietary information and (iii) during the term of their employment and for the following year, (a) nonsolicitation of Sohu's employees, contractors, customers, suppliers and partners and (b) non-competition with Sohu.

The following graph compares, for the period that Sohu's common stock has been registered under Section 12 of the Exchange Act (which commenced July 12, 2000), the cumulative total stockholder return for Sohu, the Nasdaq Stock Market (U.S. companies) Index (or the Nasdaq Market Index) and the MG Group Index for Internet Information Services (or MG Group Index). Measurement points are July 12, 2000 (the first trading day) and the last trading day of Sohu's fiscal years ended December 31, 2000, December 31, 2001 and December 31, 2002. The graph assumes that \$100 was invested on July 12, 2000 in the common stock of Sohu, the Nasdaq Market Index, and the MG Group Index, and assumes reinvestment of any dividends. COMPENSATION COMMITTEE REPORT

GENERAL COMPENSATION POLICY

The compensation committee believes that Sohu's compensation programs for executive officers should be designed to attract, motivate, and retain talented

Edgar Filing: SOHU COM INC - Form DEF 14A

executives and should be determined within a competitive framework and based on the achievement of overall financial results and individual contributions. The compensation committee's objectives are to: (i) offer a total compensation program that strives to be competitive with comparable talent at comparable companies in China but also permits recruiting and retention of talented executives who might otherwise be employed by technology companies in the United States and (ii) align the financial interests of executive officers with those of the stockholders by providing significant equity-based incentive awards.

BASE SALARY

The base salary for each executive officer is set on the basis of the responsibilities of the position held, the experience and performance of the individual, and a review of comparable positions based on informal surveys of the industry in China as well as the United States.

STOCK OPTIONS

Grants to executive officers under Sohu's 2000 Stock Incentive Plan allow the officers to acquire shares of Sohu's common stock at the market price on the grant date over a specified period of time. Each option typically vests in periodic installments from one to four years as specified in the option agreement applicable to each executive. Generally, stock options are granted when an executive joins Sohu. Additional options are granted on the basis of the individual's performance, potential for future responsibility and the number of unvested options held by the individual at the time of the new grant. The grants are designed to align the interests of executive officers with stockholders and to provide each executive officer with a significant incentive to manage Sohu.

OTHER ELEMENTS OF EXECUTIVE COMPENSATION

Compensation paid to Sohu's executive officers also generally includes bonuses, the provision of housing and tax equalization. Bonus amounts for 2002 were determined based upon revenue targets and cash burn rate targets for the first half and second half of 2002.

CHIEF EXECUTIVE OFFICER COMPENSATION

The annual base salary for Sohu's Chief Executive Officer, which is currently set by his employment agreement at \$165,000 per annum, was determined by the compensation committee and approved by the Board of Directors. Prior to December 31, 1999, Dr. Charles Zhang, Sohu's founder, President and Chief Executive Officer, earned \$50,000 per annum in salary. In consideration of the significant growth and scale of Sohu's operations under the leadership of Dr. Zhang, effective January 1, 2000, his salary was increased to \$100,000 per annum and Sohu provided to Dr. Zhang a housing allowance and tax equalization at a rate of 15% of his salary. On March 1, 2001, Dr. Zhang's salary was increased to \$150,000 to bring his salary in line with other senior executives of companies comparable to Sohu. Dr. Zhang earned \$150,000 in salary in 2002 as well. Dr. Zhang also earned bonus payments totaling \$56,860 in 2002. The amount of Dr. Zhang's bonus was determined based upon revenue targets and cash burn rate targets for the first half and second

-20-

half of 2002. The first half bonus earned by Dr. Zhang was \$27,488 and the second half bonus earned by Dr. Zhang was \$29,372.

Dr. Zhang was also granted options to purchase 87,500 shares of common stock in January 2002. These options have an exercise price of \$1.18 per share and options for 21,875 of these shares are currently exercisable. In addition,

Edgar Filing: SOHU COM INC - Form DEF 14A

Dr. Zhang was granted options to purchase 132,000 shares of common stock in June 2002. These options have an exercise price of \$1.29 per share and are currently exercisable in full.

In addition, in 2002 Dr. Zhang received a housing allowance of \$21,600 and tax equalization of \$48,134.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

(A) TRANSACTIONS RELATED TO SAM QIAN

Sam Qian, who is the brother-in-law of Dr. Charles Zhang, Sohu's President and Chief Executive Officer, is a Vice President of Sohu. Mr. Qian is also Chief Executive Officer of Sohu-Guolian Information Technology Co., Ltd, an affiliate of Sohu. He received the following payments in fiscal 2002:

- o from Sohu: (i) \$47,500 in salary; (ii) a bonus of \$31,450; (iii) \$24,000 as a housing allowance; (iii) tax equalization of \$4,500; (iv) payments for tuition fees for his children of \$22,000; and (v) payments for health insurance of \$4,000; and
- o from Sohu-Guolian Information Technology Co., Ltd: (i) \$27,000 in salary and (ii) a bonus of \$5,400.

(B) TRANSACTIONS RELATED TO BEIJING SOHU ONLINE NETWORK INFORMATION SERVICES, LTD., BEIJING CENTURY HIGH-TECH CO., LTD., AND BEIJING HENGDA YITONG INTERNET TECHNOLOGY DEVELOPMENT CO., LTD.

Current People's Republic of China, or PRC, regulations prohibit foreign companies such as Sohu from owning or operating telecommunications, internet content and certain other businesses in China. Sohu's wholly owned PRC subsidiary, Sohu ITC Information Technology (Beijing) Co., Ltd., or Beijing ITC, does not have a license to provide Internet content and information services. As a result, Sohu restructured its operations in 2000. As part of this restructuring, Sohu's content-related operations were transferred to Beijing Sohu Online Network Information Services, Ltd., or Beijing Sohu, a PRC company that has received approval to develop Internet content and information services.

Edgar Filing: SOHU COM INC - Form DEF 14A

Beijing Sohu is 80% owned by Charles Zhang, Sohu's President and Chief Executive Officer, and 20% owned by He Jinmei, an employee of Beijing ITC, both of whom are PRC nationals. Dr. Zhang is also a Director of Beijing Sohu.

Beijing Century High-Tech Co., Ltd., or High Century, has been formed, and is owned 80% by Charles Zhang and 20% by Li Wei, an employee of the Company and a PRC national. In April 2002, High Century invested \$3,080,000 in Sohu-Guolian Information Technology Co., Ltd., or Sohu-Guolian, a company incorporated in the PRC, for a 51% equity interest in and joint control of Sohu-Guolian. Sohu-Guolian will provide technical services to the PRC online securities trading and financial services industries.

Beijing Hengda Yitong Internet Technology Development Co., Ltd., or Hengda, has also been established, and is owned 80% by High Century and 20% by Li Wei. Hengda has obtained the approval from the Minister of Information Industry for providing Internet access services in Beijing, Shanghai, and Guangzhou, China.

Because of PRC regulations which prohibit foreign companies from operating in the telecommunications industry, Beijing Sohu contracted with mobile network operators on behalf of Sohu substantially all e-subscription revenues of \$10,132,000 and \$1,252,000 during the years ended December 31, 2002 and 2001, respectively. At December 31, 2002 and 2001, accounts receivable from a related party represented receivables from Beijing Sohu of \$1,962,000 and \$505,000, primarily related to e-subscription revenues ultimately due from mobile network operators.

LOAN AGREEMENTS

At March 31, 2003, the Company had made long term loans of \$5,097,000 to Dr. Zhang, He Jinmei and Li Wei for purposes of funding the Company's investments in High Century, Hengda, and Beijing Sohu. No

-22-

such loans were made to Dr. Zhang after the issuance of the Sarbanes-Oxley Act of 2002. The Company uses long term loans to these parties for funding the Company's investments in High Century, Hengda and Beijing Sohu because, as discussed above, PRC regulations prohibit or restrict foreign companies such as Sohu from owning or operating telecommunications, Internet content and certain other businesses in China. The long term loans include provisions which provide that (i) the loans can only be repaid to the Company by transferring the shares of High Century, Hengda, and Beijing Sohu to the Company, (ii) the shares of High Century, Hengda, and Beijing Sohu cannot be transferred without the approval of the Company, (iii) the Company has the right to appoint all directors and senior management personnel of High Century, Hengda, and Beijing Sohu, (iv) the High Century, Hengda, and Beijing Sohu shares have been pledged as collateral for the loans, and (v) the loans bear no interest and are due on demand after November 2003 in the case of High Century, after January 2003 in case of Hengda, and the earlier of a demand or 2010, in the case of Beijing Sohu, unless a borrower ceases to be an employee of the Company, in which case the applicable loan is immediately repayable.

Beijing ITC and Beijing Sohu have also entered into the following agreements:

COOPERATION AGREEMENT

Under this agreement, Beijing Sohu agreed to provide Internet information services to Beijing ITC for a service fee of \$145,000. The parties intend that the fee be an amount necessary to reimburse Beijing Sohu for all its costs and expenses incurred in conducting its content operations under the cooperation agreement. In order to allow Beijing Sohu to provide the services, Beijing ITC

Edgar Filing: SOHU COM INC - Form DEF 14A

has granted to Beijing Sohu and will assist Beijing Sohu in obtaining from Sohu licenses for a fixed monthly fee. Beijing ITC has agreed that it will provide technical services to Beijing Sohu in order to support Beijing Sohu's operations and services.

ASSETS AND BUSINESS RESTRUCTURING AGREEMENT

Under this agreement, Beijing ITC agreed to transfer all ten of its content-related servers and related equipment to Beijing Sohu for \$89,000 and assign up to 25 of its content editors and supervisors to Beijing Sohu. In return, Beijing Sohu agreed to use the content-related servers and related equipment solely for the purpose of providing information services to the www.sohu.com Web site and to be responsible for the compensation, welfare and employment of the content editors and supervisors assigned to Beijing Sohu.

OPTION AGREEMENT

Beijing ITC entered into an exclusive 20 year option agreement with the stockholders of Beijing Sohu, Dr. Charles Zhang and Ms. Jinmei He. Under this agreement, Beijing ITC or a third party designated by Beijing ITC will have the right, at any time, subject to the laws of the PRC, including any applicable restrictions on foreign investment, to purchase from Dr. Zhang and Ms. He at an aggregate price of \$242,000, their entire ownership interest in Beijing Sohu. In the event Beijing ITC or its designee purchases shares of Beijing Sohu pursuant to the option agreement, the net proceeds to Dr. Zhang and Ms. He from the sale of shares will be applied towards partial repayment of the loans described above.

-23-

(C) REPURCHASE OF SHARES FROM JADE BIRD

In October 2002, Sohu purchased 1.2 million shares from Hong Kong Jade Bird Science and Technology Limited (at the time a more than 5% stockholder of Sohu) at a price per share of \$1.65 for total consideration of \$1.98 million and paid a brokerage commission of \$0.02 per share.

Edgar Filing: SOHU COM INC - Form DEF 14A
