Section 4 - Matters Related to Accountants and Financial Statements

Item 4.01. Changes in Registrant's Certifying Accountant.

Edgar Filing: Wi-Tron, Inc. - Form 8-K/A

On January 17, 2007, the Registrant's independent auditor KBL, LLP (the "Former Accountant") advised the Registrant that it declined to stand for re-election. On the same date, the Registrant appointed Moore & Associates, Chartered, as its principal accountants. The decision to change accountants was approved by the Company's board of directors. The Company did not consult with Moore & Associates Chartered on any matters prior to retaining such firm as its principal accountants.

The Former Accountant's audit reports on the financial statements of the Company for the fiscal years ended December 31, 2005 and December 31, 2004 contained no adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2005 and 2004, and through the interim period ended January 17, 2007, there were no disagreements with the Former Accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to the satisfaction of the Former Accountant would have caused them to make reference thereto in their reports on the financial statements for such periods.

During the years ended December 31, 2005 and 2004, and through the interim period ended January 17, 2007, the Former Accountant did not advise the Company with respect to any of the matters described in paragraphs (a) (1) (iv) (A) and (B) of Item 304 of Regulation S-B, except to advise the Registrant that its internal controls necessary to develop reliable financial statements were deficient. The subject matter of these reports from the Former Accountant was discussed in detail by the Board of Directors with the Former Accountant prior to the release of the financial statements for both of the aforementioned periods. The Registrant authorized the Former Accountant to respond fully to the inquiries of the successor accountant concerning the subject matter of the Former Accountants' comments on internal control deficiencies.

On March 5, 2007, the Company provided the Former Accountant with its disclosures in this Form 8-K-A disclosing the change in principal accountants and requested in writing that the Former Accountant furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether or not they agree with such disclosures. The Former Accountant's response is filed as an exhibit to this Current Report on Form 8-K-A.
