**PROXY STATEMENT
OF
MANHATTAN PHARMACEUTICALS, INC.**

**ANNUAL MEETING OF STOCKHOLDERS TO BE HELD
DECEMBER 15, 2006**

The enclosed proxy is solicited on behalf of the Board of Directors (the “Board”) of Manhattan Pharmaceuticals, Inc., a Delaware corporation, for use at the Annual Meeting of Stockholders to be held on December 15, 2006, at 10:00 a.m. EST (the “Annual Meeting”), or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at the American Stock Exchange, 14th floor Boardroom, 86 Trinity Place, New York, New York 10006.

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We sent you this proxy statement and the enclosed proxy card because the Board of Directors of Manhattan Pharmaceuticals, Inc., a Delaware corporation (sometimes referred to as “Manhattan,” the “Company,” “we,” “us,” or “our”), is soliciting your proxy to vote at the 2006 Annual Meeting of Stockholders. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. The Annual Meeting will be held on Friday, December 15, 2006 at 10:00 a.m. (EST) at the American Stock Exchange, 14th floor Boardroom, 86 Trinity Place, New York, New York 10006. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card. The American Stock Exchange requires photo identification to enter its premises.

We intend to mail this proxy statement and accompanying proxy card on or about November 16, 2006 to all stockholders of record entitled to vote at the Annual Meeting.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on November 10, 2006, will be entitled to vote at the Annual Meeting. On this record date, there were 60,120,038 shares of our common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on November 10, 2006, your shares were registered directly in your name with our transfer agent, Continental Stock Transfer and Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on November 10, 2006, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

- Election of seven directors to hold office until the 2007 Annual Meeting of Stockholders; and
- Ratification and approval of the selection of J.H. Cohn LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006.

How do I vote?

You may either vote “For” all the nominees to the Board of Directors or you may “Withhold” your vote for any nominee you specify. For the other matters to be voted on, you may vote “For” or “Against” or “Abstain” from voting. The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

- To vote in person, come to the Annual Meeting, where a ballot will be made available to you.
- To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from Manhattan. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank, if your broker or bank makes telephone or Internet voting available. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of the close of business on November 10, 2006.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted “For” the election of all seven nominees for director and “For” the ratification and approval of the selection of J.H. Cohn LLP as our independent registered public accounting firm for fiscal 2006. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy card with a later date.
- You may send a written notice that you are revoking your proxy to our Secretary at 810 Seventh Avenue, 4th Floor, New York, New York 10019.
- You may attend the meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals due for next year’s Annual Meeting?

To be considered for inclusion in next year’s proxy materials, your proposal must be submitted in writing by the close of business on July 16, 2007 to our Secretary at 810 Seventh Avenue, 4th Floor, New York, New York 10019. If you wish to bring a matter before the stockholders at next year’s annual meeting and you do not notify us by September 29, 2007, our management will have discretionary authority to vote all shares for which it has proxies in opposition to the matter.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count “For” and “Withhold” and, with respect to proposals other than the election of directors, “Against” votes, “Abstentions” and broker non-votes. Abstentions will be counted towards the vote total for each proposal and will have the same effect as “Against” votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

If your shares are held by your broker as your nominee (that is, in “street name”), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to “discretionary” items, but not with respect to “non-discretionary” items. Discretionary items are proposals considered routine under the rules of the New York Stock Exchange on which your broker may vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as broker non-votes.

How many votes are needed to approve each proposal?

For the election of directors to hold office until the 2007 Annual Meeting of Stockholders, the seven nominees receiving the most “For” votes (among votes properly cast in person or by proxy) will be elected. Only votes “For” or “Withheld” will affect the outcome.

To be approved, Proposal 2, the ratification and approval of the selection of J.H. Cohn LLP as our independent registered public accounting firm for the fiscal year ended December 31, 2006, must receive a “For” vote from the majority of shares present either in person or by proxy and entitled to vote. If you “Abstain” from voting, it will have the same effect as an “Against” vote. “Broker non-votes,” which occur when brokers are prohibited from exercising discretionary voting authority for beneficial owners who have not provided voting instructions, will not be counted for the purpose of determining the number of shares present in person or by proxy on a voting matter and will have no effect on the outcome of the vote.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares are represented by stockholders present at the meeting or by proxy. On the record date, there were 60,120,038 shares of common stock outstanding and entitled to vote. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, either the chairman of the meeting or a majority of the votes present may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in our annual report on Form 10-KSB for the fiscal year ending December 31, 2006.

INFORMATION CONCERNING THE BOARD OF DIRECTORS AND ITS COMMITTEES

Independence of the Board of Directors

As required under the listing standards of the American Stock Exchange, a majority of the members of a listed company’s board of directors must qualify as “independent,” as determined by the board. Our Board of Directors consults with our legal counsel to ensure that the Board’s determinations are consistent with all relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in the applicable listing standards of the American Stock Exchange. Consistent with these considerations, and after review of all relevant transactions or relationships between each director, or any of his family members, and Manhattan, its senior management and its independent registered public accounting firm, the Board has determined that all of our directors are independent directors within the meaning of the applicable American Stock Exchange listing standard, except for Mr. Abel, our President and Chief Executive Officer, Mr. Pons Gimbert, and Dr. Weiser.

Board Committees and Meetings

The Board held 6 meetings (either in person or by conference call) in 2005 and took action by written consent 6 times. All directors attended at least 75 percent of the aggregate meetings of the Board and of the committees on which they served.

The Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The following table provides membership for each of the Board committees:

Name of Committee Membership

Audit	Messrs. Herskowitz, Hoenlein and Steinhart (Chair)
Compensation	Messrs. Herskowitz, Hoenlein, Steinhart and Dr. Weiser
Nominating and Governance	Messrs. Herskowitz, Hoenlein and Steinhart

Audit Committee

The Audit Committee oversees the Company’s accounting and financial reporting process. For these purposes, the Audit Committee performs several functions. For example, the Committee evaluates and assesses the qualifications of the independent registered public accounting firm; determines the engagement of the independent registered public accounting firm; determines whether to retain or terminate the existing independent registered public accounting firm; reviews and approves the retention of the independent registered public accounting firm to perform any non-audit services; reviews the financial statements to be included in the Company’s Annual Report on Form 10-KSB; and

discusses with management and the independent registered public accounting firm the results of the annual audit and the results of the Company's quarterly financial statements. The Board of Directors adopted a written Audit Committee Charter, a copy of which can be found on our company website at www.manhattanpharma.com. The Audit Committee met four times in 2005.

Our Board of Directors has reviewed the definition of independence for Audit Committee members and has determined that each of member of our Audit Committee is independent (as independence for audit committee members is currently defined by Section 121 of the Listing Standards of the American Stock Exchange). The Board has further determined that Mr. Steinhart qualifies as an “audit committee financial expert,” as defined by applicable rules of the Securities and Exchange Commission.

Compensation Committee

The Compensation Committee of the Board of Directors oversees our compensation policies, plans and programs. The Compensation Committee reviews and approves corporate performance goals and objectives relevant to the compensation of our executive officers and other senior management; reviews and recommends to the Board the compensation and other terms of employment of our Chief Executive Officer and our other executive officers; administers our equity incentive and stock option plans; and makes recommendations to the Board concerning the issuance of awards pursuant to those plans. All current members of the Compensation Committee are independent (as independence is currently defined under Section 121 of the American Stock Exchange listing standards), except for Dr. Weiser. The Compensation Committee did not meet in 2005. The Board of Directors has adopted a written charter of the Compensation Committee, a copy of which can be found on our company website at www.manhattanpharma.com.

Nominating and Governance Committee

The Nominating and Governance Committee considers and recommends to the Board persons to be nominated for election by the stockholders as directors. In addition to nominees recommended by directors, the Nominating and Governance Committee will consider nominees recommended by stockholders if submitted in writing to the Secretary of the Company at the address of Company’s principal offices. The Board believes that any candidate for director, whether recommended by stockholders or by the Board, should be considered on the basis of all factors relevant to the needs of the Company and the credentials of the candidate at the time the candidate is proposed. Such factors include relevant business and industry experience and demonstrated character and judgment. The Board of Directors adopted a written charter of the Nominating and Governance Committee, a copy of which can be found on our company website at www.manhattanpharma.com. The Nominating Committee did not meet in 2005.

Communication with the Board of Directors

Although we have not adopted a formal process for stockholder communications with our Board of Directors, we believe stockholders should have the ability to communicate directly with the Board so that their views can be heard by the Board or individual directors, as applicable, and that appropriate and timely responses be provided to stockholders. All communications regarding general matters should be directed to the Secretary of the Company at the address below and should prominently indicate on the outside of the envelope that it is intended for the complete Board of Directors or for any particular director(s). If no designation is made, the communication will be forwarded to the entire board. Stockholder communications to the Board should be sent to:

Code of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all officers, directors and employees of our company. A copy of our Code of Business Conduct and Ethics is available on our company's website at www.manhattanpharma.com. If we make any substantive amendments to the Code of Business Conduct and Ethics or grant any waiver from a provision of the code to an executive officer or director, we will promptly disclose the nature of the amendment or waiver by filing with the SEC a current report on Form 8-K.

The following is the report of our Audit Committee with respect to our audited financial statements for the fiscal year ended December 31, 2005.

The purpose of the Audit Committee is to assist the Board in its general oversight of our financial reporting, internal controls and audit functions. The Audit Committee Charter describes in greater detail the full responsibilities of the Committee. In accordance with the terms of his employment agreement and as a result of our private placement financing that we completed in August 2005, Mr. Abel's salary was increased to \$325,000 retroactive to April 1, 2005. The employment agreement contains customary provisions relating to confidentiality, work-product assignment, non-competition and non-solicitation. In the event Mr. Abel's employment is terminated by us (other than for cause) during the term of the agreement, including a termination upon a change of control (as defined in the agreement), we are required to pay a severance payment ranging from between 6 and 12 month of base salary, depending upon the circumstances of such termination.

Alan G. Harris

We entered into an employment agreement with Dr. Harris dated January 26, 2006, whereby Dr. Harris agreed to serve as our Chief Medical Officer for a period of three years commencing on February 1, 2006. The option vests in two equal installments on each of January 3, 2006 and January 3, 2007, subject to Mr. Rossettos's continued employment with us. Mr. Rossettos' employment with us was terminated in July 2006. In accordance with the terms of his employment agreement, he is entitled to continue receiving his base salary until January 2007.

OTHER MATTERS

Certain Transactions and Relationships

Oleoylstrone Developments, SL

Pursuant to the terms of a license agreement dated February 15, 2002 between us and Oleoylstrone Developments, SL (“OED”), we have an exclusive, worldwide license to U.S. and foreign patents and patent applications relating to certain technologies. Although we are not obligated to pay royalties to OED, the license agreement requires us to make certain performance-based milestone payments. OED currently owns approximately 6.6 percent of our outstanding common stock. Additionally, Mr. Pons, a member of our board of directors, is chief executive officer of OED.

In addition to the license agreement, we entered into a consulting agreement with OED. The agreement became effective in February 2002, at a fee of \$6,250 per month, and will terminate when the license agreement terminates. The fees associated with the consulting agreement are expensed as incurred. OED agreed to serve as a member of our Scientific Advisory Board and to render consulting and advisory services to us. Such services include research, development and clinical testing of our technology as well as the reporting of the findings of such tests, assistance in the filing of patent applications and oversight and direction of efforts in regards to personnel for clinical development. For the periods ended December 31, 2005, 2004 and from inception, fees paid to OED were \$75,000, \$75,000 and \$287,500, respectively.

NovaDel Pharma Inc.

As discussed above, pursuant to the terms of a license agreement dated April 4, 2003 by and between us and NovaDel Pharma Inc., we have the rights to develop NovaDel’s proprietary lingual spray technology to deliver propofol for preprocedural sedation. The license agreement with NovaDel requires us to make certain license and milestone payments, as well as pay royalties. During 2003, we paid aggregate license fees of \$500,000 to NovaDel under the license agreement, but during 2004 and 2005 did not make any payments to NovaDel under the agreement. Lindsay A. Rosenwald, who beneficially owns more than 5 percent of our common stock, also beneficially owns in excess of 20 percent of the common stock of NovaDel.

Paramount BioCapital, Inc.

Two members of our board of directors, Timothy McInerney and Michael Weiser, are also employees of Paramount BioCapital, Inc. or one of its affiliates. In addition, two former members of our board of directors, Joshua Kazam and David Tanen were employed by Paramount BioCapital through August 2004 and were directors of our company until September 2005. The sole shareholder of Paramount BioCapital, Inc. is Lindsay A. Rosenwald, M.D. Dr. Rosenwald beneficially owns more than 5 percent of our common stock. In January 2004, we paid approximately \$260,000 as commissions earned in consideration for placement agent services rendered by Paramount BioCapital in connection with a private placement of our common stock, which amount represented 7 percent of the shares sold by Paramount BioCapital in the private placement. In connection with the January 2004 private placement and as a result of their employment with Paramount BioCapital, Mr. Kazam, Mr. McInerney and Dr. Weiser were allocated 5-year placement agent warrants to purchase 60,174, 58,642 and 103,655 shares of our common stock, respectively, at a price of \$1.10 per share. Acquisition of Tarpan Therapeutics, Inc.

On April 1, 2005, we acquired Tarpan Therapeutics, Inc., a privately-held biotechnology company that owns the rights to develop PTH (1-34), in a merger transaction. Several of Tarpan's former stockholders are directors or significant stockholders of the Company. Dr. Rosenwald and various trusts established for the benefit of Dr. Rosenwald and members of his immediate family collectively beneficially owned approximately 46 percent of Tarpan's common stock and beneficially owned approximately 26 percent our common stock. In addition, Joshua Kazam, David Tanen, Dr. Michael Weiser and Timothy McInerney, all of whom were members of our board of directors at the time of such acquisition (Messrs. Kazam and Tanen have since resigned), collectively owned approximately 13.4 percent of Tarpan's outstanding common stock. Dr. Weiser and Mr. McInerney are also employed by Paramount BioCapital, Inc., an entity owned and controlled by Dr. Rosenwald. As a result of such relationships between us and Tarpan, our board of directors established a special committee to consider and approve the transaction. The special committee consisted of three disinterested directors, none of whom had any prior relationship with Tarpan.

We believe that all the transactions described above were made on terms no less favorable to us than could have been obtained from unaffiliated third parties.
