Who Is Entitled To Notice?

Each holder of an outstanding share of common stock or preferred stock as of record on the close of business on the Record Date, December 30, 2003, will be entitled to notice of each matter to be voted upon pursuant to written consents. Shareholders as of the close of business on the record date that hold in excess of fifty percent (50%) of the Company's 49,139,950 issued and outstanding shares of common stock combined with the Company's 1,000,000 shares of preferred stock, on an as converted basis into 300,000,000 shares of common stock, have indicated that they will vote in favor of the Proposals. Additionally, shareholders as of the close of business on the record date that hold in excess of fifty percent (50%) of the Company's 49,139,950 issued and outstanding shares of common stock, as an independent class, have indicated they will vote in favor of the Proposal to increase the the number of authorized shares of common stock to 2,000,000,000 shares. Edgar Filing: ALTRIMEGA HEALTH CORP - Form PRER14C

What Are The Board Of Directors' Recommendations?

The Board of Directors' recommendation is set forth together with the description of each item in this information statement. In summary, the Board recommends a vote:

- o For the approval of an amendment to the Company's Articles of Incorporation to change the name of the Company from Altrimega Health Corporation to Creative Holdings & Marketing Corporation (see page 6).
- o For the approval of an amendment to the Company's Articles of Incorporation to increase the authorized shares of the Company's common stock to 2,000,000,000 shares (see page 8).

What Vote Is Required To Approve Each Proposal?

As of the record date, the Company had 49,139,950 shares of issued and outstanding shares of common stock and 1,000,000 shares of issued and outstanding shares of preferred stock. Each share of preferred stock is convertible into 300 shares of common stock and is entitled to vote with shares of common stock on an as converted basis. As a result, holders of the shares of preferred stock are entitled to vote a total of 300,000,000 shares of common stock.

Corporate Name Change. For the Proposal to change the name of the corporation to Creative Holdings & Marketing Corporation, a vote of a majority of the common stock combined with the as converted shares of preferred stock is required for approval of the Proposal. As a result of the 49,139,950 outstanding shares of common stock and the 300,000,000 shares of common stock entitled to vote on an as converted basis of the 1,000,000 shares of preferred stock, at least 174,569,976 votes are required to approve the Proposal.

Increase in Authorized Shares. For the Proposal to increase the authorized shares of common stock to 2,000,000,000, in addition to the vote of at least 174,569,976 shares including the as converted preferred stock, a second vote of a majority of common stock, as an independent class, is also required by Nevada Revised Statutes Section 78.390(2). Accordingly, a second vote of at least 24,569,976 shares of outstanding common stock, without the shares of preferred stock, is also required to approve the increase in the number of authorized shares of common stock.

The shareholders that have indicated an intention to vote in favor of the Proposals and the number of shares of common stock and preferred stock, including on an as converted basis, within their voting control as of the new record date (December 30, 2003) are described below. These shareholders have 62.1106% of the shares entitled to vote when the shares of preferred stock are included on an as converted basis, and have 50.0517% of the shares common stock when considered as an independent class. Accordingly the same shareholders have sufficient shares to approve both Proposals.

PROPOSAL 1 - AMENDMENT TO THE ARTICLES OF INCORPORATION TO CHANGE THE COMPANY'S NAME TO CREATIVE HOLDINGS & MARKETING CORPORATION

Our Company's Board of Directors proposed an amendment to our Company's Articles of Incorporation to change our Company's name from Altrimega Health Corporation to Creative Holdings & Marketing Corporation.

The amendment to our Company's Articles of Incorporation shall be filed with the Nevada Secretary of State so that the first paragraph of Article I of the Articles of Incorporation shall be as follows:

"The name of the corporation is Creative Holdings & Marketing Corporation."

Our Company's Board of Directors believes that it is desirable to have the Company change its name in light of our recent merger agreement with Creative Holdings, Inc. and change in our business focus to the real estate industry. Moreover, the Company is not involved in the health care industry.

On August 15, 2002, the Company entered into a definitive Merger Agreement (the "Merger Agreement") among the Company, Altrimega Acquisition Co., a Nevada corporation ("Acquisition Co."), Creative Holdings, Inc., a South Carolina corporation ("Creative Holdings") and the shareholders of Creative Holdings (the

Edgar Filing: ALTRIMEGA HEALTH CORP - Form PRER14C

"Shareholders"). Pursuant to the Merger Agreement, Creative Holdings would have been merged with and into Acquisition Co., which would have been the surviving corporation and continued its corporate existence under the laws of the State of Nevada as a wholly-owned subsidiary of the Company. In consideration of the merger, the Company was to issue a total of 320,000,000 shares of common stock of the Company to the Shareholders in exchange for all of the common stock of Creative Holdings. At closing, 20,000,000 shares of common stock of the Company would have been issued and delivered to the Shareholders. Upon consummation of the merger and the approval by a majority of the outstanding shares of capital stock authorizing an amendment to the Company's Articles of Incorporation increasing the authorized common stock of the Company to 800,000,000, the remaining 300,000,000 shares of common stock of the Company would have been issued and delivered to the Shareholders.

On September 2, 2002, the Company, Creative Holdings and the Shareholders amended the Merger Agreement and restructured the merger into a stock exchange transaction, whereby Creative Holdings became a wholly-owned subsidiary of the Company. Pursuant to the Share Exchange Agreement (the "Share Exchange Agreement"), effective as of August 15, 2002 by and among the Company, Creative Holdings and the Shareholders, the Shareholders exchanged with, and delivered to, the Company the issued and outstanding capital stock of Creative Holdings in exchange for 20,000,000 shares of common stock of the Company and 1,000,000 shares of Series A Convertible Preferred Stock of the Company. Each share of Series A Convertible Preferred Stock will be convertible into 300 shares of common stock of the Company. All of the shares of preferred stock were issued on November 6, 2002. After cancellation of certain shares, the Shareholders have received 13,619,950 shares of the Company's common stock.

The Company is a real estate development business and will strive to locate, evaluate and proceed to finance and develop multiple projects located primarily in the Myrtle Beach, S.C. area and the Carolinas area of the United States. Management believes that these areas provide the population growth necessary to achieve profits from new construction projects. The Company's business strategy includes a focus on interval ownership properties that cater to this major tourism industry. As well, we intend to develop projects in the medium price ranges for the areas' permanent service industry population. Management will attempt to seek out low-risk projects throughout the Carolinas that do not require large financing commitments. Accordingly, the Company believes "Creative Holdings & Marketing Corporation" is an appropriate name for the Company.

The Company's first revenue generating real estate project is the Sea Garden Town Home Community in North Myrtle Beach, South Carolina. The Company is developing this project through its 80% interest in Sea Garden Funding, LLC, the owner and developer of the remaining 59 units in a 175 unit, 2 bedroom, 2 bath town home community approximately 3 blocks from the Atlantic shoreline. Sea Garden Funding purchased the real property from Sea Garden, LLC on October 21, 2002 for the payment of \$210,000 and the assumption of \$1,071,344.66 in mortgages on the real property held by Horry County State Bank. The development consists of buildings that have either 4 or 5 units per building. The remaining 20% interest in Sea Garden Funding, LLC, is owned by an unaffiliated party. The community currently consists of

7

116 sold units. During the first three quarters of 2003, this project produced revenue of \$634,868 with gross profit of \$24,782.

Recommendation Of The Board Of Directors

Edgar Filing: ALTRIMEGA HEALTH CORP - Form PRER14C

Our Board of Directors unanimously recommended a vote "FOR" the approval of an amendment to our Company's Articles of Incorporation to change the company name from Altrimega Health Corporation to Creative Holdings & Marketing Corporation.

8

PROPOSAL 2 - AMENDMENT TO THE ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED COMMON STOCK OF THE COMPANY TO 2,000,000,000 SHARES

Our Company's Board of Directors proposed an amendment to our Company's Articles of Incorporation to increase the number of authorized shares of common stock, par value \$0.001 per share, from 50,000,000 to 2,000,000,000 shares.

The amendment to our Company's Articles of Incorporation provides for the authorization of 1,950,000,000 additional shares of our Company's common stock. Currently, 49,139,950 shares of our Company's common stock are issued and outstanding of the 50,000,000 authorized shares of common stock. None of the current authorized and unissued shares of common stock are reserved for specific purposes.

Purpose Of Increasing Number Of Authorized Shares Of Common Stock

On August 15, 2002, the Company entered into a definitive Merger Agreement (the "Merger Agreement") among the Company, Altrimega Acquisition Co., a Nevada corporation ("Acquisition Co."), Creative Holdings, Inc., a South Carolina corporation ("Creative Holdings") and the shareholders of Creative Holdings (the "Shareholders"). Pursuant to the Merger Agreement, Creative Holdings would have been merged with and into Acquisition Co., which would have been the surviving corporation and continued its corporate existence under the laws of the State of Nevada as a wholly-owned subsidiary of the Company. In consideration of the merger, the Company was to issue a total of 320,000,000 shares of common stock of the Company to the Shareholders in exchange for all of the common stock of Creative Holdings. At closing, 20,000,000 shares of common stock of the Company would have been issued and delivered to the Shareholders. Upon consummation of the merger and the approval by a majority of the outstanding shares of capital stock authorizing an amendment to the Company's Articles of Incorporation increasing the authorized common stock of the Company to 2,000,000,000, the remaining 300,000,000 shares of common stock of the Company would have been issued and delivered to the Shareholders.

On September 2, 2002, the Company, Creative Holdings and the Shareholders amended the Merger Agreement and restructured the merger into a stock exchange transaction, whereby Creative Holdings became a wholly-owned subsidiary of the Company. Pursuant to the Share Exchange Agreement (the "Share Exchange Agreement"), effective as of August 15, 2002 by and among the Company, Creative Holdings and the Shareholders, the Shareholders exchanged with, and delivered to, the Company the issued and outstanding capital stock of Creative Holdings in exchange for 20,000,000 shares of common stock of the Company and 1,000,000 shares of Series A Convertible Preferred Stock of the Company. Each share of Series A Convertible Preferred Stock will be convertible into 300 shares of common stock of the Company. All of the shares of preferred stock were issued on November 6, 2002. After cancellation of certain shares, the Shareholders have received 13,619,950 shares of the Company's common stock.

The Company is contractually obligated to use some of the additional authorized shares of common stock for issuance pursuant to the Company's Share Exchange Agreement between the Company, Creative Holdings and the Shareholders. Pursuant to the Share Exchange Agreement, the Shareholders were collectively

Edgar Filing: ALTRIMEGA HEALTH CORP - Form PRER14C

issued 1,000,000 shares of Series A Convertible Preferred Stock that are convertible into a total of 300,000,000 shares of common stock. All of the shares of preferred stock were issued on November 6, 2002. On the date of the Share Exchange Agreement, the Company had insufficient authorized shares of common stock for the Shareholders who acquired Series A Convertible Preferred Stock as part of the Share Exchange Agreement to convert the preferred stock into shares of common stock. The Company believes that upon the increase of the authorized shares of common stock to 2,000,000,000 shares, all, or substantially all, of the shares of Series A Preferred Stock will be converted into 300,000,000 shares of the Company's common stock. Accordingly, 300,000,000 shares of the Company's common stock will likely be issued to the Shareholders upon the approval of the amendment to the Company's Articles of Incorporation.

After issuance of the 300,000,000 shares as a result of the conversion of the preferred shares, the Company will have approximately 1,650,000,000 shares of authorized and unissued shares of common stock. While the Company has no current plans, and is not currently considering any acquisitions, financings or corporate purposes involving the issuance of these shares of common stock, the Company's board of directors believes that it is desirable to have additional authorized shares of common stock available for possible future financings, possible future acquisition transactions and other possible general corporate purposes. The Company's board of directors believes that having such additional authorized shares of common stock available for issuance in the future should give the Company greater flexibility and may allow such shares to be issued without the expense and delay of a special shareholders' meeting. Although such issuance of additional shares with respect

9

to future financings and acquisitions would dilute existing shareholders, management believes that such transactions would increase the value of the Company to its shareholders. Again, other than as discussed above in connection with the conversion of the shares of preferred stock, the Company currently is not contemplating the issuance of any shares of common stock for any future financing, any future acquisitions transactions or other general corporate purposes.

The amendment to the Company's Certificate of Incorporation provides for the authorization of 1,950,000,000 additional shares of the Company's common stock. As of December 30, 2003, 49,139,950 shares of the Company's common stock were issued and outstanding.

There are certain advantages and disadvantages of voting for an increase in the Company's authorized common stock and the authorization of shares of preferred stock. The advantages include:

- o The ability of the Company to satisfy the obligations pursuant to the Share Exchange Agreement.
- o The ability to raise capital by issuing capital stock under financing transactions, if any.
- o To have shares of common stock available to pursue business expansion opportunities, if any.

The disadvantages include:

- o Dilution to the existing shareholders, including a decrease in our net income per share in future periods. This could cause the market price of our stock to decline.

Edgar Filing: ALTRIMEGA HEALTH CORP - Form PRER14C

The issuance of authorized but unissued stock could be used to deter a potential takeover of the Company that may otherwise be beneficial to shareholders by diluting the shares held by a potential suitor or issuing shares to a shareholder that will vote in accordance with the desires of the Company's Board of Directors, at that time. A takeover may be beneficial to independent shareholders because, among other reasons, a potential suitor may offer such shareholders a premium for their shares of stock compared to the then-existing market price. The Company does not have any plans or proposals to adopt provisions or enter into agreements that may have material anti-takeover consequences.

The amendment to our Company's Articles of Incorporation shall be filed with the Nevada Secretary of State so that the first paragraph of Article VI of the Articles of Incorporation shall be as follows:

"The maximum number of shares of stock which this Corporation shall have authority to issue is Two Billion Ten Million (2,010,000,000), consisting of Two Billion (2,000,000,000) shares of common stock having a par value of \$0.001 per share, and Ten Million (10,000,000) shares of preferred stock having a par value of \$0.001 per share. The preferences, qualifications, limitations, restrictions and the special or relative rights with respect to the shares of each class are as follows:"

Anti-Takeover Effects Of Provisions Of The Articles Of Incorporation, Bylaws And Florida Law

Authorized and Unissued Stock. Authorized but unissued shares of common stock and preferred stock would be available for future issuance without our shareholders' approval. These additional shares may be utilized for a variety of corporate purposes including but not limited to future public or direct offerings to raise additional capital, corporate acquisitions and employee incentive plans. The issuance of such shares may also be used to deter a potential takeover of the Company that may otherwise be beneficial to shareholders by diluting the shares held by a potential suitor or issuing shares to a shareholder that will vote in accordance with the Company's Board of Directors' desires. A takeover may be beneficial to shareholders because, among other reasons, a potential suitor may offer shareholders a premium for their shares of stock compared to the then-existing market price.

The existence of authorized but unissued and unreserved shares of preferred stock may enable the Board of Directors to issue shares to persons friendly to current management, which would render more difficult or discourage an attempt to obtain control of the Company by means of a proxy contest, tender offer, merger or otherwise, and thereby protect the continuity of the Company's management.

Dividends

The Company has not declared or paid cash dividends on its common stock since its inception and does not anticipate paying such dividends in the foreseeable future. The payment of dividends may be made at the discretion of the Board of Directors at that time and will depend upon, among other factors, on the Company's operations.
