Our Board of Directors has set the close of business on March 31, 2015 as the record date for the determination of shareholders entitled to receive notice of and to vote at our 2015 Annual Shareholders' Meeting or any adjournment(s) thereof.

By order of our Board of Directors,

J. Stanley Fredrick
Chairman of the Board of Directors

Coppell, Texas

IMPORTANT

Whether or not you expect to attend the 2015 Annual Shareholders' Meeting, we strongly urge you to cast your vote by telephone or through the Internet by following the instructions included on the Notice of Internet Availability of Proxy Materials that you received, or if you received a paper copy of the proxy card, to mark, date, sign and return the proxy card in the envelope provided, prior to the meeting on May 28, 2015, to help ensure the presence of a quorum for the meeting and to save the expense and extra work of additional solicitation. Voting by proxy by any method prior to the meeting will not prevent you from attending the 2015 Annual Shareholders' Meeting or revoking your prior vote and voting at the 2015 Annual Shareholders' Meeting.

In accordance with rules promulgated by the SEC, we are providing access to our proxy materials, including this proxy statement and our annual report on Form 10-K, for the year ended December 31, 2014, over the Internet. As a result, we are mailing to many of our shareholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our proxy materials. The notice contains instructions on how to access those proxy materials over the Internet, as well as instructions on how to request a paper copy of our proxy materials. All shareholders who do not receive a notice will receive a paper copy of our proxy materials by mail. We believe that this process reduces the

environmental impact and lowers the costs of printing and distributing our proxy materials.

PROXY STATEMENT FOR OUR 2015 ANNUAL SHAREHOLDERS' MEETING
TO BE HELD ON MAY 28, 2015

GENERAL INFORMATION ABOUT OUR 2015 ANNUAL SHAREHOLDERS' MEETING

General Information

Our Board of Directors (the "Board") is soliciting the enclosed proxy for use at our 2015 Annual Shareholders' Meeting to be held on May 28, 2015 at 9:00 a.m., Central Daylight Time, at the Grapevine Convention Center located at 1209 South Main Street, Grapevine, Texas. The Notice of Internet Availability of Proxy Materials is being mailed or delivered on or about April 17, 2015, to shareholders of record owning our common stock on the close of business on March 31, 2015. Paper copies of our proxy materials are being mailed or delivered on or about April 17, 2015, to shareholders of record who have previously requested to receive paper copies of proxy materials. The list of frequently asked questions is attached to this proxy statement as Appendix A. Unless otherwise stated, all references in this proxy statement to "Mannatech," the "Company," "us," "our," or "we" are to Mannatech, Incorporated, a Texas corporation.

Shareholders Entitled to Vote

Shareholders who owned our common stock as of the close of business on March 31, 2015, the record date, are called "shareholders of record" and are entitled to vote at the 2015 Annual Shareholders' Meeting. As of March 31, 2015, we had 2,679,411 outstanding shares of our common stock, \$0.0001 par value per share, which is our only class of outstanding voting securities. As of March 31, 2015, we had 1,327 shareholders of record. Each share of our common stock entitles a shareholder to one vote. A complete list of direct shareholders entitled to vote at the 2015 Annual Shareholders' Meeting will be available for examination by shareholders for purposes pertaining to the 2015 Annual Shareholders' Meeting at our corporate headquarters in Coppell, Texas during normal business hours from May 18, 2015 until May 27, 2015. The shareholder list will also be available for review prior to and during the 2015 Annual Shareholders' Meeting to be held on May 28, 2015. A shareholder who wants to examine the list prior to our Annual Shareholders' Meeting should arrange an appointment by contacting our Investor Relations department at (972) 471-6512.

Voting in Person

If you are a shareholder of record and plan to attend the 2015 Annual Shareholders' Meeting, you may deliver your completed and signed proxy card in person. If a broker or bank holds your Mannatech shares in street name, and you wish to vote in person at the 2015 Annual Shareholders' Meeting, you will need to obtain a legal proxy form from your broker or bank that holds your shares of record and you must bring that document to the 2015 Annual Shareholders' Meeting.

Voting by Proxy

The proxy process is the means by which shareholders can exercise their rights to vote for the election of directors and other strategic corporate proposals. The notice of meeting and this proxy statement provide notice of a scheduled shareholder meeting, describe the proposals to be voted on by shareholders at the meeting and include other information required to be disclosed to shareholders. Shareholders may vote by telephone, through the Internet, or by returning a proxy card, without having to attend the shareholder meeting in person.

Table of Contents

By executing a proxy, you authorize Robert A. Toth, to act as your proxy to vote your shares in the manner that you specify. The proxy voting mechanism is vitally important to us. In order for us to obtain the necessary shareholder approval of proposals, a “quorum” of shareholders (a majority of the issued and outstanding shares of common stock as of the record date entitled to vote) must be represented at the meeting in person or by proxy. Since few shareholders can spend the time or money to attend shareholder meetings in person, voting by proxy is necessary to obtain a quorum and complete the shareholder vote. It is important that you attend the meeting in person or grant a proxy to vote your shares to assure a quorum is present so corporate business may be transacted. If a quorum is not present, we must postpone the meeting and solicit additional proxies; this is an expensive and time-consuming process that is not in the best interest of the Company or our shareholders.

Properly executed votes by proxy received prior to or at the 2015 Annual Shareholders’ Meeting on May 28, 2015 or at any adjournment(s) or postponement(s) thereof will be counted by Broadridge Financial Solutions, Inc., our Inspector of Elections. If a shareholder specifies how such shareholder’s proxy-vote is to be cast on any business to come before the meeting, such proxy-vote will be voted in accordance with such specifications. If no specification is made on a properly executed proxy card, the shareholder’s vote by proxy will be voted “FOR” each of our 3 proposals consistent with the recommendations made by the Board and as the proxy holder may determine in his discretion with respect to any other matters properly presented for a vote at the 2015 Annual Shareholders’ Meeting. Other than the proposals described in this proxy statement, we are not aware of any other matters to be presented at the 2015 Annual Shareholders’ Meeting.

Revoking or Changing a Proxy

A shareholder may revoke a vote by proxy at any time prior to the 2015 Annual Shareholders’ Meeting. If you are a shareholder of record with direct ownership over your Mannatech common stock, your proxy can be revoked by: (i) timely delivery of a written revocation delivered to Erin Barta, General Counsel, and Corporate Secretary, Mannatech, Incorporated, 600 South Royal Lane, Suite 200, Coppell Texas 75019; (ii) submission of another valid proxy bearing a later date; or (iii) attendance at the 2015 Annual Shareholders’ Meeting in person and notice to the Inspector of Elections that you intend to vote your shares in person. If your Mannatech shares are held in street name by a broker or bank (“broker”), you must contact your broker in order to revoke your proxy, but generally, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the 2015 Annual Shareholders’ Meeting and voting in person.

Effects of Not Voting

The effect of not voting depends on how you own your shares. If you own shares directly, as a holder of record, rather than indirectly through a broker of record, your unvoted shares will not be represented at our meeting and will not count toward the quorum requirement. Assuming a quorum is obtained, your unvoted shares will not affect whether a proposal is approved or rejected. If you own shares through a broker and do not vote, your broker may represent your shares at the meeting for purposes of obtaining a quorum. As described below, if you own your shares through a broker and you do not vote, your broker may or may not vote your shares, depending upon the proposal.

If you own your shares through a broker and you do not vote, your broker may vote your shares at its discretion on “routine matters.” However, with respect to other proposals, a broker may not vote a non-voting shareholder’s shares. With respect to proposals on which a broker may not vote a non-voting shareholder’s shares, the aggregate number of non-voted shares is reported as “broker non-votes” (shares held by brokers or nominees for which they have no discretionary power to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote) and counted only for purposes of determining a quorum.

If you do not vote your shares on Proposal 1 (Election of Director) and Proposal 3 (“Say-on-Pay” Advisory Vote), your brokerage firm cannot vote them for you and they will remain unvoted. Therefore, it is very important that you vote your shares for all proposals. Proposal 2 (Ratification of Auditors) set forth in this proxy statement is a routine matter on which brokers will be permitted to vote your shares at the broker’s discretion if you do not provide your broker with instructions on how to vote on this matter.

Table of Contents

Direct Ownership

For the purpose of determining how to vote your shares at the 2015 Annual Shareholders' Meeting, registered holders of record are deemed to have "direct ownership" over their Mannatech shares if they hold their shares directly in their name. This is typically evidenced by the receipt of our mailings directly from us or from our transfer agent, Computershare.

Beneficial Ownership

For the purposes of determining how to vote your shares at the 2015 Annual Shareholders' Meeting, you are deemed to have "beneficial ownership" over your Mannatech shares if you: (i) previously deposited your stock certificates with a broker; (ii) purchased your shares directly through a broker; or (iii) sent your stock certificates to a broker to be deposited into your brokerage account. Beneficial ownership is typically evidenced by a shareholder's receipt of our mailings from either a broker or through a solicitor, which is usually Broadridge Financial Solutions, Inc.

As a beneficial owner, a shareholder still holds Mannatech shares, but neither we nor our transfer agent has access to any list of individual shareholders' names from the various brokers of record. The only information our transfer agent has concerning shareholders who own stock through a broker is the broker's name, the aggregate total number of shares held by each broker on behalf of their clients, and the aggregate number of votes cast for any of our proposals.

WE CAUTION OUR SHAREHOLDERS THAT each brokerage firm has a unique set of voting instructions. As a result, a shareholder should always read all the information provided in each of the proxy information packets received and follow the specific voting instructions enclosed in each packet with respect to applicable telephone numbers, Internet addresses, mailing addresses, and attending or voting at the 2015 Annual Shareholders' Meeting.

If a shareholder receives more than one proxy information packet, such shareholder's shares are registered in more than one account. Again, remember that each proxy information packet may have different voting instructions, account or control numbers, mailing addresses, Internet addresses, and telephone numbers. As a result, each shareholder should be cautioned to use only the set of voting instructions, account and control numbers, addresses, and telephone numbers provided in such shareholder's proxy information packet to ensure such shareholder's vote for all of its owned shares is properly included in the tabulation of votes for our meeting.

Beneficial shareholders are also instructed to read their proxy-voting card instructions given to them by their brokers or their brokers' solicitors prior to the meeting in order to obtain instructions on how to vote at the meeting. If a beneficial shareholder does not follow the brokers' specific instructions, our Inspector of Elections is not allowed to count such beneficial shareholder's vote by ballot at the 2015 Annual Shareholders' Meeting.

Tabulating the Votes

A representative from Broadridge Financial Solutions, Inc., which will act as our Inspector of Elections, is responsible for tabulating the votes for the 2015 Annual Shareholders' Meeting. The presence, in person or by proxy, of the holders of at least a majority of the shares of our common stock outstanding as of March 31, 2015, our record date, is necessary to establish a quorum for the 2015 Annual Shareholders' Meeting. Abstentions and "broker non-votes," if any, will be counted as shares present and entitled to vote for purposes of determining a quorum for the 2015 Annual Shareholders' Meeting. A "broker non-vote" occurs when brokers holding shares in "street name" have not received voting instructions from the beneficial owner and either chooses not to vote those shares on a routine matter at the 2015 Annual Shareholders' Meeting or is not permitted to vote those shares on a non-routine matter. If a proxy-voting card is signed by the shareholder but submitted without specific voting instructions, the shareholder's vote will automatically be counted as a vote "FOR" Proposal 1 (Election of Director), Proposal 2 (Ratification of Auditors) and Proposal 3 ("Say-on-Pay" Advisory Vote). If your shares are held in "street name" and you do not provide specific voting

instructions to your broker, then your shares will not be included in the vote for Proposal 1 (Election of Director) and Proposal 3 (“Say-on-Pay” Advisory Vote), but will be voted at the discretion of your broker with respect to Proposal 2 (Ratification of Auditors).

Table of Contents

For Proposal 1 (Election of Director) — Assuming a quorum is obtained, our Class I directors will be elected by a plurality of the shares represented, in person or by proxy, at the 2015 Annual Shareholders’ Meeting and entitled to vote. This means that the three nominees receiving the highest number of affirmative votes at the meeting will be elected as our three Class I directors. Votes marked “FOR ALL” will be counted in favor of all three nominees. Votes marked “WITHHOLD ALL” will be counted against all three nominees. To specify differently, a shareholder must check the “FOR ALL EXCEPT” box and then write the names of the nominees for whom the shareholder wishes to vote against. Votes marked “WITHHOLD ALL” have no effect on the vote since a plurality of the votes is required for the election of each nominee. Shareholders may not abstain from voting with respect to the election of directors.

(THE BOARD RECOMMENDS A VOTE “FOR ALL” PROPOSAL 1.)

For Proposal 2 (Ratification of Auditors) — If a quorum is obtained, and a majority of the shares represented, in person or by proxy, at the 2015 Annual Shareholders’ Meeting and entitled to vote, are in favor of Proposal 2, the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2015, will be approved. Votes marked “FOR” Proposal 2 will be counted in favor of the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2015. An abstention from voting on Proposal 2 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an “ABSTENTION” will have the same effect as a vote “AGAINST” Proposal 2.

(THE BOARD RECOMMENDS A VOTE “FOR” PROPOSAL 2.)

For Proposal 3 (“Say-on-Pay” Advisory Vote) — If a quorum is obtained, and a majority of shares represented, in person or by proxy, at the 2015 Annual Shareholders’ Meeting and entitled to vote, are in favor of Proposal 3 the current executive compensation program will be approved by shareholders on an advisory basis. Votes marked “FOR” Proposal 3 will be counted in favor of the current executive compensation program. An abstention from voting on Proposal 3 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an “ABSTENTION” will have the same effect as a vote “AGAINST” Proposal 3. “Broker non-votes” are not considered shares entitled to vote for purposes of Proposal 3 and thus will have no effect on the outcome of the approval, on an advisory basis, of our executive compensation program.

(THE BOARD RECOMMENDS A VOTE “FOR” PROPOSAL 3.)

Table of Contents

Solicitation of Proxy-Votes

We may solicit proxy-votes through the mail, in person, and by telecommunications. We will bear all expenses in preparing, printing, and mailing the proxy materials to our shareholders.

Admission and Voting at Our 2015 Annual Shareholders' Meeting

Voting at the 2015 Annual Shareholders' Meeting is limited to shareholders of record having evidence of ownership as of the record date, March 31, 2015. If your shares are NOT held in your name, we may require you to show evidence of your ownership at our meeting. Evidence typically includes your proxy-voting card or your brokerage statement showing proof of stock ownership as of the close of business on March 31, 2015, such as your March 2015 brokerage statement or a printout of shares held at the close of March 31, 2015. At our 2015 Annual Shareholders' Meeting, shareholders of record will be given a ballot upon verification of stock ownership.

We will not allow any cameras or recording equipment in the meeting room. As a courtesy and as time permits, we will provide a brief question and answer period for our shareholders of record.

Shareholders of record will be given ballots upon verification of stock ownership. REMEMBER that beneficial shareholders must obtain a power of attorney form or legal proxy from their brokers prior to the meeting in order for their votes by ballot to be counted since their brokers may have already reported their shares as "broker non-votes". Prior to our May 28, 2015 meeting, beneficial shareholders are strongly urged to read their proxy-voting card instructions on how to vote at our 2015 Annual Shareholders' Meeting. They should also contact their brokers by the Monday prior to our 2015 Annual Shareholders' Meeting to ensure they obtain the proper paperwork in order to vote at our meeting. If a beneficial shareholder does not follow its broker's instructions, our Inspector of Elections will not count such shareholder's vote by ballot at the 2015 Annual Shareholders' Meeting. The instructions are usually located on the back of each proxy-voting card.

If you are a beneficial owner of shares held in street name, you can contact the organization that holds your shares for information about how to register your shares directly in your name as a shareholder of record.

PROPOSAL 2 — RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Neither our Articles of Incorporation, Bylaws nor any other applicable legal requirements require shareholder ratification of the selection of our independent registered public accounting firm. However, the Board, as a matter of good corporate governance, has always sought shareholder ratification of the appointment of our independent registered public accounting firm. The Board is seeking shareholder ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015. In the event our shareholders do not ratify our appointment of BDO USA, LLP, the Audit Committee and the Board will reconsider the appointment.

Our Audit Committee appoints our independent registered public accounting firm on an annual basis. The decision is based on a number of factors including the scope of the audit, the independence of the auditors, the estimated audit fees, and any non-auditing services that are performed by the independent registered public accounting firm.

Representatives from BDO USA, LLP will attend the 2015 Annual Shareholders' Meeting and will have the opportunity to make a statement, if they so desire. They will also be available to respond to any appropriate questions from our shareholders.

Pre-Approval Policies and Procedures

Our Audit Committee must preapprove all services provided by our independent registered public accounting firm. The non-audit services, specified in Section 10-A(g) of the Exchange Act may not be provided by our independent registered public accounting firm.

Each year, the approval of the estimated annual audit, audit-related services, and routine tax services takes place at an Audit Committee meeting. In addition, during the course of the year, requests for unforeseen or additional allowable services to be provided by our independent registered public accounting firm must be preapproved by our Audit Committee, except for those qualifying for the "de minimis exception." The de minimis exception provides that the pre-approval requirements for certain non-audit services may be waived if:

- the aggregate amount of such non-audit services provided constitutes not more than 5% of the total fees paid to our independent registered public accounting firm in the calendar year that such non-audit services are provided;
- such services were recognized as non-audit services at the time they were provided; and
- such services are promptly brought to the attention of our Audit Committee.

Our Audit Committee may delegate to its Chairman the authority to grant pre-approvals. In such event, the decisions of the Chairman of the Audit Committee regarding pre-approvals will then be presented to our full Audit Committee at the next scheduled meeting.

Our independent registered public accounting firm provides a revised estimate for the year, by project, for all planned and approved services to our Chief Financial Officer prior to each Audit Committee annual planning meeting. The revised estimate is then reviewed at our Audit Committee annual planning meeting.

PROPOSAL 3 — ADVISORY VOTE ON EXECUTIVE COMPENSATION (“SAY-ON-PAY”)

In accordance with Section 14A(a)(1) of the Exchange Act implementing Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, we are submitting to our shareholders the opportunity to vote on a non-binding advisory resolution to approve the compensation program for our Named Executive Officers, which is described in the section titled “Executive Compensation” in this Proxy Statement. At our 2013 Annual Shareholders’ Meeting, shareholders recommended, on an advisory basis, an annual frequency of shareholder advisory votes on executive compensation. The Company intends to follow the shareholders’ recommendation and include a shareholder advisory vote on executive compensation on an annual basis until the next required “Say-on-Frequency” vote. Accordingly, the following resolution is submitted for a shareholder advisory vote at the 2015 Annual Shareholders’ Meeting:

“RESOLVED, that the shareholders of Mannatech, Incorporated approve, on an advisory basis, the overall compensation of the Company’s Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K of the regulations promulgated by the SEC, including the section entitled “Executive Compensation,” and the accompanying compensation tables and the corresponding narrative discussion and footnotes set forth in the Proxy Statement for the 2015 Annual Shareholders’ Meeting.”

As described in the section titled “Executive Compensation” our executive compensation program is designed to provide a competitive level of compensation necessary to attract, motivate, and retain talented and experienced executives and to motivate them to achieve short-term and long-term objectives that enhance shareholder value.

This vote is merely advisory and will not be binding upon the Company and the Board. However, the Compensation and Stock Option Plan Committee, which is responsible for designing and administering the Company’s executive compensation program, values constructive dialogue on executive compensation and other important governance topics with the Company’s shareholders and encourages all shareholders to vote their shares on this matter.

(OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF THE ADVISORY RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.)

Consideration of Director Nominees

Under our Bylaws, the Nominating/Governance and Compliance Committee of our Board of Directors recommends to the Board all candidates for election by our shareholders at each annual meeting of shareholders. Although the Board has not formally established criteria for Board membership, the Board does consider several factors before recommending a candidate for Board membership. These factors include the following:

- the experience level, mix of skills and other business qualities a potential nominee may possess;
 - the general experience and skill levels of current Board members;
 - the potential nominee's experience with accounting rules and practices;
 - the verification of background, work, and education of a potential nominee; and
- other factors as the Nominating/Governance and Compliance Committee may deem in the best interests of our shareholders.

In addition, the Nominating/Governance and Compliance Committee will recommend director candidates in order to ensure that:

- a majority of the Board of Directors are "independent" as defined by NASDAQ and SEC rules;
- each of the Audit, Compensation and Stock Option Plan, and Nominating/Governance and Compliance Committees are comprised entirely of independent directors; and
- at least one member of the Audit Committee has the experience, education and qualifications necessary to qualify as an "audit committee financial expert" as defined by the SEC.

The Nominating/Governance and Compliance Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, executive officers, third-party search firms or any other source it deems appropriate. The Nominating/Governance and Compliance Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or that has been properly recommended to it by a shareholder and conduct inquiries it deems appropriate into the background of these proposed director candidates. When nominating a director for re-election, the Nominating/Governance and Compliance Committee will also consider the director's past performance on the Board. The Nominating/Governance and Compliance Committee will evaluate all proposed director candidates based on the same criteria, with no regard to the source of the initial recommendation of the proposed director candidate.

The Nominating/Governance and Compliance Committee does not have a formal policy with respect to diversity; however, the Board and the Nominating/Governance and Compliance Committee believe it is important that Board members represent diverse viewpoints. In considering candidates, the Nominating/Governance and Compliance Committee considers the entirety of each candidate's credentials, including such candidate's diverse skills, experience and qualifications.

If a shareholder would like our Nominating/Governance and Compliance Committee to consider specific candidates for nomination to the Board, a shareholder should deliver written notice to our Chief Financial Officer at our corporate headquarters, located at 600 S. Royal Lane, Suite 200, Coppell, Texas 75019, or by fax at (972) 471-5642. As required by our Bylaws, written notice of such proposed candidates for director should be delivered no later than December 31, 2015 to allow the Board time to consider such persons for nomination at our 2016 Annual Shareholders'

Meeting. The written notice should include the candidates' full name, age, biographical background, and qualifications. If a shareholder intends to present a director nomination at the 2016 Annual Shareholders' Meeting, the shareholder should follow the procedures describe on page 6 of this proxy statement.

Board Leadership Structure and Role in Risk Oversight

Meetings of the Board are presided over by the Chairman of the Board, currently Mr. Fredrick. While our Bylaws do not require that the Chairman be independent, the separation of the Chairman and CEO roles allows our CEO to focus on operational issues and the Chairman to focus on governance and other related issues. Therefore, these positions are separate which we believe enhances the effectiveness of the Board.

It is management’s responsibility to manage risk and bring to the Board’s attention any material risks facing the Company. Equity Compensation Plan Information

We use stock option plans to encourage investment by our officers, employees, and non-employee directors in shares of our common stock so they will have an increased vested interest in and greater concern for Mannatech's welfare.

The Board and a majority of our shareholders approved the Mannatech, Incorporated 2008 Stock Incentive Plan in February 2008 and in 2012 and 2014 amended the plan to increase the number of shares of common stock subject to the plan (as amended, the "2008 Plan"). Our 2008 Plan enables us to attract and retain employees, consultants and directors who will contribute to our long-term success and aligns the interests of those individuals with the interests of our shareholders. Awards of stock options, including incentive and nonstatutory stock options, and restricted stock may be issued under our 2008 Plan. The Compensation and Stock Option Plan Committee administers the 2008 Plan. The 2008 Plan is our only equity compensation plan in effect as of December 31, 2014.

There are 330,000 shares of our common stock currently reserved for issuance under our 2008 Plan, which does not include certain shares available for issuance under our predecessor stock plan. In the event of certain changes to our common stock, including due to a merger, consolidation, reorganization, reincorporation, stock dividend, non-cash dividend, stock split, liquidation, combination, stock exchange, or change in corporate structure, we may adjust the number of shares subject to our 2008 Plan and to any outstanding awards.

Generally, the exercise price with respect to stock options granted pursuant to our 2008 Plan cannot be less than 100% of the fair market value per share of our common stock on the date of grant. Unless the Compensation and Stock Option Plan Committee specifies otherwise, in general, stock options vest annually over a two- or three- year period and have a ten-year term.

Participants in our 2008 Plan may pay the exercise price for stock options in cash, shares of common stock, via a broker-assisted cashless exercise method or in any other form of legal consideration that the Compensation and Stock Option Plan Committee approves.

Table of Contents

Our 2008 Plan also permits awards of restricted shares of our common stock, or restricted stock, and the Compensation and Stock Option Plan Committee determines the vesting schedule for such restricted stock.

If we undergo a change in control or certain other significant corporate transactions, our 2008 Plan provides that we may assume, continue, substitute for, or cancel any outstanding awards. For purposes of our 2008 Plan, a “change in control” generally means (i) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of our assets to a third-party, (ii) the replacement of the majority of the incumbent members of the Board, (iii) the adoption of a plan relating to our liquidation or dissolution, or (iv) the consummation of any transaction (including a merger or consolidation) that results in a third-party becoming the beneficial owner of more than 50% of our voting power.

In the event that any award under our 2008 Plan is determined to be nonqualified deferred compensation subject to Section 409A of the Code, the award will have to comply with certain technical tax limitations with respect to when awards may be exercised or paid for.

Our 2008 Plan will terminate automatically on February 20, 2018, unless the Board terminates it sooner. The Board may amend our 2008 Plan at any time but to the extent shareholder approval is necessary pursuant to the 2008 Plan or marketplace rules of NASDAQ, an amendment may not become effective until we obtain shareholder approval.

The following table provides information as of April 15, 2015 about our common stock that may be issued upon the exercise of stock options under the 2008 Plan.

Non-Equity Incentive Plans

We award annual cash bonuses under our Management Non-Equity Incentive Bonus Plan for achievement of specified performance objectives within a specific performance period, which is typically one year or less. We make awards from an established incentive pool. The Compensation and Stock Option Plan Committee determines the total size of our incentive pool by taking into account our financial performance. We believe this pool-based bonus system helps foster teamwork and ensures that all executives work collectively to improve our performance.

2014 Non-Equity Incentive Plan

For 2014, the Board approved two bonus opportunities for Messrs. Sinnott and Bala and other members of senior management designated by the Compensation and Stock Option Plan Committee under our Management Non-Equity Incentive Bonus Plan. Mr. Park was not eligible for this bonus during 2014.

The common measurement for both bonus opportunities is based on Income from Operations, as determined by generally accepted accounting principles (“GAAP”).

1. Annual Bonus Opportunity

This bonus opportunity is available to senior management of the Company (including our senior executive officers). Messrs. Sinnott and Bala and other senior management designated by the Compensation and Stock Option Plan Committee are eligible for their bonus if the Company achieves one of the four operating income targets as of the end of fiscal year 2014. To achieve a bonus opportunity, the actual operating income for fiscal year 2014 must be equal to or greater than the operating income target as set forth below. The maximum potential bonus that an eligible senior executive officer will be entitled to receive under this bonus opportunity is 30% of his or her base salary. The maximum potential bonus for senior management, excluding senior executive officers, is 20% of his or her base salary.

The following table represents the 2014 operating income targets and bonus opportunities:

2014 Operating Income Targets – Annual Bonus

	1st Target	2nd Target	3rd Target	4th Target
Operating Income*	\$7 million	\$8 million	\$9 million	\$10 million
Bonus Opportunity **	7.5% / 5.0%	15.0% / 10.0%	22.5% / 15.0%	30.0% / 20.0%

* Before accrual of Annual Bonus Opportunity.

** Senior executive officers / senior management exclusive of senior executive officers.

Based on our annual 2014 operating income, the senior management of the Company (including our senior executive officers) qualified for the 4th target bonus as delineated above. These bonuses were paid to the non-senior executive officers in March 2015 following Audit Committee acceptance of our 2014 financial statements. Under the terms of the 2014 non-equity incentive plans, senior executive officers were paid pursuant to the Quarterly Bonus Opportunity described below as the amounts earned under that plan exceeded the amounts earned pursuant to this Annual Bonus Opportunity.

Table of Contents

2. Quarterly Bonus Opportunity

This bonus opportunity is only available to Messrs. Sinnott, Bala, Nicholls, and Bikman, as our senior executive officers. For 2014, the Board and the Compensation and Stock Option Plan Committee implemented a quarterly bonus opportunity as an incentive for our senior executive officers to achieve operating income above the annual bonus targets. To achieve a bonus opportunity, the actual operating income, after ratable accrual of the annual bonus, must exceed the applicable quarterly operating income target. Once a quarterly bonus is earned, it is not subject to forfeiture based on the failure to meet future operating income targets. The maximum potential bonus that an eligible senior executive officer will be entitled to receive under this bonus opportunity is 100% of his or her salary if the Company meets all prescribed operating income targets.

The following table represents the 2014 operating income targets and bonus opportunities:

2014 Operating Income Targets – Quarterly Bonus

	End of 2 nd Quarter	End of 3 rd Quarter	End of Year
Operating Income*	\$4.6 million	\$8.9 million	\$12.8 million
Bonus Opportunity	25%	25%	50%

* After ratable accrual of Annual Bonus Opportunity.

The senior executive officers who participate in both bonus opportunities were eligible to be paid the greater of the bonus amounts achieved pursuant to the two bonus opportunities, but could not be paid under both the annual and quarterly bonus opportunities. Based on the actual operating income achieved in 2014, the senior executive officers did not qualify for the bonus at the end of the 2nd Quarter; however, they did qualify for the bonuses for the 3rd Quarter and End of Year as delineated above. Therefore, the senior executive officers earned a cumulative bonus of 75% under this incentive plan. As the bonus earned by the senior executive officers of 75% pursuant to the Quarterly Bonus Opportunity exceeded the 30% earned pursuant to the Annual Bonus Opportunity, the senior executive officers were paid the 75% Quarterly Bonus Opportunity for 2014. The 3rd Quarter bonus payments to the senior executive officers occurred in November 2014 (following Audit Committee acceptance of our 3rd Quarter 2014 financial statements) and the End of Year bonus payments occurred in March 2015 (following Audit Committee acceptance of our 2014 year-end financial statements).

3. Regional President Asia

During 2014, the Board and the Compensation and Stock Option Plan Committee implemented a bonus opportunity for each of our Regional Presidents and country general managers. Mr. Park's bonus opportunity consisted of achieving targeted net sales levels for each country under his management as well as achieving targeted operating income for each country under his management. His maximum bonus opportunity upon achievement of the maximum targets would be 110% of his salary. The maximum bonus opportunity by country was 50% for Korea and 20% each for Taiwan, Hong Kong, and Japan.

Mr. Park earned a cumulative bonus of 61.7% of his base compensation based on the actual results achieved by the markets under his management. Based on the operating results of each country, Mr. Park earned bonuses as a percentage of his salary as follows: 42% for Korea, 11.7% for Japan, 8% for Taiwan, and no bonus for Hong Kong. These bonuses were paid to Mr. Park in March 2015 following Audit Committee acceptance of our 2014 financial statements.

In November 2014, the Board and the Compensation and Stock Option Plan Committee awarded a discretionary cash bonus to Mr. Park in recognition of multi-year growth in the Korean market. Mr. Park was awarded a one-time discretionary bonus of approximately \$285,000 (using the 2014 average exchange rate of 1,052.88 per \$1), 75% of which was paid in November 2014 and the remainder was paid concurrently with the bonuses paid in March 2015.

Table of Contents2015 Non-Equity Incentive Plan

For 2015, the Board has approved two bonus opportunities for our Named Executive Officers, regional presidents and other senior executives designated by the Compensation and Stock Option Plan Committee under our Management Non-Equity Incentive Bonus Plan.

The common measurement for both bonus opportunities is based on income from operations, as determined by generally accepted accounting principles (“GAAP”).

1. Annual Bonus Opportunity

This bonus opportunity is available to senior management of the Company (including our senior executive officers and regional presidents). Our Named Executive Officers and other senior management designated by the Compensation and Stock Option Plan Committee will be eligible for this bonus if the Company achieves one of the four income from operations targets as of the end of fiscal year 2015. To achieve a bonus opportunity, the actual income from operations for fiscal year 2015 must be equal to or greater than the income from operations target as set forth below. The maximum potential bonus that Messrs. Sinnott, Bala, and Nicholls will be entitled to receive under this bonus opportunity is 40% of his base salary. The maximum potential bonus for other senior management and regional presidents, is either 20% or 30% depending on their tier classification. The bonuses are awarded and payable after the Audit Committee has accepted the financial statements for fiscal year 2015.

The following table represents the 2015 income from operations targets and bonus opportunities:

2015 Income from Operations Targets – Annual Bonus

	1st Target	2nd Target	3rd Target	4th Target
Income from Operations*	\$12.8 million	\$14.0 million	\$15.2 million	\$16.4 million
Bonus Opportunity **	15% / 7.5% / 5.0%	20% / 15.0% / 10.0%	30% / 22.5% / 15.0%	40% / 30.0% / 20.0%

* After accrual of Annual Bonus Opportunity.

** Messrs. Sinnott, Bala and Nicholls / Tier 1 senior management / Tier 2 senior management and regional presidents

2. First Half Bonus Opportunity

This bonus opportunity is available to senior management of the Company (including our senior executive officers and regional presidents) and is an incentive for our senior management to achieve income from operations above the annual bonus targets. To achieve a bonus opportunity, the actual income from operations, after ratable accrual of the annual bonus, must exceed the first half income from operations target. The bonuses are awarded and payable after the Audit Committee has accepted the financial statements for the first half of fiscal year 2015.

The following table represents the 2015 income from operations targets and bonus opportunities:

2015 Income from Operations Targets – First Half Bonus

	End of 2 nd Quarter
Income from Operations*	\$5.5 million
Bonus Opportunity**	25% / 7.5% / 5%

* After ratable accrual of Annual Bonus Opportunity.

** Messrs. Sinnott, Bala and Nicholls / Tier 1 senior management / Tier 2 senior management and regional presidents

Bonuses earned pursuant to this first half bonus opportunity will be in addition to any other bonuses earned by senior management of the Company.

3. Quarterly Bonus Opportunity

This bonus opportunity is only available to Messrs. Sinnott, Bala, Nicholls, and Bikman, as our senior executive officers. For 2015, the Board and the Compensation and Stock Option Plan Committee implemented a quarterly bonus opportunity as an incentive for our senior executive officers to achieve operating income above the annual bonus targets. To achieve a bonus opportunity, the year-to-date actual operating income, after ratable accrual of the annual bonus, must exceed the quarterly operating income target. Once a quarterly bonus is earned, it is not subject to forfeiture based on the failure to meet future operating income targets. The maximum potential bonus that an eligible senior executive officer will be entitled to receive under this bonus opportunity is 75% of his salary if the Company meets all prescribed operating income targets. The bonuses are awarded and payable after the Audit Committee has accepted the financial statements for the respective quarter.

The Named Executive Officers and other senior executives participating in both the annual and quarterly bonus opportunities will be paid the greater of the bonus amounts achieved, if any, pursuant to these two bonus opportunities, but cannot be paid under both the annual and quarterly bonus opportunities.

4. Regional President Asia

Effective for 2015, the Board and the Compensation and Stock Option Plan Committee implemented a variable bonus opportunity for Mr. Park based on the net sales and operating income of the Korean market in 2015. In order to earn any bonus, the Company must achieve operating income in 2015 for the Korean market of at least 22% of net sales. The bonus opportunity varies based on the Korean market’s net sales growth in 2015 as compared to 2014. The bonus opportunity ranges from 2.5% of base salary (for 5% net sales growth) to 250% of base salary (for 100% net sales growth). In order for Mr. Park to earn 100% of his base salary, the Korean must achieve a net sales growth rate of at least 60%.

The Board and the Compensation and Stock Option Plan Committee implemented an additional bonus opportunity for Mr. Park upon the Korean market achieving net sales of approximately \$100,000,000 (106,000,000,000 using an exchange rate of 1,052.88 per \$1) during 2015, provided that operating income equals or exceeds 22% of net sales. The net sales target represents a growth rate of approximately 73% as compared to 2014.

Both of the aforementioned bonus opportunities for Mr. Park are in addition to other bonus opportunities for which he is eligible. Both bonus opportunities are awarded and payable after the Audit Committee has accepted the financial statements for fiscal year 2015.

401(k) Plan

On May 9, 1997, we adopted a 401(k) Pre-tax Savings Plan (the "401(k) Plan"). All full time employees, including our Named Executive Officers, who have completed three months of service and are at least 21 years of age are eligible to participate in our 401(k) Plan. During 2014, employees were allowed to contribute to our 401(k) Plan up to the maximum annual limit of their current annual compensation, as statutorily prescribed. The 401(k) plan permits matching employer contributions in the amount of \$0.50 for each \$1.00 contributed by a participating employee up to a maximum of 6% of the participant's annual salary. The 401(k) Plan also allows us to make discretionary profit-sharing contributions each year based upon our profit. Employee contributions and our matching contributions are paid to a corporate trustee and are invested as directed by the participant. Our contributions to our 401(k) Plan vest over five years or earlier if the participant retires at age 65, becomes disabled, or dies. Payments to participants may be made in the case of financial hardship, and distributions may be made in a lump sum. Our 401(k) Plan is intended to qualify under Section 401(a) of the Code, so that contributions made by employees or by us to our 401(k) Plan, and income earned on these contributions, are not taxable to our employees until withdrawn from the 401(k) Plan.

Potential Payments Upon Termination or Change in Control

Each of our employment agreements with our Named Executive Officers provides for certain payments and benefits in the event of early termination. However, none of these employment agreements requires payment upon a change in control of the Company. The 2008 Plan does, however, provide for accelerated vesting of options in the event of a change in control or other event for which the Board determines such accelerated vesting would be equitable under the circumstances. In addition, the 2008 Plan provides that upon termination of employment for cause, all outstanding options, whether vested or unvested, will immediately be forfeited. If employment is terminated for any other reason, the executive officer may, for a limited time period, exercise those options that were exercisable immediately prior to his or her termination of employment. For purposes of the 2008 Plan, the term “cause” will be the same as defined in an executive’s employment agreement and absent such agreement, the term “cause” means (i) the commission of a felony or crime involving moral turpitude or other act of willful malfeasance or material fiduciary breach, (ii) conduct tending to bring the Company into substantial public disgrace, or disrepute, (iii) gross negligence or willful misconduct with respect to the Company or (iv) a material violation of state or federal securities laws. Under the 2008 Plan, a “change of control” means (a) the sale of substantially all of the properties or assets of the Company, (b) a change in the Board resulting in the current directors (along with any directors nominated for election or appointed by at least 2/3 vote of the directors) ceasing to comprise at least a majority of the Board, (c) the liquidation or dissolution of the Company, or (d) the acquisition of beneficial ownership of more than 50% of the voting power of the Company.

The following discussion summarizes our payment obligations to our Named Executive Officers upon termination or change in control (as defined under “Equity Compensation Plan Information” above) assuming such termination or change in control occurred on December 31, 2014:

Dr. Robert A. Sinnott, Ph.D. – CEO and Chief Science Officer:

Under the terms of his employment agreement, if Dr. Sinnott resigns for good reason or we terminate Dr. Sinnott without cause or due to disability, he will continue to receive his base salary for twelve months from the termination date in addition to the following payments and benefits for which Dr. Sinnott is entitled if his employment is terminated for cause, due to his resignation without good reason, or due to his death: (i) any remaining base salary earned and not yet paid through the termination date; (ii) any annual bonus, or portion thereof, that is earned through the termination date; (iii) all reimbursable expenses due but not yet paid through the termination date; and (iv) all earned or vested benefits (or an amount equivalent to the value of such benefits) payable under our benefit plans or arrangements through the termination date. Under the employment agreement and Dr. Sinnott’s options, a termination for “cause” means (A) we determined that Dr. Sinnott has neglected, failed, or refused to render the services or to perform any other of his duties or obligations under his employment agreement, (B) Dr. Sinnott’s violation of any provision or obligation under his employment agreement, (C) Dr. Sinnott’s indictment for, or plea of no contest with respect to, any crime that adversely affects or may adversely affect us or the utility of Dr. Sinnott’s services to us, or (D) any other act or omission of Dr. Sinnott involving fraud, theft, dishonesty, disloyalty, or illegality that harms or embarrasses us. Dr. Sinnott may resign for “good reason” if we (W) deny any compensation due under his employment agreement, (X) require him to be based outside of Dallas County, Texas, (Y) decrease his title or pay or remove a material portion of his significant duties or responsibilities without his consent, or (Z) breach his employment agreement. For purposes of the agreement, the term “disability” means Dr. Sinnott becomes incapacitated by accident, sickness, or other circumstances that, in the reasonable judgment of the Board renders or is expected to render Dr. Sinnott mentally or physically incapable of performing the essential duties and services required of him under the agreement, with or without reasonable accommodation, for a period of at least 90 consecutive calendar days. As of December 31, 2014, Dr. Sinnott’s annual base salary was \$390,000. Dr. Sinnott’s employment agreement will renew automatically for a one-year period on October 4 of each year unless terminated pursuant to its terms.

Under the employment agreement and Mr. Bala's options, a termination for "cause" means (A) we have determined that Mr. Bala has neglected, failed, or refused to render the services or to perform any other of his duties or obligations under the agreement, (B) Mr. Bala's violation of any provision or obligation under the agreement, (C) Mr. Bala's indictment for, or plea of no contest with respect to, any crime that adversely affects the utility of his services to us, or (D) any other act or omission of Mr. Bala involving fraud, theft, dishonesty, disloyalty, or illegality that harms or embarrasses us. The agreement defines a resignation for "good reason" as (W) any denial of compensation due and owing to Mr. Bala under the agreement, (X) any requirement that Mr. Bala be based anywhere other than Dallas County, Texas, except for travel incident to our business, (Y) our demotion of Mr. Bala in title or pay, or our removal of a material portion of Mr. Bala's significant duties or responsibilities without Mr. Bala's consent, or (Z) our material breach of the agreement. For purposes of the agreement, the term "disability" means Mr. Bala becomes incapacitated by accident, sickness, or other circumstances that, in the reasonable judgment of the Board renders or is expected to render Mr. Bala mentally or physically incapable of performing the essential duties and services required of him under the agreement, with or without reasonable accommodation, for a period of at least 90 consecutive calendar days. As of December 31, 2014, Mr. Bala's annual base salary was \$324,000. \$1 Million Pay Deductibility Cap

Under Section 162(m) of the Code (as interpreted by IRS Notice 2007- 49), public companies are precluded from receiving a tax deduction on compensation paid to their chief executive officer and the three most highly compensated officers of the company (other than the chief executive officer and the chief financial officer) if such officer's compensation exceeds \$1 million, unless the compensation is excluded from the \$1 million limit as a result of being classified as performance-based compensation. Currently, our executive officers' cash compensation levels have not exceeded the \$1 million limit, and our stock option grants qualify as performance-based compensation under Section 162(m). Nonetheless, we annually review all of our executive officers' compensation in an effort to comply with Section 162(m).

Review and Approval of Related Party Transactions

Our Audit Committee reviews all relationships and transactions, including relationships and transactions with our directors, director nominees, executive officers and their immediate family members, as well as holders known by us to own more than 5% of any class of our voting securities and their family members, who have a direct or indirect material interest. Although the Board does not have a formal policy with respect to related party transactions, in approving or rejecting such proposed transactions, our Audit Committee considers the nature of the related party transaction, the amount and material terms of the transaction, whether the transaction is on terms no less favorable to Mannatech than terms generally available in a similar transaction with an unaffiliated third party, whether the transaction would impair the judgment of a director or executive officer to act in the best interest of Mannatech, and other facts and circumstances available and deemed relevant to our Audit Committee.

REPORT OF THE AUDIT COMMITTEE

Our purpose is to assist the Board in overseeing its financial reporting, internal controls, and audit functions. Larry A. Jobe has been the Audit Committee's Chairman since February 2007 and is designated by the Board as the financial expert of our Audit Committee. Other members include Messrs. Gerald E. Gilbert, Eric W. Schrier and Robert A. Toth. The Board has determined that each of the Audit Committee's members meet the independence and financial literacy requirements for purposes of serving on such committee under applicable rules of NASDAQ and the SEC. We operate under a written charter adopted by the Board. We review and address the adequacy of our charter on an annual basis. See our Fifth Amended and Restated Charter of the Audit Committee, which is posted on the Company's corporate website at <http://ir.mannatech.com>.

We are responsible for reviewing the Company's consolidated financial statements, its systems of internal controls, and internal control over financial reporting. The Company's independent registered public accounting firm is responsible for auditing our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"). Our activities are in no way designed to supersede or alter our responsibilities or the responsibilities of the Company's independent registered public accounting firm. We assist the Board in fulfilling its responsibilities for oversight of the quality and integrity of the Company's accounting, auditing, and reporting practices, and such other duties as directed by the Board. Our role does not provide any special assurances with regard to the Company's consolidated financial statements, nor does it involve a professional evaluation of the quality of audits performed by the Company's independent registered public accounting firm. We strengthened our ability to assist the Board of Directors, and formed a subcommittee called the Disclosure Committee. The Disclosure Committee is comprised of high level employees and officers who report to us and the Company's Chief Executive Officer and Chief Financial Officer. The Disclosure Committee is responsible for reviewing all of the Company's filings with the SEC. We have furnished the Board with the following report:

We have reviewed and discussed with the Company's management their consolidated audited financial statements as of and for the year ended December 31, 2014, and the certification process required by the Sarbanes-Oxley Act of 2002. The Company has represented to us that its consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have also discussed the following with BDO USA, LLP, the Company's independent registered public accounting firm: (i) the auditor's responsibilities, (ii) any significant issues arising during the audit, and (iii) other matters required to be discussed by Auditing Standard No. 16, "Communications with Audit Committees." We received the written disclosures from BDO USA, LLP required by Rule 3520 of the PCAOB. We have discussed with the Company's independent registered public accounting firm the accounting firm's independence from Company management. In addition, we have discussed the adequacy of the Company's internal control over financial reporting with the Company's independent registered public accounting firm and its management.

Based on the review and discussions referred to above, we recommended to the Board and the Board subsequently approved, that the Company's year-end audited consolidated financial statements be included in the Company's 2014 Annual Report on its Form 10-K for the year ended December 31, 2014 for filing with the SEC.

MANNATECH, INCORPORATED
FREQUENTLY ASKED QUESTIONS

Our Board of Directors (the “Board”) urges all shareholders to read all of the information included in the proxy materials provided to them. As a courtesy, the Board is providing each shareholder with the following list of frequently asked questions in hopes of eliminating some of the more commonly asked questions and keeping our shareholders informed of the various policies and procedures that must be followed for the 2015 Annual Shareholders’ Meeting.

1. Why did I receive a Notice of Internet Availability of Proxy Materials this year instead of a paper copy of the proxy materials?

Pursuant to rules promulgated by the SEC, we are providing access to our proxy materials over the Internet. As a result, we are mailing to many of our shareholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our proxy materials. The notice contains instructions on how to access our proxy materials over the Internet, as well as instructions on how to request a paper copy of our proxy materials by mail.

2. Why didn’t I receive a Notice of Internet Availability of Proxy Materials?

We are providing some of our shareholders, including those who have previously requested to receive paper copies of the proxy materials, with paper copies of the proxy materials instead of the Notice of Internet Availability of Proxy Materials. In addition, we are providing the Notice of Internet Availability of Proxy Materials by e-mail to those shareholders who have previously elected delivery of the proxy materials electronically. Those shareholders should have received an e-mail containing a link to the website where materials are available.

If you received a paper copy of the proxy materials, you may elect to receive future proxy materials electronically by following the instructions on your proxy card or voting instruction form. Choosing to receive your future proxy materials by e-mail will help us conserve natural resources and reduce the costs of printing and distributing our proxy materials.

3. How can I access the proxy materials over the Internet?

Your Notice of Internet Availability of Proxy Materials or proxy card will contain instructions on how to view our proxy materials for the 2015 Annual Shareholders’ Meeting on the Internet. Our proxy materials are also available on our company website at <http://www.mannatech.com>.

4. What is the difference between a proxy-voting card and a ballot?

A proxy-voting card is mailed to a shareholder. The proxy-voting card gives specific instructions on how to cast a vote prior to our 2015 Annual Shareholders’ Meeting by mail, telephone, or the Internet. The instructions on the proxy-voting card are different depending on whether the shareholder owns shares directly or through a broker. Shareholders should read and follow all of the instructions in their packets to ensure their votes are counted. Ballots will be handed out at the 2015 Annual Shareholders’ Meeting to shareholders of record who own shares on the close of business on March 31, 2015.

5. What shares owned by a shareholder can be voted either by proxy or at the 2015 Annual Shareholders’ Meeting?

All shares owned directly by a shareholder of record or indirectly as a beneficial owner as of the record date, March 31, 2015, may be voted by the shareholder prior to the meeting by telephone or through the Internet, or by returning a proxy card, without having to attend the shareholder meeting in person. At the 2015 Annual Shareholders' Meeting, shares may be voted using a ballot by (i) shareholders of record who are verified with a valid form of identification and (ii) beneficial owners who are verified with a power of attorney from the broker of record giving them authority to vote at the meeting. If a shareholder does not have this information from his or her broker, our Inspector of Elections will not be able to count such shareholder's vote because the broker may have already cast a vote on such shareholder's behalf. We strongly recommend that a shareholder read the instructions on the Notice of Internet Availability of Proxy Materials or on the proxy-voting card received by the shareholder or provided by the shareholder's broker prior to the 2015 Annual Shareholders' Meeting to understand how to cast a vote at the meeting. A shareholder's broker can usually mail or fax a shareholder any necessary paperwork prior to the meeting.

Table of Contents

6. What is the difference between direct ownership and beneficial ownership?

A shareholder has DIRECT OWNERSHIP over its shares if such shareholder is a holder of record of our common stock, meaning the shareholder either holds stock certificates in the shareholder's own name or holds book-entry shares registered in the shareholder's own name. This is evidenced by the shareholder's receipt of all mailings directly from either our transfer agent, Computershare, or us. A shareholder has BENEFICIAL OWNERSHIP over its shares if such shareholder has delivered its stock certificates to a broker or purchased shares through a broker and receives all of our mailings either from a broker or through a solicitor, which is usually Broadridge Financial Solutions, Inc. As a beneficial owner, the shareholder still owns the shares, but our transfer agent does not have individual shareholders' names from the brokers. The only information our transfer agent has is the aggregate total number of shares each broker of record holds on behalf of its clients.

7. How is voting different for direct holders versus beneficial owners?

Our transfer agent has the names of the shareholders who directly hold shares of our common stock, but it does not have any detailed information (such as the individual names or number of shares held) concerning shareholders who own shares through brokers. Only the individual brokers have the detailed information about each shareholder's beneficial ownership. Each brokerage group is responsible for reporting its clients' votes to our transfer agent and for providing all mailings to our shareholders who own stock through their brokerage firm. Each brokerage group also has its own set of instructions on how to cast a vote with such brokerage firm.

8. What does it mean if I received more than one set of materials?

This means your shares are registered with different names. For example, you may own some shares directly as a "holder of record" and other shares through a broker in "street name," or you may own shares through more than one broker. In these situations, you may receive multiple sets of proxy materials. It is necessary for you either to attend in person (please note, however, that if a broker or other nominee holds your shares of record and you wish to vote at the meeting, you must obtain from that registered holder a proxy card issued in your name), follow the instructions to vote your shares by telephone or through the Internet provided in the Notice of Internet Availability of Proxy Materials or return a signed, dated and marked proxy card if you received a paper copy of the proxy card. If you vote by mail, make sure you return each proxy card in the return envelope that accompanied that proxy card.

9. Can I change my proxy vote?

Both direct shareholders and beneficial shareholders can revoke a proxy-vote prior to commencement of the 2015 Annual Shareholders' Meeting. Attendance at the 2015 Annual Shareholders' Meeting will not in itself constitute a revocation of a shareholder's proxy-vote. Generally, shareholders may revoke their proxy-vote by submitting a new proxy-vote with a later date or by voting in person at our 2015 Annual Shareholders' Meeting. Shareholders should call the telephone number listed within the shareholder information packets to obtain specific instructions on how to revoke their proxy-vote. Specific instructions on how to revoke a proxy-vote may be different depending on whether a shareholder is a direct shareholder of record or a beneficial shareholder.

Each set of instructions should include the shareholder's account number and the solicitor's telephone number and email address. Our Inspector of Elections will only count the verified proxy-votes received from each shareholder and brokerage firm with the latest date. Each share of our common stock represents one vote. Shareholders should call the telephone number provided to them in their shareholder information packets if they are unsure or have any questions. Telephone numbers may be different depending on whether a shareholder is a direct shareholder of record or a beneficial shareholder. The telephone numbers may also be different if a shareholder holds shares at different brokerage firms.

10. How can I attend the 2015 Annual Shareholders' Meeting?

The 2015 Annual Shareholders' Meeting will be held on May 28, 2015 at 9:00 a.m., Central Daylight Time, at the Grapevine Convention Center in Grapevine, Texas. Shareholders will be admitted upon check-in. No cameras or recording equipment will be permitted in the meeting room.

11. Where can I find the voting results of the 2015 Annual Shareholders' Meeting?

We will announce preliminary voting results of the 2015 Annual Shareholders' Meeting in a press release issued on or about May 28, 2015, and will publish final voting results on Form 8-K, which is expected to be filed with the Securities and Exchange Commission ("SEC") on or before June 3, 2015.

12. Can I have someone else cast a vote for me at the 2015 Annual Shareholders' Meeting?

In order to have someone else cast your vote at the meeting, you must provide the person with whom you would like to cast your vote a power of attorney form. This person is called a shareholder designee ("designee"). A valid power of attorney form must be notarized and contain the following:

- the date;
- the full name of the designee;
- the number of shares you hold and to be voted by the designee;
- the nature and extent of the authority granted to the designee;
- the expiration date that terminates the designee's rights to cast your vote on your behalf; and
- your signature.

The original power of attorney form must be attached to the ballot that is turned in at the meeting by the designee. If you are a beneficial owner, you must also provide the proper documentation from your broker of record to the designee, which would allow you to vote and attend the meeting. The designee should then attach all of the original form(s) to the ballot to be turned in at the 2015 Annual Shareholders' Meeting.

The designee must complete a separate ballot and attach the original power of attorney form and/or the proper documentation from the broker (only if the shares are held through a broker) and must sign each ballot as your designee.

13. How can I vote against some or all of the nominees for the Board?

To vote against some or all of our Board nominees, you should check the "WITHHOLD ALL" or the "FOR ALL EXCEPT" boxes next to the name of each of the applicable nominees on the proxy-voting card or ballot.

14. How can I recommend a person as a nominee for election to the Board?

Nominations for election to the Board may only be made by the Board or by a shareholder who delivers a timely notice complying with the procedural and information requirements of our Bylaws. To nominate a person for election to the Board at our 2016 Annual Shareholders' Meeting, a shareholder of record must deliver notice to the Company's Secretary by mail at 600 South Royal Lane, Suite 200, Coppell, Texas 75019, not earlier than the close of business on January 29, 2016, and not later than the close of business on February 28, 2016. The notice must set forth the information required by our Bylaws.

Shareholders may also recommend that the Board consider a candidate for nomination to the Board. Shareholder candidate recommendations should have been submitted to our CFO by December 31, 2014, in order for the Board to have considered such persons for nomination at the 2015 Annual Shareholders' Meeting.

To submit candidate recommendations for the Board's consideration for the 2016 Annual Shareholder Meeting, a shareholder should submit in writing the nominee's information to our CFO by December 31, 2015. The nomination should be either faxed to (972) 471-5642 or mailed to our CFO at Mannatech, Incorporated, 600 S. Royal Lane, Suite 200, Coppell, Texas 75019. Nominee recommendations should include a candidate's name, age, biographical information, and qualifications. Upon receipt, our CFO forwards the list of nominees to our Nominating/Governance

and Compliance Committee. Our Nominating/Governance and Compliance Committee reviews all of the nominees and recommends a list of nominees to the Board. The Board then votes on the nominees. Only the nominees approved by the Board will be listed on our ballot, proxy-voting card, and in our proxy statement on Schedule 14A.

15. How are the votes counted?

Our Inspector of Elections will be responsible for tabulating all of the votes for the 2015 Annual Shareholders' Meeting. The presence, in person or by proxy-vote, of the holders of at least a majority of shares of our common stock outstanding, as of the record date, is necessary to have a quorum for the 2015 Annual Shareholders' Meeting. "ABSTAIN" votes and "broker non-votes" will be counted as present for purposes of determining a quorum. A "broker non-vote" occurs when brokers holding shares in "street name" have not received voting instructions from the beneficial owner and either chooses not to vote those shares on a routine matter at the 2015 Annual Shareholders' Meeting or is not permitted to vote those shares on a non-routine matter.

In tabulating the votes, if a proxy-vote or ballot is signed by the shareholder but submitted without providing specific voting instructions, the shareholder's vote will be counted as a vote "FOR" each of the proposals. If your shares are held in "street name" and you do not provide specific voting instructions to your broker, then your shares will not be included in the vote for Proposal 1 (Election of Director) or Proposal 3 ("Say-on-Pay" Advisory Vote), but will be voted at the discretion of your broker with respect to Proposal 2 (Ratification of Auditors).

For Proposal 1 (Election of Director) — If a quorum is obtained, our Class I directors will be elected by a plurality of the shares represented, in person or by proxy, at the 2015 Annual Shareholders' Meeting and entitled to vote. This means that the three nominees receiving the highest number of affirmative votes at the meeting will be elected as our three Class I directors. Votes marked "FOR ALL" will be counted in favor of all nominees. Votes marked "WITHHOLD ALL" will be counted against all nominees. To specify differently, a shareholder must check the "FOR ALL EXCEPT" box and then write the names of the nominees for whom the shareholder wishes to vote against. Votes marked "WITHHOLD ALL" have no effect on the vote since a plurality of the votes is required for the election of each nominee. Shareholders may not abstain from voting with respect to the election of directors.

For Proposal 2 (Ratification of Auditors) — If a quorum is obtained, and a majority of the shares represented, in person or by proxy, at the 2014 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 2, the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2015, will be approved. Votes marked "FOR" Proposal 2 will be counted in favor of the ratification of the appointment of our independent registered public accounting firm for the year ended December 31, 2015. An abstention from voting on Proposal 2 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST" Proposal 2.

For Proposal 3 ("Say-on-Pay" Advisory Vote) — If a quorum is obtained, and a majority of shares represented, in person or by proxy, at the 2015 Annual Shareholders' Meeting and entitled to vote, are in favor of Proposal 3 the current executive compensation program will be approved by shareholders on an advisory basis. Votes marked "FOR" Proposal 3 will be counted in favor of the current executive compensation program. An abstention from voting on Proposal 3 will not be voted on that item, although it will be counted for purposes of determining the number of shares represented and entitled to vote. Accordingly, an "ABSTENTION" will have the same effect as a vote "AGAINST" Proposal 3. "Broker non-votes" are not considered shares entitled to vote for purposes of Proposal 3 and thus will have no effect on the outcome of the approval, on an advisory basis, of our executive compensation program.

16. What should I do if I never received my proxy materials or if the proxy materials have been lost?

You should contact your broker's customer service department. The broker should verify that you were a shareholder on the close of business on March 31, 2015 and give you specific instructions on how to obtain new proxy materials and cast a vote. Anyone can view our 2015 proxy statement by logging onto our corporate website, www.mannatech.com.
