Item 1.01.

Entry into a Material Definitive Agreement.

The following discussion provides only a brief description of the documents described below. The discussion is qualified in its entirety by the full text of the agreements.

On July 25, 2006 Ableauctions.com, Inc. reported that its wholly-owned subsidiary, Axion Investment Corporation (formerly Stanford Development Corporation and referred to in this Current Report as Axion), entered into a joint venture agreement with Can-Italia Industries (Can-Italia) and 449991 B.C. Ltd. (449991) to form a joint venture for the purpose of purchasing two vacant lots for development (the Property). In order to develop the Property, Axion, Can-Italia and 449991 formed Township Holdings Ltd. (Township). Each of the parties to the own a one-third interest in the project.

On March 13, 2007, Axion authorized Envision Credit Union (ECU) to make a demand loan to Township in the amount of \$1.4 million (CAN) for the benefit of Can-Italia and 449991 (the Loan). The parties have acknowledged that the Loan is for the sole benefit of 449991 and Can-Italia and have agreed that none of Township, Axion or Ladha will have responsibility for payments of the Loan and that Township, Axion and Ladha will be fully indemnified for any expenses or payments they become liable for thereunder. In exchange for the Loan, ECU received a promissory note from Township requiring the payment of interest only at the rate of prime plus 1% per annum until ECU demands payment of the principal, a mortgage against the Property and a security interest in the personal property of Township. ECU also required Axion and Abdul Ladha, the President of Ableauctions.com, Inc. and of Axion, to enter into a Debt Service Agreement.

Pursuant to the Debt Service Agreement, Mr. Ladha and Axion agree that they will be responsible for the monthly interest payments required by the promissory note in the event that 449991 and Can-Italia fail to make the payments as required. Mr. Ladha and Axion

As consideration for their execution of the Debt Service Agreement, the directors of Can-Italia, Sehbey and Singh, Can-Italia, 449991 and J. Purewall and S. Purewall, both of whom are directors of 449991, (collectively, these parties are referred to as the Responsible Parties) entered into an Escrow Agreement with Axion, Mr. Ladha and Peter James Goodwin, who acts as escrow holder. Pursuant to the Escrow Agreement, the Responsible Parties acknowledge that Township, Mr. Ladha and Axion have no responsibility for payment of the Loan and 449991 and Can-Italia agree to indemnify Township, Mr. Ladha and Axion for any expenses or payments incurred by them in relation to the Loan. 449991 and Can-Italia also agree to make all Loan payments and to use their best efforts to renew the Loan until the Property is developed and sold, at which time the Loan will be paid from their shares of the sale proceeds.

If 449991 and Can-Italia default on the loan obligation to ECU, Axion will be entitled, but not obligated, to purchase the shares of stock in Township that are owned by the Responsible Parties at a price discount to market. If Axion exercises its right to purchase the stock owned by the Responsible Parties, then it will have no further recourse against 449991 and Can-Italia for payment of the Loan. If Axion does not exercise its right to purchase the stock owned by the Responsible Parties, then the Responsible Parties agree that they shall indemnify and hold Mr. Ladha, Axion and Township harmless from and against any amounts that they or any of them may pay in order to bring the Loan into good standing or to prevent ECU from foreclosing on its security, including, without limiting the generality of the foregoing, any payments of principal, interest, and legal fees made by Axion, Mr. Ladha or Township.

OF THE TENTH PART

WHEREAS:

A.

By an agreement in writing dated for reference July 14, 2006, Axion (formerly Stanford Development Corporation), Can-Italia and 449991 agreed to form a joint venture for the purposes of acquiring two real properties located at 20542 - 80th Avenue and 20514 - 80th Avenue, Langley, B.C. (hereinafter collectively referred to as the Joint Venture Agreements)

C.

The Company completed the purchase of the Properties on Aug 14, 2006 for the purchase price of \$2,660,000.00 (the Purchase Price).

D.

Financing was not secured prior to the completion date and portions of the Purchase Price were paid by Axion from its own funds, and by 449991 and Can-Italia using borrowed funds.

E.

The legal and beneficial owners of the issued and outstanding shares of the Company are as follows:

i.

Axion - 120 Class A common shares

i.

449991 - 120 Class A common shares

ii.

Singh and Sehbey - 60 Class A common shares each

F.

Purewall and Surinder are the directors of 449991 and Purewall is also a director of the Company.

G.

Singh and Sehmbeey are the directors of Can-Italia and Singh is also a director of the Company.

H.

Ladha is the sole director of Axion and is also a director of the Company.

I.

In order to pay their share of the Purchase Price, 449991 and Can-Italia have caused an offer letter, dated March 13, 2007 to be issued by Envision Credit Union (the Lender) to the Company, offering to lend the Company the sum of \$1,400,000.00 as a demand loan subject to an annual review, with monthly payments of interest only (the Loan) secured by, *inter alia*, a first mortgage and assignment of rents granted by the Company and registered against the title to the Properties (the Mortgage), a first commercial general security agreement signed by the Company, a first assignment of credit union shares of the Company, and a commercial promissory note granted by the Company (collectively the Security Documents).

J.

As a condition of advancing the Loan, the Lender has also required that Axion and Ladha enter into a Debt Service Agreement (the Debt Service Agreement) with the Lender, whereby Axion and/or Ladha may potentially become liable for payments due and owing under the Loan.

K.

The parties have acknowledged that the Loan is for the sole benefit of 449991 and Can-Italia and have agreed that none of the Company, Axion or Ladha will have responsibility for payments of the Loan and that the Company, Axion and Ladha will be fully indemnified for any expenses or payments they become liable for thereunder.

L.

The parties have entered into this Agreement as security for Axion s, Ladha s and the Company s potential liability to the Lender.

M.

The Escrow Holder has agreed to facilitate the agreement between the parties by acting as Escrow Holder on the terms and conditions set out in this Agreement.

NOW THEREFORE THIS AGREEMENT WITNESSES that in consideration of the premises, covenants and agreements herein contained, the receipt and sufficiency of which are acknowledged, the parties hereto declare and agree as follows:

6.

If at any time, the Lender delivers written demand to Axion or Ladha for payment of any amount pursuant to the Debt Service Agreement, or if the Lender attempts to enforce the Mortgage, any of the Security Documents or other security granted by the Company in respect of the Loan at any time during the term of the Loan or any renewal thereof, Axion shall have the option to purchase all of the shares in the Company then owned by 449991, Singh and Sehbey on the following terms:
