FOR

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD THURSDAY, JULY 8, 2004  
-----

Our annual meeting of shareholders will be held on Thursday, July 8, 2004 at the American Stock Exchange, 86 Trinity Place, New York, New York 10006 at 11:00 a.m., local time. This proxy statement contains information about the matters to be considered at the meeting or any adjournments or postponements of the meeting.

ABOUT THE MEETING

WHAT IS BEING CONSIDERED AT THE MEETING?

You will be voting on the following:

- o electing three directors;
- o approval of our 2004 Stock Option Plan ("2004 Stock Option Plan"); and
- o ratification of the appointment of our independent certified public accountants.

WHO IS ENTITLED TO VOTE AT THE MEETING?

You may vote if you owned common stock as of the close of business on June 7, 2004. Each share of common stock is entitled to one vote. You may also vote if you hold Series A 8% Convertible Preferred Stock (the "Series A Preferred Stock"). Each share of the Series A Preferred Stock is entitled to approximately 15 votes.

HOW DO I VOTE?

You can vote in two ways:

- o by attending the meeting in person; or
- o by completing, signing and returning the enclosed proxy card.

CAN I CHANGE MY MIND AFTER I VOTE?

Yes, you may change your mind at any time before a vote is taken at the meeting. You can do this by either (1) signing another proxy with a later date and returning it to us prior to the meeting or filing with our corporate secretary a written notice revoking your proxy, or (2) voting again at the meeting.

WHAT IF I RETURN MY PROXY CARD BUT DO NOT INCLUDE VOTING INSTRUCTIONS?

Proxies that are signed and returned but do not include voting instructions will be voted FOR the election of the three nominated directors;

## Edgar Filing: INTELLI CHECK INC - Form DEF 14A

FOR the 2004 Stock Option Plan; and FOR the appointment of our independent certified public accountants

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is Continental Sock Transfer and Trust Company (212) 509-4000.

WILL MY SHARES BE VOTED IF I DO NOT PROVIDE MY PROXY?

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy. Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' unvoted shares on certain "routine" matters, including the election of directors. When a brokerage firm votes its customer's unvoted shares, these shares are counted for purposes of establishing a quorum. At our meeting these shares will be counted as voted by the brokerage firm in the election of directors, approval of our 2004 Stock Option Plan and appointment of auditors.

HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by mail. In order for us to conduct our meeting, a majority of the combined voting power of our common stock and Series A Preferred Stock as of June 7, 2004 must be present at the meeting. This is referred to as a quorum. On May 31, 2004, there were 10,163,618 shares outstanding of common stock entitled to vote and 30,000 shares of Series A Preferred Stock, par value \$.01 per share entitled to vote. Each share of common stock entitles the holder to one vote per share and each share of Series A Preferred Stock entitles the holder to 15.15 votes per share, (for a total of 454,545 votes) with holders of common stock and Series A Preferred Stock voting together as a single class.

WHAT VOTE IS REQUIRED TO APPROVE EACH ITEM?

The affirmative vote of a plurality of the votes cast at the annual meeting is required for approval of the election of directors and the affirmative vote of a majority of the votes cast is required for approval of the 2004 Stock Option Plan and the appointment of our independent certified public accountants.

DO WE CURRENTLY HAVE, OR DO WE INTEND TO SUBMIT FOR STOCKHOLDER APPROVAL, ANY ANTI-TAKEOVER DEVICE?

Our Certificate of Incorporation, By-Laws and other corporate documents do not contain any provisions that contain material anti-takeover aspects except for our classified board of directors. We have no plans or proposals to submit any other amendments to the Certificate of Incorporation or By-Laws or other measures in the future that have anti-takeover effects.

During the review, it was determined that the Company failed to file a timely report concerning the grant of stock options on July 10, 2003 to Mr. Winiarz, Mr. Money, Mr. McQuinn and Mr. Levy; such failure was remedied by the reporting of these grants later in July 2003. All other transactions were timely filed thereafter.

### MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Evelyn Berezin did not attend three meetings of the board of directors.

The board of directors has established a compensation committee which is currently comprised of Mr. Levy, chairperson, Mr. Moody and Mr. Money. The compensation committee reviews and recommends to the board the compensation for all officers and directors of our company and reviews general policy matters relating to the compensation and benefits of all employees. The compensation committee also administers the stock option plans.

The board of directors has established a corporate governance and nominating committee, which is comprised of Mr. McQuinn, chairperson, Ms. Berezin and Mr. Levy. The corporate governance committee reviews our internal policies and procedures and by-laws and acts as our nominating committee for the board of directors.

The Board of Directors established a corporate governance committee in 1999, which is responsible for reviewing our internal policies and procedures. On January 8, 2004, the Board of Directors decided to delegate additional duties to the committee with respect to nominating director candidates, such as identifying and evaluating potential director candidates and recommending candidates for appointment or election to the Board. The Board of Directors has re-established the committee as the corporate governance and nominating committee. The committee has adopted a charter, a copy of which is appended to this proxy statement as Exhibit A.

Although we do not currently have a formal policy or procedure for stockholder recommendations of director candidates, the Board of Directors welcomes such recommendations and will consider candidates recommended by stockholders. Because we do not prohibit or restrict such stockholder

recommendations, we have not implemented a formal policy with respect to such recommendations. However, the Board may consider implementing such a policy in the future.

The corporate governance and nominating committee may consider those factors it deems appropriate in evaluating director nominees, including judgment, skill, diversity, strength of character, experience with businesses and organizations comparable in size or scope to the Company, experience and skill relative to other board members, and specialized knowledge or experience. Depending upon the current needs of our Board of Directors, certain factors may be weighed more or less heavily by the corporate governance and nominating committee. In considering candidates for our Board of Directors, the corporate governance and nominating committee will evaluate the entirety of each candidate's credentials and, other than the eligibility requirements established by the corporate governance and nominating committee, will not have any specific minimum qualifications that must be met by a nominee. The corporate governance and nominating committee will consider candidates for the Board from any reasonable source, including current board members, shareholders, professional search firms or other persons. The corporate governance and nominating committee will not evaluate candidates differently based on who has made the recommendation.

The board of directors has a separately designated audit committee established in accordance with Section 3(a)(58) of the Securities Exchange Act of 1934, which is currently comprised of Mr. Moody, chairperson, Mr. McQuinn and Ms. Berezin. The members of the Audit Committee are independent as defined in Section 121(A) of the American Stock Exchange's listing standards. The audit committee recommends to the board of directors the annual engagement of a firm of independent accountants and reviews with the independent accountants the scope and results of audits, our internal accounting controls and audit practices and professional services rendered to us by our independent accountants. The Audit Committee has adopted a written charter. The charter sets forth the responsibilities, authority and specific duties of the Audit Committee. The Board of Directors has determined that it has at least one audit

-7-

committee financial expert serving on its Audit Committee. Mr. Moody serves as the Audit Committee financial expert.

The board of directors has recently established an acquisition committee comprised of John Hatsopoulos, chairperson, Frank Mandelbaum and Edwin Winiarz. The 5% and 10% assumed annual rates of compounded stock price appreciation are mandated by rules of the Securities and Exchange Commission and do not represent our estimate or projection of our future common stock prices. These amounts represent certain assumed rates of appreciation in the value of our common stock from the fair market value on the date of grant. Actual gains, if any, on stock option exercises are dependent on the future performance of the common stock and overall stock market conditions. The amounts reflected in the table may not necessarily be achieved.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

On February 1, 2002, we entered into a new three-year employment contract with our Chairman and Chief Executive Officer, Frank Mandelbaum, effective January 1, 2002. The agreement provides for an annual base salary of \$250,000. In addition, we granted to Mr. Mandelbaum an option to purchase 350,000 shares

-11-

of common stock, of which 275,000 options are immediately exercisable at \$12.10 per share and 75,000 options become exercisable on December 31, 2004.

If a change of control occurs, as defined in Mr. Mandelbaum's employment agreement, Mr. Mandelbaum may terminate his employment at any time and shall be entitled to receive a payment equal to 2.99 times his average annual compensation, including bonuses received, during the three years preceding the date of termination, payable in cash to the extent of three months salary and the balance in shares of our common stock based on a valuation of \$2.00 per share.

On September 7, 2001, we renewed our employment agreement with Mr. Winiarz. The agreement, which expires December 31, 2004, provides for a base salary of \$135,000 with annual increases of 5% per annum. In addition, we granted 75,000 stock options at an exercise price of \$8.04 vesting on September 7, 2006 with earlier vesting incentives.

Under the terms of the employment agreements, each of the executives has the right to receive his compensation in the form of shares of common stock valued at 50% of the closing bid price of our shares of common stock as of the date of the employee's election, which is to be made at the beginning of each quarter. In addition, each of the employment agreements requires the executive to devote substantially all his time and efforts to our business and contains non-competition and nondisclosure covenants of the officer for the term of his employment and for a period of two years thereafter. Each employment agreement provides that we may terminate the agreement for cause.

CERTAIN TRANSACTIONS

On January 21, 2004, we entered into an agreement with Alexandros Partners LLC to act as consultants in advising us in financial and investor relations matters. We agreed to pay a consulting fee of \$50,000 payable in 12 equal monthly installments. In addition, we issued a warrant granting the right to

## Edgar Filing: INTELLI CHECK INC - Form DEF 14A

purchase 100,000 shares of our common stock at a purchase price of \$7.54 per share vesting ratably over the 12 month period. The agreement terminates on December 31, 2004. A principal of Alexandros Partners LLC is currently a member of our Board of Directors. This transaction was approved by all of the independent directors of our Board of Directors.

### COMPENSATION OF DIRECTORS

Non-employee directors receive a fee of \$500 for attending board meetings in person and \$250 for attendance at such meetings telephonically. They also receive a fee of \$300 for each committee meeting held on a date other than that of a board meeting and are reimbursed for expenses incurred in connection with the performance of their respective duties as directors. Through December 2002, non-employee directors received 15,000 options for each full year of service on the Company's board of directors. In July 2003, the board increased the amount of options granted to non-employee directors for each full year of service to 25,000 options. In addition, non-employee directors who are members of a committee are entitled to receive grants of stock options for each year served. The chairperson of the audit committee receives options to purchase 7,500 shares of our common stock and audit committee members receive options to purchase 3,000 shares of our common stock. Of the remaining committees, each chairperson receives options to purchase 2,500 shares of our common stock and each a committee member receives options to purchase 1,500 shares of our common stock. These options are immediately exercisable during the committee members' term and expire five years from date of grant.

In November 2003, the Company accepted the resignation of Mr. Davis from its Board of Directors and agreed to extend the expiration date of his vested options until November 11, 2004. All unvested options subsequently expired.

### REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

**Introduction.** The disclosure rules of the Securities and Exchange Commission require us to provide certain information concerning the compensation of the Chief Executive Officer and other executive officers of our company. We review and recommend to our board of directors compensation of the executive officers of our company. Decisions on the compensation of our Chief Executive Officer are made by the board and salaries of other executive officers are set in relation to the salary of the Chief Executive Officer.

**Structure.** Compensation of our executive officers consists of salary and stock option grants. Stock options have been used to reward executives for actions which increase shareholder value and to attract and retain high quality executives by providing long-term incentives. The Company has no bonus plan for executives nor does it provide retirement benefits. We believe our compensation policy is fair to our employees and shareholders. Our total compensation package is competitive within our industry.

**Base Salary.** Since 1996, we have relied on our own informal surveys of compensation levels to gauge the reasonableness of the compensation of Frank Mandelbaum, our Chief Executive Officer. Mr. Mandelbaum's compensation was at an annual rate of \$250,000 for the 2002 fiscal year which was established in February 2002 when we entered into a new three year employment agreement with him.

All executive officer salaries are reviewed on an annual basis. In deciding on changes in the annual base salary of the Chief Executive Officer, which occurs upon employment contract renewal, the Compensation Committee

Edgar Filing: INTELLI CHECK INC - Form DEF 14A

considers several performance factors. Among these are operating and administrative efficiency and the maintenance of an appropriately experienced management team. The Compensation Committee also evaluates the Chief Executive Officer's performance in the area of finding and evaluating new business opportunities to establish the most productive strategic direction for our company. Salary changes for other executives are based primarily on their performance in supporting the strategic initiatives of the Chief Executive Officer, meeting individual goals and objectives set by the Chief Executive Officer, and improving the operating efficiency of our company. Also, where applicable, changes in the duties and responsibilities of each other executive officer may be considered in deciding on changes in annual salary.

Stock Options. Stock options have been administered by the Compensation Committee of the Board of Directors. Our board and shareholders have approved four stock option plans for employees, directors and consultants of our company. Amounts available and options granted pursuant to those plans are set forth in the tables below.

Arthur L. Money

COMPENSATION COMMITTEE INTERLOCKS  
AND INSIDER PARTICIPATION

The board of directors has established a compensation committee which is currently comprised of Mr. Levy, chairman, Mr. Moody and Mr. Money. No member of the Compensation Committee has a relationship that would constitute an interlocking relationship with Executive Officers or Directors of the Company or another entity.

PROPOSAL NO. 2  
PROPOSED 2004 STOCK OPTION PLAN

There is being submitted to the shareholders for approval at the Annual Meeting, the Intelli-Check, Inc. 2004 Stock Option Plan which authorizes the issuance not later than December 31, 2014 of options to purchase up to 850,000 of our common shares. The 2004 Plan was approved by our board of directors at a meeting held on May 10, 2004, subject to shareholder approval.

Our board of directors believes that the Company and our shareholders have benefited from the grant of stock options in the past and that similar benefits will result from the adoption of the 2004 Plan. We believe that stock options play an important role in providing eligible employees, directors and consultants with an incentive and inducement to contribute fully to the further growth and development of our company because of the opportunity to acquire a proprietary interest in our company on an attractive basis.

All stock options granted under the 2004 Plan will be exercisable at such time or times and in such installments, if any, as our compensation committee or the board of directors may determine and expire no more than ten years from the date of grant. The exercise price of the stock option will be the fair market value of our common shares on the date of grant and must be paid in cash. The fair market value of our shares at May 28, 2004 was \$7.49. Options are non-transferable except by will or by the laws of descent and distribution. Each option to be granted under the 2004 Plan will be evidenced by an agreement subject to the terms and conditions set forth above.

Options granted under the 2004 Plan terminate three months after the optionee's relationship with us is terminated except if termination is by reason of death or disability. In the case of death or disability, the option terminates twelve months after the optionee's death or termination of employment by reason of disability. If an employee's employment is terminated for cause, then any unexercised options held by the employee are cancelled upon termination of employment. In the case of a non-employee director who has served his or her full term, all vested options remain exercisable until the termination date set forth in the stock option agreement to which such options relate.

Our board of directors has discretion to determine whether all unvested options shall automatically vest in full if and when either of the following stockholder approved transactions to which the company is a party are consummated: (i) a merger or consolidation in which securities possessing more than fifty percent (50%) of the total combined voting power of our outstanding securities are transferred to a person or persons different from the persons holding those securities immediately prior to such transaction, or (ii) the sale, transfer or other disposition of all or substantially all of the assets in a complete liquidation or dissolution. However, the shares subject to an outstanding option shall not vest on such an accelerated basis if and to the extent: (i) such option is assumed by the successor company (or parent thereof) in the corporate transaction or (ii) such option is to be replaced with a cash incentive program of the successor company which preserves the spread existing on the unvested option shares at the time of the corporate transaction and provides for subsequent payout in accordance with the same vesting schedule applicable to those unvested option shares or (iii) the acceleration of such option is subject to other limitations imposed by the board or committee at the time of the option grant.

Currently, there are thirty-one (31) employees and directors who would be entitled to receive stock option grants under this Plan. Future new hires and additional consultants would be eligible to participate in the plan as well. The

## Edgar Filing: INTELLI CHECK INC - Form DEF 14A

number of stock options to be granted to executives and directors cannot be determined at this time as the grant of stock options is dependent upon various factors such as hiring requirements and job performance.

### EQUITY COMPENSATION PLAN INFORMATION

We maintain various stock plans under which options vest and shares are awarded at the discretion of our board of directors or its compensation committee. The purchase price of the shares under the plans and the shares subject to each option granted is not less than the fair market value on the date of grant. The term of each option is generally five to ten years and is determined at the time of grant by our board of directors or its compensation committee. The participants in these plans are officers, directors, employees and consultants of the company and its subsidiaries or affiliates.

### U.S. FEDERAL TAX MATTERS

Stock options may be granted in the form of incentive stock options or non-qualified stock options. Incentive stock options are eligible for favorable tax treatment under the U.S. Internal Revenue Code (the "Code"). To meet the Code requirements, the maximum value of incentive stock options that first become exercisable in any one year is limited to \$100,000. Under the Code, persons do not realize compensation income upon the grant of a stock option (whether an incentive stock option or non-qualified stock option). At the time of exercise of a non-qualified stock option, the holder will realize compensation income in the amount of the spread between the exercise price of the option and the fair market value of our stock on the date of exercise. At the time of exercise of an incentive stock option, no compensation income is realized other than "tax preference income" for purposes of the alternative minimum tax. If the shares acquired on exercise of an incentive stock option are held for at least two years after grant of the option and one year after exercise, the excess of the amount realized on sale over the exercise price will be taxed as capital gains. If the shares acquired on exercise of the incentive stock option are disposed of within less than two years after grant or one year of exercise, the holder will realized compensation income equal to the excess of the fair market value of shares on the date of exercise over the option price.

## Edgar Filing: INTELLI CHECK INC - Form DEF 14A

Additional amounts realized will be taxed as capital gains. We will generally be entitled to a deduction under the Code at the time equal to the amount of compensation income realized by the holder of an option.

Our board of directors has a limited right to modify or amend the 2004 Plan which does not include the right to increase the number of shares which is available for the grant of options.

During the term of the 2004 Plan, our eligible employees will receive, for no consideration prior to exercise, the opportunity to profit from any rise in the market value of the common stock. This will dilute the equity interest of our other shareholders. The grant and exercise of the options also may affect our ability to obtain additional capital during the term of any options.

The 2004 Plan will be administered by the compensation committee appointed by the board of directors. The compensation committee currently consists of Messrs. Levy, Money and Moody. None of Mr. Levy, Mr. Money or Mr. Moody is an employee of our company.

Our board of directors is recommending the adoption of the 2004 Plan. The description of the proposed 2004 Plan set forth above is qualified in its entirety by reference to the text of the 2004 Plan as set forth in Exhibit B.

Our board of directors recommends the selection of Amper, Politziner & Mattia, P.C. as independent auditors to examine Intelli-Check's financial statements for the fiscal year ending December 31, 2004. On April 21, 2004, our Audit Committee, with the approval of our Board of Directors, determined to dismiss its independent auditors, Grant Thornton, LLP, and to engage the services of Amper, Politziner & Mattia, P.C. as its new independent auditors. During the two most recent fiscal years ended December 31, 2003, and the subsequent interim period through April 21, 2004, there were no disagreements between Intelli-Check and Grant Thornton on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Grant Thornton's satisfaction, would have caused Grant Thornton to make reference to the subject matter of the disagreement in connection with its reports. Representatives of Grant Thornton will not be present at the annual meeting.

Representatives of Amper, Politziner & Mattia, P.C. are expected to be present at the annual meeting of shareholders with the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

EXHIBIT B

INTELLI-CHECK, INC.

### 2004 STOCK OPTION PLAN

1. Purpose. Intelli-Check, Inc., a Delaware corporation ("Intelli-Check"), desires to attract and retain the best available talent and to encourage the highest level of performance. The Intelli-Check, Inc. 2004 Stock Option Plan (the "Plan") is intended to contribute significantly to the attainment of these objectives by affording eligible employees and independent contractors of Intelli-Check and its affiliates (whether or not incorporated) (collectively, with Intelli-Check, the "Company") the opportunity to acquire a proprietary interest in Intelli-Check through the grant of stock options ("Options") to purchase shares of common stock, \$.001 par value per share, of Intelli-Check (the "Common Stock").

### 2. Administration.

(a) In General. Subject to paragraph (b) hereof, the Plan shall be administered by the board of directors of Intelli-Check (the "Board"). The Board shall have plenary authority in its discretion, to the maximum extent permissible by law, subject to and not inconsistent with the express provisions of the Plan, to make all awards of Options under the Plan, to select from among eligible persons those individuals who will be awarded Options, to determine the number of shares of Common Stock covered by each Option, the Option exercise price per share of Common Stock covered by each Option (and, in connection therewith, determine the Fair Market Value of the Common Stock for purposes of the Plan), and the restrictions, if any, which shall apply to the Common Stock subject to an Option, to determine the terms and conditions of each Option, to approve the form of each Option agreement (an "Option Agreement"), to amend any such Option Agreement from time to time, to construe and interpret the Plan and all Option Agreements executed thereunder and to make all other determinations necessary or advisable for the administration of the Plan. In exercising its authority to set the terms and conditions of Options, and subject only to the limits of applicable law, the Board shall be under no obligation or duty to treat similarly situated grantees of an Option Agreement ("Optionees") in the

## Edgar Filing: INTELLI CHECK INC - Form DEF 14A

same manner, and any action taken by the Board with respect to the grant of an Option to one Optionee shall in no way obligate the Board to take the same or similar action with respect to any other Optionee. The Board may exercise its discretion in a manner such that Options which are granted to individuals who are foreign nationals or who are employed or provide services outside the United States, contain terms and conditions which are different from the provisions otherwise specified in the Plan but which are consistent with the tax and other laws of foreign jurisdictions applicable to the Optionee and which are designed to provide the Optionee with benefits which are consistent with the Company's objectives in establishing the Plan. The Board may adopt such rules as it deems necessary or advisable in order to carry out the purpose of the Plan. All questions of interpretation, administration and application of the Plan shall be determined by a majority of the members of the Board then in office, except that the Board may authorize any one or more of its members, or any officer of the Company, to execute and deliver documents (including any applicable Option Agreement) on behalf of the Board or Intelli-Check. Any interpretation or determination made by the Board pursuant to the foregoing shall be conclusive and binding upon any person having or claiming any interest under the Plan.

(b) Appointment of Committee. Notwithstanding paragraph (a), the Board may appoint a committee of not fewer than two members of the Board (the "Committee") and transfer to the Committee some or all of its authority hereunder. If the Board creates a Committee, the Board may from time to time appoint members of the Committee in substitution for or in addition to members

previously appointed and may fill vacancies, however caused, in the Committee. To the extent necessary to comply with Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the "Act") with respect to Option grants to officers and directors, each member of the Committee shall be a "non-employee director" within the meaning of Rule 16b-3 and, to the extent necessary to exclude Options granted under the Plan from the calculation of the income tax deduction limit under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), each member of the Committee shall be an "outside director" within the meaning of Code Section 162(m). To the extent necessary to be consistent with the provisions of this paragraph (b), any reference in the Plan and/or an Option Agreement to a decision, determination or action of the Board shall be read and understood as referring to a decision, determination or action of the Committee.

(c) Liability of Board and Committee Members. Except as otherwise required by law, no member of the Board or the Committee shall be liable for anything whatsoever in connection with the administration of the Plan other than such member's own willful misconduct. Under no circumstances shall any member of the Board or the Committee be liable for any act or omission of any other member of the Board or the Committee. In the performance of its functions with respect to the Plan, the Board and the Committee shall be entitled to rely upon information and advice furnished by Intelli-Check's officers, Intelli-Check's accountants, Intelli-Check's legal counsel and any other party the Board and Committee deems necessary, and no member of the Board or Committee shall be liable for any action taken or not taken in reliance upon any such advice.

3. Type of Options. Options granted under the Plan may be either incentive stock options ("ISOs") intended to meet the requirements of Code Section 422 or nonqualified stock options ("NSOs") which are not intended to meet such Code requirements.

4. Eligible Persons. Subject in the case of ISOs to Section 17(a), Options may be awarded only to employees and independent contractors of the Company. For purposes hereof, the term "independent contractors" shall include consultants, advisors and directors of the Company. In determining the persons to whom awards

shall be made and the number of shares to be covered by each Option, the Board shall take into account the duties of the respective persons, their present and potential contributions to the success of the Company and such other factors as the Board, in its discretion, shall deem relevant in connection with accomplishing the purposes of the Plan.

5. Shares Subject to the Plan. No more than eight hundred fifty thousand (850,000) shares of Common Stock shall be issued pursuant to the exercise of Options granted under the Plan. The maximum aggregate number of shares of Common Stock for which Options may be granted to any one individual within one fiscal year of Intelli-Check shall be one hundred fifty thousand (150,000). Such aggregate numbers shall be subject to adjustment as provided in Section 16. If an Option is forfeited or expires without being exercised, the shares of Common Stock subject to the Option shall be available for additional Option grants under the Plan. If an Option is exercised in whole or in part by an Optionee by tendering previously owned shares of Common Stock, or if any shares are withheld in connection with the exercise of its Option to satisfy the Optionee's tax liability, the full number of shares in respect of which the Option has been exercised shall be applied against the limit set forth in this Section 5.

-ii-

6. Term of Options. The term of each Option shall be fixed by the Board and specified in the applicable Option Agreement, but in no event shall it be more than ten years from the date of grant, subject to earlier termination as provided in Section 8. Subject in the case of ISOs to Section 17, the term of an Option may be extended from time to time by the Board, provided that no such extension shall extend the term beyond ten years from the date of grant.

7. Vesting. The Board shall determine the vesting schedule applicable to a particular Option grant and specify the vesting schedule in the applicable Option Agreement. Notwithstanding the foregoing the Board may accelerate the vesting of an Option at any time.

8. Termination of Relationship to the Company.

(a) Options Granted To Employees. With respect to an Option granted to an individual who is an employee of the Company at the time of Option grant, unless the Option Agreement expressly provides to the contrary, (i) the Option shall terminate immediately upon the Optionee's termination of employment for Cause (as defined in Section 23); (ii) in the event that the Optionee's employment with the Company shall terminate by reason of death or Disability (as hereinafter defined), the unvested portion of the Option shall terminate immediately and the vested portion of the Option shall terminate one year following such termination of employment (but shall not continue to vest during such one year period); and (iii) in the event that the Optionee's employment with the Company shall terminate for any other reason, the unvested portion of the Option shall terminate immediately and the vested portion of the Option shall terminate three months after such termination of employment (but shall not continue to vest during such three month period); provided, however, that in the event that the Optionee is subject to any non-compete or confidentiality agreement which he or she violates, the Option shall immediately terminate upon such violation. Notwithstanding anything herein to the contrary, in no event shall an Option remain exercisable beyond the expiration date specified in the applicable Option Agreement. An Option Agreement may contain such provisions as the Board shall approve with reference to the determination of the date employment terminates for purposes of the Plan and the effect of leaves of absence, which provisions may vary from one Option Agreement to another. For purposes hereof, the Optionee shall be deemed to have a "Disability" if the

## Edgar Filing: INTELLI CHECK INC - Form DEF 14A

Optionee is permanently and totally disabled, within the meaning of Section 22(e) of the Code.

(b) Options Granted to Independent Contractors. With respect to an Option granted to an individual who is not an employee of the Company at the time of Option grant, the Board shall determine and specify in the applicable Option Agreement the consequences, if any, of the termination of the Optionee's relationship with the Company.

9. Option Exercise Price. Subject in the case of ISOs to Section 17, the Option exercise price per share of Common Stock covered by an Option shall be established by the Board.

### 10. Exercise of Options.

(a) An Option may be exercised at any time and from time to time, in whole or in part, as to any or all full shares as to which the Option is then exercisable; provided, however, that if so specified in the Option Agreement, the Option may not, in a single exercise, be exercised for fewer than the minimum number of shares specified in the Option Agreement, unless the exercise is for all of the shares as to which the Option is then exercisable. An Option may not be exercised with respect to a fractional share. If an Option is exercised with respect to all of the whole shares as to which the Option is exercisable, and the Option remains exercisable with respect to less than one share of Common Stock, the Option shall immediately and without any further action by the Company or the Optionee be cancelled with respect to the remaining

-iii-

fractional share, without any consideration being paid by the Company. An Optionee (or other person who, pursuant to Section 13, may exercise the Option) shall exercise the Option by delivering to Intelli-Check at the address provided in the Option Agreement a written, signed notice of exercise, stating the number of shares of Common Stock with respect to which the option exercise is being made, and satisfy the requirements of paragraph (b) of this Section 10. Upon receipt by Intelli-Check of any notice of exercise, the exercise of the Option as set forth in that notice shall be irrevocable.

(b) Upon exercise of an Option the Optionee shall pay to Intelli-Check the Option exercise price per share of Common Stock multiplied by the number of full shares as to which the Option is then exercised. An Optionee may pay the Option exercise price by tendering or causing to be tendered in cash, by delivery of shares of Common Stock owned by the Optionee for at least six months preceding the date of exercise of the Option (or such shorter or longer period as the Board may approve or require from time to time) having a Fair Market Value equal to the exercise price or other property permitted by law and acceptable to the Board, or any combination thereof. Without limiting the foregoing, payment of the exercise price may be facilitated by an outside broker.

(c) An Optionee shall, upon notification of the amount due and prior to or concurrently with delivery of the certificate representing the shares as to which the Option has been exercised, promptly pay or cause to be paid the amount determined by the Board as necessary to satisfy all applicable tax and other withholding requirements. An Optionee may satisfy his withholding requirement in any manner satisfactory to the Board.

(d) The certificate representing the shares as to which an Option has been exercised shall bear an appropriate legend setting forth any

restrictions applicable to such shares.

11. Option Agreement. The terms and conditions of each Option shall be set forth in an Option Agreement in the form approved by the Board. Each Option Agreement shall be executed by Intelli-Check and the Optionee. Each Option Agreement shall, at a minimum, specify (i) the number of shares of Common Stock subject to the Option, (ii) whether the Option is intended to be an ISO or NSO, (iii) the provisions related to vesting and exercisability of the Option, including the Option exercise price, and (iv) that the Option is subject to the terms and provisions of the Plan and that in the event of any conflict between the Option Agreement and the Plan, the Plan shall control. The Option Agreement may also contain such other terms and conditions as the Board determines to be necessary or advisable. Option Agreements may vary from one to another.

12. No Stockholder Rights. No Optionee shall have the rights of a stockholder with respect to shares covered by an Option until such person becomes the holder of record of such shares. If in connection with an exercise of the Option the Optionee pays all or a portion of the Option exercise price with shares of Common Stock, the Optionee shall continue to be the stockholder of record with respect to the shares which he has tendered as exercise payment until the Optionee becomes the holder of record of the shares of Common Stock to be acquired upon such exercise.

13. Nontransferability.

(a) Subject to paragraph (b), Options granted under the Plan shall not be assignable or transferable other than by will or the laws of descent and distribution and Options may be exercised during the lifetime of the Optionee only by the Optionee or by the Optionee's guardian or legal representative. In the event of any attempt by an Optionee to transfer, assign, pledge, hypothecate or otherwise dispose of an Option or any right thereunder, except as provided for herein, or in the event of the levy of any attachment, execution or similar process upon the rights or interest hereby conferred, Intelli-Check may

-iv-

terminate the Option by notice to the Optionee and it shall thereupon become null and void.

(b) Notwithstanding paragraph (a), if and only if (and on the terms) so provided in the applicable Option Agreement, an Optionee may transfer a NSO, by gift or a domestic relations order, to a Family Member of the Optionee (as defined in Section 23). If a NSO is transferred in accordance with this subparagraph, the Option shall be exercisable solely by the transferee, but the determination of the exercisability of the Option shall be based solely on the activities and state of affairs of the Optionee. Thus, for example, if after a transfer the Optionee ceases to be an employee of the Company, such termination shall trigger the provisions of Section 8 hereof. Conversely, if after a transfer the transferee ceases to be an employee of the Company, such termination shall not trigger the provisions of Section 8 hereof.

14. Compliance with Law; Registration of Shares.

(a) The Plan and any grant hereunder shall be subject to all applicable laws, rules, and regulations of any applicable jurisdiction or authority or agency thereof and to such approvals by any regulatory or governmental authority or agency or securities exchange which, in the opinion of Company's counsel, may be required or appropriate.

## Edgar Filing: INTELLI CHECK INC - Form DEF 14A

(b) Notwithstanding any other provision of the Plan or Option Agreements made pursuant hereto, the Company shall not be required to issue or deliver any certificate or certificates for shares of Common Stock under the Plan prior to fulfillment of all of the following conditions:

i. Effectiveness of any registration or other qualification of such shares of the Company under any law or regulation of any applicable jurisdiction or authority or agency thereof which the Board shall, in its absolute discretion or upon the advice of counsel, deem necessary or advisable; and

ii. Grant of any other consent, approval or permit from any applicable jurisdiction or authority or agency thereof or securities exchange which the Board shall, in its absolute discretion or upon the advice of counsel, deem necessary or advisable.

The Company shall use all reasonable efforts to obtain any consent, approval or permit described above; provided, however, that except to the extent as may be specifically required in an Option Agreement with respect to any particular Option grant, the Company shall be under no obligation to register or qualify any shares subject to an Option under any federal or state securities law or on any exchange.

15. No Restriction on the Right of Intelli-Check to Effect Corporate Changes. The Plan and the Options granted hereunder shall not affect in any way the right or power of Intelli-Check or its stockholders to make or authorize any or all adjustments, recapitalization, reorganizations or other changes in Intelli-Check's or the Company's capital structure or its business, or any merger or consolidation of Intelli-Check or the Company, or any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights of holders thereof or which are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of Intelli-Check or the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

### 16. Certain Adjustments.

(a) In the event that Intelli-Check or the division, subsidiary or other affiliated entity for which an Optionee performs services is sold (including a stock or an asset sale), spun off, merged, consolidated, reorganized or liquidated, the Board may determine that (i) the Option shall be assumed, or a substantially equivalent Option shall be substituted, by an acquiring or succeeding entity (or an affiliate thereof) on such terms as the Board determines to be appropriate; (ii) upon written notice to the Optionee, provide that the Option shall terminate immediately prior to the consummation of the transaction unless exercised by the Optionee within a specified period following the date of the notice; (iii) in the event of a sale or similar transaction under the terms of which holders of Common Stock receive a payment for each share of Common Stock surrendered in the transaction (the "Sales Price"), make or provide for a payment to each Optionee equal to the amount by which (A) the Sales Price times the number of shares of Common Stock subject to the Option (to the extent such Option is then exercisable) exceeds (B) the aggregate exercise price for all such shares of Common Stock; or (iv) may make such other equitable adjustments as the Board deems appropriate.

## Edgar Filing: INTELLI CHECK INC - Form DEF 14A

(b) In the event of any stock dividend or split, recapitalization, combination, exchange or similar change affecting the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company, the Board shall make any or all of the following adjustments as it deems appropriate to equitably reflect such event: (i) adjust the aggregate number of shares (or such other security as is designated by the Board) which may be acquired pursuant to the Plan, (ii) adjust the option price to be paid for any or all such shares subject to the then outstanding Options, (iii) adjust the number of shares of Common Stock (or such other security as is designated by the Board) subject to any or all of the then outstanding Options and (iv) make any other equitable adjustments or take such other equitable action as the Board, in its discretion, shall deem appropriate. For purposes hereof, the conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration."

(c) Any and all adjustments or actions taken by the Board pursuant to this Section shall be conclusive and binding for all purposes.

### 17. ISO Provisions.

(a) Employment Requirement. ISOs may only be awarded to employees of Intelli-Check or a corporation which, with respect to Intelli-Check, is a "parent corporation" or "subsidiary corporation" within the meaning of Code Sections 424(e) and (f), respectively. Furthermore, except as otherwise provided in Code Section 422, if an Optionee is no longer employed by Intelli-Check or a parent corporation or subsidiary corporation of Intelli-Check, the Optionee's Option shall cease to be treated as an ISO.

(b) Option Exercise Price. Subject to paragraph (c), the Option exercise price per share of Common Stock covered by an ISO shall be no less than the Fair Market Value of a share of Common Stock on the date of grant of the Option.

(c) 10% Stockholders. In the case of an individual who at the time the Option is granted owns stock possessing more than 10% of the total combined voting power of all classes of the stock of Intelli-Check or of a parent or subsidiary corporation of Intelli-Check, (i) the Option exercise price of the Common Stock covered by any ISO granted to such person shall in no event be less than 110% of the Fair Market Value of the Common Stock on the date the ISO is granted and (ii) the term of an ISO granted to such person may not exceed five years from the date of grant.

(d) \$100,000 Limit. The aggregate Fair Market Value (determined at the time an ISO is granted) of the Common Stock covered by ISOs exercisable for the first time by an employee during any calendar year (under all plans of the Company) may not exceed \$100,000.

-vi-

(e) Options Which Do Not Satisfy ISO Requirements. To the extent that any Option which is issued under the Plan exceeds the limit set forth in paragraph (d) or otherwise does not comply with the requirements of Code Section 422, it shall be treated as a NSO.

18. No Right to Continued Employment. Neither the Plan nor any action taken hereunder shall be construed as giving any employee or any independent contractor any right to continue in the employ of or to be engaged as an independent contractor by the Company or affect the right of the Company to terminate such person's employment or other relationship with the Company at any

## Edgar Filing: INTELLI CHECK INC - Form DEF 14A

time.

19. Amendment; Early Termination. The Board may at any time and from time to time alter, amend, suspend or terminate the Plan in whole or in part; provided, however, that no amendment requiring stockholder approval by law, rules or regulations, or by the rules of any stock exchange, inter-dealer quotation system, or other market in which shares of Common Stock are traded, shall be effective unless and until such stockholder approval has been obtained in compliance with such rule or law; and provided, further, that no such amendment shall materially and adversely affect the rights of an Optionee in any Option previously granted under the Plan without the Optionee's written consent. Without limiting the foregoing, outstanding Options may be repriced downward without stockholder approval.

20. Effective Date. The Plan shall be effective as of July 18, 2004 (the "Effective Date"), subject to the approval thereof by the stockholders of Intelli-Check entitled to vote thereon within 12 months of such date. In the event that such stockholder approval is not obtained within such time period, the Plan and any Options granted under the Plan on or prior to the expiration of such 12 month period shall be void and of no further force and effect.

21. Termination of Plan. Unless terminated earlier by the Board in accordance with Section 19 above, the Plan shall terminate on, and no further Options may be granted after, the tenth anniversary of the Effective Date.

22. Severability. In the event that any one or more provisions of the Plan or an Option Agreement, or any action taken pursuant to the Plan or an Option Agreement, should, for any reason, be unenforceable or invalid in any respect under the laws of the United States, any state of the United States or any other jurisdiction, such unenforceability or invalidity shall not affect any other provision of the Plan or Option Agreement, but in such particular jurisdiction and instance the Plan and/or Option Agreement, as applicable, shall be construed as if such unenforceable or invalid provision had not been contained therein or if the action in question had not been taken thereunder.

### 23. Definitions.

(a) Cause. The term "Cause" when used herein in conjunction with termination of employment (or other service relationship) means (i) if the Optionee is a party to an employment or similar agreement with the Company which defines "cause" (or a similar term), the meaning set forth in such agreement (other than death or Disability), or (ii) otherwise, termination by the Company of the employment (or other service relationship) of the Optionee by reason of the Optionee's (1) intentional failure to perform reasonably assigned duties, (2) dishonesty or willful misconduct in the performance of his duties, (3) involvement in a transaction which is materially adverse to the Company, (4) breach of fiduciary duty involving personal profit, (5) willful violation of any law, rule, regulation or court order (other than misdemeanor traffic violations and misdemeanors not involving misuse or misappropriation of money or property),

-vii-

(6) commission of an act of fraud or intentional misappropriation or conversion of any asset or opportunity of the Company, or (7) material breach of any provision of the Plan, the Optionee's Option Agreement or any other written agreement between the Optionee and the Company, in each case as determined in good faith by the Board, whose determination shall be final, conclusive and binding on all parties.

## Edgar Filing: INTELLI CHECK INC - Form DEF 14A

(b) Fair Market Value. As used herein, the term "Fair Market Value" means, with respect to Common Stock on any given date, the closing sales price of the Common Stock for such date (or, in the event that the Common Stock is not traded on such date, on the immediately preceding trading date) on the Nasdaq Stock Market or any stock exchange on which the Common Stock may be listed, as reported in The Wall Street Journal. If the Common Stock is not listed on the Nasdaq Stock Market or on a national stock exchange, but is quoted on the OTC Bulletin Board or by the National Quotation Bureau, the Fair Market Value of the Common Stock shall be the mean of the bid and asked prices per share of the Common Stock for such date. If the Common Stock is not quoted or listed as set forth above, Fair Market Value shall be determined by the Board in good faith by any fair and reasonable means (which means, with respect to a particular Option grant, may be set forth with greater specificity in the applicable Option agreement). The Fair Market Value of property other than Common Stock shall be determined by the Board in good faith by any fair and reasonable means.

(c) Family Member of the Optionee. As used herein, "Family Member of the Optionee" means the Optionee's lineal descendant, stepchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships, any person sharing the Optionee's household (other than a tenant or employee), a trust in which the Optionee and/or these persons have more than 50% of the beneficial interest, a foundation in which these persons (or the Optionee) control the management of assets, and any other entity in which these persons (or the Optionee) own more than 50% of the voting interests.

24. Transfers to and from Affiliates. For all Plan purposes, a transfer of an employee from Intelli-Check to an Intelli-Check affiliate or visa versa, or a transfer from one Intelli-Check affiliate to another, will not be treated as a termination of employment.

25. Headings. The headings of sections and subsections herein are included solely for convenience of reference and shall not affect the meaning of any of the provisions of the Plan.

26. Governing Law. This Plan and all rights hereunder shall be construed in accordance with and governed by the laws of the State of New York, without regard to any conflict of law provision that would defer to the substantive laws of another jurisdiction.
