ITEM 14. INDEMNIFICATION OF OFFICERS AND DIRECTORS.

Section 1746 of the Pennsylvania Business Corporation Law of 1988, as amended ("BCL"), authorizes a Pennsylvania corporation to indemnify its officers, directors, employees and agents under certain circumstances against expenses and liabilities incurred in legal proceedings involving such persons because of their holding or having held such positions with the corporation and to purchase and maintain insurance of such indemnification. Our By-laws substantively provide that we will indemnify our officers, directors, employees and agents to the fullest extent provided by Section 1746 of the BCL.

Section 1713 of the BCL permits a Pennsylvania corporation, by so providing in its By-laws, to eliminate the personal liability of a director for monetary damages for any action taken unless the director has breached or failed to perform the duties of his office and the breach or failure constitutes self-dealing, willful misconduct or recklessness. In addition, no such limitation of liability is available with respect to the responsibility or liability of a director pursuant to any criminal statute or for the payment of taxes pursuant to Federal, state or local law. Our By-laws eliminate the personal liability of the directors to the fullest extent permitted by Section 1713 of the BCL.

In addition, the Company has entered into separate indemnification agreements with its Directors and officers which require the Company to indemnify each of such officers and directors to the fullest extent permitted by the law of the Commonwealth of Pennsylvania against certain liabilities which may arise by reason of their status as directors and officers. The indemnification agreements also provide that the Company must advance all expenses incurred by the indemnified person in connection with any proceeding, provided the indemnified person undertakes to repay the advanced amounts if it is determined ultimately that the indemnified person is not entitled to be indemnified.

ITEM 15. RECENT SALES OF UNREGISTERED SECURITIES.

During the three years immediately preceding the date of the filing of this registration statement, the following securities were issued by USA without registration under the Securities Act of 1933, as amended ("Act"):

On September 3, 2008, the Company issued the following number of shares of common stock to its executive officers under the Long-Term Equity Incentive Program on account of the 2008 fiscal year: George R. Jensen, Jr. – 134,820 shares; Stephen P. Herbert – 40,553 shares; and David M. DeMedio – 16,356 shares. The issuance of the shares of common stock was exempt from registration under Section 4(2) of the Act.

On September 22, 2008, the Company entered into amendments to the employment agreements with Mr. Jensen, Mr. Herbert and Mr. DeMedio. As part of the amendments, Mr. Jensen was granted 110,000 shares of common stock under the 2008 Stock Incentive Plan valued at \$4.44 per share which vested or will vest as follows: 36,000 on

September 15, 2008; 37,000 on January 15, 2009; and 37,000 on June 30, 2009; Mr. Herbert was also granted 85,000 shares of common stock under the 2008 Stock Incentive Plan valued at \$4.44 per share which vested or will vest as follows: 28,000 on September 15, 2008; 28,000 on January 15, 2009; and 29,000 on June 30, 2009; and Mr. DeMedio was granted 25,000 shares of common stock under the 2008 Stock Incentive Plan valued at \$4.44 per share which vested or will vest as follows: 8,000 on September 15, 2008; 8,000 on January 15, 2009; and 9,000 on June 30, 2009. The shares were issued by the Company pursuant to the exemption from registration set forth in Section 4(2) of the 1933 Act.

On October 1, 2008, the Company and First Data Merchant Services Corporation, a wholly-owned subsidiary of First Data Corporation (“First Data”), entered into a three year Joint Marketing Agreement. At the time of entering into the Joint Marketing Agreement, the Company issued First Data performance-based warrants to purchase up to 1,500,000 shares of common stock. First Data would have the right to purchase 500,000 of such shares within two years of issuance at \$5.25 per share (the “A Warrants”), and 1,000,000 of such shares within three years of issuance at \$6.00 per share (the “B Warrants”). The A Warrants are only exercisable by First Data if a minimum of 20,000 e-Ports® are sold to a customer pursuant to the Joint Marketing Agreement prior to the expiration of the A Warrants. The B Warrants are only exercisable by First Data if the A Warrants become exercisable and if a minimum of 15,000 additional e-Ports® are sold to a customer pursuant to the Joint Marketing Agreement following the date on which the A Warrants become exercisable and prior to the expiration of the B Warrants. The warrants were issued by the Company pursuant to the exemption from registration set forth in Section 4(2) of the 1933 Act.

On August 7, 2009, we sold an aggregate of 7,285,792 shares and related warrants to purchase up to 7,285,792 shares pursuant to a subscription rights offering which was registered under the Act. In connection with the registered subscription rights offering, each of William Blair & Company, L.L.C., and Maxim Group, LLC acted as dealer managers. As compensation for their services, each of Blair and Maxim received warrants to purchase up to 145,716 shares (an aggregate of 291,432 shares) at \$2.20 per share at any time from August 7, 2009 through August 6, 2012. In connection with the shares underlying the warrants, we granted to the dealer managers standard piggyback registration rights and one demand registration right during the three year period following issuance of the warrants. The offer and sale of the warrants was exempt from registration under Section 4(2) of the Act. The investors are accredited investors. The offer and sale thereof did not involve any general advertising or solicitation and the securities contained appropriate restrictive legends under the Act.

On May 12, 2010, we sold an aggregate of 2,753,454 shares and related warrants to purchase up to 2,753,454 shares pursuant to an offering which was registered under the Act. In connection with the offering, Source Capital Group, Inc. acted as placement agent. As compensation for its services, Source received warrants to purchase up to 165,207 shares at \$1.13 per share, exercisable at any time through May 12, 2013. The warrants contain provisions for one demand registration of the sale of the underlying shares of common stock for a period of five years at our expense, and piggyback registration rights for a period of five years at our expense, and one demand registration right at the placement agent’s expense for a period of five years. The offer and sale of the warrants was exempt from registration under Section 4(2) of the Act. The investors are accredited investors. The offer and sale thereof did not involve any general advertising or solicitation and the securities contained appropriate restrictive legends under the Act.

On July 7, 2010, we sold an aggregate of 261,953 shares and related warrants to purchase up to 261,953 shares pursuant to a subscription rights offering which was registered under the Act and concluded on July 6, 2010. In connection with the offering, Source Capital Group, Inc. acted as dealer manager. As compensation for its services, Source received warrants to purchase up to 15,717 shares at \$1.13 per share at any time through July 7, 2013. The warrants contain provisions for one demand registration of the sale of the underlying shares of common stock for a period of five years at our expense, and piggyback registration rights for a period of five years at our expense, and one demand registration right at the dealer manager’s expense for a period of five years. The offer and sale of the warrants was exempt from registration under Section 4(2) of the Act. The investors are accredited investors. The offer and sale thereof did not involve any general advertising or solicitation and the securities contained appropriate restrictive legends under the Act.

On July 27, 2010, we executed a purchase agreement and a registration rights agreement with Lincoln Park Capital, LLC (“LPC”). Under the purchase agreement, we have the right to sell to LPC up to 4,851,408 shares of our common stock at our option for an aggregate purchase price of up to \$5,000,000. Pursuant to the registration rights agreement, we have agreed to register the common stock that have been issued or may be issued to LPC under the purchase agreement. We do not have the right to commence any sales of our shares to LPC until the registration statement has

been declared effective. Thereafter, over approximately 25 months, generally we have the right to direct LPC to purchase up to 4,851,408 shares of our common stock in amounts up to 150,000 shares as often as every two business days under certain conditions. The purchase price of the shares will be based on the market prices of our shares immediately prior to the time of sale as computed under the purchase agreement without any fixed discount. We may at any time in our sole discretion terminate the purchase agreement without fee, penalty or cost upon one business days notice. We issued 150,000 shares of our common stock to LPC as a commitment fee for entering into the purchase agreement, and we are obligated to issue up to 150,000 shares pro rata as LPC purchases up to \$5,000,000 of our common stock as directed by us. The securities offered and sold or to be sold to LPC are exempt from registration as set forth under Rule 506 promulgated under the Act. LPC is an accredited investor, and there was no general solicitation or advertising.

On October 8, 2010, the Company issued the following number of shares of common stock to its executive officers under the Long-Term Equity Incentive Program on account of the 2010 fiscal year: George R. Jensen, Jr. – 60,716 shares; Stephen P. Herbert – 18,261 shares; and David M. DeMedio – 7,365 shares. The issuance of the shares of common stock was exempt from registration under Section 4(2) of the Act

ITEM 17. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for purposes of determining liability of the undersigned registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
